

# VENTI JOINS THE RESTREAM

When I posted the pre-stream announcement about streaming Panty and Stocking a new name showed up. The lurked for about 15 minutes until they asked me why the video wasn't working for them. They were such a retard they didn't understand they had to allow the external player. I just figured it was a retard and helped out. I didn't start logging until 30 minutes after they first showed up so I don't have that part. It turns out it was Venti.

What follows is logs from tonight's restream chat. I didn't include it all because I don't usually log chat and there was no point in including all the random stuff that went on. Greentext is my commentary of what was happening at the time on jcaesar187's stream because it becomes important near the end.

START OF LOGS

<Venti is going under the name "FUCKYOURIPSCRAPER"

<Restream anon is under the name "Bill Cooper"

>This is about 30 minutes after jcaesar187's stream started. Venti had already been LARPing as someone that was 20-30 years old in the 90s and said she lived in Canada.

>I announce my return from being afk and Venti accuses me of being Styx

[22:02:05] BillCooper: That took longer than expected

[22:02:17] Forgot to water my garden had to go take care of that.

[22:02:26] I see I didn't miss anything

[22:03:00] FUCKYOURIPSCRAPER: bill is styx confirmed

>Venti was LARPing as a member of some skinhead organization based in Texas that was popular in the 90s. I don't have logs of when she first said it in chat but this is the continuation

[22:06:32] Guntopia: so what are these hammer skins?

[22:06:40] thor worshipping skinheads?

[22:07:56] FUCKYOURIPSCRAPER: pretty much. remember the russian skinheads who used to post videos of them beating immigrants and faggots? they were hammers

[22:08:55] BillCooper: Hammerskins aren't Russian, it's a skinhead group from Texas that started in the 80s

[22:09:07] FUCKYOURIPSCRAPER: they are world wide my friend

[22:09:31] not a lot left though

[22:10:17] vineland hs were the guys i dealt with

[22:10:17] BillCooper: Probably because most of the members are feds

[22:10:31] FUCKYOURIPSCRAPER: this was a long time ago also

[22:10:45] back with wolfgang droge and shit

[22:10:54] BillCooper: stop LARPing

[22:11:03] FUCKYOURIPSCRAPER: i wasnt one of them

[22:11:03] Guntopia: yeah, 25 years if youre still talking about 1994

>Anons ask why Rand isn't co-hosting, Venti doesn't know about his recent ban on dlive

[22:11:10] ALOG4LYFE: doesnt gunt have cogunts any more?

[22:11:21] AUUUUUUGHLOGS joined (aliases: AUUUUUUUUUUUGHLOGS)

[22:11:29] Guntopia: i thought mondays where rand days

[22:11:35] BillCooper: <https://ghettogaggers.com/mVW7jA> if anyone missed the Gunt discord invite

[22:11:43] FUCKYOURIPSCRAPER: rand shot himself

[22:11:44] Guntopia: but maybe he got another warning from the dlive staff

[22:11:55] BillCooper: Rand got banned by dlive Friday

[22:12:02] AUUUUUUGHLOGS: why?

[22:12:03] BillCooper: He was sniping some tranny

[22:12:06] FUCKYOURIPSCRAPER: lol

[22:12:06] AUUUUUUGHLOGS: lol

[22:12:09] FUCKYOURIPSCRAPER: why is that wrong

[22:12:16] BillCooper: dlive TOS won't let you bully other users

[22:12:20] FUCKYOURIPSCRAPER: its a public stream  
[22:12:30] Guntopia: absolutely retarded  
[22:12:36] jcaesar187jcaesar187 joined (aliases: jcaesar187jcaesar187)

