Cutaway: Rocky finishes working on a Pony's mane. Off BEATNIK

14 SKYE SILVER (V.O.) (OVER BELOW) 14

15 PIPP (V.O.) (over below) 15
I ADORE helping Ponies sparkle and
like totally show the world who they

Cutaway: Zipp is in a salon chair. Pipp spins a MANE BRUSH in
her hooves like a cowboy's pistol and they both smile at one
another. As Pipp makes her first brush, Zipp's mane GLOWS.

Later: Pipp blows on the mane brush (like a pistol) proudly in
the doorway as Zipp's struts away - her glowing quiff fades to
show amazing new colours. Their CMS glow.

INT. MANE MELODY - TASK 1

Skye and Dazzle speak to camera on-stage. IZZY (who won't stop
waving) SUNNY and HITCH are lined up alongside.

16 SKYE SILVER 16
Challenge number one, ponies: It's
time to..?

17 PONY CROWD 17
Tame. That. Mane!

28 SKYE SILVER 28
Oh ho ho! Looks like the princess
might "bee" onto something!
(Smarmy laugh)

On Jazz working on Hitch, but Hitch is being a control freak:

29 HITCH TRAILBLAZER 29
I just don't want anything too big?
But not too small!! Maybe if we just-

30 JAZZ HOOVES 30
Hitch. No need to worry. We're in
this together, okay? I got you!

Hitch settles and smiles as Jazz gets to work, CM sparkling.

31 DAZZLE FEATHER 31
Sheriff Hitch has a *right to remain*
comforted, as he let's Jazz do her
thing!

On Rocky and Sunny: It's very calm. Rocky is cutting away
happily and they're just chatting as Sunny's line trails off...

32 ROCKY 32
So... Any vacations this year,
Sunny?

33 SUNNY 33
Oh, I'm not sure yet, Rocky! Maybe
Ponytropico - have you ever heard
that story? We tried to go once
before and ended up crashing the
Marestream - landing in a huge mud
puddle

34 ROCKY 34
No! Tell me!
(and then)
Mmmmm hmmmmmm.

35 SKYE SILVER 35
Nopony is rocking Rocky's boat over
here - he is totally calm!

SFX: ALARM SOUNDS! SIRENS APPEAR AND FLASH. Everypony looks wide-
eyed and frozen, as SKYE and DAZZLE pop back into frame.

36 CROWD 36
(gasp!)

37 SKYE SILVER 37
You know what that sound means...

47 RUFUS (O.S.) 47
C'mon c'mon c'mon... Yes!

The countdown changes to 'skip' arrows and on screen:

INT. MANE MELODY - AS BEFORE

48 SKYE SILVER 48
Our ponies have styled, accessorised
and dressed to the nines. Now it's
time for their final presentations.

49 DAZZLE FEATHER 49
And how do you show off a brand new
style? You've...

50 CROWD 50
Got. To. Trot! (cheers!)

Dazzle stands beside Jazz, who looks nervous.

51 DAZZLE FEATHER (over below) 51
Looking this good MUST be criminal,
from Jazz it's Outlaw Hitch with a
mane-do that's going to be HARD to
beat... and wash out!

Hitch appears upstage sporting several MOHAWKS and a biker jacket. He struts to the front of stage, and smoulders as he sprays MORE mane spray on his mohawk, before tossing the can into the crowd. His Mohawks harden magically, and he head butts a plank in half.

52 HITCH TRAILBLAZER 52
(head-butting efforts)

53 Sparky (O.S.) 53
Dada dada dada!

Hitch spots SPARKY in the crowd and waves excitedly. Skye is standing beside Rocky, also looking nervous.

54 SKYE SILVER (over below) 54
Next; She's beauty, she's grace,
she's traded up from roller skates--

Sunny sports a sparkling TUTU and, in ALICORN FORM, prances around in mid-air. As she lands, a beautiful beam of starry light shines between her two hair clips.

55 SKYE SILVER (CONT'D) 55
Sporting a star-spangled mane-band -
it's Rocky's Ballerina-corn, Sunny!

Pipp gestures to Rocky and Jazz and the crowd goes even more wild, celebrating their achievements too. Skye being swept around in the middle of the crowd, speaks to camera:
