

Delivering Gaming News Without Remorse

Traitors of America

A number of individuals, companies, outlets, and media institutions have stepped forward to announce that they [support the groups enabling riots, violence, vandalism, theft, assault, and murder](#) taking place at the hands of vandals and thugs across the United States of America. Anyone looking to find out which companies, brands, and content creators have betrayed the trust of the American people by aligning with groups that support the deconstruction of Western values, this list will enlighten you as to who the traitors are so you can stay informed.

[Note:] Some of the people/brands/companies on this list are not headquartered in America. However, they still cater to and influence the American (consumer) audience, and in light of their influence to help sway the views of American citizens, they have been added to the list.