[22:12:49] BillCooper: They want to be twitch  
[22:12:55] AUUUUUGHLOGS: is alex jones raging at drumpf?  
[22:13:06] Guntopia: pretty hard to be twitch when your servers suck  
[22:13:10] FUCKYOURIPSCRAPER: they wont be twitch. they arnt corrupt or transexual enough to be  
>Discord link is posted in chat for anons to call-in to jcaesar187's show. The first thing Venti tells  
anons to do is shit on Nora and then she goes on to give redditor tier takes on another e-celeb  
[22:13:12] AlogSuperHero: i saw the invite, let me know when he's taking callers  
[22:13:29] BillCooper: I'll post but you might want to lurk his greenroom  
[22:13:41] It's a giant hugbox and he's paranoid about taking new callers  
[22:13:54] Guntopia: hell probably be desperate for callers once he runs out of videos  
[22:14:06] BillCooper: Probably, the thot might not show up  
[22:14:12] AUUUUUGHLOGS: AJ wasn't even patient zero, Anglin was

[22:14:42] BillCooper: The street shitter is supposed to be in country next week  
[22:14:54] AUUUUUGHLOGS: also ask when Zidane is coming back

[22:15:22] FUCKYOURIPSCRAPER: tim poole has more engaging streams.... its sad  
This is getting longer than expected. I'm going to have to break the log up over multiple posts.  
>Venti then mentions Andy for no reason  
[22:15:56] FUCKYOURIPSCRAPER: at least andy has screaming  
[22:16:01] had..  
[22:16:13] Guntopia: i almost want to like punished ted  
[22:16:24] AUUUUUGHLOGS: andy's show has a certain charm of being such a trainwreck  
[22:16:33] jcaesar's show is just shit and hugboxed  
[22:16:37] AlogSuperHero: he just wants to c-c-chill and speedrun ff6  
[22:16:40] Guntopia: what andy shows?  
[22:16:45] FUCKYOURIPSCRAPER: andy felt real... retarded but real  
>Suspecting this user is Venti I put the famous picture of Venti's tits on stream for everyone. This

[22:18:41] FUCKYOURIPSCRAPER: mel is just plain ugly

[22:19:18] Guntopia: the tattoos ruin any potential she mightve had

[22:28:33] FUCKYOURIPSCRAPER: sailor moon is autism in a skirt  
>Anons start discussing the redditor recently being outed as Venti, Venti goes quiet for 5+ minutes then returns with this comment attempting to change the subject  
[22:40:21] Guntopia: yeah i guess with her being stuck on dlive she needs something to get back in the spotlight again  
[22:40:23] FUCKYOURIPSCRAPER: im watchin g drunk fat chick fails  
[22:40:30] Guntopia: or her audience will decline faster then her looks  
>Venti goes on to talk about how much money Venti has and attempts to blend in by making comments about herself  
[22:40:42] AlogSuperHero: it's why she tried to stir shit with desTINY so much  
[22:40:46] FUCKYOURIPSCRAPER: she has money  
[22:40:49] AlogSuperHero: cheers lad  
[22:41:04] could you imagine getting PLEASE STOP TROLLING BRITBONG, HIS PARENTS ARE BEATING HIM AND HE WON'T STOP SCREAMING AT US IN DISCORD by a midget?

[22:41:41] BillCooper: Venti doesn't have money lol  
[22:41:47] AlogSuperHero: i've only seen two streams with venti and desTINY  
[22:41:50] BillCooper: She's like the rest of them she blows it all as soon as it comes in  
[22:41:55] Guntopia: yeah if venti had money she wouldnt be streaming  
[22:41:57] AlogSuperHero: but they're fucking hilarious  
[22:42:08] Guntopia: she has enough money to survive on a monthly basis  
[22:42:10] thats about it  
[22:42:11] FUCKYOURIPSCRAPER: she streams for the attention just like all of them namefags  
[22:42:24] Guntopia: niggers nor sharks know how to save money

[22:43:10] BillCooper: You always need to save  
[22:43:18] Guntopia: a woman like her can blow through that easily  
[22:43:43] FUCKYOURIPSCRAPER: i live on way less then 3k a month  
[22:43:46] BillCooper: She did recently, she was bragging about a new PC on twitter the other day. Looked like jcaesar187's, alienware or some pre-built with LEDs everywhere  
[22:43:50] FUCKYOURIPSCRAPER: waaaaaaaaaaaaay lessss  
[22:44:25] FUCKYOURIPSCRAPER: she didnt have to pay for that. a sugar autistic bought it  
[22:44:40] Guntopia: also massive bills for the hairdresser and makeup  
[22:44:42] BillCooper: How do you know that?  
[22:44:43] FUCKYOURIPSCRAPER: do you think all the bums you see are homeless  
[22:45:21] FUCKYOURIPSCRAPER: i dont know for a fact but when she pays for shit she posts costs and all that

