

LET'S BUILD A LEGACY TOGETHER

You're reading this brochure because someone believed
you may want to help build something in Northern Virginia
that outlasts us all.

LOVE CHURCH

ABOUT US

Pastors Josh and Brittney Baird are the Lead Pastors of Love Church in Northern Virginia. Since assuming leadership in 2019, they have led the church into a new season of growth, vision, and community impact. Married since 2009 and raising four children — Raylee, Roman, Judah, and Israel — they are passionate about helping people build strong families and live lives marked by purpose and faith.

Under their leadership, Love Church has become a growing and influential church committed to serving the region through practical outreach, next-generation investment, leadership development, and spiritual formation. Josh and Brittney believe the local church should be a force for good in the community, throughout the region, and around the world. They are devoted to building a lasting legacy that will impact generations to come.

ONCE-IN-A-GENERATION OPPORTUNITY

The best philanthropic donations create impact that outlives you. Every meaningful investment begins with one question: “Will this truly make a difference?” The reality is that many organizations do good work, but very few create lasting generational impact.

Love Church’s future building will create a lasting resource for families, students, leaders, and the broader Northern Virginia community. Designed to serve both present and future generations, this once-in-a-generation project will become a permanent hub for outreach, leadership development, next-generation investment, and community impact for decades to come.

By contributing to this vision, you are helping establish a lasting legacy that will strengthen Gainesville, the region, and directly impact the lives of people you know, care about, and live alongside every day.

A PERMANENT HOME FOR LASTING CHANGE

By September 2027, Love Church will break ground on a permanent home in Gainesville, Virginia. This milestone will transform the church's ability to serve Gainesville and Northern Virginia for generations to come. To move from vision to reality, **Love Church must raise an additional \$5,000,000. Please consider partnering with us to make this vision happen.**

In 2022, Love Church purchased 17 acres for \$3.5 million. By the summer of 2025, the church had completely paid off the property and acquired an additional 2.5 acres for \$525,000, paying cash for the purchase. More than 1,094 individuals, including children bringing their own offerings, have already invested in building a permanent future for Love Church.

Through sacrificial generosity and careful stewardship, Love Church has raised more than \$6.1 million toward this project. Those funds have covered land acquisition, soft costs, and cash reserves, including the purchase and payoff of 19.5 acres of property in Gainesville across from Wegmans.

The momentum is here, and the vision is already in motion.

VISION ALREADY IN MOTION

Even without a permanent facility, Love Church is already making a significant impact across Gainesville, Northern Virginia, and beyond. Each Sunday, more than 1,000 people gather in temporary environments that hundreds of volunteers build and tear down week after week. Throughout its history, Love Church has met in high schools, middle schools, community centers, office buildings, and any other available space to continue its mission without a permanent home.

CURRENT IMPACT

- Over 500 children impacted through Kids Summer Camp the last two years
- 225 children participated in Love Sports Camps the last two years
- 235 students attended Youth Camp over the last two years
- Over 250 families served every two weeks through our church's food pantry
- 281 families supported through Thanksgiving outreach efforts in 2025
- 100 families blessed through Christmas meal and toy distributions in 2025
- 7 missionaries regularly supported across 3 continents
- 78 church members sent on mission trips to Peru (Lima and Iquitos) and Kabale, Uganda the last two years

The future campus will allow this impact to grow exponentially — creating a permanent hub for next-generation investment, leadership development, outreach, and community care for decades to come.

THE OPPORTUNITY IN FRONT OF US

The planned 100,000-square-foot facility will include a 1,200-seat auditorium, state-of-the-art environments for children and students, outdoor sports fields and walking trails, gathering spaces for community events, and expanded outreach capabilities designed to serve the region year-round.

What is being built through Love Church will shape families, develop leaders, strengthen the next generation, and provide lasting spiritual and practical support to people across Northern Virginia for decades to come.

Many organizations are meeting immediate needs today. Few have the opportunity to establish something that will continue serving and strengthening an entire region for generations.

That opportunity is now before us and **we need your partnership** to help us raise \$5,000,000 by September 2027.

PARTNER WITH US

Our goal is to raise \$5,000,000 by September 2027. This is a once-in-a-generation opportunity to invest in something that will matter forever. Every dollar invested produces EROI (“eternal return on investment”) because in this building children and students will be developed, marriages will be restored, families will flourish, addicts will be freed, the hopeless will find hope, the lonely will find family, and legacy will be established.

- **GIVE.** Whether it's a one-time gift, recurring support, stock, or another form of giving, every contribution moves the vision forward. Scan the QR code or visit lovechurch.co/buildingproject to explore your options.
- **PRAY.** Pray with us for the money to be raised and the building to be built. Pray for this building to be a force for good in our community for generations to come.
- **SHARE.** If this stirs something in you, pass it on to someone else who might be ready to invest in something that outlasts us all.

TALK TO PASTOR JOSH

Questions, larger gifts, or just want to talk it through? Email hello@lovechurch.co to schedule a coffee with our pastor to discuss the building project, the greater vision, and how you can partner with us.
