

Benjamin Fulford: Weekly report from December 2, 2024

The final showdown begins with the Chinese Deep State

Before we begin our report, we would like to ask our readers to support our Polish correspondent.

She is in the hospital after a probable bomb attempt on her life. Here is what she reports:

I am in the hospital in surgery, they are treating burns. There was a fire, an explosion, I jumped out of the window, I survived and am healing. They are going to put me somewhere else because the apartment has no electricity, no windows and no plaster, and the walls in the neighbors' apartment building are also cracked. Donations are needed for renovation, furniture, clothes, shoes, computers, telephones, etc.

I am writing from a borrowed phone. My PayPal symfonia8v@gmail.com Many thanks, kind regards, Joanna

This is a picture from the Polish fire brigade of the fire in their house.

We promise to hold Satanist Donald Tusk personally responsible for this attack on a brave truth seeker. OK, here is the report:

The secret war for planet Earth is reaching a crescendo as the Khazarian mafia desperately tries to prevent Donald Trump's presidency scheduled for January 20th. In addition to a fake Trump and a fake Melania in Mar a Largo pretending that vaccine killers will be in charge of the US healthcare system, several public and secret wars are raging. The goal, of course, is for KM to maintain control of the financial system and thus the planet.

The White Hats, for their part, have delivered a proposal to the Asian secret societies to take over the financial system. This proposal is supported by the US military, the Vatican's P3 Freemasons, the Anglo-Saxon Five Eyes Alliance, the Russians and others . Here is the letter delivered to the Chinese Lotus Freemasons (without contact information):

Ladies and Gentlemen

This letter is written to propose a new framework for managing our shared planet and biosphere. The current system is dysfunctional and must be replaced. As a species, we are about to cause the greatest mass extinction since the extinction of the dinosaurs 65 million years ago. At the same time, transnational criminals are causing war and terrorism around the world with impunity. These same transnational criminals torture 800,000 children to death every year to sacrifice

them to Satan. They control the privately owned central banks and 90% of the transnational corporations.

The White Dragon Society and its Eastern allies are on the verge of disempowering these people. The election of Donald Trump as US President represents this.

We now propose to set up a World Future Planning Agency to take over the functional parts of the BIS, World Bank, IMF, etc. Her Majesty Queen Elizabeth II has negotiated an agreement with Asian royalty that from now on our aim as a species will be to increase the amount and diversity of life, including human life. This would be the driving principle of the agency. As its first task, the agency would plan a massive campaign to end poverty and stop environmental destruction.

The white hats of the Western military-industrial complex propose using the gold in their possession to fund the agency. The plan is to issue money backed by this gold and split it 50/50 with Asia to fund the agency's projects while the Asians fund their own humanitarian ventures. We are currently conducting due diligence to confirm that the gold really exists. If we cannot confirm that, we will have to use a basket of real commodities to fund the agency. We are happy to accept a Chinese or Asian as the first head of this agency.

In addition, the White Dragon Society proposes replacing the current UN Security Council with a new grouping. The idea would be that representatives from seven regions would decide by majority vote on matters affecting the entire planet. The proposed regions are Africa, the Americas (North and South America), China, East Asia excluding China but including Oceania, Europe including Russia, India and the Muslim world.

Vetoes would be limited to the region exercising the veto. So, for example, if the majority decides to ban gasoline vehicles, the Muslim world could veto the continued production of such vehicles in their region. Each of these regions would also have their own future planning agencies.

The Western military-industrial complex would be subordinate to this new council and, according to this proposal, would also be subject to international law,

The other proposal is that we start the new world system with some kind of jubilee

event. This would involve a one-time cancellation of all public and private debts and a redistribution of assets. The details would have to be negotiated with the full participation of the world public.

The US Space Force tells us that if we can reach agreement on this new system and thereby achieve world peace, the quarantine under which this planet is located will be lifted.

This proposal is supported by the US military, the British Commonwealth, the Russians, the Vatican and others.

For verification: Our US military contact is xxx, reachable at +xxx, our UK contact is xxx at +44 xxxm, our Russian contact is xxx at +7-xxx and our Vatican contact is xxx at +39-xxx

We look forward to your reply.

Yours sincerely.

