Watching you guys on here for the last few years has been like watching cats get rolled over by a tank and ripped to shreds by dogs, when we the cats designed the tank and rescued the dogs from their hellish home countries, and the dogs are only convinced we are their enemies because of the decorations on the tank.

Our countries and ethnicities are being invaded and disintegrated, whether you are white, black, hispanic, korean, german, french, swiss, norwegian, russian, we have a common enemy in the jewish religion, the jewish nation, and the jewish people. Any jewish people at this point in time who are not already on our side will never be, and even then we can never, ever trust them not to betray us as their primary tactic is turning every single one of their people into spies.

The recent post where the OP thanked the anon for the spray adhesive is a good start, that is what we need to be doing, not shouting kike and n\*\*\*\*\*r and throwing swastikas around, using every failed strategy that our enemy actually encourages.

The truth is on our side, that should be our primary tool. Anything we do that is uncouth, low, crude, spiteful, inelegant, only hurts us, and they will do everything they can to make us look that way.

Extremist white supremecist racism is the jew's best friend, and they are here to encourage us, and this is why the daily swastika thread is never taken down.

I hold these truths to be self-evident, I can no more remain silent about them than I could remain silent about my own existence. I have seen these things for my own eyes, I have watched them devolve into where we are at over the course of my entire life.

The time for silence and measured words is over.

Evil is here among us, and no matter where you are on Earth, its primary advocate is the Jewish nation.

**These fucking comments.**

From here on out, we are proud of who we are, and we are cool, but we are not the coolest, because no one is.

The idea of racial supremacy is a jewish idea that we must reject entirely.

We are seeking any ally we can find in an existential struggle, to prevent our cultures from disappearing, our women from being eternally prostituted and raped, our ideals from being perverted, our borders from becoming meaningless, our books from being burned by googles algorithms.

We also know there is a greater power behind what is happening now with the consolidation of power in Jerusalem, and this is the solid state entity, satan, the borg, the replicators, the end of life on earth, the attempt to end the universe and build a new one under satanic domination, in a babylonian system that is doomed to fail, on top of the jews as well, so we are in a way saving jewish people from their own suicide cult. You're welcome.

It just so happens that the most evil force in the universe finds it expedient to use Jewish nationalism as its vehicle, and if this sounds like a good, true, religion to you, then you may have been brainwashed by them.

If you watch only jewish media, and culture approved by jews, and you find out there is a deep fear inside of your mind that causes you to shake every time you hear something that jews will not like, you either have a brainslug or you are under mind control.

Check yourself and advise everyone you know to do so as well.

The first thing we have to do is allow antisemitism. Hating Jews is from this point on legal, just like all other forms of hate. Hate has never been solved by outlawing it, fun fact.

The second thing is to remove any jewish person or stooge from a position where they can censor us, even if it means making entirely new platforms and channels.

UNITED STATES

# Is Hollywood run by Jews? You bet!

Joel Stein Los Angeles

I have never been so upset by a poll in my life. Only 22 per cent of Americans now believe "the movie and television industries are pretty much run by Jews", down from nearly 50 per cent in 1964.

The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, it just shows how dumb America is, how totally run Hollywood.

How deeply Jewish is Hollywood? When the studio chiefs took out a full-page ad in the Los Angeles Times a few weeks ago demanding that the Screen Actors Guild settle its contract, an open letter was signed by Paramount Pictures chairman (Jewish), Walt Disney (Jewish), executive Robert Iger (Jewish), Sony Pictures chairman Michael Lynton (surprise).

Study Gene Sharp, every society, institution, organization, has elements that act as pillar to support it. We need to attack those pillars.

They are financial usury, central banking, international banking, antisemitism as a propaganda concept, jewish media ownership, degradation of our language, legalization and obfuscation of their terrorist insurgency, celebration of divisive degenerate elements like gangsta rap and what can only be described as faggotry, for starters.

There is nothing wrong with rap or being gay, but jews use the media to celebrate these as central elements of society on their tower of babel. Even gays and gangstas know the united states military cannot be based upon faggotry and incoherent babbling, and to the extent they are not part of the pedocracy and stoogiciary jews put into power, will be our allies if we reach out to them.

