

My Experience with Reiflynn & VIRTUX VE

Back in October 2023, I was hired to be part of VIRTUX Virtual Entertainment. They wanted me to debut with a wave called Saga that would be arriving in October of 2024.

I'm writing this document to go over the **lies, lack of communication, blatant ignoring and manipulation done by the CEO, Reiflynn**. This document is **purely my own**. There are many, many stories from the other talents and staff members, but those aren't mine to tell. I will update this section under here with links to other talent's documents as they are posted:

VixieVeeVT: [☰ Vixie's Experience with Virtux VE](#)

Inky: [☰ Inky's Testimony Testimony in Virtux](#)

KiriStaryear: [☰ Kiri Staryear's Testimony in Virtux](#)

PLEASE DO NOT HARASS ANY OF THE VIRTUX STAFF. They were in the dark just as much as the rest of us, and were a huge part of how we discovered all of this was happening. Most of them never received their paychecks.

Design

We went with a really great artist/designer for Skari's 2.0 design. I was promised a group chat with said artist, and 4 designs that we would talk about before coming up with a final, and was given neither. After Reii gave me the very first design WIP, when I asked if there were more to follow like I was promised, I was ignored.

This is not the artist's fault. You will find that this is a recurring issue where Reii did not allow the talents to speak with their artists.

Reii [VIRTUX] 1/3/2024 2:03 PM

Okay perf. I'll reach out to them for a slot in Feb/March and see what they can accommodate. in the meantime, would you be able to get together like, a doc or folder of images that you'd really like to be reffed in your design? I can make the ref board with more details if you'd like as well

SkariFae 1/3/2024 2:04 PM

Definitely! I already have a pinterest board made 🦋

Reii [VIRTUX] 1/3/2024 2:04 PM

Awesome!

SkariFae 1/3/2024 2:06 PM

Thanks Reii!! 🦋

January 8, 2024

Reii [VIRTUX] 1/8/2024 12:27 AM

hihi Skari! Do you have that folder ready? They want some details and I wanna get the design ref sheet made for them as soon as possible 😊

No rush if not!

SkariFae 1/8/2024 12:28 AM

Oh, I do, yeah!! Let me get that sent to you!

Reii [VIRTUX] 1/8/2024 12:28 AM

Perf!

SkariFae 1/8/2024 12:44 AM

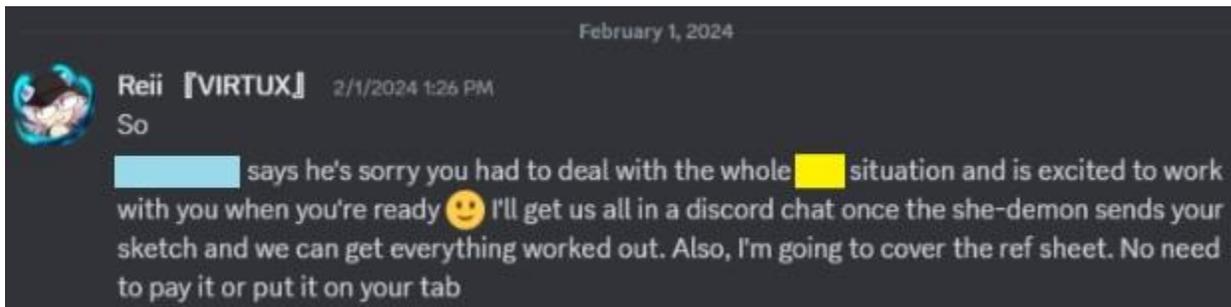

Here you go!

<https://drive.google.com/drive/folders/1WCl8MiZ9OQ8w5k42crWGMfgBplHCWLJY?usp=sharing>

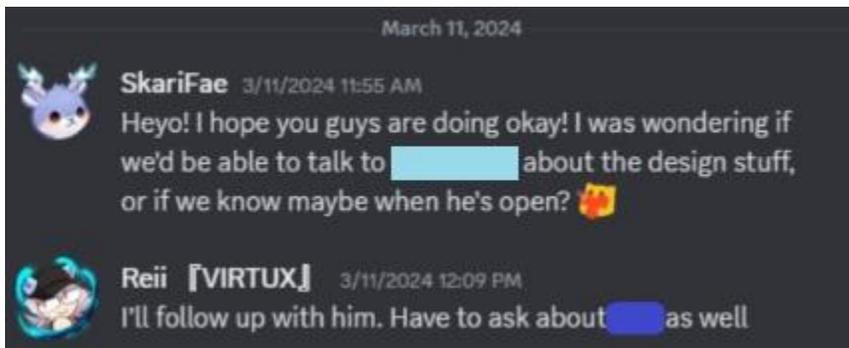

I tossed in my fullbody and a picture of my current model with the updated, darker colors just so they could see those.

Reii never let me talk to the artist before they started working.

I never received a ref sheet.

SkariFae 3/24/2024 3:27 PM

I forgot to ask!! When [redacted] is able to start are we gonna have a group chat so I can help with the design? 🙏

Reii [VIRTUX] 3/24/2024 3:29 PM

Yep! So he's going to do some preliminary sketches to give us some ideals and then we'll do a call to pick, choose, mix and match, and make changes

SkariFae 3/24/2024 3:30 PM

Sweet!!! I'm so excited!!! 🥳

SkariFae 4/7/2024 1:43 PM

Definitely okay if not, I'm just uber excited, but has [redacted] said anything? 🐧

Reii [VIRTUX] 4/7/2024 1:56 PM

Let me poke

April 9, 2024

SkariFae 4/9/2024 11:04 AM

Hey Reii! Sorry to poke, has [redacted] said anything? 🤖

April 11, 2024

SkariFae 4/11/2024 11:54 AM

Hey hey! I'm sorry to poke again, I'm just really excited 🥳

My birthday subathon went from April 15th to the 26th. I had several goals that were based around having my 2.0 design, and was getting anxious.

April 19, 2024

SkariFae 4/19/2024 7:55 PM

Hey Reii! Do you know when [REDACTED] is gonna be finishing the other designs? 🏠

April 21, 2024

SkariFae 4/21/2024 10:46 AM

Hey, I'm sorry for the poke, but do you know when the designs are gonna be ready? I'd really like to get working on some of the goals I hit during the subathon, but I can't get anything commissioned until the designs are done ;-;

Reii [VIRTUX] 4/21/2024 10:52 AM

Should be done before May, but I can poke.

SkariFae 4/21/2024 10:55 AM

Ah, okay! I didn't know that was the estimated date, I'm sorry!

Reii [VIRTUX] 4/21/2024 1:37 PM

No worries!

I was never given any dates. As you can tell by the screenshots, Reii loved ignoring people when they were asking for him to do work.

April 26, 2024

Reii [VIRTUX] 4/26/2024 9:57 AM

Hey hey! So design is almost done. Since I'm covering a crapton of spark expenses right now, do you think you'd be able to use some of your community money to cover [redacted]'s fee, or some of it? Like I said, I can cover back that 800 in the case that we don't win the dispute with [redacted] (though I'm very sure we will). My poor card just covered 9000 bucks though and I don't want it to lock
If not, it's cool I can figure something out

SkariFae 4/26/2024 9:57 AM

I definitely can! 🙌

Reii [VIRTUX] 4/26/2024 9:58 AM

Oh awesome! With commercial rights and everything it's 400. Is that okay?

SkariFae 4/26/2024 9:58 AM

Yeah!

Are we still gonna get a few designs, then say what things we like and make that into the final one?

Reii [VIRTUX] 4/26/2024 10:01 AM

Cool cool! Thanks so much! He said we'll get a couple of options, but they'll all be in the same direction as the one I sent to ya.
Since I have the invoice, I'll just pay it and send over the confirmation and receipt for your taxes. You can just friends and fam it over to [redacted]

May 6, 2024

SkariFae 5/6/2024 4:32 PM

hey!! I hope Monday is going well!! did [redacted] happen to say anything? 🙌

Reii [VIRTUX] 5/6/2024 7:45 PM

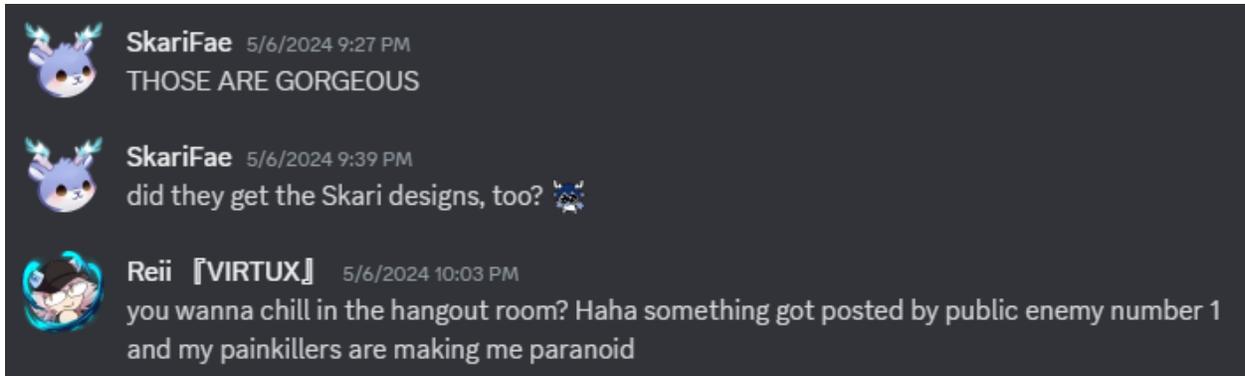

Umm lemme poke. Sorry was at my follow up today and it tuckered me out

SkariFae 5/6/2024 7:45 PM

No you're totally good!! I know you also had a bunch of other things going on, too!

Another talent at the time had their design being done by this designer, as well. Reii leaked their design to me, but refused to talk about my own.

He repeatedly ignored me, not responding to my questions and making excuses.

May 11, 2024

SkariFae 5/11/2024 12:07 PM

Today's the day for the design, ye? 🧑🏻‍🎨

Reii 『VIRTUX』 5/11/2024 12:08 PM

I believe so!

he's got 3/4 marked on the trello

Reii [VIRTUX] 5/13/2024 6:46 AM

He did apologize for being a liiiittle late. He's working on finishing rendering today

SkariFae 5/13/2024 9:41 AM

Sweet!! 🐾 I'm excited to see!!

May 14, 2024

SkariFae 5/14/2024 12:34 PM

YOU JUST GONNA SAY YOU SAW SOMETHIN THEN LEAVE ME HANGIN

Reii [VIRTUX] 5/14/2024 12:35 PM

hehe

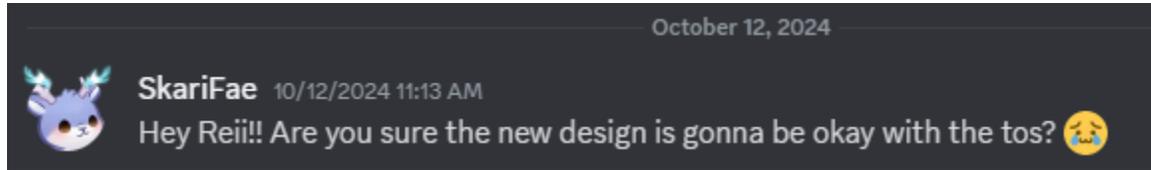

Reii [VIRTUX] 5/14/2024 2:31 PM

my design

This was the last time we mentioned the designer. Reii never responded to my question. The last time it was brought it up was asking about TOS changes and he ignored the question.