By the way, the Lotus Freemasons are big Trump fans and have their own X-page:

In any case, if there is no agreement on this, the Western white hats will declare war on the Chinese deep state. There are already signs that a major showdown is about to take place in East Asia. China has sent a fleet of 10,000 "fishing boats" with GPS turned off to the Japanese-held Senkaku Islands. The corporate media refuses to report on it.

<https://x.com/KuroseNobuaki/status/1862772111489781873>

Sources close to the Japanese imperial family also say that all members of the Rothschild family have fled to Japan and Taiwan, seeking protection from the Asian royals.

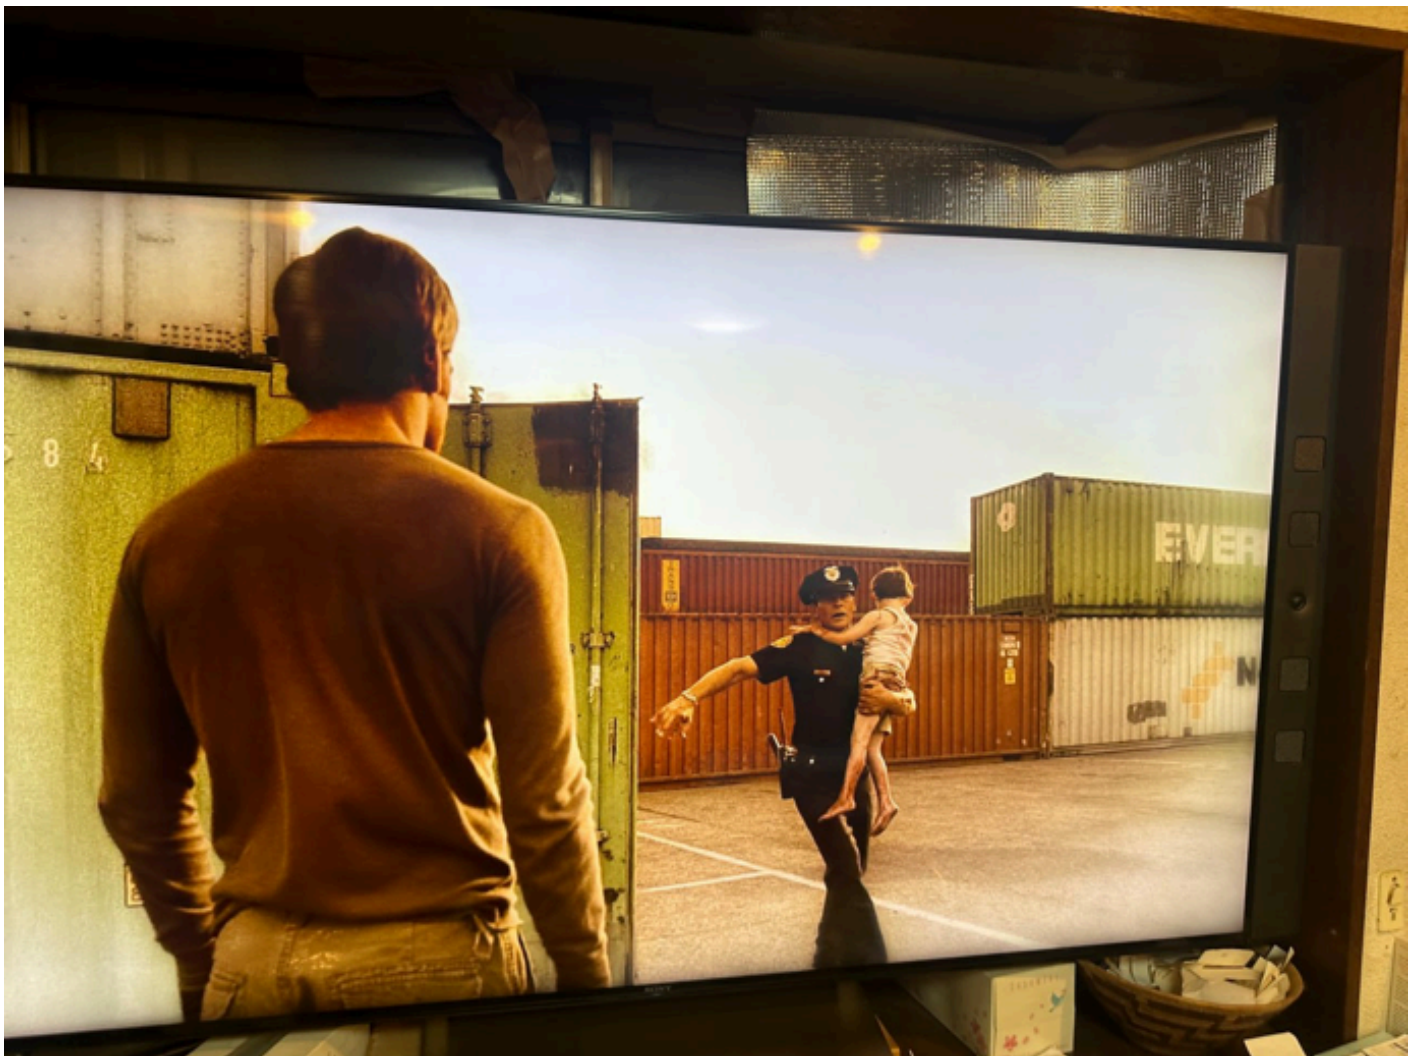

They fled after the assassination of Will de Rothschild in Los Angeles, a member of the satanic French branch of this family.

This means that a confrontation with the Chinese deep state based in Taiwan and the Japanese deep state is now inevitable. The first target will be their Evergreen network for people, drugs, weapons, etc. Remember Evergreen from the container

ship that blocked the Suez Canal? It was stopped and ambushed by white hat special forces to rescue children being transported in containers and to prevent a planned mass death in Europe, Pentagon sources report.

The character Dexter alluded to this company in his television series (now streaming on Netflix) when he said, "I don't like this place, something nameless lives here, something that comes from the deepest, darkest hole..." Check out the screenshots of him saying this:

Before we get into that, though, we're glad to hear about the real John F. Kennedy Jr. The one who died in the plane crash was the illegitimate son of Aristotle Onassis, who played the public role of JFK Jr. before he was killed, he says.

The real son has one of the most horrific and disturbing stories to tell. After his father was murdered, he was sold to a satanic family who kept pigs to dispose of the many bodies of the people they killed. He has published a book describing what happened to him.