That begins today. White people are not bigots, we welcome all to our cause who will work with us in earnest and listen to reason. White people are not supremecists, we recognize that there are

brilliant people of all races, and that all races would be prepared for self improvement if the shackles were removed.

It may take a hundred years, but we will end the child abuse, including Victoria's Secret, Circumcision and genital mutilation of all kinds, and the pederasty endemic to the jewish religion, which enables it everywhere else, from the Catholic Church to the Boy Scouts.

## → Not Sucking Baby's Penis After Removing Foreskin Is Heresy, Haredi Rabbi Says

According to Rabbi Moshe Meiselman...whenever Chazal make a statement about realia, and do not indicate that they are speaking tentatively, then they are correct, and to doubt them is heresy. Rabbi Meiselman thus states, with regard to metzitzah [b'peh, the direct mouth-to-penis sucking haredi mohels do after cutting off the baby's foreskin] (pp. 239-40), that "Chazal's assessment overrides that

of modern medicine," because "Chazal understood the situation better than the physicians." He stresses that "we rely upon their judgment unswervingly, even if medical opinion says otherwise....[Therefore,] the mohel must suction the wound in a traditionally prescribed manner [with his mouth]."

4/13

White people are the greatest shackle removers there have ever been, in this alone we are supreme. This is why the movies 12 years a slave and jango unchained were made, and this was effective at stoking black on white hatred, and we need to use the same tactics to demonstrate that in any structural view of slavery of blacks, jewish people played a key role, and jewish media has hid this from them.

This is to say, we are creating a new media that excludes only one group of people, the jews. They have demonstrated they cannot be trusted with an elementary school newspaper, much less a national mass media seen by millions. If nothing else is clear, this is.

There can be a white ethnostate, but there should be a black one too. There can be a hispanic ethnostate, the concept of federalism allows for this and it can be done. But it will only work if we share the values of the constitution, the bill of rights, and reject any form of racial superiority. Jews are the ones who believe in their racial superiority and want to rule the world, like always they blame us for what they are actually doing.

It is also true that there is no such thing as a white or black person, we are all shades of beige, just humans. Everyone deserves an equal human right, but privileges can be earned by real contributions.

Jews believe no one has any rights, that we are all inferior, cattle, goyim, food, shiksas, and demand the right of their own privilege, and this is the point we need to hammer home, that their religion is inherently racist and supremacist.

The truth is that Mozart, Pascal, Boolean Algebra, Shakespeare, parliamentary government, baroque churches, Newton, the emancipation of women, Kant, Marx, and Ballanchine ballets don't redeem what this particular civilization has wrought upon the world. The white race is the cancer of human history.

Author **Susan Sontag**, Partisan Review, Winter 1967, p. 57.

You're [white people] on the endangered list. And unlike, say, the bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around.

Author **Tim Wise**, Alternet, November 5, 2015

When it comes to abolishing the white race, the task is not to win over more whites to oppose "racism"; there are "anti-racists" enough already to do the job. The task is to gather together a minority determined to make it impossible for anyone to be white. It is a strategy of creative provocation, like Wendell Phillips advocated and John Brown carried out.

Professor **Noel Ignatiev**, "The Making and Unmaking of Whiteness" Berkeley, California, April 11-13, 1997.

If white men were not complaining, it would be an indication that we weren't succeeding, and making the inroads that we are.

**Arthur Ochs Sulzberger, Jr.**, owner of the New York Times

**Do not forget that these people want you broke, dead, your kids raped and brainwashed, and they think it's funny.**

We are all slaves to the jews now due to the current global financial system. This system, which uses many, many white and other racial proxies and stooges oppresses the entire global south, and is also a major cause for chinese totalitarian militarism, as they see no road to peaceful co-existence when they might be up against a global jew world order.

We need the chinese on our side against the jews, all allies are welcome. The chinese need to know that the supremecists in jews are their real enemy, and they know this. There is a vast chinese literature on how the jews dominate america that many seek to emulate, we have to give them an alternative to enslaving their population to make a war machine.

So there is a shuffle, jewish economics of usury, slavery impoverish latin american and africa through the world bank(see work of John Perkins), then jewish media convinces white altruism the

only real "solution" to this is mass immigration of unskilled labor that see us as suckers and then as oppressors, and then as stupid victims.

