

ROUNDTABLE NOTES

By Frosty

GENERIC

Pregame notes

- Mangolith accidentally confuses the time of the RT
- RT delayed by one hour
- The delay of the RT causes great doom upon the TNO devs
- Mango says some stuff about Yorty
- Wallace can break the election
- Mango carries the flame
- Peter's demotion will get announced.

Actual RT notes

- Lakeshore eats shoe or smth
- TCT stuff
- Mango snorts protein powder?????????

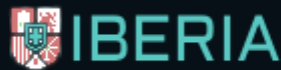

- The DST is generated by AI (not actually)
- Mango has to choose between walruses, sealions and seals.
- Smiley face emoji.

OFN

- TNO is aiming for progress in America, and sections like Turkey, Manchuria etc.
- A lot of trees have been coded with effects etc.
- Many things like the privatization of education can happen and can cause tragedies.
- Mango has been working on the Yorty tree earlier today.
- Soon US will be moved into fine tuning.
- Free Britain no longer gets Carrib colonies.

IBERIA

- TNO is looking to releasing the Iberian update soon.
- The exact release date is unknown.
- Internet says that Iberia is in a good place and is mostly waiting on loc etc.
- KD has done amazing work with the culture work!
- Someone asked what will JD do after Iberia, ask him duh.

PAKT

- VatJ dev will not be discussed.

SPHERE

- China question but no one to answer.

MISC.

- A lot of countries are in a good place (dev-wise) by the end of this year.
- DV is in a good place, it is possible (!) that DV will be in fine tuning soon, probably not the same time as the Yippie's fine tuning entry.
- Removing Russian content won't be something that is really wanted, compromise instead.
- OAS invasion of Venezuela explained: volunteer based proxy in the VCW.

- Also like... There's two scenarios where it can happen: the Essequibo crisis, and a civil war.
- Suriname natspirits have been done
- Mexico fix
- Argentina design is continuing.
- The Brazilian contents first few years will be redone.
- We all thank Aplomb.
- No updates on the Italian front.
- Mozambique will get a proxy.
- Alignment of the SAF will depend on US and German presence. Also interests Iberia.

- Mango wants us to do the best with us for 2026!
- See yal in big 26!
