Gojo-kun!
Thanks so
much for
coming over
at such short
notice!

S-sure no problem...

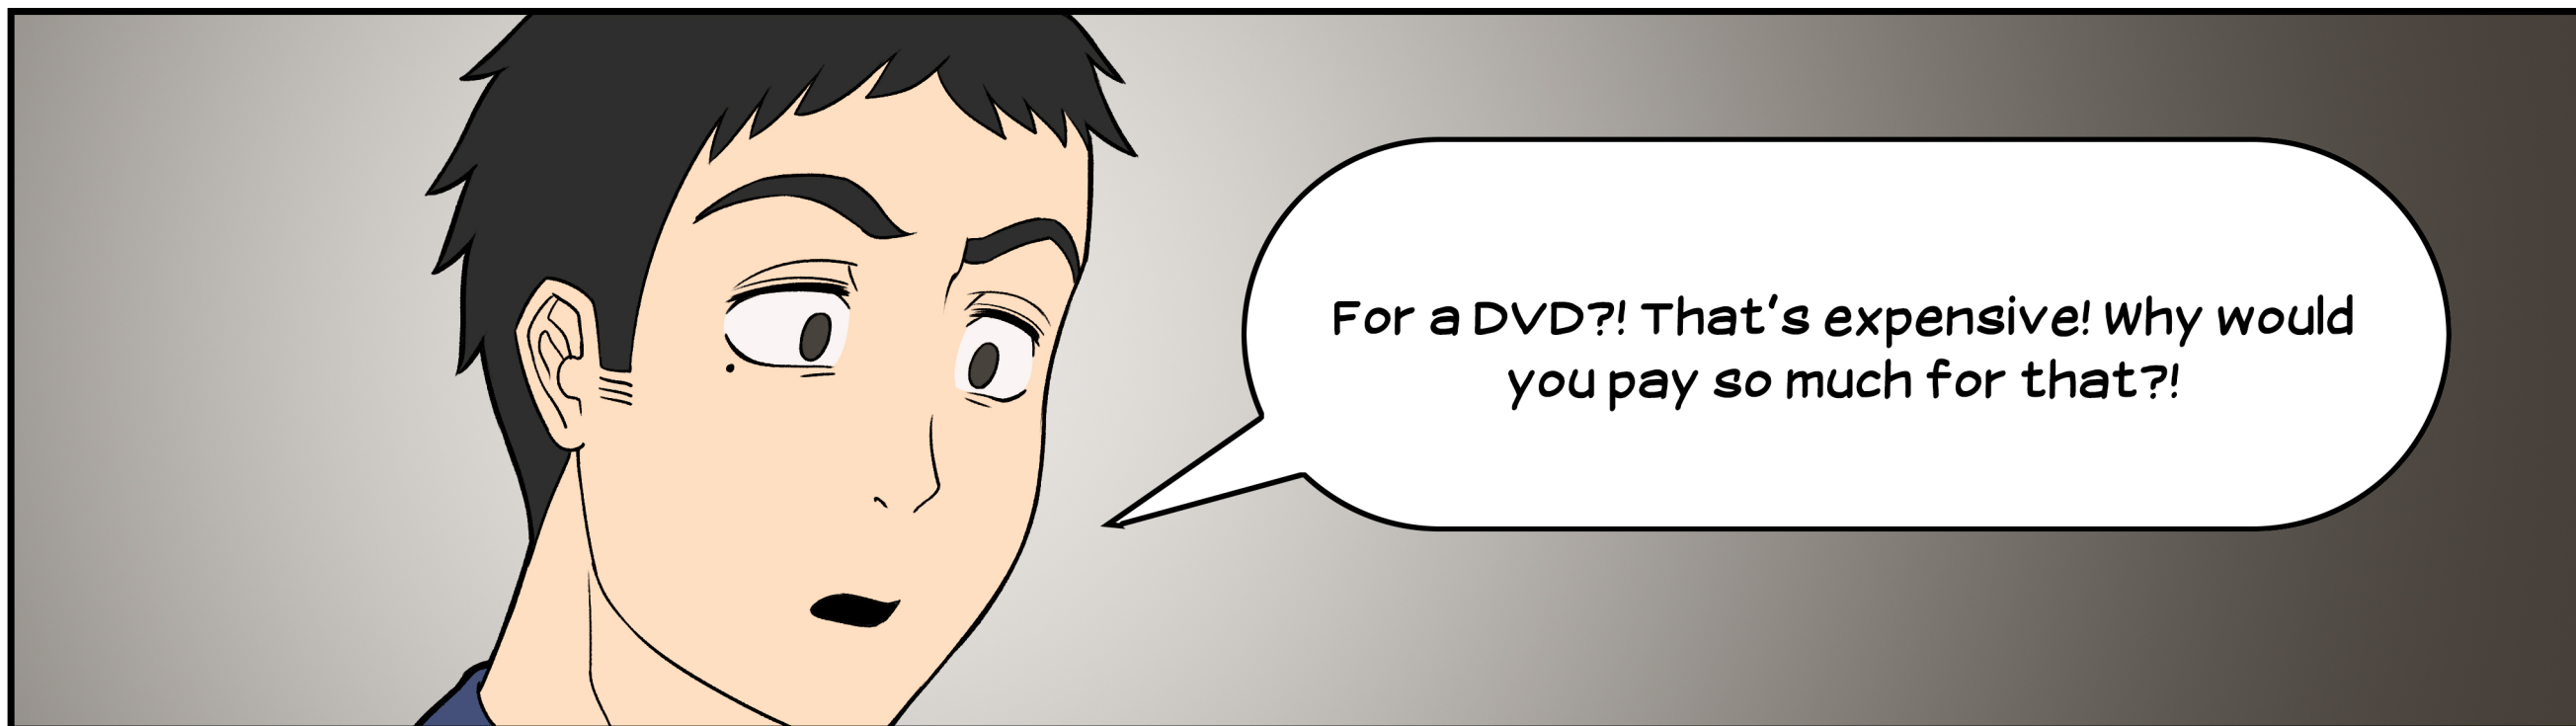

