

IMPORTANT!!!!

do NOT and i mean DO NOT go after anyone involved in this incident. This is for awareness, not harassment. I sourced my information from the SHARKCORD: RESHARKED server, so correct me if anything seems to be incorrect.

You should let me know if you happen to have MORE PROOF of what she did (you gotta have a photo, honestly..).

This will also contain (censored) NSFW and inflation art of children. Proceed with caution.

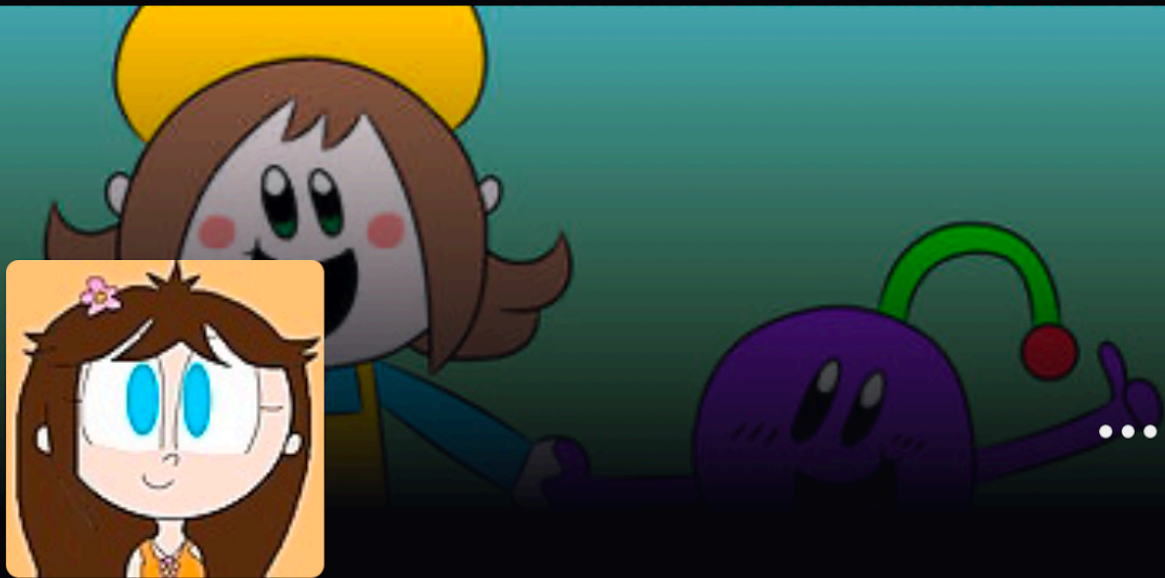

You know who Chiareychan is? If you don't, this is her profile.

About ChiareyChan

Simple. a girl who draws, well..girls.

