"I loved you so much once. I did. More than anything in the whole wide world. Imagine that. What a laugh that is now. We were so intimate once upon a time I can't believe it now. I think that's the strangest thing of all now. The memory of being that intimate with somebody. We were so intimate I could puke. I can't imagine ever being that intimate with somebody else. I haven't been."

@Dotts idk if the face leak I saw of sana was real

Nekomae the real's 前作 (前の人) はNagaoの所でNekomae ENに所属する前からイラストレーター-最上の交流があり絆が深かったことが確認できます。

Dotts ayer a las 20:00

i really did think she was austrailian ..

neah ayer a las 20:00

the jp text says this lol

Japanese (Jpanese) 1

2 English (EN) 1

Nekomae the real's 前作 (前の人) はNagaoの所でNekomae ENに所属する前からイラストレーター-最上の交流があり絆が深かったことが確認できます。

Nekomae the real's previous life (the person inside) was Nagao, so it can be confirmed that the illustrators were close and interacted with each other before they joined Hololive EN.

as 20:00