Model Art

When I signed on to the company, I was promised a new model, plus an alternate outfit when I debuted with VIRTUX in October. My 2.0 model was to be debuted late spring/early summer due to issues that I had with my 1.0 model being made by an AI scammer on Etsy. This way, I wouldn't have the problematic model leading up to the company debut. The alternate outfit was to be debuted with VIRTUX in October

November 8, 2023

SkariFae 11/8/2023 4:08 PM

Hey Kuzi, I hope you're doin well! 🧑🏻 I was wonderin, if you aren't too busy, if I could get your opinion on some model troubles I've been having?

Kuzi 11/8/2023 4:41 PM

Hey Sure! I'll try to help where I can!

SkariFae 11/8/2023 4:51 PM

Aa!! Thank you! So - I've been having a bit of trouble with my current model artist. The short story is they took my money and ran with it, and then it came out that they used tracing and using AI to make my (and my vsiblings') models. Kind of gross. 🤢 So I've been trying to get out of this model as fast as I can, and my community's helped me save up a little for it.

I've been wondering if it would be better to wait until Saga to replace the model, or just keep trying for something as soon as I can?

Kuzi 11/8/2023 5:06 PM

Oh that really sucks to hear, I've just spoken to Reii and what we can offer is to assist you in paying for a new model as well as whatever your community has raised which we can probably start the process at the end of January (after Instinct launch. meaning you will probably get it late February/early march)

Then we can also offer you a new outfit for SAGA's launch in October. Feel free to send over any recommended artists that you'd like in the chat with Reii and I and we can also recommend any artists for you as well.

SkariFae 11/8/2023 5:18 PM

That's so kind of you guys, thank you so much!! 🙏

Kuzi 11/8/2023 5:29 PM

As long as you're all good with waiting a little longer, I understand that situation is frustrating so We're happy to help out where we can!

SkariFae 11/8/2023 5:35 PM

Absolutely! I really appreciate the help so much! 🙏

Reii [VIRTUX] 11/29/2023 7:29 PM

That's the plan. Though again if you wanna just get rid of your current model and start the new one earlier, since you have a good amount of the money for a new one, we can get it started early so you can start using the new model earlier and then just have an outfit done for virtux debut in october

Your choice 😊

SkariFae 11/29/2023 7:32 PM

Would that be okay? 🙄

Reii [VIRTUX] 11/29/2023 7:34 PM

Yeah! Ofcourse 😊

Let's set a meeting next week, finalize the artist and everything, and reach out so we can book a slot with em!

SkariFae 1/16/2024 12:36 AM

Hi Reii! [REDACTED] reached out to me and was talking about the model and what kind of things we wanted for it, she asked if I had a list of add-ons that we wanted for the model. Does this look right?

- Outfit (for after the main model)
- Animal ears/horns/tail
- Nude base

And then do we need privacy, at least just for the outfit? I was also wondering if I could add a scared expression, and I can pay for it?

an artist's price sheet

Also, if it's easier, we could make the group chat with the 3 of us! She messaged me after her stream this evening. She had some questions about the NDA (edited)

Reii [VIRTUX] 1/16/2024 2:42 AM

I usually don't even give artists an NDA tbh. Most of them understand the privacy but I don't think we even need to add privacy since you'll be using it right away.

But yeah for sure! I'll reach out to her and make a discord chat

SkariFae 1/16/2024 9:40 AM

Sweet!! Were the add-ons okay?

Reii [VIRTUX] 1/16/2024 11:12 AM

Yep! Sorry been a crazy morning

SkariFae 1/16/2024 11:15 AM

You're totally good 🧡 haha happy Tuesday!

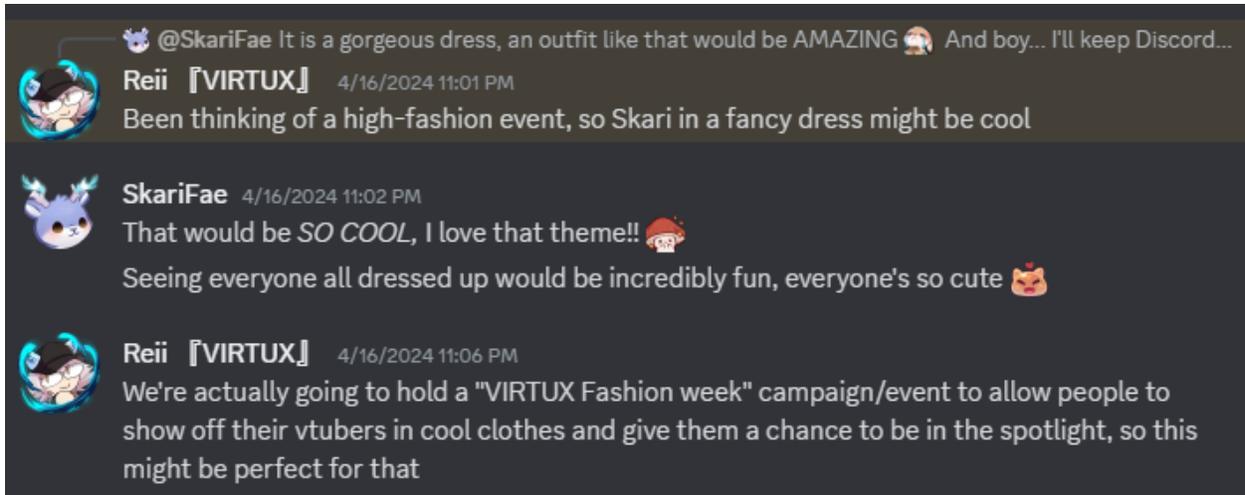

April 16, 2024

Reii [VIRTUX] 4/16/2024 10:55 PM

leaving this here for a potential future outfit idea

I had a few problems finding artists at first, but eventually I found my amazing new model mama, Panda!

I've shared this document with her and have her permission to post her name and some screenshots she took.

Reii [VIRTUX] 4/30/2024 5:10 PM
I really like marshallowpanda!

SkariFae 4/30/2024 5:10 PM
SAAAAAAAAAAME, I'm such a sucker for the eyes and shading alskhdfkaskdhflsd
Oh shoot, her designs are really cute, too, and super cheap. Could be an option for the outfit if we wanted to go with them

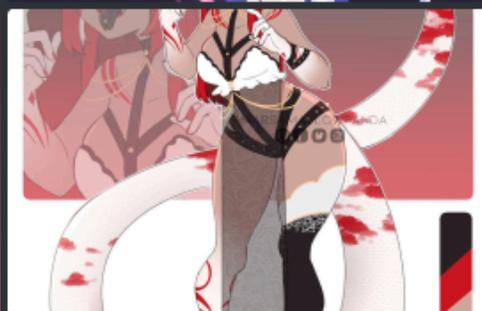

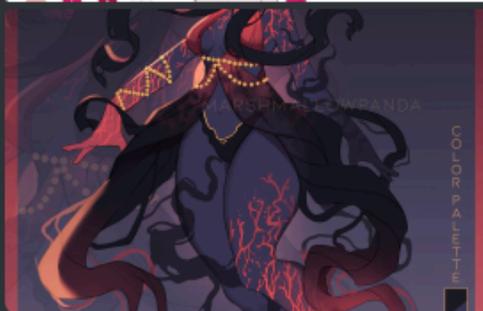

Character Design

Chibi Sketch : 45€

Chibi Fullcolo : 70€

Fullbody Sketch : 55€

Fullbody Fullcolo : 90€

idk if we had a plan for who to go with for the second outfit 🤔

Reii [VIRTUX] 4/30/2024 5:14 PM
I'm down to go for her too!
Lemme message her.

Reii [VIRTUX] 4/30/2024 8:59 PM

Also, price will be around 1200 euro as an estimate, which is honestly way in budget with marshallow, but that includes 6 expressions you choose, blooming flowers for your antlers, and some arm toggles if wanted, plus the legs

SkariFae 4/30/2024 9:00 PM

They got back to you so fast!!!

Reii [VIRTUX] 4/30/2024 9:02 PM

That's just an estimate though
but yeah haha
oh includes nude base as well

I'm not sure why he said 1200 euro was the estimated price there? Panda didn't give him an estimated price until August.

Pandaa Today at 12:33 AM

That was the first time he got an estimated price

Pandaa 16.08.2024 20:20

645€ for the Model including all 6 expressions. For the toggles It might be better to look into that when we finished the base models with expressions due to the timeline!

And sorry for the delay, my internet is currently not working properly but I'll have better internet again on Sunday since I'll be moving tomorrow! So messages might be a bit delayed till then 🙏

1

And that was also the end price

Back to April...

SkariFae 4/30/2024 10:23 PM

Oh yeah, does the 1200 euro count the alternate outfit? Cuz that's quite the jump from 500 :o

Reii [VIRTUX] 4/30/2024 10:24 PM

It's because the art is really complex with the hooves and the layers for the blooming flowers, plus she said she wanted to estimate higher rather than lower

SkariFae 4/30/2024 10:24 PM

Ooooh, that's fair that's fair

Reii [VIRTUX] 4/30/2024 10:26 PM

Honestly, 1200 is really in budget so I'm not ruffled about it. tbh, 500 was really low for the amount of detail, so I expected it to go up

May 2, 2024

Reii [VIRTUX] 5/2/2024 4:01 PM

Oh! So marsh (it's what I'm calling her now lol) is just waiting for the finalized design and once that's ready, she's happy to start up! 😊 so we should call soonish to decide on toggles and emotes

SkariFae 5/2/2024 4:01 PM

Oh Marsh is *suuuper* cute 🐱 and that's amazing!!! I'm free right now for a while, or after stream tomorrow!

Reii [VIRTUX] 5/2/2024 4:06 PM

Ummm yeah lemme crawl outta bed. Just a sec

Reii [VIRTUX] started a call that lasted an hour. 5/2/2024 4:13 PM

Reii then began ignoring me and making up excuses for why he couldn't make a group chat with the artist, as he had done with my designer.

June 6, 2024

SkariFae 6/6/2024 12:44 PM

Hey Reii!! I was wondering if we could do a group chat with Marshmallow, whenever they were gonna start the model? 🍰

Reii [VIRTUX] 6/6/2024 3:03 PM

Yep! After we lock in payment I will on Disc

SkariFae 6/6/2024 3:05 PM

Sweet!! 🍝 I'm so exciteeeeeed
also, I hope your Thursday's going well!!

SkariFae 6/20/2024 11:52 AM

Hey hey!! Has Marshmallow said anything? 🍰

Reii [VIRTUX] 6/20/2024 11:53 AM

Oh yeah! Let me handle some stuff and I'll do the introduction in a bit. Sorry work has been hell today

SkariFae 6/20/2024 11:54 AM

You're totally good!! 🍝

SkariFae 6/20/2024 4:02 PM

idk if I should ask for a personal thingy during the meeting, but could I get the Marshmallow chat? 🐼

Reii [VIRTUX] 6/20/2024 4:37 PM

Yep yep! Sorry just finishing up these files and then I'll do it before I pass out. I'm so slepyy

SkariFae 6/20/2024 4:40 PM

Thank you so much!! I hope you get a good nap!!