>Venti realizes she's outed herself and attempts to change the subject by saying she's just here to "get high and watch the world burn"

[22:45:35] AlogSuperHero: are you like her biggest fan or something?  
[22:45:41] FUCKYOURIPSCRAPER: not at all lol

[22:47:15] BillCooper: >clean  
[22:47:18] >smokes weed  
[22:47:26] FUCKYOURIPSCRAPER: weed is legal in canada  
[22:47:48] BillCooper: Alcohol is legal too  
[22:47:52] AlogSuperHero: that doesn't make it not a drug  
[22:47:53] BillCooper: and xanax, and opioids  
[22:48:06] FUCKYOURIPSCRAPER: alcohol is for faggots to have buttsex on and realize they are faggots  
[22:48:39] BillCooper: Weren't you just larping as a skinhead?  
[22:48:48] BillCooper: Skinheads call weed a nigger drug and don't allow it at their meetings  
>Venti now says she didn't pay for drugs and got them from her dealer for free  
[22:48:55] FUCKYOURIPSCRAPER: i did most any drug. it was free. dealer friends used to habd it out  
22:49:07] im not a skinhead anymore honey  
[22:49:33] BillCooper: The only people dealers give drugs away to are thots in fact of course  
[22:50:00] FUCKYOURIPSCRAPER: they gave t to me because i wasnt a junkie  
>Venti attempts to change the subject to Gummy again  
[22:50:34] FUCKYOURIPSCRAPER: this chick is annoying  
[22:50:53] BillCooper: I've never met a dealer that gives drugs away to anyone unless they expect payment in the future or are attempting to trade them for sex  
[22:51:31] FUCKYOURIPSCRAPER: different with me. they trusted me with the drugs and i never stole or asked for them.  
[22:51:37] Guntopia: dealers less so, although they probably have to deal with having too much product at times too  
[22:51:38] BillCooper: From time to time, this guy is claiming to have done "all the drugs" for free

[22:52:10] FUCKYOURIPSCRAPER: i have not spent over 1000 buck on hard drugs in the 20 years i did them

>Venti again outs herself for not being familiar with things the rest of the anons watching the restream know

[22:53:12] BillCooper: He can't even break 600 viewers with this thot

>jcaesar187 talks about tweets made by Venti towards Gummy today on stream, this exchange takes place

>An anon shows up because he heard Venti was in the chat. Venti attempts to make anons think another person is her

[22:58:34] JewcyMarkyBoi: "she's really sweet, the sweetest part is the cat shit"

[23:02:55] FUCKYOURIPSCRAPER: the nazi was retarded

[23:03:06] JewcyMarkyBoi: was it Patrick Little?

[23:03:09] FUCKYOURIPSCRAPER: no

[23:03:13] Guntopia: sadly enough no

[23:03:15] Gout\_Syde\_Gunt: lol the paki was the only good caller

[23:03:24] FUCKYOURIPSCRAPER: some dude that looks like the reviewbruh kid

>jcaesar187 starts taking callers

[23:09:21] FUCKYOURIPSCRAPER: sounds like that retarded ney york jew not in character

>At this point Venti goes quiet in chat for a long time only to show up on jcaesar187's stream as the last caller several minutes later. Anons notice and comment on it.  
[23:21:39] BillCooper: Venti shows up as caller and the person I suspected of Venti goes quiet

[23:23:28] Guntopia: i dont give a shit about palestine, but using pro palestinian arguments is pretty useful in daily life and redpilling attempts  
[23:23:31] BillCooper: No wonder that person went quiet 10 minutes ago  
[23:23:39] AlogSuperHero: you guys didn't realize it was her?