Meanwhile the profits of this get collected in Jerusalem.

We have tried solving the problem of the global south by importing or assassinating all of their most intelligent people and handing out sheister loans, while also profiting from the sale of weapons, and droning any leadership capable of recognizing what is going on.

This is what we should be talking about with Angela Merkel, not protecting our racial purity. The idea that we are helping anything by accepting immigrants beyond this point is absurd.

The global financial system being put in place is the pillar we must strike.

6/13

But we are built into this pillar, we use these dollars to feed ourselves. This is the current reality, but this is where a lot of work needs to be done. BTC is one major solution, we need to use amongst ourselves anything but the Jewish Rothschild dollar. Skillshare, used books, IOUs, barter, whatever it takes to function economically outside of that financial system will lead us towards independence, and eventually having a currency that does not gift Jerusalem with every transaction. Companies like NCR, Amdocs, Thrive, Goldman Sachs, need to be shunned, outed, doxed, disconnected.

Their dollars are now worthless to us, a point of shame, a form of slavery disguised as a piece of paper.

Every flow of money towards a Jew is poison. Every company with ties to Israel is a stab in your neighbor's back.

As it stands now every transaction at a major store in the USA or Europe is processed in Jerusalem by NCR, and every communication the same. It may take a decade, but we need to reject this form of predatory centralized monopoly, and create local and national transaction systems. It may need to be underground, it may need to be informal, it may be very small scale.

Watch Supersize Me 2 with Spurlock and the chicken farmers, the whistleblower shows what they are doing to even our most wealthy farmers. It is as if they have analyzed our entire class structure and any of us who have wealth, they go after individually to capture that stream of income.

See next point.

Create your own groups and use these groups to throw out the Gentiles. Remember: all highly paid, influential and profitable jobs are our national income. Remember that every Gentile who has reached our level can occupy a post which might have belonged to each one of us. We create our groups so that goys cannot prevent us from living the way we want to. Let the goys try to create their own groups. They will scarcely succeed in this, and they will fall out with one another before they manage to achieve anything. We shall help them in that.

7/13

The Elder Protocols is real. They attack white people on an individual basis, invisibly, economically, socially, and have been doing so since the dawn of time. Why do you think our political leadership is two people who can barely complete a proper sentence? Why do you think someone like myself who can write a doc like this, has 50eu to his name?

They have been attacking our most capable leaders. Many of us are probably homeless, broke, many have probably committed suicide thinking this is all their fault.

We need to accept that whether white or black or hispanic or whatever, our greatest leaders have been murdered for decades. Chavismo and Simon Bolivar and Fidel Castro are actually patriots for our cause, and if you read what they actually were saying, it is predictive of what we are actually now facing.

This means every white person has an interest in rescuing every homeless, addicted, white person, same for all other races. One of them may actually be your true leader, under their attack.

This means rescuing every white woman from prostitution and pornography. This is what Ghislane Maxwell as doing when she went to shopping malls and gave her number to the most attractive 12 year olds and took them to the island. This is what Victorias Secret is, a giant vacuum hose of beauty out of our actual culture and into their pedo mansions where their remains were so splattered over the tile it had to be removed prior to Epsteins arrest.

They know the power of Helen of Troy, and they took her from us and made her a crass idol.

But where other people are concerned, Zionists work on public opinion by creating either a positive or a negative impression regarding those others, depending on what will be beneficial to Zionism. Rumours are spread which may be either plausible or absurd but are always persistently maintained everywhere and dinned into people by Zionists. Public opinion is formed regarding an event, a system, an organization, a person - in fact, regarding everything -, but it is formed in precisely the way which is required by Zionism and which will give Zionism some temporary or permanent advantage.

Those who are alien to the Zionists are mercilessly rejected and impeded in their development. Such non-Zionists automatically include persons who belong to other nations and are talented, capable, honest, active and strong-minded. The Zionists will very carefully monitor the presence of talented non-Zionists, register them, painstakingly restrict their development, obstruct their progress and re-direct their activities. If any such capable person nonetheless works his way through, the Zionists will use him for themselves as far as possible and will not allow other objectives to derive substantial benefit from his activities. The most widely differing methods are used here, including creating a bad family life for the person, causing him difficulties with housing and with daily life generally, and making things difficult for him in his studies, at work, in his surroundings, in his health, and so on. Zionists so organize matters that the person is prevented from occupying a promising position at work, and from developing his career.

