My Reddy Book Account - Limits, Statements and Support

99exch play

Where to find your statements, how deposit limits work, and how to raise a dispute that gets answered.

Statements

Export them monthly. A dated record settles most arguments about balances faster than screenshots.

Limits

Deposit limits are usually self-set and slow to lift. Decide them before a bad week, not during one.

Support

Write one message with the transaction ID, time and amount. Vague tickets get vague replies.

Escalation

If a dispute stalls, ask for the complaint reference and keep every reply in the thread.
