Reddy Book.com - What the Platform Offers Cricket Bettors

poker id

An overview of markets, settlement and the practical differences between exchange and sportsbook style betting.

Markets

Exchange style lets you back and lay; sportsbook fixes the price. Know which one you are using before staking.

Settlement

Check the rules for abandoned matches and rain. Cricket settles on conditions that football never sees.

Withdrawals

Confirm the processing window and any KYC step before you need the money back.

Bankroll

Stake a fixed percentage. Cricket's long formats punish chasing.