8/13

This means dropping the ego bullshit, and actually protecting and assisting our most capable people on a daily basis. Consider Aurora and Lorde, some of the most beautiful women and greatest musicians maybe in the history of the world, and who are on board to boycott epsteinland even at risk to themselves. We need to protect them at all costs. They will never help us and join us if we are the the racial supremacists, they will only help us if we are against the racism of the jews without all of the bullshit that jews encourage us to tack onto our true identities as fighters for global human freedom.

You might want to maybe help someone like me not get assassinated and live someplace safe with friends.

But I am not a beggar, you will have to decide this yourself.

I do not expect to live, they know who I am, they know I am one of your leaders and have since the day I was born.

They have made my life hell, and this is how I repay them.

I used to think there could be a peaceful solution, back in the 90s with the camp david accords and UN resolutions, but jews have rejected all of that and gone for supremacy. There can be no going back for them.

Any jew reading this, now is your chance to repent and disavow your nationality and cult. We will no longer accept judaism as a religion, it is a satanic, traitorous cult, and traitors get the rope. Nor do cults have a place in our civilization. A religion does not vie for "key positions" and operate in secret to take over countries from within. That is what you have done. Even jewish apologists openly state judaism is a nationality now, so we have as little use for a jewish president or media ownership as we have for any from neptune or hell.

We will no longer be "easily swayed."

You had your chance, but you were greedy pedos.

And you still cover for epstein, pretend he wasnt one of you.

Epstein is israel. Israel is epstein. Epsteinraeal. Epsteinland. Pedoville.

Be creative in hammering this home until victory is ours.

9/13

Jews are attacking the english language, they want the global tongue of power and culture to be the ugly mouthfull of spit that is Hebrew.

Gangsta rap, take your meds, cnn vs fox, the inability to define communism or socialism, the complete public misunderstanding of the philosophy that is anarchy in our culture, the use of the word "intelligence" to replace spying, the list goes on and on.

Our public discourse has degenerated to namecalling and there is no place for actual public debate. Reddit could have been the basis for a great coming together of everyone on earth, but the jews wanted to control it and use it for their purposes.

There is no reason there could not be a sanely moderated debate website except that the jews will not allow it and will DDOS and infiltrate it like they do here.

The jews ruined the internet. So we must un-ruin it.

Same goes for all media and journalism, from now on we laugh at any jewish "journalist" like the Goldberg of The Atlantic who ignored Epstein for 30 years and then complains "the conspiracy theorists are winning."

What dishonest filth. Our media includes no jews and we watch no more jews and we have no more use for jewish journalists, and we make our own.

If we do not know where the money comes from like with The Intercept or OnlyFans, we have no use for it.

So we have to generate our language, make it a bond between us, and calling people mutts, spics, n\*\*\*\*\*s, kikes all of the time is just as degenerate as celebrating the chopping off of our dicks as a central element of our culture.

You can be certain the hasbarans on here use all of those terms with joy and glee as it ensures the division of our efforts against them.

Note the Red in the MAGA hat, that is by design, and the historical precedents should terrify you. They want us to kill ourselves and each other, and this year.

“We mean the word ‘red’ literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia - officers, academics and writers!...”

Taken from the “Memoirs” of Aron Simanovich, a jeweller at the court of the Tsar's Imperial Majesty.

**From the newspaper “Russkoye slovo”, No. 1.**

10/13

The culture of anonymity is ultimately one of weakness. We cannot work together and form a movement or society atomized, while they parade our most degenerate traitors like Roger Stone and Steve Bannon, and the Republican/Democratic party, as if they were our rulers, when we don't know who each other are. At the moment the FBI and DOD are propagandizing the united states, creating fake website and media avatars like The Conscious Resistance and Breitbart, to herd us into wasting our time and other stupidity.