Reii [VIRTUX] 6/20/2024 4:41 PM

Sorry I haven't been able to yet haha. I have a backlog of 80 more files to approve and send to print before midnight... I've done 116 today already

SkariFae 6/20/2024 4:43 PM

You're totally good! That's so manyyyy, I hope the rest go quickly 😭

June 21, 2024

SkariFae 6/21/2024 12:30 AM

Hey! I'm so sorry to poke again, I hope your work went okay! Would it be okay to get the chat set up in the morning so I can send Mallow the refs before she takes the weekend off? I'm sorry to be a bother ;-;

June 22, 2024

SkariFae 6/22/2024 5:22 PM

Hey! I'm sorry to poke, but would we be able to get the chat sometime today or tomorrow so she can start Monday? I dunno if she's already started or not but I wanna make sure I ask about the little things I want for the model art 🙏

I'm so sorry to be annoying 😭

@SkariFae I'm so sorry to be annoying 😭

Reii [VIRTUX] 6/22/2024 5:23 PM

no worries. Alot of that was just me being exhausted. Mb

One of the excuses Reii gave for why he couldn't set up the group chat was that he had given Panda "rules" for how to interact with me, and she hadn't agreed to them. He didn't want artists to be able to talk to talents in private, because supposedly he was worried that artists would try to scam them. Looking back, it was probably so that he could keep us talents in the dark about Reii not paying them.

June 24, 2024

Reii [VIRTUX] 6/24/2024 7:09 AM

Oh for sure!

Haha I just opened both your dm's actually XD

SkariFae 6/24/2024 8:25 PM

is Marsh okay? 🗨️

Reii [VIRTUX] 6/24/2024 8:27 PM

Yeah she let me know she's still good to work on you, she's just not going to be a fulltime artist anymore. Had a bad experience with a couple clients

SkariFae 6/24/2024 8:28 PM

Shoot, that sucks 🤔 wishing her the best, hopefully we can help her!

Reii [VIRTUX] 6/24/2024 8:35 PM

Yeah hoping we can be a positive experience for her... and vice versa lol

SkariFae 6/24/2024 8:36 PM

yeaaaaaah 😊

did she say anything about the rules?

Reii [VIRTUX] 6/24/2024 8:45 PM

Not yet. I just poked her when you sent me that. I have not moved from my pc all day. Not in a good way. Literally felt so bad for aqua because I kept answering emails in our meeting and zoning out. I would like to apply to be taken out back and shot. 🤔🤔🤔

SkariFae 6/24/2024 8:46 PM

Ah shoot 🤔 Maaaaan, I'm sorry!! Are ya able to get up soon? 🤔

June 27, 2024

SkariFae 6/27/2024 10:15 PM

Man, I'm tryin not to be a downer, but I'm startin to worry she doesn't wanna do the model

My vacation was from June 29th to July 6th. At the very end of this conversation, Reii was talking about the Vshojo partnership and trauma dumping on me, a talent.

July 11, 2024

SkariFae 7/11/2024 4:21 PM

Hey Reii! I was wonderin if I could maybe ask what's going on with the model? It's totally okay that stuff's been delayed, I just was wondering if it's because the artist is finishing up another project, or if she hasn't agreed to stuff, or something 🗨️ is there anything I can do to help?

Reii 『VIRTUX』 7/11/2024 8:44 PM

Oh I'll handle it. I asked Kuzi to message you and let you know, but I guess he didn't ORZ we're almost good to go. Set her a new deadline. All I need is an "I agree" in writing. Should have that in the morning. Sorry for the late reply. Had a meeting with vshojo today and... well... CEO reii is staying. With big changes to our roster.

SkariFae 7/11/2024 8:46 PM

CEO REEEEEEEEEEEEEEE 🎉🎉🎉🎉🎉 Hopefully good changes? That's exciting!! 🤔 Haha also that's totally fine, I almost poked him but he started streaming right when I thought of it so maybe he was busy XD that's exciting though, thank you!! 🍷

July 12, 2024

SkariFae 7/12/2024 5:30 PM

Did she say anything? 🍷

July 13, 2024

SkariFae 7/13/2024 12:32 PM

Do you think she still wants to do it? 🗨️ I'm nervous she doesn't wanna do it anymore since it's been a while and she hasn't said yes

July 14, 2024

SkariFae 7/14/2024 4:45 PM

LOOKIEEEEEEE 🍷🍷🍷

July 15, 2024

Reii 『VIRTUX』 7/15/2024 12:20 AM

Cute!!!

SkariFae 7/15/2024 12:21 AM

🍷🍷 I love them!!

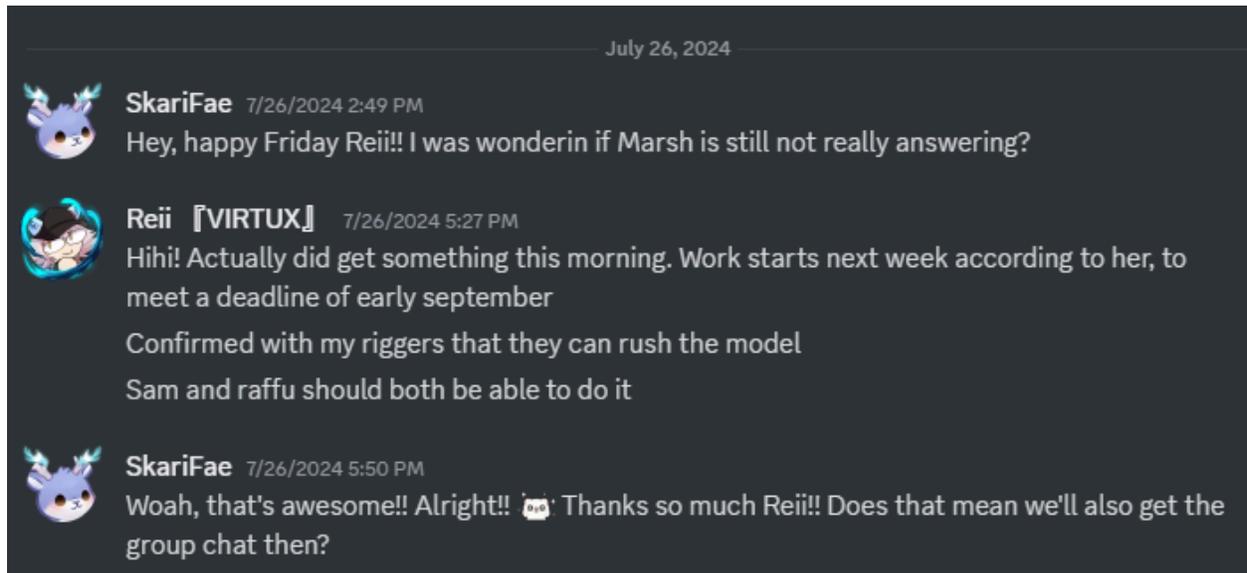

SkariFae 7/15/2024 5:15 PM

Hey, I'm so sorry to keep poking about this, but are you sure Marsh still wants to do the model? It's okay that she hasn't started yet, I'm more just worried that she might back out since it's been a while and she hasn't said yes to the "no reaching out" stuff.

I'm so sorry to keep poking, I really don't want to be annoying, I'm just not sure what might be going on there 🗨️

July 21, 2024

You can see me sending a bunch of new emotes on July 14th after being ignored for several days. I was testing whether or not he'd respond, since he only seemed to ignore me about things that would cause him to do work. And, lo and behold - he did respond to the emotes, a day later. He then went right back to ignoring me.

On July 31st, I had a bit of a breakdown, messaging both Reii and Kuzi about the model. With the amount of awful communication going on, I thought I was being fired, and Reii just hadn't told me yet. He had done that to other talents before - when he wanted to fire someone, he would put off firing them for over a month sometimes, and just ignore them completely. It was horrible.

July 29, 2024

SkariFae 7/29/2024 5:11 PM

Hey! Since Marsh is starting this week, would we be able to get the group chat set up? I have a few references and things and I wanna say hi!

July 30, 2024

SkariFae 7/30/2024 7:48 PM

Hey, is [REDACTED] mad at you? He was acting strange in the call

July 31, 2024

Reii [VIRTUX] 7/31/2024 7:49 AM

I don't think so? I'll talk to him

SkariFae 7/31/2024 1:07 PM

Alright! Would we be able to get the group chat with Marsh set up today? 🗨️ Or has she not agreed to the rules?

SkariFae 7/31/2024 3:03 PM

Maybe we could call and go over it? 🗨️ I also wanted to ask about what we were thinking with the debut, cuz if the model isn't going to be ready til October, it might be worth saving til the Virtux debut? But I'm not sure (edited)

I'm so sorry to spam, I really don't mean to, I just really want to be in the loop with what's going on with my model so I can plan around it 🙏

July 31, 2024

SkariFae 7/31/2024 3:14 PM

Hey Kuzi! Do you know if Reii has said anything about my model artist to you, or if he's really busy or something? Supposedly she was supposed to start this week and all he has to do is set up a group chat with us since I'm not allowed to talk to her without management, and I can't understand why it's not happening because he's been completely silent about it 🙄
I'm so frustrated at how I had zero say with my own design, and now the model art has been pushed back so far that it's not going to be ready to debut before Saga, and I'm not allowed to talk to her myself so I can't do anything

Kuzi 7/31/2024 3:27 PM

Hey Skarii, Sorry to hear that you've not been getting updates. I know that Reii has been trying to get some VIRTUX work done this week so I'll ask him about it but unfortunately he hasn't said anything to me about it to me.

I'll have a talk with him about it and see if we can set things straight! (edited)

SkariFae 7/31/2024 3:35 PM

Am I being fired?

Kuzi 7/31/2024 3:36 PM

God no, you are not at fault for any issues with communication

Kuzi 7/31/2024 4:06 PM

I'll bring it up with him tonight and see if we can get progress on your model.

Ideally moving forward I would like to be included in the model process so I can answer any questions you do have

SkariFae 7/31/2024 4:08 PM

Thanks Kuzi, I'd like that a lot 🙏 I'm sorry for all the pushing, I feel awful about it

Kuzi 7/31/2024 4:17 PM

Don't feel bad, it's totally understandable!

Kuzi was unfortunately never brought in on the model process, but he's also never been paid a cent since Virtux started (similar to other staff, unbeknownst to me), and I also eventually had my manager start with the company, so he didn't need to be!

Reii [VIRTUX] 7/31/2024 5:20 PM

hey hey sorry no worries. Yeah we can do that. sorry I was just in a meeting with aqua. Let me poke her and get a group chat started 😊

ALSO NO YOU'RE NOT BEING FIRED I LOVE YOU ❤️

SkariFae 7/31/2024 5:46 PM

AAAAA thank you Reii, I'm sorry for being annoying, I love you guys! 🥰

August 1, 2024

SkariFae 8/1/2024 5:44 PM

Hey!! I know we mentioned poteentially getting Aeru for some things, they're open for August now!

Hey!! With the group chat, is all we're waiting on for Marsh to say she won't private message me? Or are we just needing to set it up? Because I could do it, if it's the second one!

SkariFae 8/2/2024 6:38 PM

THANKS FOR THE STREAAAAAAAM WE LOVE YOU REEEEEEEII

Reii [VIRTUX] 8/2/2024 8:22 PM

setting it up tonight

It was not set up that night. (He also ignored my message about Aeru, who I had told him I wanted to commission many times.)

