Nathan,

That's great. Gillman Louie is the founder of In q tel and a close friend of mine and Will's. He runs his own firm now, Alsop Louie partners in SF.

We will make an intro when the time is right.

Best,

John

Wanted to give you a heads up that I got an intro to George Hoyem at in-q-tel - I don't think that was the person you mentioned but wanted to make sure. He is based in SF.

He's connected me with a recent in-q-tel hire, Tara O'Toole whose work I know very well and who was former director of Science and Tech for DHS.