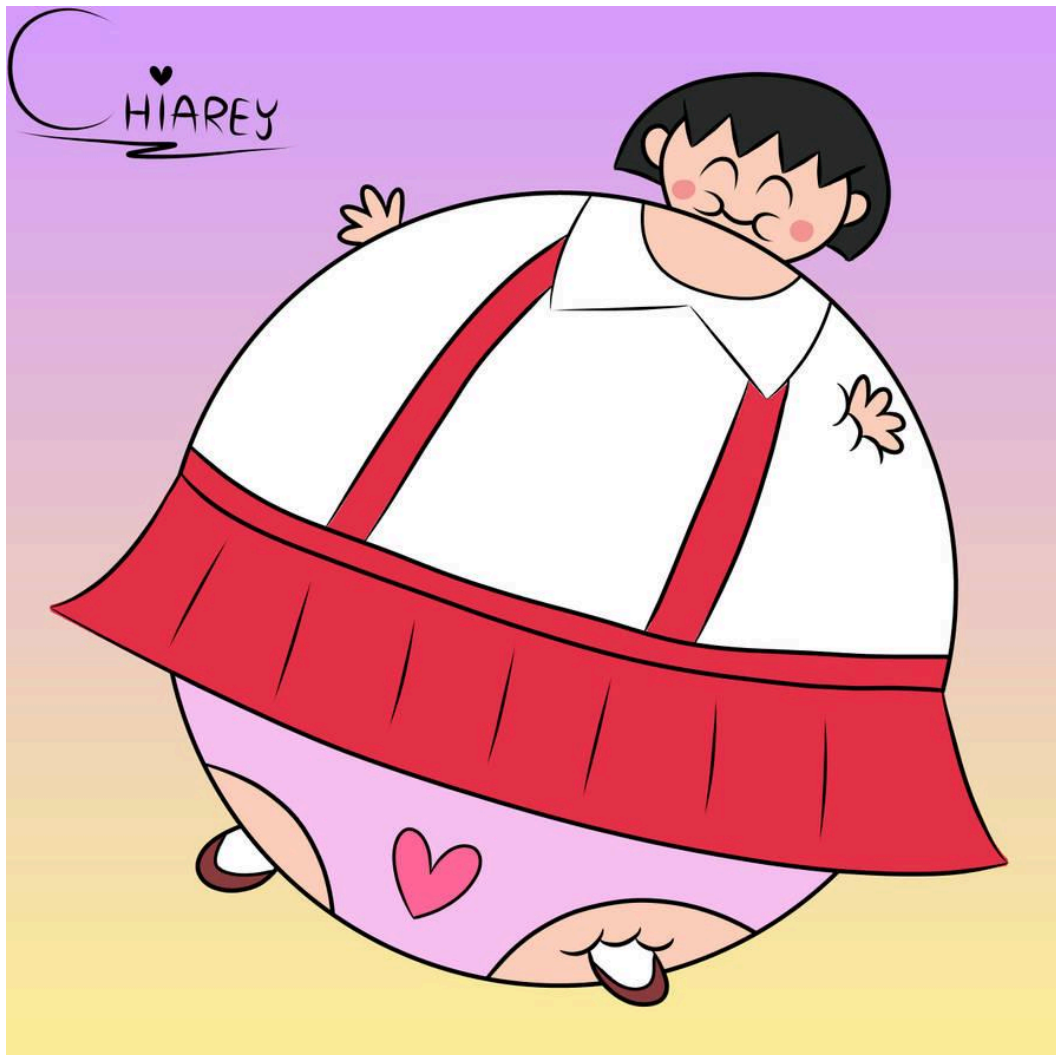

This seems fairly normal for a deviantART user, but don't let that cutesy artstyle cool you, as were about to delve into what lies behind the screens...

scenes? screens? get it?

okay that joke fucking sucked lets get this show on the road

THE ART OF CHIAREY

Chiarey has actually made NSFW of a child, even going as far as to DIRECTLY send porn to teenagers TWICE!!! But don't get excited, as this should be your first piece of evidence not to

defend her.

This character is 9 years old btw.

