

I know many of you are infuriated about the egregious actions Hollywood has been taking against Pro-Life states and our very way of life. Not only have they attacked our morality, character, and statehood rights of legislation; they have fund raised and campaigned against our very interests as Christians. They mock us for vocalizing our devotion to God, our Country, and our Constitution. They worked hard to steer our children and our country into the glorification of sinful acts through the embedded messages in their movies and TV shows. Hollywood has steered people away from God by portraying evil as good and good as evil.

You have the right to be upset as you refuse to give up your integrity and values. This is why today I ask you join with me to fight back against the tyrannical and morally devoid Hollywood elites. Funding Hollywood means funding an evil agenda. If enough of us stop going to the movies, cut streaming subscriptions such as Hulu, Netflix, and Amazon Prime, and shut off your cable TV and dish subscriptions; we will make a difference. We can further the impact by supporting organizations who advocate our beliefs such as Pureflix and Pro-Life non-profits. We can no longer sit back and take the abuse from those who seek to eradicate innocent babies and corrupt our children. Christians are under attack all over the world and it is up to us to step up and take action!