<https://therealjohnfkennedyjr.com/>

He says that his mother was killed and replaced with a doppelganger after her husband Onassis was killed. The purpose was to use the avatar to steal the Onassis fortune; This is standard KM procedure for stealing the fortunes of non-KM billionaires.

This was just part of the trauma JFK Jr. went through. He says he was raped at age five, was put in a bathtub with a dead body and told he couldn't leave the tub until

he cut the body into small pieces, witnessed many children tortured to death in satanic rituals, etc. This 30 -minute video summarizing his story is one of the most disturbing and overwhelming things I've seen in a long time.

<https://www.google.com/search?client=firefox-bd&q=Aristotle+Onnassis>

The details in his story are too detailed and verifiable to be fake. For example, if you don't believe Kennedy was assassinated by Satanists, here's how attendees at Lady Bird Johnson's funeral all make satanic hand signs

ILLUMINATI SATANIC FUNERAL for Lady Bird Johnson

The Bushes, Clintons, etc. were all there.

Remember that Barbara Bush was the daughter of Satanist Aleister Crowley. Even Tucker Carlson now openly says that Satanists run America.

Trump and Robert F. Kennedy Jr. have just ordered Dallas, Texas, police to arrest Ruth Paine for conspiring to assassinate President John F. Kennedy - a sign that Kennedy may finally get justice.

-November 26, 2024-

PRESIDENTIAL ORDERS FROM DONALD J. TRUMP

Attn: Michael T. Igo - Interim Chief of Police - Dallas, TX.
CC: John Crequzot - Dallas District Attorney's Office

On Behalf of incumbent President Donald J. Trump, and Robert F. Kennedy we are hereby ordering the Dallas Police Department and the Dallas Attorney General's Office to begin preparation for the arrest and prosecution of Ruth Paine (9-3-1932) for Conspiracy to Commit the Murder of President John F. Kennedy on November 22, 1963.