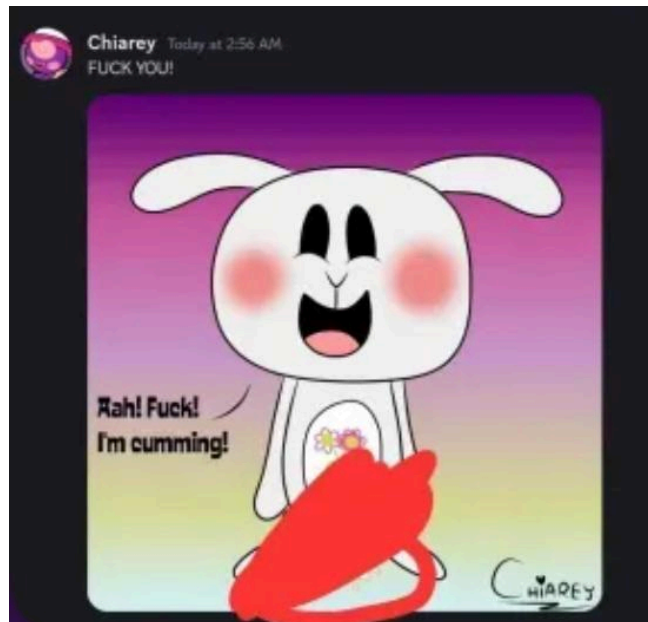

nine-year-old

The title character, Maruko (born May 8, 1965), is a **nine-year-old** third-grade student raised in a modest family of six. It is implied that the show is drawn by Maruko herself. Maruko's older sister. Her birthday is March 21, 1962, making her 12 in the series.

Now this is where it gets serious. I'll keep the victims anonymous, but victim 1. victim 1 gave proof of what was sent to victim 2...

[REDACTED] Yesterday at 11:33 PM
Fun fact, Chiarey sent porn to a 15 year old
I have proof if y'all want it
She also sent me Loud House porn when I was
16

and victim 1 also stated she saw Maruko and Sakiko tied up and HALF-NAKED. this is just WRONG.

[REDACTED] Today at 6:09 PM
Once I saw Maruko and Sakiko tied up in a box
half naked
Never again

THE TERRIBLE, TERRIBLE HYPOCRISY
+ RACISM + PEDOPHILIA OF CHIAREY

Chiarey has also been called out for being racist, as her discord bio states she dislikes black people. She is also a hypocrite for stating she dislikes fetishes, despite doing fetish content herself.

If you thought that was bad, she even used this specific cat gif to art of Maruko. remember, she's

9 years old...

She even admitted herself to liking what's essentially CP (porn of people who are under the age of consent).

THE SORROW OF CHIAREY

Oh, don't get me STARTED on that shitty apology...

Okay... I have to tell you a story. My friends and everyone are blocking me for nothing, Because I didn't do nothing! I swear! I never did something wrong. Now I lost all of my friends! FOREVER! I'm a Fucking Liar! A Liar! I'm a Loser. LOSER! That's all the story of it.

I'm very sorry about that...

As you can see here, instead of going in depth of her wrongs she blames herself in order to guilt trip us into forgiving her. She also says "I did nothing!" as if we're gonna believe her..this is an example

of the "playing the victim card" idiom in use.

The idiom refers to a situation where someone portrays themselves as a victim in order to gain sympathy or support from others. It can be used in various contexts, including personal relationships, politics, and business. While some may use it genuinely to highlight their struggles or experiences of discrimination, others may use it manipulatively for personal gain.

Ironically enough, instead of forgiving her they denied her! One comment even went all out and dropped a BOMB...you know what you did is bad when someone who LIKES YOU denies your apology.

Don't play the victim act, girl. Death threats and racism is no joke actually. It's hurtful and it could really put someone to a suicide rate from all the things that happened to them. Especially the death threats. And don't get me started on the fact that you scam your fans and groom someone once, which is a minor. What the fuck were you thinking, girl? Doing this shit for mostly attention and all. That's not how it goes, my guy. It's impossible for me to forgive you since you do all this shit. It's like a girl getting liposuction while a pervert watches while he does his excessive magazine check. That I just image was not right. Not right, just like the stuff you do. I'm sorry. I'm really damn sorry, but you deserved to be blocked. No offense to you, but it's the truth and what you deserve. Accept it, but I'm not blocking you and I still like you, but I'm not forgiving you for what the shit you do. I'm not gonna hate you forever, but I'm still not happy with you. You're also not a loser, You made some mistakes and you can learn the punishment for them. I still like you, feel better.

THE SUMMARY OF CHIAREY

Chiarey has done pretty fucked up shit. Don't befriend her or you'll regret it..
As someone who watched her before, I'd rather cut off my own ballsack than watch her again.