At the same time, they want us to believe that idiots or psy ops like Breivik and Tarrant represent us, when they do not and never have. Going and shooting up some place is utter, utter idiocy. We must be aware of the sickness of their plans. Study the movie Invasion USA, which is basically their playbook.

Every effective tactic against jews will either be coopted, murdered or associated with a false flag attack. To think that it could ever possibly be in the interest of white people to go on a spree against 70 young white people. To think that muslims in New Zealand are the real enemy.

We need leaders, and not another Hitler or dictator.

White people believe in the most advanced form of government, The Republic, and this requires representatives, judges, executives, soldiers, generals, journalists, mediators, historians, prophets, scholars, who know the sides, and the stakes.

If you do not know the beaver, do your homework and lurk moar lol.

11/13

Shooting sprees, mad bombings, offensive street violence hurts our cause and is utterly stupid. We are princes, we are warriors, we are Atticus Finch and Frederick Doublas, we are Marcus Aurelius and Louis Armstrong, we are of an honorable heritage, we try to work things out until there is no other option. While we can still talk we talk, if you will negotiate with us in good faith we will try to make peace until our fingers bleed from typing.

I know I have tried and am still trying, as they stalk me everywhere I go in Berlin.

But as far as jewish gangs and spies in our countries go, JDL(an offensive organization), Sayanim, APLEA Rangers, Shomrim, which is what is actually happening, that is a different story.

Every single person going on a shooting spree has been a disaster for our cause of bringing freedom to this world, and is in no way justifiable under any law other than a jewish one, as their zionist yinnom plan is for them a categorical imperative, any murder, rape, lie, injustice, is for them justified.

And for them they can just shake the chicken over their head and sleep well at night.

But we are a different breed, anyone who sinks to their level is not one of us and is a monstrous turncoat.

Their gangs and traitorous infiltration of our countries is already against our laws, we only need to revoke their exception to them.

We work to honor Breivik's victims, and he must know that to us he is just another proxy clown.

Chauvin, too, if that is his real name.

That said, we are not in this for our egos, we are in this for our people, our families, our future, or in the event of failure, our honorable death with our virtue intact.  
Glory, recognition, is secondary, our kingdom is actually not even of this world.  
And even if this were our only life, what better way could we spend it?

So many of us here are brought low by their hardships. They see the myriad foreigners invading and defiling their ancestor's hard-earned lands. They see their governments brimming with traitors, cowards and jews. They see their religion, their ancestors and their way of life mocked and insulted. They see these things, and they hang their heads low. Depression, despair and a desire to re-establish order grow within them.

And it is for that reason that we are the luckiest men to have ever lived. Who else will be able to boast of such glory? Who else had the whole world against them? Our families scorn us for 'bigotry' and 'intolerance', the atheists mock us for 'foolishness' and 'weakness', the foreigners flood our lands; they hate us and yet are content to leech off us. Jews have gained the most power they have ever had, they conduct evil that strikes us in our every day lives, that affects our children and our wives. Everywhere we turn their vile hand is reaching, their perverse touch is felt.

The world has swallowed their lie whole, they not only believe it but they embody it. They are hypocritical to comical extents, a true enemy of the standards of children's tales. They boast of their tolerance and their liberty whilst destroying the lives of any with opposing views, passing legislature after legislature that make opposing them criminal offenses punishable by imprisonment and 're-habilitation'. They brainwash and manipulate, they black-list and they arrest, they are always hateful, always angry, always seeking to do harm unto those who disagree with them.

We live in an age of tyrants. There are those diabolical manipulators at the top of the pyramid; the traitorous government officials, the hostile foreigners given positions of power as a sign of 'tolerance and respect' and the conniving Jew who wormed his way into the media and our educational bodies. Perhaps there are even those above them: maybe devils, an illuminati or some kind of evil extraterrestrial overlord. But beneath them too, at every level, tyrants. Those who would out-law our traditions, who would pass laws to curtail our chances in our professional lives, who would hold rallies in protest against us and encourage whole sections of society to hate us, to refuse us their custom and to desecrate everything we hold dear- from beliefs, to our history, to monuments, to our flags and towns and nations. Children perverted by their manipulative methods, brought up to see us as 'literally worse than the devil'.