Panda gave me permission to use this screenshot - Reii hadn't even reached out to ask for the group chat until August 3rd.

Hello there, No problem at all! c:
Feel free to send me the details so I can get get
a proper look at things.
I would very much like to work on it, but I must
ask when is the deadline? Because I remember
it was something between August or September,
is that still the plan? Best wishes!

SkariFae 8/4/2024 11:40 AM

Reii [VIRTUX] 8/4/2024 12:08 PM

Also sorry I didn't do it yesterday. Was sleeping off a fever all day

SkariFae 8/4/2024 12:08 PM

It's okay!! Did you catch a cold? :<

Reii [VIRTUX] 8/4/2024 12:24 PM

It was not a pretty meeting.

Anyways, i'll get outta bed soon. Just in a pool of my own sweat so I'm gonna shower before i boot up my pc

SkariFae 8/4/2024 12:26 PM

No worries!!

SkariFae 8/4/2024 2:45 PM

Hey Reii, is everything alright?

August 13, 2024

Reii [VIRTUX] 8/13/2024 7:31 AM

LOL SEE I TOLD YOU SHE TAKES FOREVER!

HAHAH

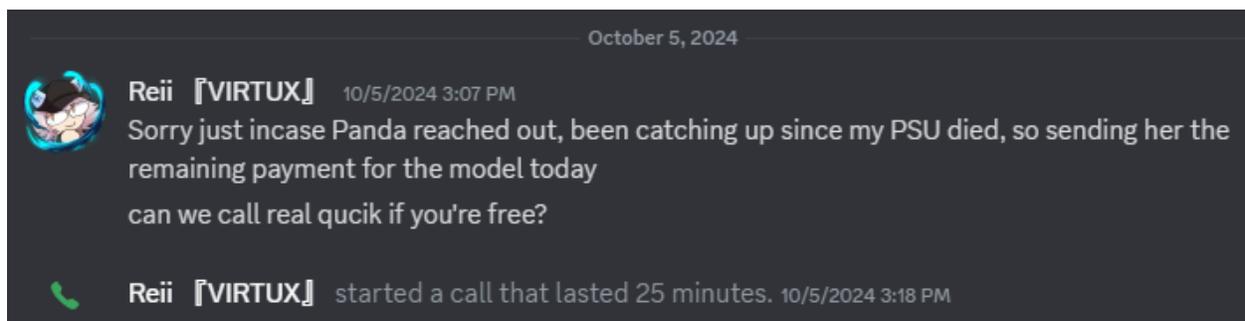

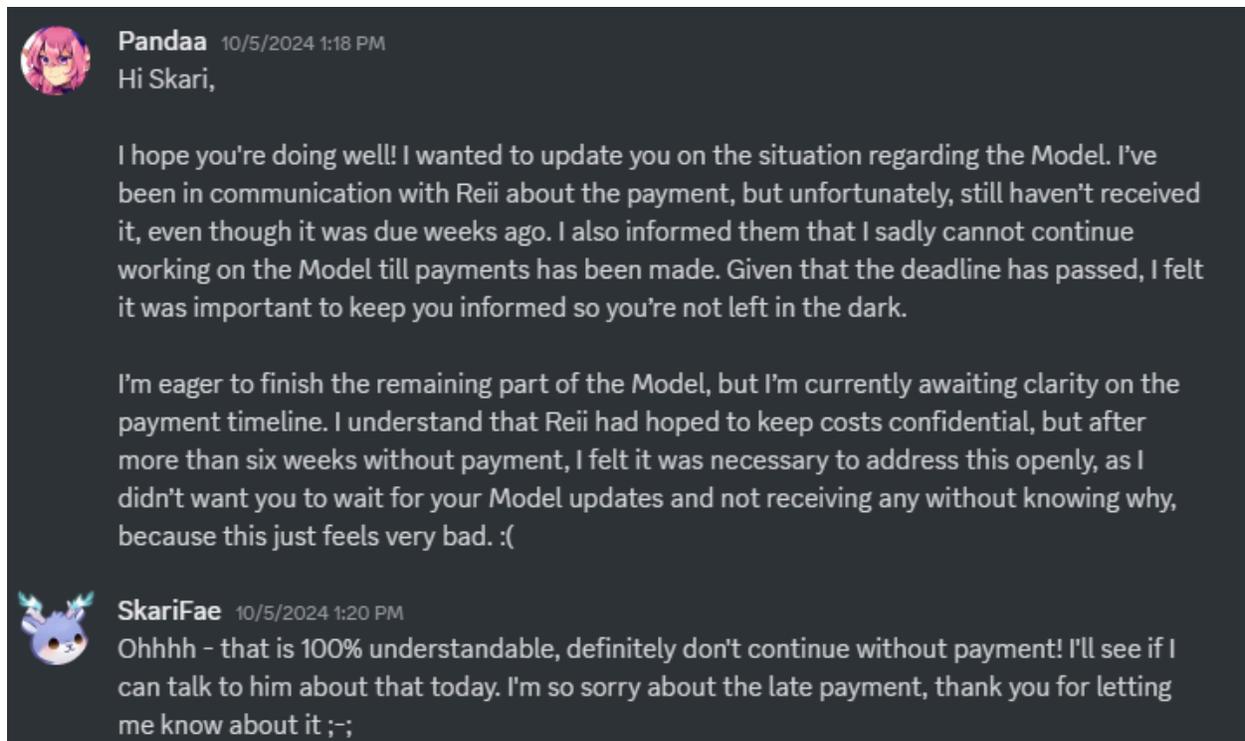

SkariFae 8/13/2024 9:27 AM

Das okay!! I'm just exciteeed 🐱

Another excuse Reii would make (usually in voice calls) about the group chat was that Panda took a while to respond to DMs. I've never had this issue with her. Reii frequently pushed blame off to other people, and was claiming she took forever in that last message because the group chat was made, and due to time zones, Panda didn't respond til the next morning.

We got the group chat, and then there were issues with Reii not paying on time. Panda DM'd me to ask about it.

Reii started panicking once he found out Panda had reached out to me for payment. The call was a lot of excuses about Vshojo's accountant not paying Panda on time - but it was all over voice, unfortunately. He promised payment would be made that day.

I resorted to reaching out to Kuzi, Reii's roommate and business partner, again, because Reii was ignoring me.

SkariFae 10/7/2024 11:26 AM

Hey Kuzi!! 🐼 Would you mind poking Reii about paying Panda today?

Kuzi 10/7/2024 11:31 AM

Hey Skari! I'll make sure to put it on his radar today

SkariFae 10/7/2024 11:32 AM

Thank you so much!! 🐼 I hope you guys are having a good day!!

Reii did not pay that day, or on time, for that matter.

Pandaa 10/8/2024 2:21 AM

I just wanted to inform you that since Monday passed, sadly no payment has been made again. :(

Since there was no explanation again I gave one last deadline till Thursday, otherwise I will have to assume that he just cannot or does not want to pay and will have to look into how I will handle this situation from now on. I'm really sorry for this and that this also affects you since you're also waiting for your model. But since this is my full time job and I invested so much time already I can't afford to keep waiting anymore after almost 7 weeks :(

Just to give you an update (edited)

SkariFae 10/8/2024 10:35 AM

Hey! Thank you for letting me know. I'm really sorry it's taken so long. I'll call him again today, see what's going on

Pandaa 10/8/2024 10:36 AM

Thank you 🙏

I also wrote him today but still awaiting a response

SkariFae 10/8/2024 10:44 AM

I just saw his power and water apparently went out this morning, but I'll call since his phone should still be charged

If it gets to be Thursday and he still hasn't paid it I'll pay it myself

Oh... never mind, his partner just let me know his phone *is* dead, so now I'm talking to them. I promise though, I'll get ahold of him today

October 8, 2024

SkariFae 10/8/2024 10:50 AM

Kuzi!! I'm so sorry, I've texted Reii but I just saw the announcement

The Vshojo bill guy didn't pay Panda's invoice over the weekend, and it's *really* got to be paid
 is there any way I could talk to Reii? Or that he could get it paid today?

messed her. Handling this now. Sorry been dealing with a fuck ton of water damage, then my power went out, and now no water. AHHHH Will sent the proof of payment in the skari chat when it's handled before end of day I'm just going to pay it out of my own pocket can we call real quick?