I've got a big surprise for you!

A-a surprise?!
F-for me?!

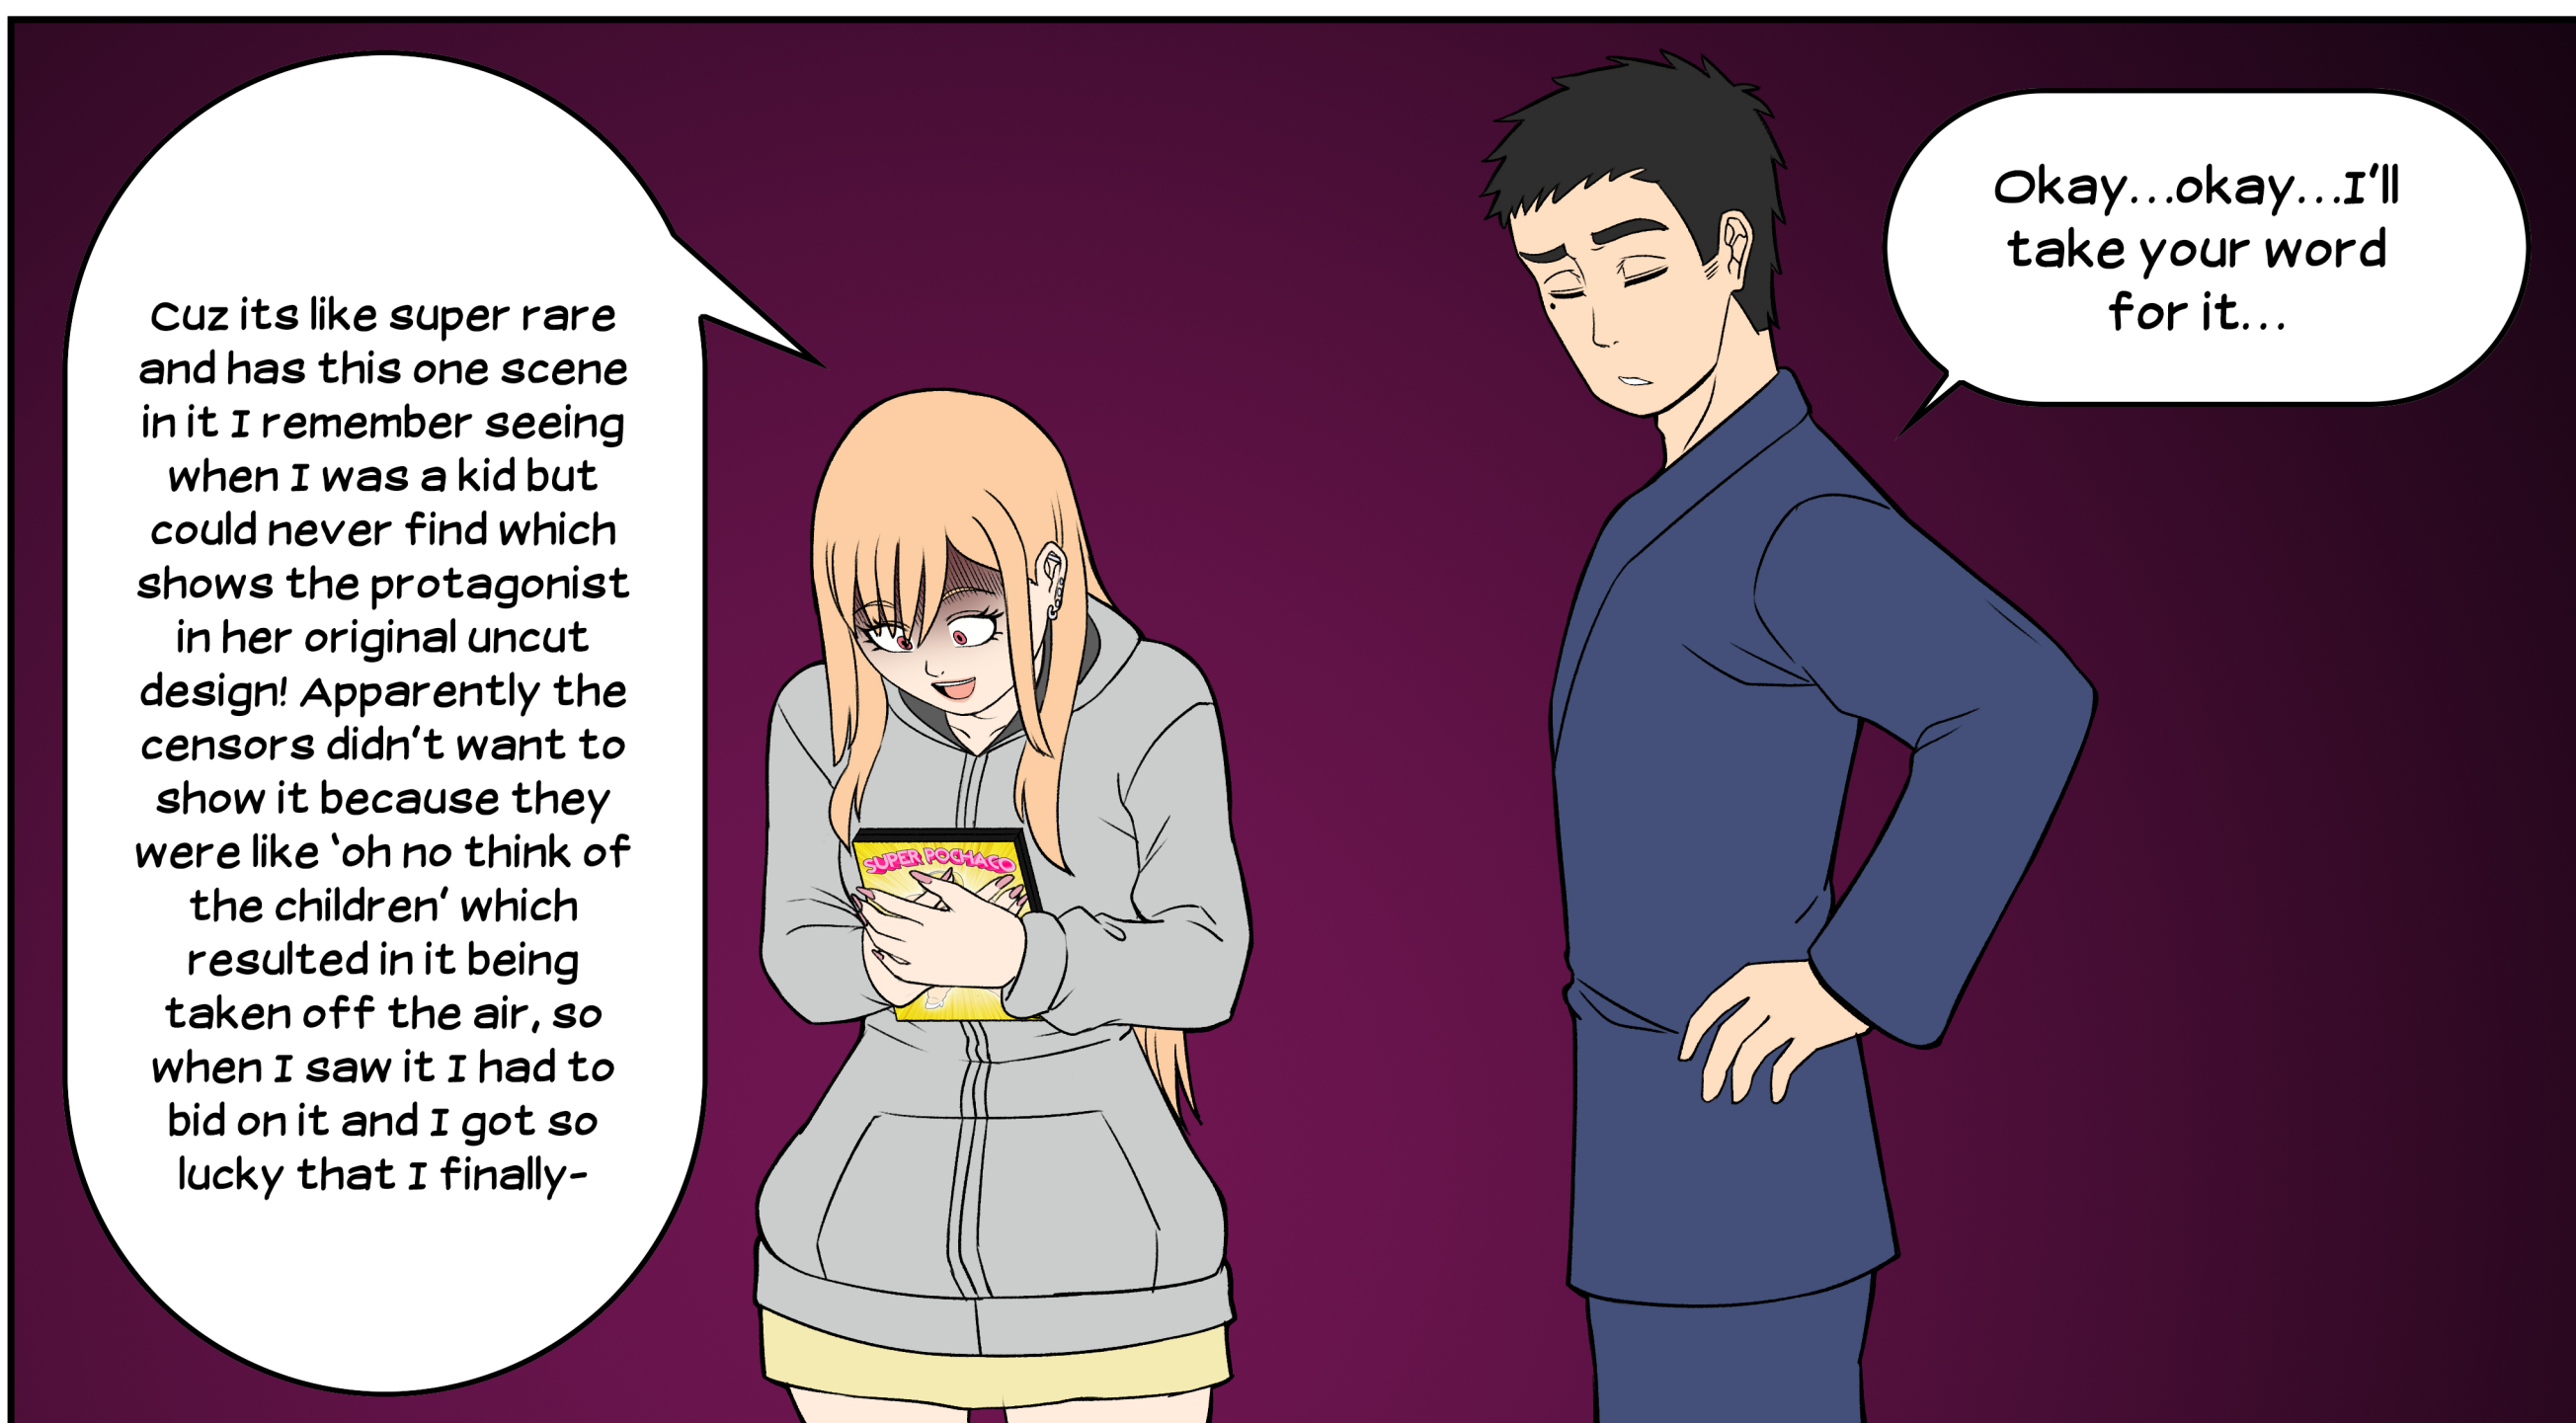

Ta-dah! This is a totes