

# **Photography Release Document**

This document is intended to assist you with understanding your rights regarding photography taken by Andy Baerenwald under the Nurturing name.

## **Volunteer Photography Release**

- Volunteer Photography is defined as collaborative, volunteer-based sessions where no payment is given in exchange for the service.

Nurturing and its respective photographers retain full copyright ownership of all photos taken. You are granted a license to use the photos for personal or commercial purposes as long as proper attribution is given. Proper attribution is defined as the photographer's name and social media handle.

## **Paid Photography Release**

- Paid Photography is defined as sessions where payment is given in exchange for the service.

Payment grants you a joint, non-exclusive ownership of the delivered photos. This means:

- You may use, modify, and publish the images freely, without needing to credit me or Nurturing.
- I, along with the Nurturing brand, also retain the right to use, publish, and display the photos in a portfolio or for promotional purposes.

## **Proper Attribution**

- Proper Attribution is defined as giving credit to the original photographer for their work. This is essential for publishing photos from volunteer sessions.

Proper Attribution is required to avoid copyright infringement. Below is a list of methods for giving credit to the original photographer.

- Instagram: @andres.baer
- All Other Cases: Andy Baerenwald

## **Agreement**

By agreeing receiving services from Andy Baerenwald and Nurturing, scheduling a photoshoot, or providing payment for a service, you agree to all of the following terms and conditions above, and agree to the licensing agreements mentioned.