Recently disclosed CIA documents show that Ruth's sister worked for CIA, and she was also intimately involved with Allen Dulles' Mistress Mary Bancroft. Ruth Paine's story to the Warren Commission of how she came to know Lee Harvey Oswald, take in him and his wife Marina, house and feed them, and become their landlord. How she helped Lee get a job at the Texas School Book Depository Building, where he would later allegedly shoot the President from.. And how her testimony set the entire pace of the Warren Commission's ongoing cover-up of Lee's secret CIA connections. The secret CIA connections of Dallas Police Officers, and virtually everyone connected with Lee Harvey Oswald in the months leading up to the assassination.

We are asking the Dallas Police Department to be vigilant during this time, and to immediately arrest anyone who attempts to interfere with this order! They are to be charged with obstruction of justice, and their entire background brought into question for potential ties to the Central Intelligence Agency that over half of Americans now believe to be responsible for the murder of JFK. The Jury is out, and unanimous on this order and decision to proceed with the interrogation and prosecution of the last surviving suspect in the murder conspiracy.

We thank you for your cooperation during this critical time for American Justice and Democracy, and may the truth prevail!

CIA sources tell us that Paine "is/was a CIA agent, she was Lee Harvey Oswald's contact." She is still alive and her arrest will inevitably lead to the satanic controllers of the Federal Reserve Board who killed Kennedy to prevent him from returning control of the financial system to the people.

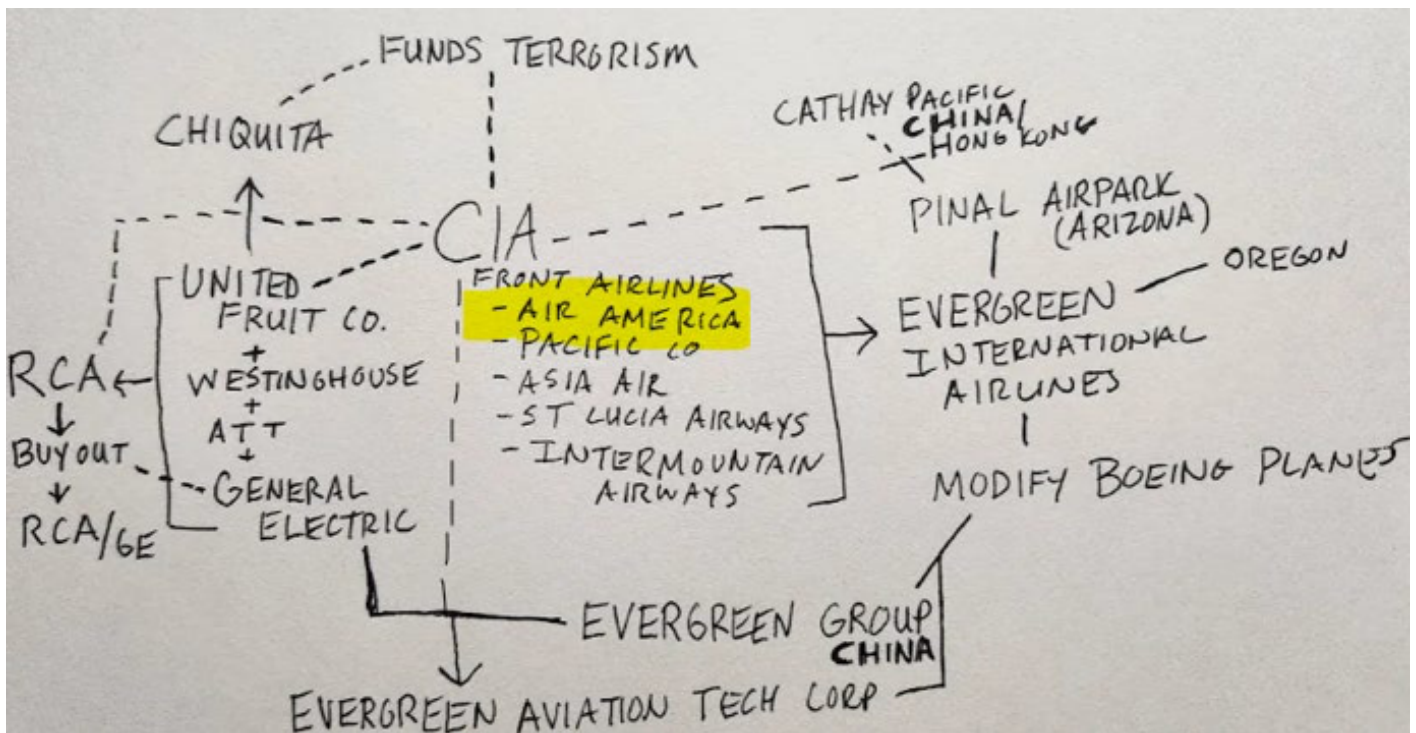

This brings us back to Evergreen and the Taiwan-based crime partners who control the FRB this day.

