

Pippa tweets about PTSD (Pain, Teeth, Sleep, & Death)

 Pipkin Pippa Phase-... @pipkinpi... 12 Oct 2021
dentist appointments. . . the worst part isn't the pain, it's being at the mercy of a stranger looming over you and poking around in your mouth. . .

I had a massive amount of dental work done about 5 years ago and had more holes drilled into my head than JFK now I'm pretty sure I'm immune to most forms of "Advanced interrogation techniques"

OK you're a gamer
but are you such a gamer that you're such a Hermit that going to the dentist is pleasant because you're so starved for human contact that when they briefly touch you it fulfills your basic human needs
