RULES

If the type of tournament isn't what you want, or you can't stay too much in front of mongolian games, just come to complain to irc (better) or in the thread, I'll try to stay online. We can switch to a quicker single tournament, or a more fair mini-league.

Match settings are

- 5+10 time
- South 4 repeated even if dealer is 1st, as there's no setting for summing the points of the team
- rest is as usual