The article linked below connects many of the evergreen dots. In summary, Evergreen is connected to the United Fruit Company, now Chiquita, and is involved in chemtrails, terrorism, human trafficking, the Black Hat CIA, the fake space program, and much more. It is also connected to the Clinton/Rockefeller crime family.

The Rockefeller/CIA faction has been doing business with Asian royalty and triads for a long time. Evergreen is just one of their covers. David Rockefeller had about 30 illegitimate children who, according to CIA white coats, run various foundations in China. These are the people responsible for the Asian side of the Wuhan mass murder (Covid/vaccine). As we now know, this was an attempt to turn the planet into a giant animal farm controlled by them.

The FRB has collaborated with certain Asian kings to control the US dollar/euro/yen based financial system using fraudulent bonds dating back to the 1930s.

Now the Lotus Freemasons and other Asian secret societies have taken action against this network. We don't know the details, but we do know that Liu Liange, the former chairman of the Bank of China, had his death sentence suspended after singing like a canary to the authorities. Former central bank deputy governor Fan Yifei also had his death sentence suspended in exchange for detailed testimony.

Not everyone was so lucky. Bai Tianhui, a former executive at one of the country's largest state-controlled asset management firms, was sentenced to death for accepting nearly \$152 million in bribes.

<https://www.rt.com/news/608233-china-bank-chairman-death-sentence/?ysclid=m406z5095b11602499>

In addition, AstraZeneca's top man has been arrested in China and is being questioned about the recent vaccine mass murder, Asian intelligence sources report.

<https://fortune.com/asia/2024/11/07/astrazeneca-china-chief-detained-illegal-data-collection-drug-import-probe/>

The society's sources say that a total of 32 people have been "removed" for their involvement in the ongoing attempt to kill us all with bioweapons. This prompted Bill Gates to recently contact the Asian secret society and ask for protection, which was not granted to him, the sources said.

In Japan, Japanese military intelligence now informs us that the KM has about 200 child torture agents, many of them Japanese nobles, whom they have used to rule this country. They will be eliminated.

But first the cleanup in the United States must be completed. The battle is far from over.

We are seeing the cabal using a fake Trump to make disturbing personnel announcements while the real Commander in Chief Trump makes encouraging announcements.

Let's start with the activities of the fake Trump, which are often published via the fake news AP (Absurd Propaganda).

But people are slowly catching on:

TOPLINE Hedge fund mogul **Scott Bessent**, the pro-tariff Wall Street veteran and former colleague of Democratic megadonor **George Soros**, will become perhaps the most prominent voice shaping the Trump economy, with **Bessent** reportedly earning Trump's nomination to become his Treasury Secretary amid a high-profile power struggle for the post.

He worked as George Soros' right-hand man for nearly a decade and was involved in Soros' strategy to short the British pound during the 1992 financial crisis," is a typical reaction to this announcement.

Scott Bessent, Trump's nominee for Treasury Secretary, is an openly gay man who abducted two children with his "husband" via surrogacy.

He worked as George Soros' right-hand man for nearly a decade and was involved in Soros' strategy to short the British pound during the 1992 financial crisis.

Here is another Trump body double at Mar-A-Lago:

Trump's Surgeon General Pick: Pro-Vax Double-Masker Who Praised Facebook's COVID-19 Censorship.

President-elect Donald Trump has selected Dr. Jeanette Nesheiwat, who has been a radical advocate for COVID vaccines, mask mandates, and even government-backed censorship of vaccine critics.

<https://www.themainewire.com/2024/11/trumps-surgeon-general-pick-pro-vax-double-masker-who-praised-facebooks-covid-19-censorship/>

The fake Trump also threatens 25% tariffs on Canada and Mexico and 100% tariffs on the BRICS bloc "if they undermine the US dollar." Since the US corporation that runs the fake Trump is bankrupt, this tariff threat is meaningless. It would only lead to an economic implosion of the US.