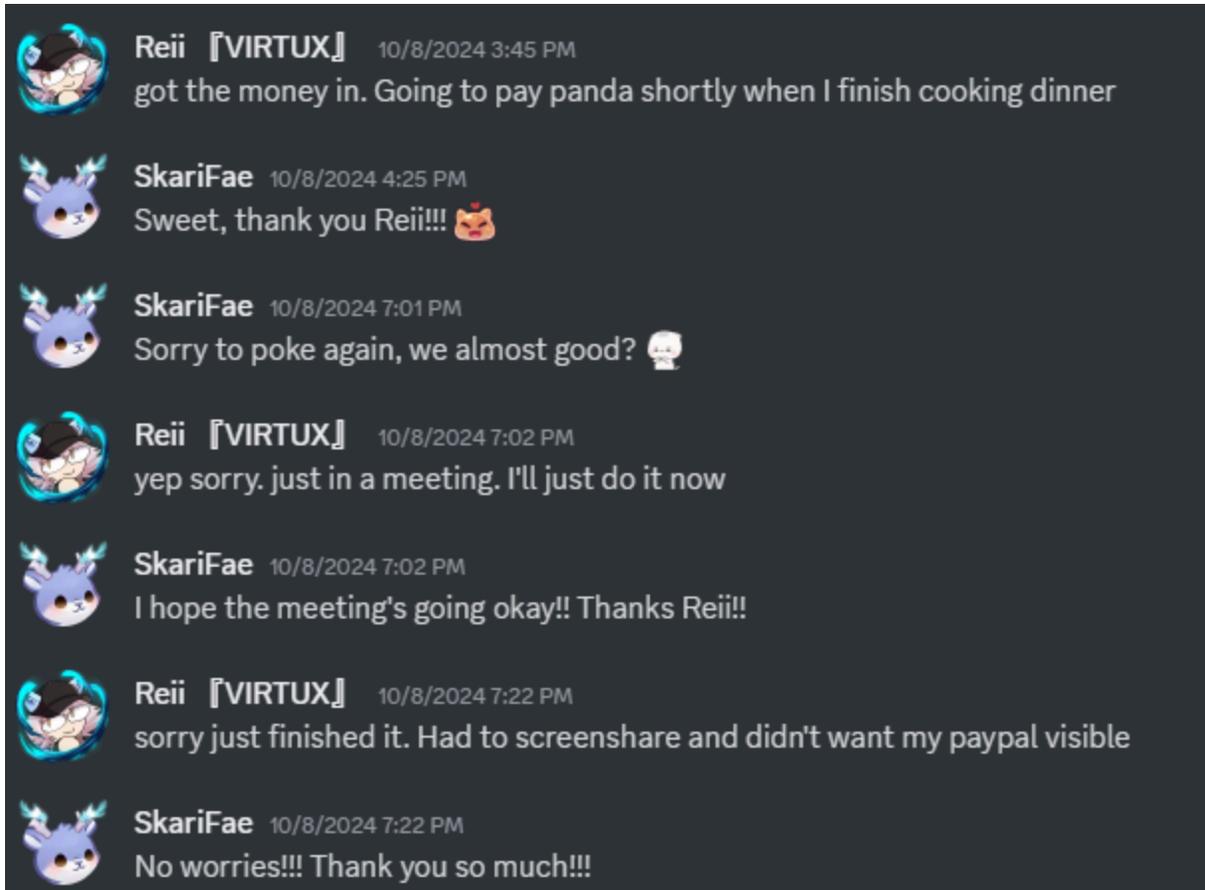

SkariFae 10/8/2024 11:23 AM

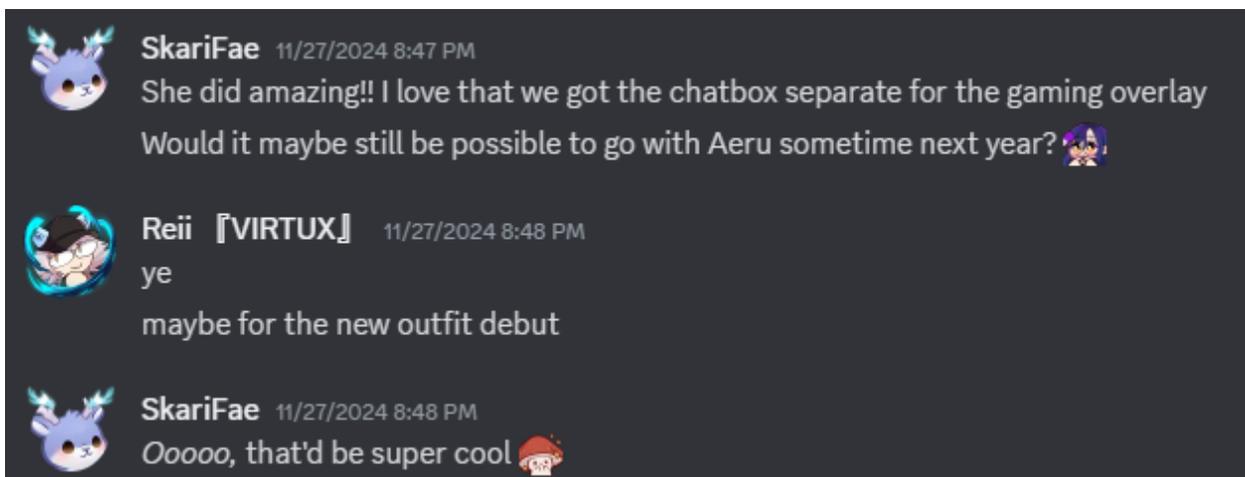

Brooo the universe is out to get you 😭 and yeah!!

Reii [VIRTUX] started a call that lasted 2 hours. 10/8/2024 11:23 AM

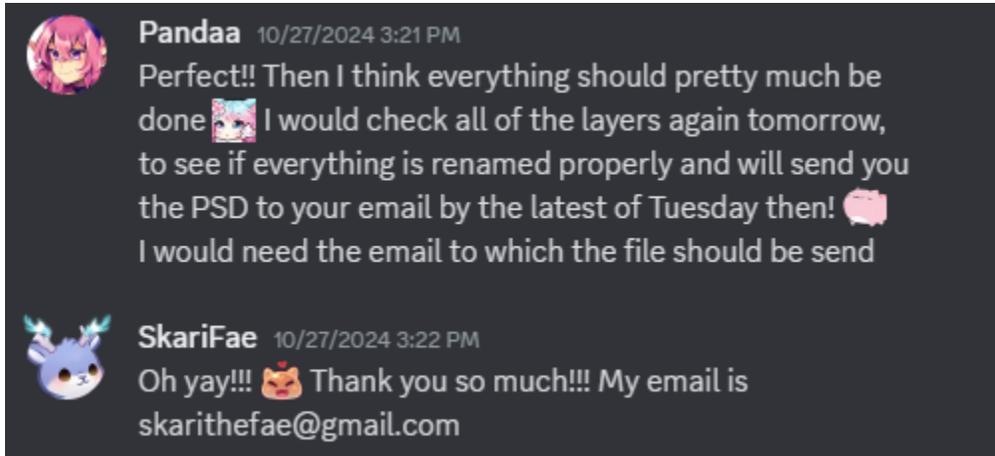

Eventually she was paid, thank goodness. Other artists weren't as lucky.

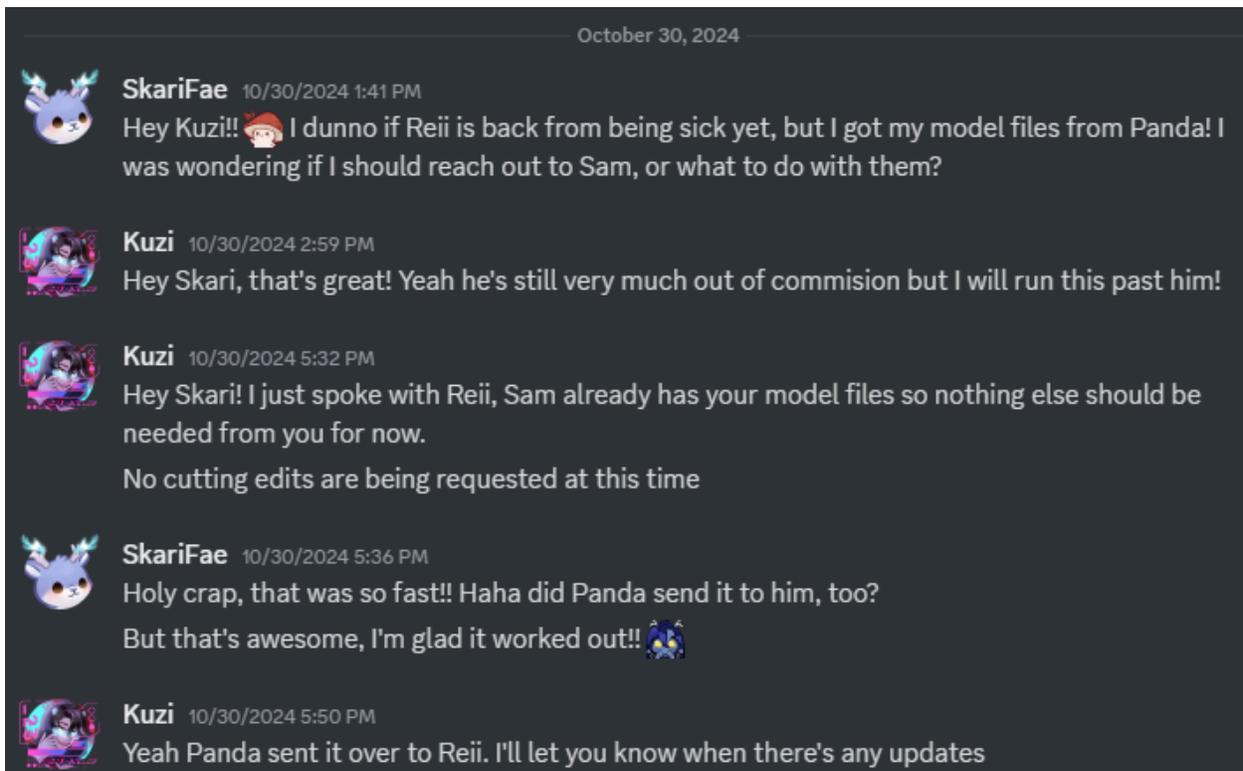

Just another screenshot, showing that he was still promising me the new outfit.

First Rigger Issues

Once the model art was finished, Panda sent me the model files. Reii was doing one of his frequent disappearing acts at the time, so I had her send it directly to my email address.

From there, I held out to it, and then a few days later I reached out to Kuzi, asking for next steps. Reii claimed that he had my model files and had sent them to the rigger, but Panda had never sent them to him.

November 4, 2024

SkariFae 11/4/2024 11:56 AM

Hey Panda!! So sorry to poke, I hope you're having a good Monday! I was wondering, did you happen to send Reii the model files, as well as to the Skari gmail?

(No worries if not, I have them so we're good 🥰)

Panda 11/4/2024 11:59 AM

I just send them to the email you gave me, if there is another in I should send them to could you perhaps give me that mail ? 🤖

SkariFae 11/4/2024 12:01 PM

Oh no, that's okay!! He's been out sick this week, and I got confused because someone said the files had already been sent to the rigger, but we're the only two who have the file... So I'm just trying to figure that out 😞

Panda 11/4/2024 12:02 PM

Oh no the only one I send it to was you o: no rigger or anything else, maybe somebody got something confused? D: I hope it clears up

SkariFae 11/4/2024 12:03 PM

Yeah, I think the person I talked to might've been confused! Haha thank you for the help!!
Sorry to bug 🙏

My amazing manager was able to clear stuff up, but the whole thing was incredibly strange.

Reii [VIRTUX] 11/16/2024 3:29 PM

Rigging is started, as of Thursday. Should see something early next week
Estimated completion date, DEC 2

Also, got an apology for the delay. First rigging update tomorrow

November 30, 2024

SkariFae 11/30/2024 8:23 AM

Reii!! Sorry to poke, I was wondering if Sam has sent anything? 🥺

Reii [VIRTUX] 11/30/2024 10:17 PM

welp one sec can we cal
sorry been a wild week back at work
trying to get everything sorted

SkariFae 11/30/2024 10:18 PM

yeah!

As per this conversation with the artist, Reii had never reached out to them. I kept them unnamed for privacy reasons, but they can say something publicly if they wish. (I did get permission to use this screenshot.)

Hey [REDACTED]! My name's Skari, I used to be a talent at Virtux. I'm so sorry if this is strange, but I wanted to reach out to you to see if Reiflynn ever reached out to you about potentially getting my model rigged? I can't say too much, but I think he was lying to me about a few things, so I was hoping to check with you.

