### *Shantae*

*Scuttle Town's very own half-genie hero!  
She was raised by her uncle, Mimie, and hopes to one day  
be reunited with her human father and genie mother.*

### *Shantae's Beach Costume*

*A new DLC outfit that provides her with unique abilities and animations. Completing the game in Shantae's swimsuit reveals a special win screen (shown at right).*

### *Officer Shantae Uniform*

*Officer Shantae is on duty with an all-new DLC crime spree to solve! The pellet gun and switch helmet help Shantae round up the Space Hooligans.*

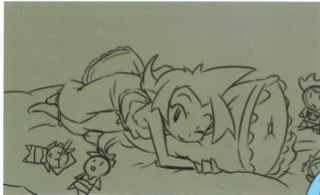

### *Ninja Shantae Costume*

Prepare for a high speed adventure as Shantae acquires an arsenal of enhanced moves and attacks, from throwing stars to teleporting.

## *A Rude Awakening*

Shantae's ready for some shut-eye, but this evening is going to be anything but restful. When a strange voice beckons, Shantae journeys into the night. Is this real, or just a dream?

### *Friends to the End*

When Shantae's magic turns evil, Rottytops, Bolo, and Sky embark on their own DLC adventure to find their favorite half-genie and save her from a realm of nightmares.

### *Pirate Queen's Quest*

*It's time for a turn on the dark side as the villainous pirate Risky Boots collects the components needed to destroy Sequin Land once and for all.*

### *Risky Boots*

*Nefarious pirate queen and scourge of the seven seas (and Seattle Town). Risky intends to rule over all of Sequin Land with the help of her shadowy Tinkerbat crew.*

### *Pottytops*

*Shantae's free-spirited zombie friend. She is usually a bad influence, but tries hard to be a good friend... when it serves her purposes.*

### *Bolo*

*Shantae's childhood friend. He is easily distracted, but is a protective and loyal ally when needed.*

### *Sky*

*Shantae's best friend. Responsible and independent, she is often the voice of reason, like a big sister. Usually seen with her faithful war-bird, Wrench.*

## Townspeople

Scuttle Town is filled with a variety of residents - some will provide useful information or services, but all will be happy if Shantae stops to say "hello!"

Merchant

*Fisherman*

*Stranger*

*Friendly Folks*

*Guard*

*Grandma Blobfish*

## *Chaotic Companions*

*Between Rotty's self-serving zombie brothers and Shantae's eccentric uncle, sage advice and sound judgment are rare commodities. Still, these influential individuals demonstrate unbreakable family bonds!*

Abner

Poe

Zombie Hamster

Dream Squid

Uncle Mimic

## Enemies

*Shantae's world isn't all rainbows and roses - there are foes everywhere who will try to stop the half-genie and her friends at any cost!*

*Mini Mummy*

## Bosses

Monsters are a nuisance, but these bigger-than-life bosses are the ones who really have it in for Shantae. Their twisted plans always spell disaster for Sequin Land.

### Tinkerslug

The chosen siege vessel of stylish Tinkerbats these days.

**Ammo Baron**  
He rules the skies  
and rocks those boxers.

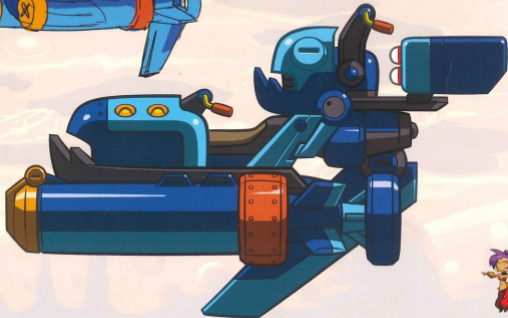

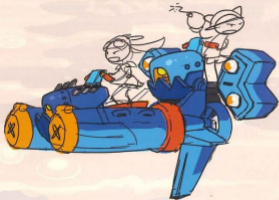

Vinegar

Twitch

*This sour duo  
attacks with  
bombs and bravado*

**Giga Mermaid**  
Just a really big,  
angry mermaid.

**Evil Genies**

*Maybe half-genies are  
nicer than full ones?*

**Holly Lingerbean**

*She is not a real genie.  
Don't be fooled.*

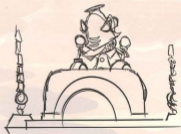

**Sandworm (Wilbur)**  
*A nasty burrowing beast  
 not to be trifled with.*

**Squid Baron**  
Squishy but dangerous.

### **Techno Baron**

*Not sure how well he  
can see with that on.*

BAT  
BLACK OUT

**Nega Shantae**  
Like Shantae,  
but lots more evil.

**Hypno Baron**  
Don't look him  
in the eyes.

## *Destinations – World Map*

*Many exotic and dangerous destinations await!  
Explore them by flying on the back of Sky's  
mighty transformed war-bird, Giga-Wrench.*