[23:24:36] why i asked about drugs/etc

>Venti sees that anons are laughing about the fact that she's on stream and no longer in chat thus confirming it's her. She starts typing in chat, which can clearly be heard on jcaesar187's stream. Since I am re-streaming I can tell it's her because as soon as she stops a message would appear

[23:34:46] JewcyMarkyBoi: the "baked is hacking you" gets funnier the sixth time gunt

Should be able to fit the rest of this into one post.

>Venti again goes quiet for a long time while chat bullies/discusses her. Eventually subject changes to vidya and she finally returns

[00:04:57] FUCKYOURIPSCRAPER: im a console scrub..  
[00:06:04] BillCooper: Arcade owners pay them sometimes I think. A lot of the dumps are shared outside of the board now because the major companies found out about it and started sending DMCA's  
[00:06:16] FUCKYOURIPSCRAPER: ahhh the 80/90s when everyone wanted to be trump  
>Anons decide to julay more information about the drug use from Venti, she can't help but to respond  
[00:09:20] Look who's back  
[00:09:34] IPSCRAPER: what hard drugs did you try?  
[00:09:47] AlogSuperHero: probably meth and heron in fact of course

[00:11:33] FUCKYOURIPSCRAPER: i like drigs but dont like being out of control of myself  
[00:11:48] i did coke the most by far  
[00:12:01] BillCooper: and you didn't pay for it?  
[00:12:03] AlogSuperHero: isn't coke expensive? how'd you do it so much?  
[00:12:24] FUCKYOURIPSCRAPER: i had a friend who was a dealer and he just gave it to me  
[00:12:36] FUCKYOURIPSCRAPER: i maybe spent 50 buck s a month on it  
Have to split into one more post.

>Venti's stories of using hard drugs and coke continues

[00:12:55] BillCooper: Yea no coke dealer would give away cocaine like that unless you're a woman  
[00:13:06] AlogSuperHero: so you didn't do it much or you gave sexual favors for it?  
[00:13:25] FUCKYOURIPSCRAPER: or the only one he trusted with his stash... and i never took a single flake with out his say so

[00:13:50] BillCooper: >trusting cocaine stash with someone that does cocaine

[00:13:59] AlogSuperHero: so you lived with a coke dealer?

[00:14:00] FUCKYOURIPSCRAPER: see... i wasnt an addict

[00:14:06] i just liked to do blow

[00:14:12] Guntopia: >cokeflakes

[00:14:15] FUCKYOURIPSCRAPER: when i felt the urge to do it i stopped ofr a month

[00:14:22] Guntopia: are you sure your dealer wasnt dealing cereal?

[00:14:51] FUCKYOURIPSCRAPER: the powder you get is shit. we got flakes and chunks that had to be cut to sell

[00:14:58] BillCooper: No dealer just randomly trusts their stash with some dude. You were either his girlfriend or some chick he fucked in exchange for free lines

[00:15:17] AlogSuperHero: how many times did you have to suck a dick for coke?

[00:15:21] FUCKYOURIPSCRAPER: think what you will

[00:15:24] Guntopia: chunks sure, especially when its still wet, but flakes dont work with a brittle substance like coke

[00:15:36] FUCKYOURIPSCRAPER: some fag on the internet not believeing me is funny

[00:15:39] ALOG4LYFE: >i wasnt an addict i just loved to blow coke dealers

[00:15:56] BillCooper: lol you're expecting chat to believe some dealer with fishscale was letting you hold his stash?

[00:16:15] FUCKYOURIPSCRAPER: not hold... he could leave me and i wouldnt touch it

[00:16:23] AlogSuperHero: because you lived together?

[00:16:28] FUCKYOURIPSCRAPER: stop making it out tthat he was giving me pounds to hold

[00:16:38] BillCooper: So this dealer just left you alone in his house with his raw cocaine?

[00:16:42] FUCKYOURIPSCRAPER: i lived next door and looked out for him

[00:16:59] ALOG4LYFE: with your mouth fuckin lol

[00:17:01] FUCKYOURIPSCRAPER: my house was before his on the block

[00:17:12] cops show he got a call gfast

[00:17:17] Guntopia: so you turned your house into his drugstash for his flaky coke and didnt even pay you?