Yesterday, 8:40 PM

Hi there thank you for reaching out

1:27 AM

Actually before when I was [REDACTED]
Rei reach out to my member [REDACTED] about
their plan on Creating a vtuber agency
And they did commissioned [REDACTED] for a male model
And because hiru only accept male model rigging
[REDACTED] give Rei reccomendation for me to rig the female
model

And last thing I know before me and [REDACTED]
[REDACTED] and work on our own on October

He did confirm that the first male model is finished
Rei did plan to commission second male model to
[REDACTED]

But Rei went MIA a couple of times for a long time so
[REDACTED] is a but concern and the second commission
isn't really happen yet

As for the female model I haven't talk with rei about
anything just yet or getting paid or anything

Just a news about words of reccomendation from
[REDACTED] (rigger) and that's it

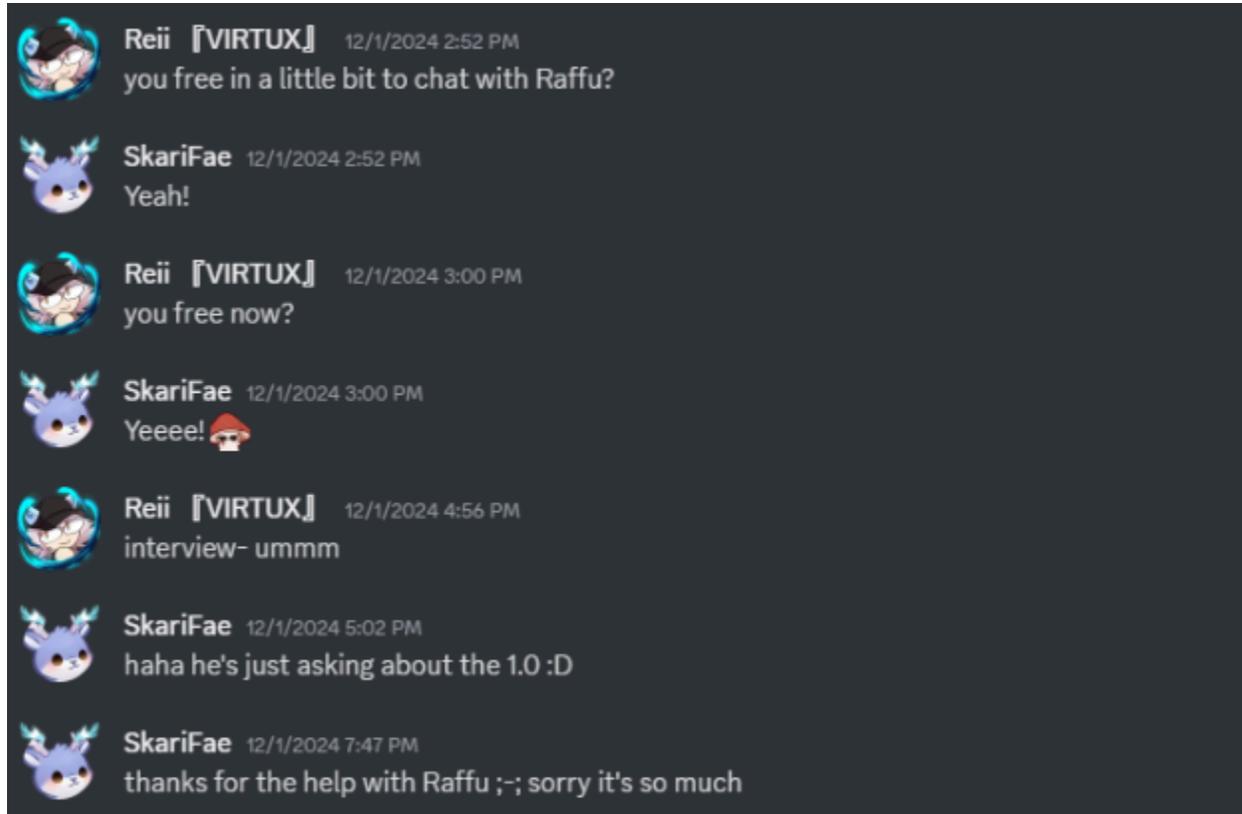

I only

Reii had told me that the rigger took the \$1800 for my model rigging and ghosted him. He said he was going to file a PayPal dispute and try to get the money back... but per the conversation above, he had never even reached out, even though I was supposed to be debuting with the rest of the Saga group on December 6th. We were already two months past the expected debut

dates with Saga. Nothing was being completed and we kept getting pushed back further and further.

Not Paying for Rigging

After plans with the first rigger fell through, my model was supposed to have been started with Raffu, an amazing rigger who's worked with VIRTUX before. Reii was going to ask him to rig the model in 3 days so we could try and make my December 6th debut day.

The “interview” was Raffu asking me if I was okay to pay as much as he was asking. Because Reii was trying to get Raffu to fully rig my complex model in 3 days, there was a rush fee, and he was concerned about me. I told Reii he was asking about my 1.0 because I was nervous that he would get mad at Raffu for talking finances with me.

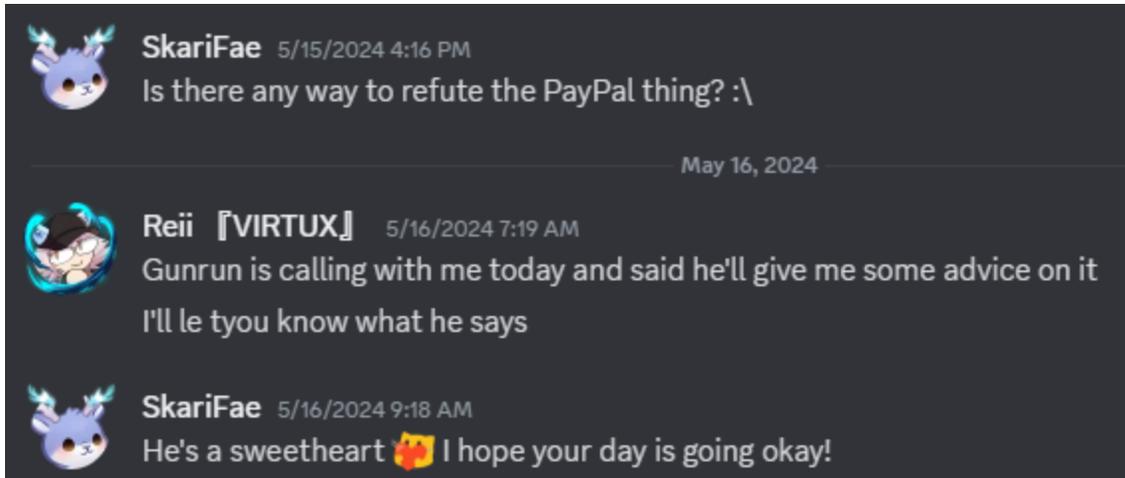

Raffu never ended up being paid. After talking with him and some of the other talents after all of this came to light, it turns out he hasn't been paid for *another* model Reii had commissioned him for earlier this year, too.

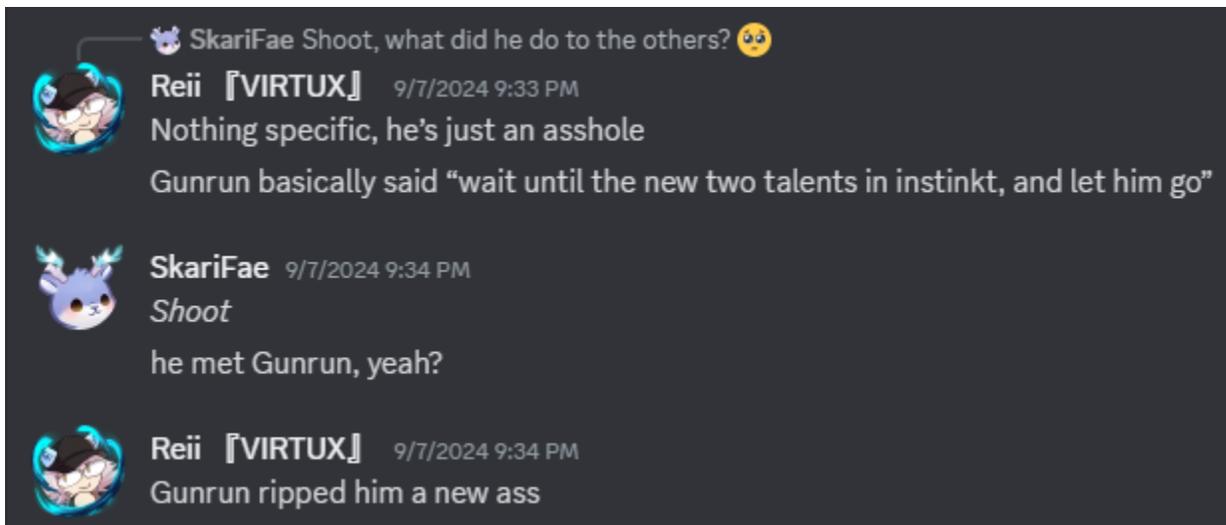

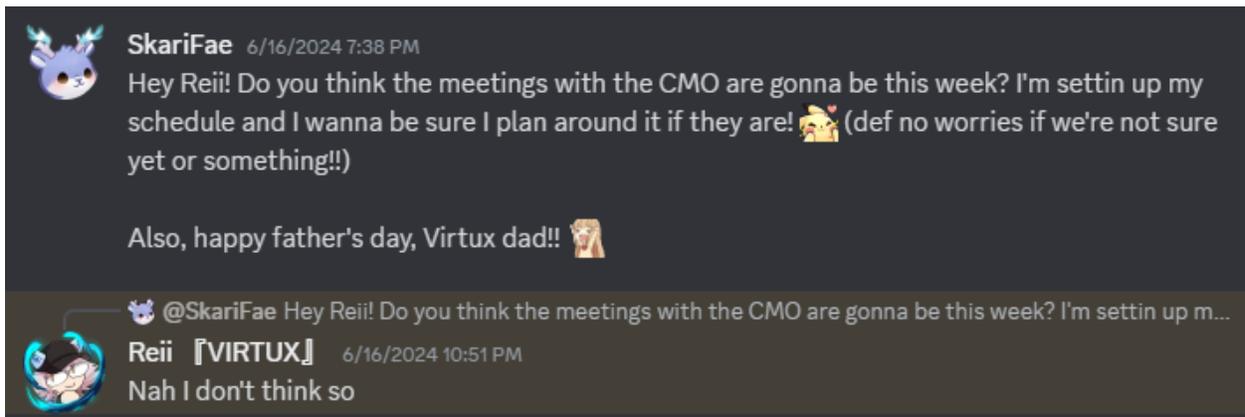

I will be trying to pay Raffu myself since Reii disappeared.

Vshojo

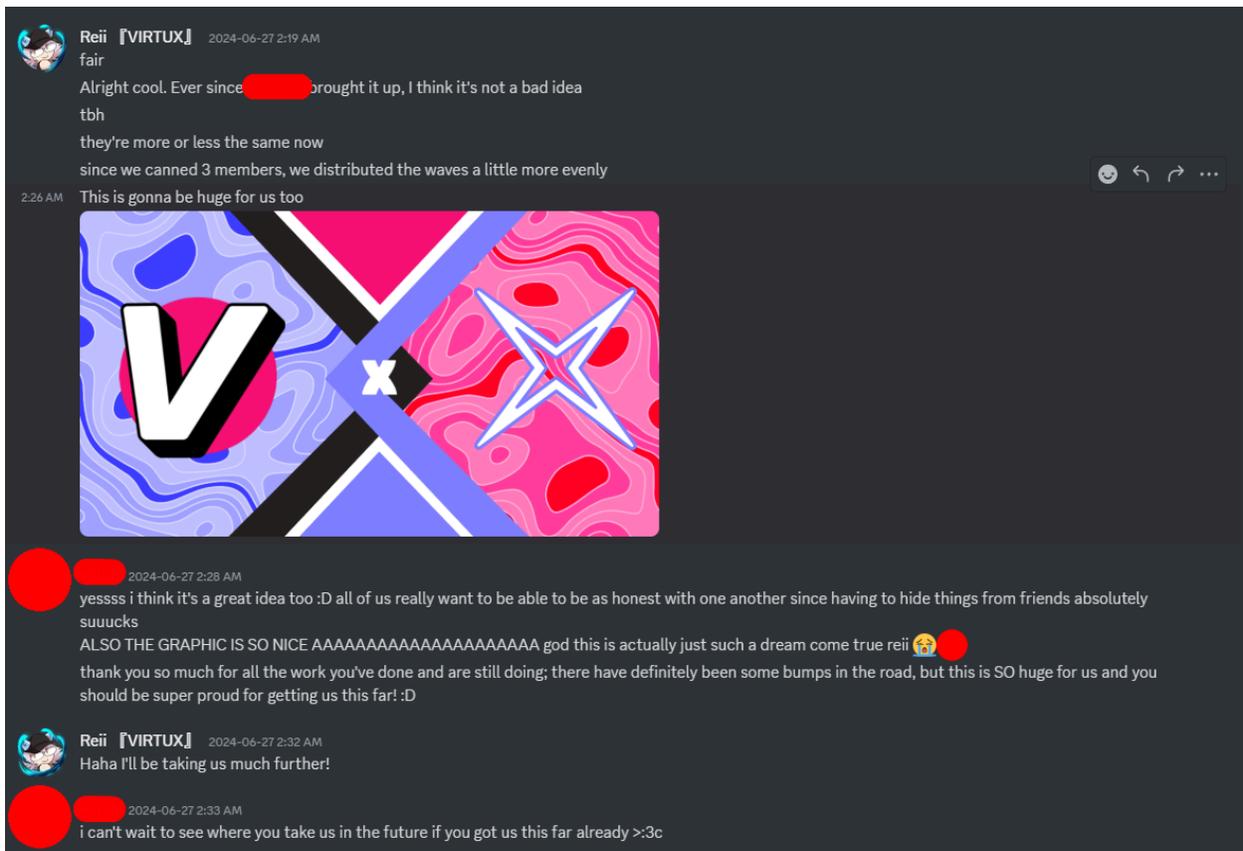

Reii repeatedly told us that we had a partnership with the vtuber agency Vshojo. He would frequently talk about his communication with Gunrun, saying that they were best friends, and that Gunrun owned 10% of VIRTUX and that he owned a percentage of Vshojo.