**Scuttle Town Square -**  
You can get to anywhere  
from here.

**Scuttle Town  
Main Street -**  
Shantae's home -  
too bad it's under  
attack by pirates.

**Tassel Town Desert -**  
Beware what lies  
under shifting sands.

**Mermaid Falls -**  
Not everything here  
is as it seems.

**Cape Crustacean  
Raceway -**

*Ladies and gentlemen,  
start your magic  
carpets!*

**Tinkerbat Factory -**

*A volcanic fortress -  
what could go wrong?*

**Hypno Baron's  
Castle -**

*A creepy place the  
residents are dying  
to escape from.*

## Scuttle Town

The bayside town that Shantae, the half-genie hero, has sworn to protect. This small fishing village does see some action – usually in the form of pirate attacks!

Scottle Town Harbor

Bath House

Scottle Town  
Art Gallery

*Uncle Mimie's Workshop*

*Mysterious Cavern*

*Sky's Hatchery*

*Scottie Town Item Shop*

Lighthouse

*Seattle Town Pocks*

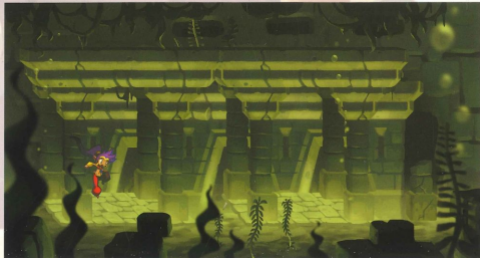

## Tassel Town Desert

*Hot, dry, and deadly. That oasis on the horizon may not be real, but the hazards beneath the sands are certainly no illusion.*

## Mermaid Falls

*It may be pretty outside, but those Techno Grunts are up to something fishy in their canning facility.*

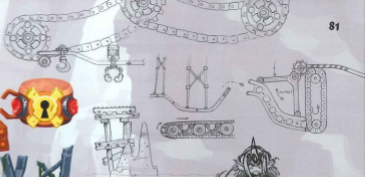

Counterfeit Mermaids

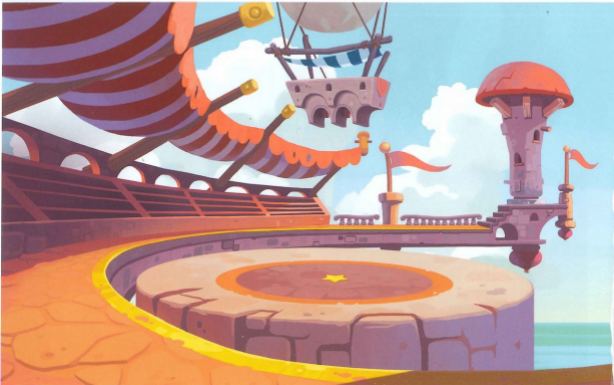

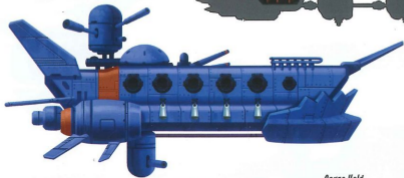

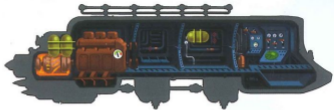

## *Cape Crustacean Raceway*

*Enter a high-flying, gravity-defying race! The winner may take home a prize, but the others will go down in flames.*

*Starting Line*

*Cargo Hold*

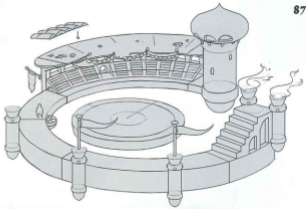

*Racer Blade**Racer Snuggles**Racer Chubs**RaceBot**Racer Drake*

Referee

## *Sypno Baron's Castle*

*A spooky old mansion with an attached graveyard and a crazed villain is rarely a good sign.*

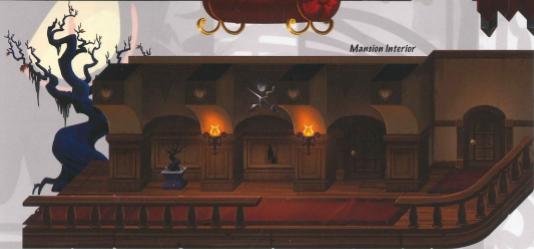

*Mausoleum*

*Mansion Interior*

## *Tinkerbat Factory*

*Risky's Tinkerbats craft clockwork mechanisms and maniacal machines in their latest volcanic lair.*
