1) THREAD This will be a working series.

We have it all.

I am currently looking at the full 109-page RICO indictment filed on 8/29/23.

This thread is just a brief overview of what is to come.

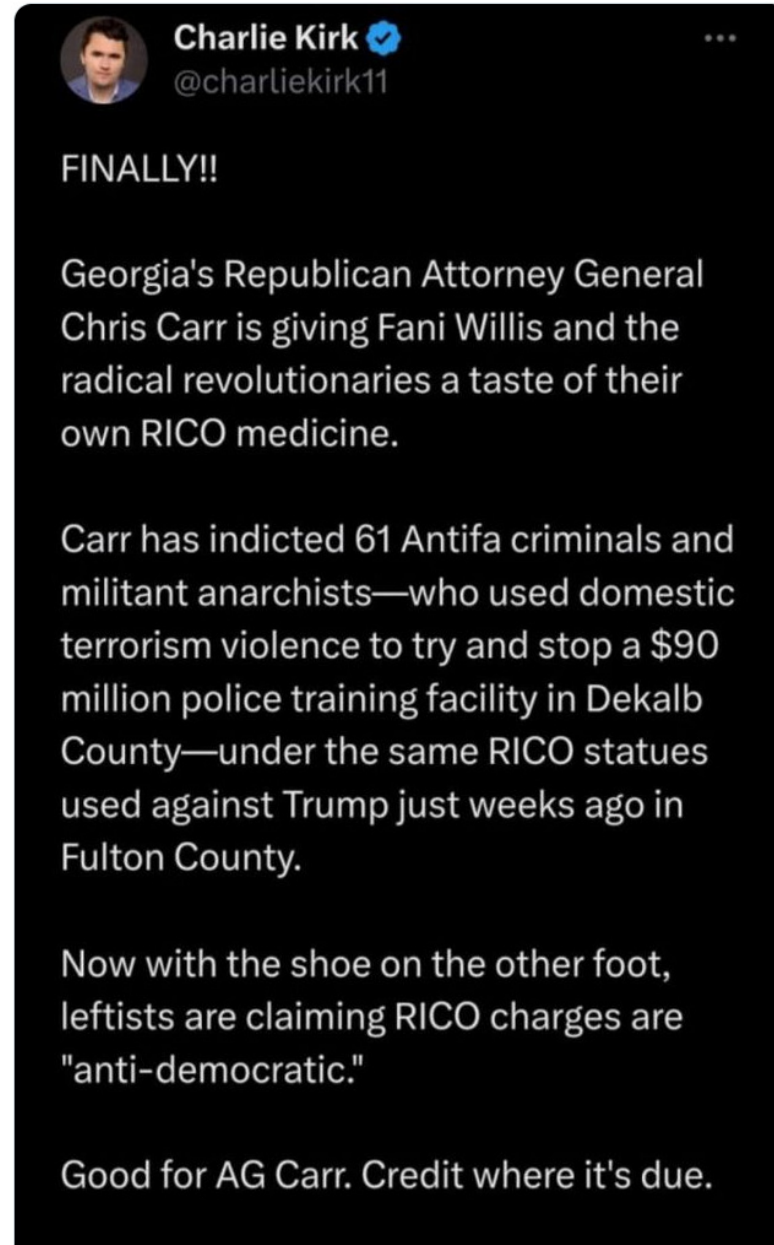

2)

People like Kirk and Posobiec have already started reporting on it at surface level. As they should.

However, I believe we have just been given the motherload.

This is much more than just some Antifa brats getting jammed up.

**MORE. MORE. MORE.**

**Mutually assured destruction is the only way this ends.**

3)

61 names formally indicted.

COUNT I - RACKETEERING

COUNT II - DOMESTIC TERRORISM

COUNT III - ARSON IN THE FIRST DEGREE

COUNTS IV-XVIII - MONEY LAUNDERING

The interesting part is we have thousands of single donors, LLC's, non-profits, PR firms and on and on and on.

4)

IE: Noam Chomsky

And this is barely a tease. The list is thousands.

So far it looks like this can all be connected through Hollywood, DC, and even all the way up to George Soros himself.

## **INDIVIDUAL ENDORSEMENTS**

1. Noam Chomsky
2. Starhawk

5)

This RICO filing implicates some of the most powerful globalist entities in the world for infiltrating America all the way down to people you would have called good neighbors 10 years ago.

And those aren't just words. We have the sauce to prove it.

6)

They used FF events like George Floyd and the legally justified killing of Rayshard Brooks. They used big money, anarchist and extremist left wing ideology to attract and recruit people.

They then used these people to do things as extreme as murdering police.

7)

None of this info is new to most of us. However, having the sauce that first of all, our justice system is in fact holding these extreme left-wing orgs accountable. And second having the sauce to follow the money and influence right up the line is.

225 criminal acts doesn't begin to tell the story hidden in this indictment.

9)

My next move is to give a full detailed overview and summary of the 109 page indictment.

After which, we have a team already being assembled to break down all of the names and donors.

Follow the money.

10)

We are crowd sourcing a lot of research that has already been done.

You guys wont believe how big this really gets.

So far @PunishDem1776 @ElizabethPDove @FriendsFeisty @AbbieJo73402672 and @1legpatriot80 have already contributed. And I expect that team to grow.

11)

Hold on tight frens. Public declass is here.

1) thread. Read it all ninjas. It's irrefutable. One more time for those in the back. That's not Joe. We were told 2 different times on the boards that "it had to be this way" We were told by Trump himself about the "Pause" We can follow EO's and personnel placement and see Trump put safeguards in place. We know

1) THREAD. Absolute proof Ruby Freeman is caught and being cast as part of the show. First of all, notice the capitol police officer we have seen being cast so many times, including J6. Second, Ruby is being given a metal of honor by the fake Joe?! 🤔

Ok. Can we just attempt to use some common sense about this for a minute? If you are capable of grasping the fact that that is not Joe Biden. (Trump told us every way you can think of) That you are watching a man in a mask play a role. ...then the obvious question comes up....