Reii was claiming Gunrun to be Virtux's new CMO.

I was given permission from another talent to use this screenshot of their DMs. It looks as though any time Reii talked about Vshojo with me, it was in voice calls.

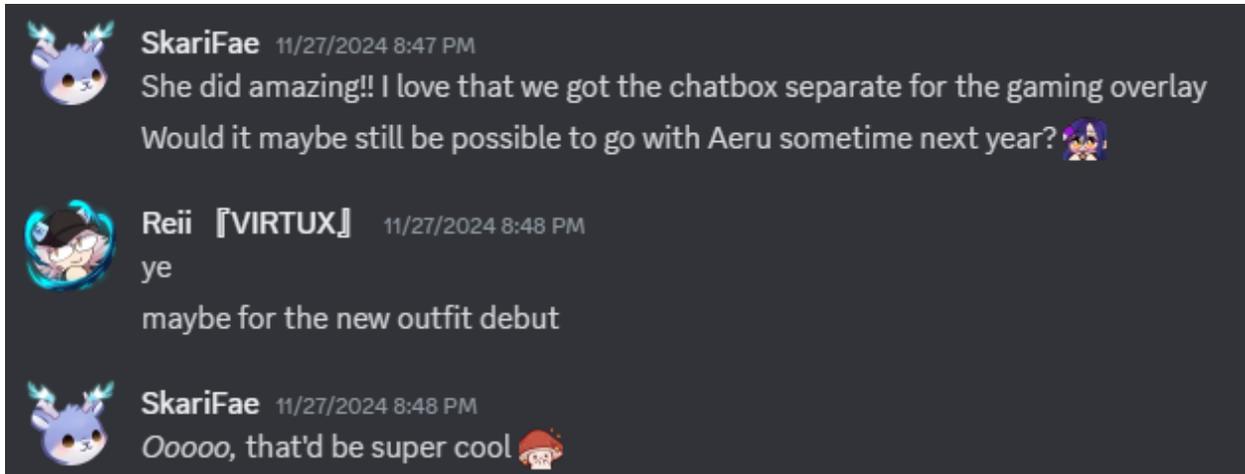

Overlays

Promises for new overlays. I had been VERY specific with both Reii and my manager that I was looking for animated overlays for my debut, since I usually spend ~2 hours on my Just Chatting screen every stream. Reii ignored me, and my manager was told it was out of budget.

I DO LOVE THE OVERLAYS I HAVE FOR DEBUT. I'm just sad that I wasn't listened to.

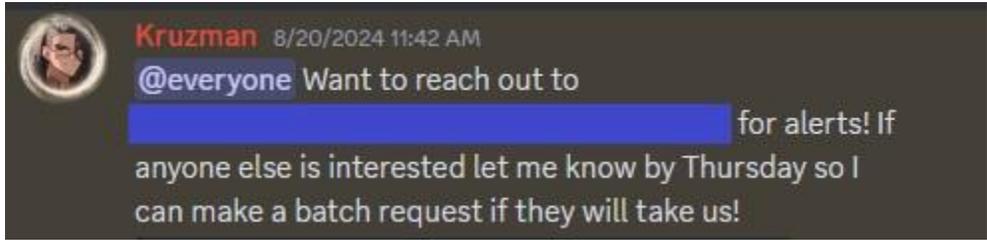

If you saw the screenshots from above, you probably also saw where I had said that Aeru's slots were opening, and he had ignored me.

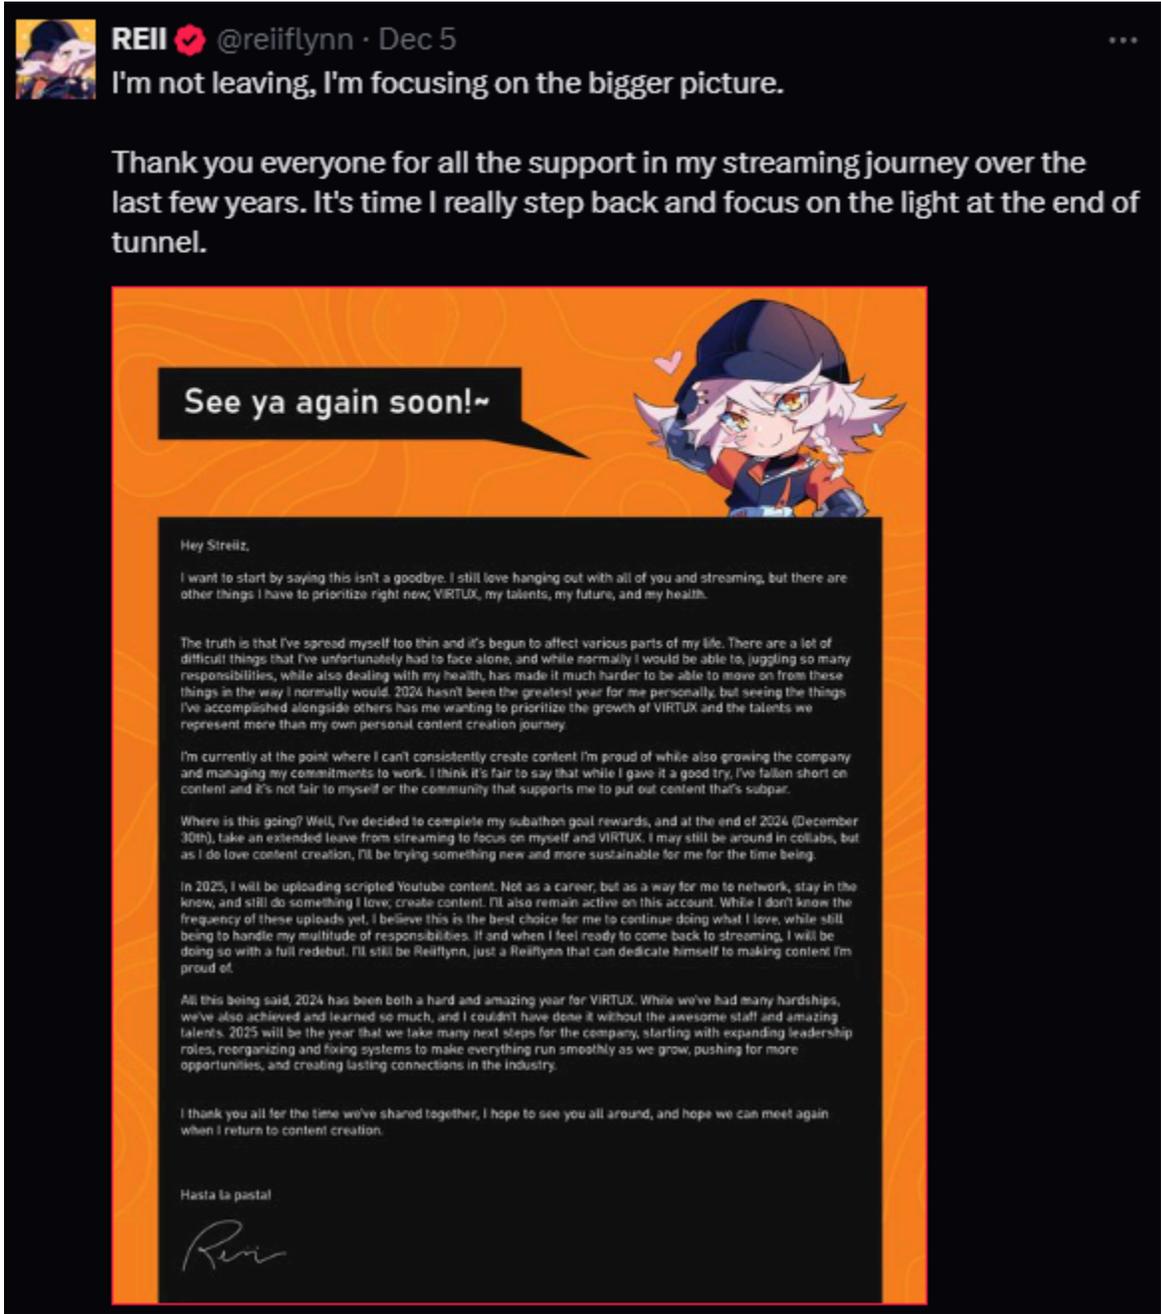

When Reii found out that I was sad about the overlays, he started bringing it up every time we were in a call, making snide comments about how “you never tell me when you don’t like things” and that “you wouldn’t have liked your dream artist’s overlays if I got them for you, either.” He badmouthed me to both staff and the other talents, making me out to be an awful talent when I have been trying to communicate with him this whole time.

Alerts & The Disappearance

One of the things promised for debut was alerts - and I think this might have been a turning point for the company. Saga and a few others were going to make a big batch commission with a cute artist, and Reii was in charge of reaching out to them. We were told that they would be a bit too late for debut just because of how big the batch was.

When I had a debut prep meeting with Kruz on December 4th, he reached out to the artist to see how the commission was going, and found out that the artist had never been contacted at all. Kruz and the other manager then reached out to Reii about the discrepancy... and then Reii performed his final disappearing act the next day.

REII  @reiiiflynn · Dec 5

I'm not leaving, I'm focusing on the bigger picture.

Thank you everyone for all the support in my streaming journey over the last few years. It's time I really step back and focus on the light at the end of tunnel.

See ya again soon!~

Hey Streitz,

I want to start by saying this isn't a goodbye. I still love hanging out with all of you and streaming, but there are other things I have to prioritize right now; VIRTUX, my talents, my future, and my health.

The truth is that I've spread myself too thin and it's begun to affect various parts of my life. There are a lot of difficult things that I've unfortunately had to face alone, and while normally I would be able to, juggling so many responsibilities, while also dealing with my health, has made it much harder to be able to move on from these things in the way I normally would. 2024 hasn't been the greatest year for me personally, but seeing the things I've accomplished alongside others has me wanting to prioritize the growth of VIRTUX and the talents we represent more than my own personal content creation journey.