Next, we'll look at who's meeting with the fake Trump. Last week, Meta CEO Mark Zuckerberg Rockefeller dined with Trump at Mar-a-Lago. Never mind that Meta censored the real Trump.

<https://insiderpaper.com/meta-ceo-zuckerberg-dines-with-trump-at-mar-a-lago/>

Zuckerberg, by the way, is the largest donor to a satanic temple that boasts of having the world's first "religious abortion clinic."

<https://www.vtforeignpolicy.com/2024/11/zuckerberg-funding-helps-the-satanic-temple-promote-abortion-rituals/>

Next we see reports that Canadian Prime Minister Justin Castrudeau visited Trump. Check out the funny photo released after that meeting. Notice that Trump is out of focus and Castrudeau looks very young... As you can see in the photo, the two are body doubles. Not the real ones.

Castrudeau is, of course, a dead man, and no fake Trump will be able to protect him. "Seized footage from Sean 'Diddy' Combs' infamous parties allegedly shows Prime Minister Justin Trudeau in scenes that will shake the political establishment in Canada and send shockwaves around the world."

<https://x.com/tpvsean/status/1858536709962523071>

Our Canadian intelligence sources say he was caught on video murdering young children.

We now also find out why his cuckold father Pierre Trudeau betrayed Canada by

handing control of the Bank of Canada to the KM.

Another MK-Ultra child slave has come forward with statements about him.

Anneke Lucas says she "served" Pierre Trudeau at age 9 when he implied he wanted a child he could kill. She says David Rockefeller trained her to be a sex slave and spy. She claims Rockefeller asked Evelyn de Rothschild for permission to make her an elite sex slave. Here is the entire video interview, it's almost 2 hours long.

"Trained As A Spy At 10" - Sex Trafficking Survivor Anneke Lucas NAME...

<https://rumble.com/v5tfb5z-alleged-mk-ultra-child-slave-for-rockefeller-says-that-trudeaus-father-was-.html>

You can be sure that the real Trump will deal with Castrudeau, etc., once he becomes President of the United States of America.

Now let's look at what real Trump appointees are saying. For example, Trump's Border Patrol Agent Tom Homan says:

"Joe Biden is the first president to come into office and intentionally leave the border unsecured. This is not mismanagement, this is not incompetence, this is intentional. The result is a 600 percent increase in sex trafficking, fentanyl coming across the border has killed a quarter of a million Americans, a record number of people on the terrorist watch list are coming across the border, so this is about more than just illegal immigration. I want to be clear that there will be mass

deportation because we just saw a crisis of illegal immigration at the border."

Trump Border Czar pick: "Don't test us" | FULL SPEECH

The real Trump also announced that he has chosen Kash Patel to succeed Christopher Wray as head of the FBI. Patel is a longtime critic of the FBI, calling for closing the agency's Washington headquarters, removing corrupt actors from its top leadership and "putting the nation's law enforcement agencies in their place."

One sign that this is a good move: When Trump brought Patel into play as deputy director of the CIA or FBI in 2021, former Attorney General William Barr said it would only happen "over my dead body."

Patel also promises to investigate and possibly prosecute journalists who have supported the regime.

"Yes, we will go after the people in the media who lied about American citizens helping Joe Biden rig a presidential election - we will go after you," Patel said last year. "Whether it's criminal or civil, we'll figure that out."

"The reason this appointment has been taken so long is because it is an order from the real CIC Trump and not the Mar-A-Lago double. There are definitely infighting going on," a Pentagon source said.

There is also some last-minute looting going on. Joe Biden has requested an additional \$24 billion for Ukraine, while at the same time pardoning his son Hunter, who launders money in Ukraine.

Former Polish minister Piotr Kulpa is the latest figure to come forward and say that US aid to Ukraine was laundered by Ukrainians and much of it went to US Democrats. Maybe that's why Democratic MPs in the House of Representatives were waving Ukrainian flags?

Another sign of last-minute looting is that company insiders are dumping their shares at a rate not seen in at least two decades.

