

Sicarii / Knights Templar Massacres, Terrorist Attacks, and Military Operations Around the 2020 U.S. Presidential Election

[Sicarii](#)
[Knights Templar](#)

- The following terrorist attacks and military massacres occurred in multiple nations on four different continents in the 60+ days surrounding the 2020 U.S. presidential election.
 - Every one of these mass deaths contains an anagram of the word “change” in its target or geographic location name.
- In Judaism, Christianity, and Freemasonry, God is symbolized by a triangle inscribed with the Tetragrammaton, the Hebrew name of God (“YHWH”).
 - The word “triangle” contains a phonetic anagram of the word “change” (“t” = “ch” phonetically).
 - In ancient Judaism, the sacred name of the Jewish god YHWH was forbidden to be spoken by anyone except by the Jewish high priest once per year during the annual Yom Kippur animal blood atonement sacrifices performed in the Jewish temple.
 - These mass deaths therefore serve as symbolic human blood atonement sacrifices in place of the original animal blood atonement sacrifices performed by the Jewish high priest in the Jerusalem temple on Yom Kippur.
- The word “school” contains the word “schul” phonetically.
 - “Schul” is the Yiddish word for “synagogue.”

- Another word for “synagogue” is “temple,” which refers to the ancient Jewish temple in Jerusalem.
- “Temple” is a word in the formal name of the medieval Catholic military order the Knights Templar: “Poor Fellow-Soldiers of Christ and of the *Temple* of Solomon.”
- The word “church” contains two phonetic anagrams of the letter “Q” (“C-U”).
 - Freemasonry was founded in the year 1717.
 - “Q” is the 17th letter of the English alphabet.
 - The letter “Q” is spelled “c-u-e”.