I'm currently at the point where I can't consistently create content I'm proud of while also growing the company and managing my commitments to work. I think it's fair to say that while I gave it a good try, I've fallen short on content and it's not fair to myself or the community that supports me to put out content that's subpar.

Where is this going? Well, I've decided to complete my subathon goal rewards, and at the end of 2024 (December 30th), take an extended leave from streaming to focus on myself and VIRTUX. I may still be around in collabs, but as I do love content creation, I'll be trying something new and more sustainable for me for the time being.

In 2025, I will be uploading scripted Youtube content. Not as a career, but as a way for me to network, stay in the know, and still do something I love, create content. I'll also remain active on this account. While I don't know the frequency of these uploads yet, I believe this is the best choice for me to continue doing what I love, while still being to handle my multitude of responsibilities. If and when I feel ready to come back to streaming, I will be doing so with a full reboot. I'll still be Reiiiflynn, just a Reiiiflynn that can dedicate himself to making content I'm proud of.

All this being said, 2024 has been both a hard and amazing year for VIRTUX. While we've had many hardships, we've also achieved and learned so much, and I couldn't have done it without the awesome staff and amazing talents. 2025 will be the year that we take many next steps for the company, starting with expanding leadership roles, reorganizing and fixing systems to make everything run smoothly as we grow, pushing for more opportunities, and creating lasting connections in the industry.

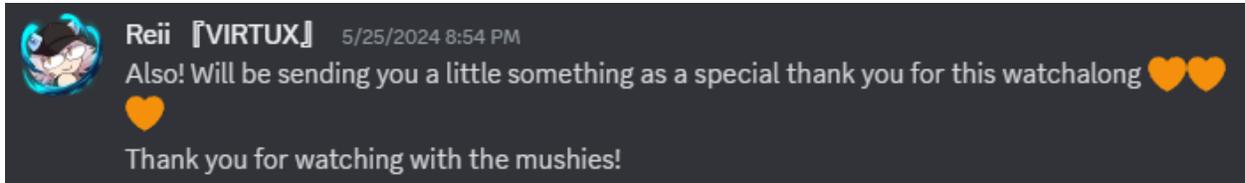

I thank you all for the time we've shared together, I hope to see you all around, and hope we can meet again when I return to content creation.

Hasta la postal

Watchalongs

I found out recently that only ONE of Virtux's watchalongs (aside from the ones that talents paid for themselves) have been paid, myself included.

Lots of watchalong promises.

Reii 『VIRTUX』 9/30/2024 6:50 PM

We should be fine. Honestly the biggest snag is aqua's artist right now Kiri got pushed back because she had henya for a watchalong, but Henya's still sick

SkariFae 9/30/2024 6:51 PM

DAAAANG, THAT'S SO COOL

I hope everything goes okay with Aqua's artist 🙏 but that's great to hear!!! I'm glad we're okay!!

Reii 『VIRTUX』 9/30/2024 6:51 PM

Yeah- haha if your watchalongs pan out... you're stacked

SkariFae 9/30/2024 6:51 PM

who you thinkin of for them?

Misc Ignoring

SkariFae 2/23/2024 4:20 PM

Oh, did [redacted] say anything? 🍄

March 20, 2024

SkariFae 10/6/2024 9:35 PM

Was Kiri's debut the 12th? I want to make sure I can make it 🍄

Kiri and the first wave of Saga were completely ignored when they debuted. I was constantly worried that I would miss them if I didn't constantly ask in our company's general chat, because the dates were always getting pushed back, and there were hardly any announcements or hype for them compared to Reii's own debut.

SkariFae 10/19/2024 5:27 PM

Reeeiii!! Is Saga still on track, even with Kiri debuting a bit late? 🥺

SkariFae 11/30/2024 7:42 PM

Sorry to poke again, but is the time/rigging okay? 🥺

SkariFae 11/30/2024 9:57 PM

hey, please... I'm sorry to poke so much but we only have 6 days, if they haven't given an update that's whatever but I need to know what's going on 🥺

Misc Promises

Reii [VIRTUX] 11/27/2023 8:41 AM

Hihi!

I have sent your contract over email. Please take your time to review it and feel free to ask me and Kuzi any questions! We just ask that contracts be returned no later than January 15th, 2024.

Please note a few things:

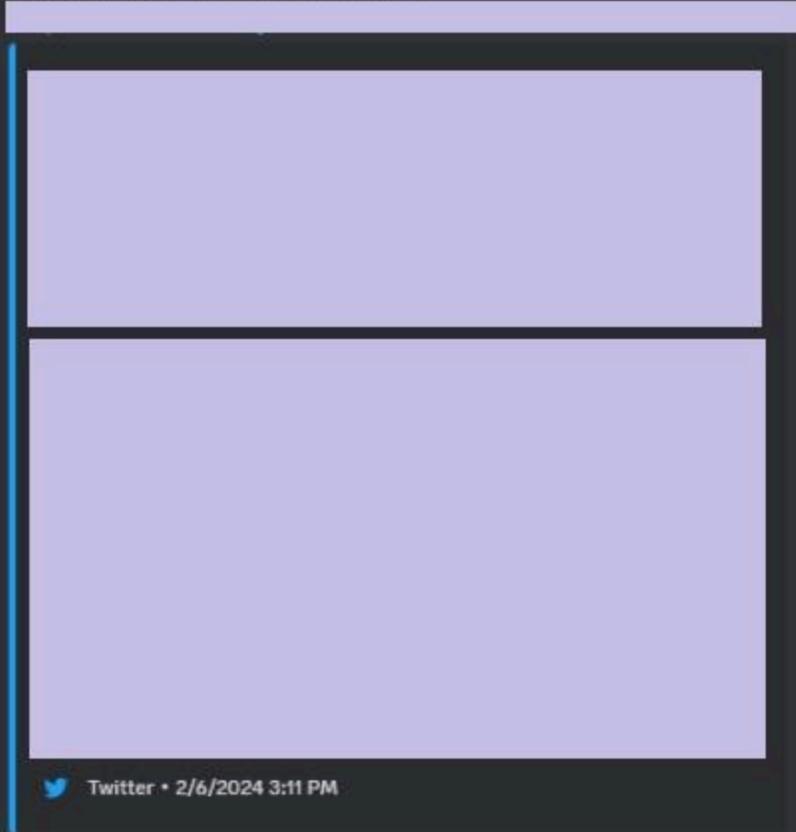

- Your agreement start date is when we will be queuing up commissions & preparing all your assets and marketing. You will not begin paying revenue split until your debut month.
- If your current stream income is low, your initial variable split might be higher, but will be adjusted once you debut with VIRTUX and we get a better idea of your new average income. We predict all of our talents will have a significant increase in viewership and income with our campaigns.
- The startup value granted in USD is just an estimate and can always be adjusted if need be.
- The startup value on the contract is only inclusive of an estimate value for model/outfit, rig, and small assets. Anything else (Such as original music, covers, lore videos, MV's, etc.) would fall under "excess funding", which will be discussed further when preparing assets for your debut. This is because everyone's extra debut assets differ and to keep the startup costs similar.

(edited)

SkariFae 2/6/2024 4:30 PM

Oh - [redacted] opened her model commissions! It's \$1500, so understandable if we wanna look elsewhere. Her models are really pretty, though, she was definitely part of my top 3 back when we were looking in November

Reii [VIRTUX] 2/6/2024 8:20 PM

Oh 1500 is in budget haha
Like up to 2000 is in budget now

Reii [VIRTUX] 5/2/2024 4:51 PM

toggles: Mushies on shoulder and head, hands outstretched holding a mushy

SkariFae 5/2/2024 4:51 PM

color will be darker blue to match the 2.0 colors 🐱

May 10, 2024

SkariFae 5/10/2024 6:20 PM

Oh, I almost forgot, I wanted to ask! Instead of a bald toggle (cuz I could just make the hair invisible in vtube studio) would a controller toggle be okay? I dunno how much that'd be but I completely forgot those were a thing til I saw Cynth's, and they're so cute 🥰

Reii [VIRTUX] 5/10/2024 7:45 PM

I'll ask for both

I think your community should have both

SkariFae 5/10/2024 7:45 PM

Spoiled little mushrooms

Reii [VIRTUX] 9/7/2024 9:56 PM

All of saga AND ME will join you

Also... so

We're trying to plan something

We want to sponsor and fully host and AX rave

Now... the only reason that I can't tell kruz about this... it might involve mythic, and I have no say if it does

Trying my best to exclude them though

But if we do, it's a vtuber musical festival

Reii [VIRTUX] 9/7/2024 10:02 PM

One more thing
Skari
I want you to release an original
Your voice is good
Time to show it
So

SkariFae 9/7/2024 10:03 PM

I THOUGHT IT SUCKED

Reii [VIRTUX] 9/30/2024 6:57 PM

Also Riri's model is almost done
Next year is gonna be kinda cracked for us
Con presence, plus we're looking at sponsoring raves at cons (edited)

SkariFae 9/30/2024 6:58 PM

That is going to be SO cool 🥹 I want to meet people SO BAD
and year 2 waves!!!!!! new friends!!!!!!

Reii [VIRTUX] 9/30/2024 6:59 PM

Promises for others

Final Thoughts

I've been struggling to write this document for a while now. For an entire year, all of us suffered quietly, too afraid to talk to each other for fear of being fired and sued. I've never been very good with words - how do I describe the mental toll all this can put on a person? I can list out the broken promises, but the feelings are a lot harder.

Please be kind to the talents and staff as we all work towards moving forward.

Tldr:

- Promised a model debut in late spring (indie), and an outfit to debut in Virtux with.
- Promised a group chat with my designer that never happened. I was also supposed to get 4 different designs, then I'd pick the things I liked from each of them to settle on a final design, and that never happened, either. I was handed one design and then ignored when I asked when the rest were coming.
- Ignored for MONTHS about getting a group chat with my model mama.
- Ignored multiple other times for anything Reii didn't do or didn't feel like answering. Way to go, CEO. So professional.
- Ignored multiple times when I said that I wanted animated overlays for debut. Didn't get any revisions, and then when I said I'd like to try and get a specific studio to do animated overlays next year, was blamed for not telling him I wanted animated (despite telling him multiple times), was told "you won't like any overlays I give you" (unfortunately said in a voice call).
- Defamed to other talents multiple times because I was sad that my design and overlays didn't have as much of my input in them as I wanted.
- Promised a new PC that never arrived.
- Promised stream alerts from a specific artist. Several months later when my manager reached out to said artist, they said they had never heard from Reii.
- Promised the Vshojo partnership.
- Several of my artists were not paid on time, or ever.
- Promised watchalongs from Vshojo creators and other equally as big vtubers for my Virtux debut.
- Was never sent anything for the watchalong that I performed.
- Promised a new blob model. Reii reached out then ghosted them, resulting in the commission being cancelled.
- Plushies promised of the above promised new animal model.
- Later, when my manager talked to Reii about my issues with my new design, he got in a voice call with both me and my manager to promise me a 3rd outfit for Oct 2025 and to wipe \$1,000 off my tab for not communicating properly during the design phase.
- Was promised toggles for my model that never happened.
- Didn't fulfill promises in my signed contract with Virtux.

- Promised to have “his personal voice coach” to help me with singing lessons. Wanted me to release cover songs.
