Date Unknown – Hunter wrecking ball see Zhang

H

► You all have no idea of the bullshit Tony has opened me up to over the past two days. Like a one man wrecking ball. So James explain to us all again in detail what it is "WE" are doing in R. My friends from UKr have heard something very different than what you told us. And he speaks to me like a child. I go to see Zang asap.

2017 – 06 – 17 – Hunter unwilling to sign over brand and control to Tony Bobulinski

H

► Bullshit James - all around bullshit. Explain to me one thing Tony brings to MY table that I so desperately need that I'm willing to sign over my family's brand and pretty much the rest of my business life? Read the fucking documents people. It's plane fucking English. Why in gods name would I give this marginal bully the keys my family's only asset? Why? Should I sight 20 different clauses in 5 different documents that say Tony owns and controls and manages and parcels out and lords over me everything from my right to work to my right to an opinion.

► Don't get it James - I could have had ten more impressive people negotiate on my behalf--- ON MY BEHALF- TONY doesn't even stoop so low as to tell me what he's doing in my name. You say I have no interest in really working. Well James here I am working- fuck your the checks in the mail games--- What right control even suggestion are any of us allowed to make regrading this so called company? To be clear none of us have a right to one dime unless Tony says so, none of us can hire fire or even suggest someone to work on our behalf, we cannot bring forward any project or work towards any project unless Tony agrees to it. No bonus nor dividend will be paid unless Tony says so-- and that's at SinoHawk level not step below at Oneida. Regardless of how incredible a fucking businessman Tony is I still don't know why we need him to negotiate fees for a business I expressly said shouldn't be fee based - the business me and the chairman conceived of. So James if you want Tony as your partner have it because I'm done and Sonia my family and unless you tell me I he's out and I'm in full control than I'm on the next plane to wherever the fuck the chairman is.