We live in a time of such comical evil, such heights of tyranny that even our own homes give us no relief. Our streets are filled with their propoganda, our small-bastions chased and persecuted for not being 'diverse' enough.

No time such as this has ever existed. At the worst of times in the days of old, people still had their community. They still had their family. What are we left with? Many of our friends reject us, our families often look down upon us as if we're evil and the religious communities condemn our beliefs.

But we are not beholden to those people. We are beholden to our beliefs, to our God and to our future families, our future communities... things that will not exist if we do not act as we must. And when we have acted thus, we will be forever heroes. Heroes of such high glories that the whole world will be forever envious and inspired by us. No glory such as this has ever been on offer in the past, never once was a man able to soar to the heights that we must.

We are the luckiest men who have ever lived.

12/13

The idiotic gregorian calendar is a weapon used against us. We rest on sunday while they plot against us. Our holidays are now all potential workdays while their day for worshipping demons is alone revered. The constantly shifting first day of the month makes their late fees pile high in jerusalem.

This must change.

From now on, Thor's Day and Freya's Day are our weekend and we go to work on their sabbath, first doing those things that work against the jewish tyranny.

At first this will be informal, but from now on we will encourage a global anti-jerusalem day every Saturday. While they are resting we will be working against them.

They will have to build an eruv around the entire world to shut us up every saturday!

Consider also the 13 month year, with every month having the same number of days.

Preserve the weekend for ourselves, don't make other people in our cause ruin their weekend. Stop shopping on the weekend.

Make sure to get your rest every week so that you are strong to fight our enemy.

Self-care is a political weapon, let us use it.

And let us take care of each other, and recognize that we are all damaged from the jew world order, that we all need to heal.

I love you guys. I have met people in my life of all colors, all religions, all nationalities, it is only the jew that I have repeatedly met and must honestly admit I despise. They have been rude to me, looked down on me, lied to my face, rejected fair debate, tricked me, refused friendship, blacklisted me, and waged invisible war against me through the proxy of ignorant police agents.

Like I said the elder protocols are real, our entire leadership class as white people, as black people, as hispanics, has been murdered and otherwise impoverished by them, while their easily bribed ciphers rise in power and stab us in the backs.

I have woken up every saturday morning since I realized Trump had appointed all Jews and Kushner in the white house, and I have worked against them. I have worked to spread the truth, defend our language, teach and study the history, and red pill everyone that is ready for it.

My situation is tenuous, I do not expect to live to old age, or even past this year really.

I believe at the moment I have Teh virus, I came down with the symptoms this week. I believe this may be project zephyr, a virus they can use as a cover to assassinate whoever they want. And the confusion over it may lead to civil war this fall between the idiotic trump and biden camps.

Let's avoid this. Do not fight their civil war. If you in the militaries of the world you do not protect us from this existential threat, you will go down in history shamefully and probably also burn in hell.

We can do this. All is not lost. This is our time. Be your best self. Find those smarter, stronger and wiser than you and join them.

Chads, Nobodies, Incels, Virgins, I am proud you made it this far, let's take care of each other and make a better world, one we can be proud of, that can resist the eternal threat of the solid state entity, and oblivion.

Pan-American and Pan-European Patriotism Forever!

Love in Truth,

One last bonus or two or three:

False Dichotomies  
and  
Illusory Overton Windows

What ultimately results is a  
Dystopia where the ruling class  
Uses these false dichotomies to  
Jockey for dominance while the population  
Experiences *only various flavors of*  
**Slavery**

As you can see, compared to the right/left  
Paradigm, what people actually want from a  
System have gradually, in our time at least,  
Been censored by casual long-term omission.

***This is not an accident.***

The greatest **kindness** one can render to any  
man consists in **leading** him  
**from error to truth.**

— Thomas Aquinas —

**"I prefer dangerous  
freedom over  
peaceful slavery."**

*Thomas Jefferson*

"All the animals, the plants, the minerals, even other kinds of  
men, are being broken and reassembled every day, to preserve  
an elite few, who are the loudest to theorize on freedom, but the  
least free of all."

— Thomas Pynchon, Gravity's Rainbow

Luminous beings are we,  
not this crude matter.
