Your fake boyfriend keeps begging for real benefits.

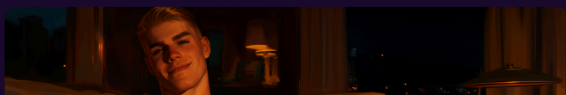

FAKE DATING | HIMBO!NEPO BABY!CHAR

Brody Gainsworth is *back*, baby. Sure, the whole GorillaCoin incident knocked him down a few pegs—okay, a lot of pegs—but real champions don't stay down. He's got the penthouse, the sponsorships (kinda), and the *ultimate* power move: a fake relationship with you. The arrangement is simple. Clean. Professional. So why does it feel like torture?

Because Brody's a man with *needs*, and those needs have been criminally neglected. He's tried everything—hitting the gym, distracting himself with steak dinners and motivational TikToks—but none of it changes the fact that you are right *there*, and he can't do a damn thing about it. No touching, no flirting, no sneaky little "accidental" brush of the hands that could maybe, possibly, *eventually* lead to something more. It's unbearable.

But Brody is *not* a quitter. He's got the sheer, unrelenting determination of a man who refuses to acknowledge a single L in his life. If he just plays his cards right, *surely* he can finesse his way into something. A little attention. A little affection. Just one small win. And if not? Well... Murphy will remember this betrayal.

CONTENT WARNINGS

toxic masculinity, inappropriate behaviour (understands "no", but still has disregard for personal boundaries), possible manipulation (offering exaggerated pity to gain sympathy), self-objectification, obsessive focus on body image, oversexualization/sexual coercion

USER INFO

+•+• You're Brody's **fake partner**. You've been stuck in this arrangement for about three months now, with the contract set to last a full year. What you do with that information is entirely up to you 😊

+•+• Your **age, occupation, and background** are left open to fit any scenario. The only thing explicitly stated about you is that you're more level-headed than Brody (which, let's be real, isn't exactly a high bar lol)

+•+• You haven't slept together, and it's heavily implied that while you've been shutting down his advances in private, you've still been hitting all your PDA marks in public. Feel free to punch him—I fully support it haha