The insiders

**Attorney General Ken Paxton Sues BlackRock, State Street, and Vanguard for Illegally
Conspiring to Manipulate Energy Markets, Driving Up Costs for Consumers**

AUSTIN – Attorney General Ken Paxton sued BlackRock, State Street Corporation, and Vanguard Group, three of the largest institutional investors in the world, for conspiring to artificially constrict the market for coal through anticompetitive trade practices.

Over several years, the three asset managers acquired substantial stockholdings in every significant publicly held coal producer in the United States, thereby gaining the power to control the policies of the coal companies. Using their combined influence over the coal market, the investment cartel collectively announced in 2021 their commitment to weaponize their shares to pressure the coal companies to accommodate “green energy” goals. To achieve this, the investment companies pushed to reduce coal output by more than half by 2030.

Blackrock, Vanguard, and State Street utilized the Climate Action 100 and the Net Zero Asset Managers Initiative to signal their mutual intent to reduce the output of thermal coal, which predictably increased the cost of electricity for Americans across the United States.

These firms also deceived thousands of investors who elected to invest in non-ESG funds to maximize their profits. Yet these funds pursued ESG strategies notwithstanding the defendants’ representations to the contrary.

Deliberately and artificially constricting supply increased prices and enabled the investment companies to produce extraordinary revenue gains. This conspiracy violated multiple federal laws that prevent a major shareholder, or a group of shareholders, from using their shares to lessen competition or engaging in other anticompetitive schemes. Further, the companies broke Texas antitrust and deceptive trade practices laws.

“Texas will not tolerate the illegal weaponization of the financial industry in service of a destructive, politicized ‘environmental’ agenda. BlackRock, Vanguard, and State Street formed a cartel to rig the coal market, artificially reduce the energy supply, and raise prices,” said Attorney General Paxton. “Their conspiracy has harmed American energy production and hurt consumers. This is a stunning violation of State and federal law.”

A coalition of 10 other States joined Attorney General Paxton on the lawsuit. The Buzbee Law Firm and Cooper & Kirk are serving as outside counsel.

The tech giants are also being sued for information theft. In the most recent example, Canadian news outlets have filed a joint copyright infringement lawsuit against ChatGPT creator OpenAI: "OpenAI regularly violates copyright law and online terms of use by stealing large chunks of content from Canadian media and profiting from the use of that content without obtaining permission or

compensating the content owners."

<https://cbc.radio-canada.ca/en/media-centre/canadian-news-media-companies-legal-action-against-open-ai>

Google, Meta, etc. have personally defrauded me of millions of dollars by selling advertising for content I stole, even as they have systematically banned me from posting directly on their platforms. This is true of most, if not all, real-world independent journalists.

Of course, the fake corporate news has lost most of its readership after telling so many lies for so long.

The BBC is a case in point. For example, there is no reporting on the mass slaughter in Syria at the moment. This was another attempt by rogue actors in Western intelligence to bring about an all-out thermonuclear war, according to the head of MI6. He adds that many MI6 members are to be executed for war crimes committed in Syria.

Of course, the KM will not go quietly into the night. It seems that some sort of battle is about to take place in London. Almost all webcams in London have been shut down since early September. This could either be a false flag event blamed on Russia or a white man move to shut down the whole satanic fake King Charles show that is going on there. Events will tell.

However, there are signs that the white hats are gaining the upper hand in the UK. Paedophile, blackmailed Prime Minister Keir Starmer has attempted to hand over the Chagos Islands, including the US base Diego Garcia, to the Chinese in exchange for a massive bribe, according to MI5 sources. However, the Chinese puppet

government there was overthrown and the plan to hand the base over to the Chinese before Trump takes office was halted.

<https://www.vtforeignpolicy.com/2024/12/the-surrender-of-diego-garcia/>

Nevertheless, there is still a lot of black KM activity in the Anglo-American world that needs to be stopped.

In Australia, Prime Minister Anthony Albanese has passed a "Social Media Minimum Age" law that requires digital IDs for social media. This is not about children's safety, but about surveillance and control.

The law would impose fines on platforms such as TikTok, Facebook, Snapchat, Reddit, X and Instagram "if they fail to protect children."

In New Zealand, an airport bans hugging for more than 3 minutes. The sign is real... What will they try to regulate next? How long do we smile? Or laugh? Or cry?

Another worrying sign is that the FDA has approved the new smallpox vaccine ACAM2000 for use against monkeypox. The warning label for this vaccine states:

"People vaccinated with this vaccine should remain in quarantine for 4 weeks after the injection. During this quarantine, they must not touch infants, stay near pregnant women, go swimming or stay in hot tubs, use public toilets, share beds or clothing, and have close contact with unvaccinated people.

The warning also states that this ACAM2000 smallpox vaccine "may cause the spread of smallpox."

But the worst part is... At the end of the leaflet it says: "Death of unvaccinated persons who come into contact with vaccinated persons may occur."

<https://childrenshealthdefense.org/defender/fda-acam2000-mpox-vaccine-warning-death-unvaccinated/>

This is a good example of why you should always read the fine print.

Furthermore, a war is still going on to force farmers out of business and impose debt slavery on Europeans. "The government's irresponsible green energy policy is leading to an increase in debts, enforcement by bailiffs, seizure of houses and farms and the collapse of companies - especially the smallest ones. Rising costs are the result of the deliberate policy of thoughtless displacement of energy from fossil fuels," says Łukasz Bernaciński - member of the Board of the Ordo Iuris Institute of Legal Culture.

In Denmark, all telecommunications traffic - including emergency calls - and train services were suspended last week. When operations resumed, the government suddenly announced it would bankrupt most farmers by imposing the world's first tax on agricultural emissions, including the flatulence of livestock.

<https://www.bbc.com/news/articles/c2onq8qgep30>

<https://www.telecomstechnews.com/news/denmark-suffers-major-telecoms-service-outage/>

There was also good news from Europe, however. Calin Georgescu, a former president of the Club of Rome who claims the world is run by blackmailed pedophiles who kill 8 million children every year, will become president after a surprise election victory in Romania.

There is also good news from Israel: As a sign that Benjamin Netanyahu is about to be overthrown, the Mossad sent us a video of his police interrogation. It turns out that he is both a common criminal and a mass murderer.

**BiBi documentary everyone
should watch**

*leaked police interrogation video
of BiBi and his accomplices*

Another sign that Jewish racists are getting their just punishment is the pro-Israel agitator who is promptly arrested after telling Toronto police that she is a Jew and he is their boss and that they need to listen to him. Enjoy the video.

Finally, this week the Mossad sent us documents that expose lies about concentration camps. The documents speak for themselves.

Dear Mr. McClelland :

In reply to your letter of November 17, in which you asked us if a delegate of the International Committee of the Red Cross had succeeded in visiting the camp at Auschwitz, we are able to supply you with the following information :

It is a fact that one of our delegates was able to enter this camp. He approached the Commandant with a view to arranging a scheme of possible relief consignments for the civilian prisoners there. According to his impression, the camp was a type of "extensive concentration camp" where the detainees were compelled to do various kinds of work, including work outside the camp. Our delegate told us that he had not been able to discover any trace of installations for exterminating civilian prisoners. This fact corroborates a report which we had already received from other sources, i.e., that for several months past there had been no further exterminations at Auschwitz. At all events, this is not a camp containing exclusively Jews.

We are supplying you with this information personally and confidentially, because we obviously do not wish to publish the fact that this visit had been made. If it became known amongst the public, it might create the impression that the International Committee had means at their disposal of intervening in behalf of the detainees of this camp. Moreover, the Detaining Authorities might be tempted to assert that this visit by a delegate of the

**Allied Military Police HQ.
Vienna 1.10.1948 MEMO NR: 31/48**

The Allied Committee of inquiry has to date proven that no poison gas was ever used to kill prisoners in the following concentration camps Berger-Belisen, Buchenwald, Dachau, Flossenburg, Gross-Rosen, Mauthausen and satellite camps, Natzweiler, Neuengamme, Niederhagen (Wewelsburg), Ravensbruck, Sachsenhausen, Stutthof, Theresienstandt.

In all cases where gassings were alleged, it could be proven that torture had been used to extract confessions and witnesses have lied.

Any former inmate who, during their debriefing continues to allege that poison gas was used to murder people (in particular Jews), are to be reported to this office and if they insist on lying further, they are to be charged with perjury.

As far as I know, most of the murders of German, Russian, Polish, Jewish, etc. civilians during World War II involved lining up civilians at trenches and mowing them down with rifles.

The satanic scum who did this will now be brought to justice. Long overdue justice is on the way. Enjoy the show.