rare anime DVD I got online! Only cost me 20,000 yen!

For a DVD?! That's expensive! Why would you pay so much for that?!

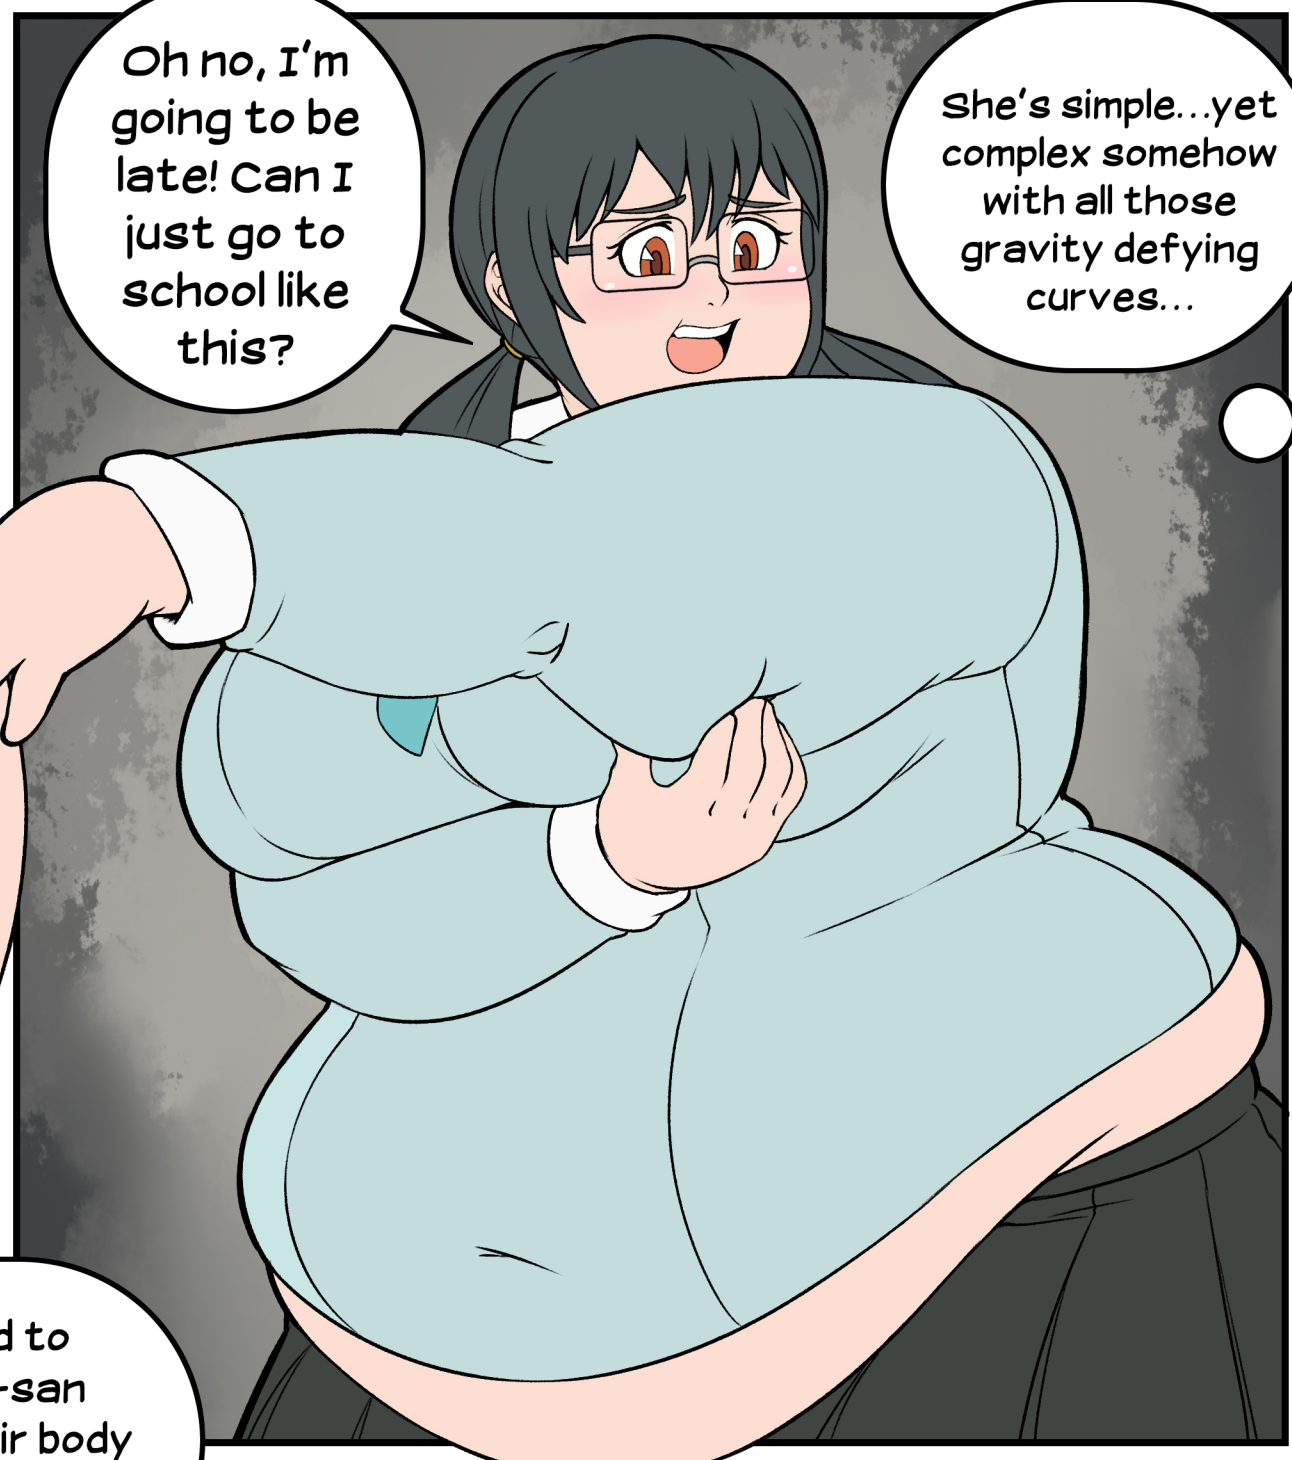

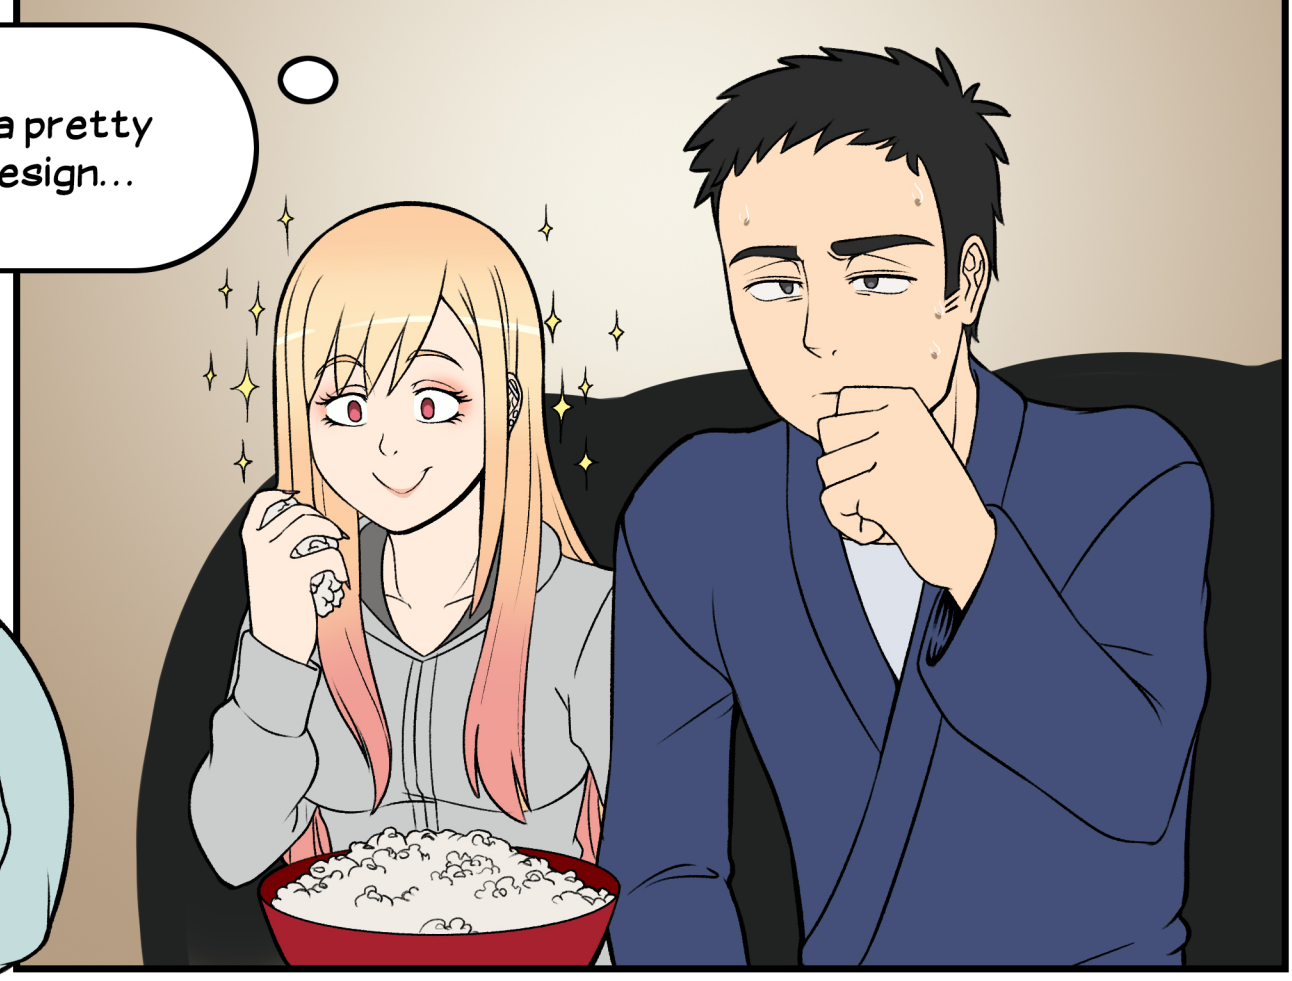

Cuz its like super rare and has this one scene in it I remember seeing when I was a kid but could never find which shows the protagonist in her original uncut design! Apparently the censors didn't want to show it because they were like 'oh no think of the children' which resulted in it being taken off the air, so when I saw it I had to bid on it and I got so lucky that I finally-

Okay...okay...I'll take your word for it...

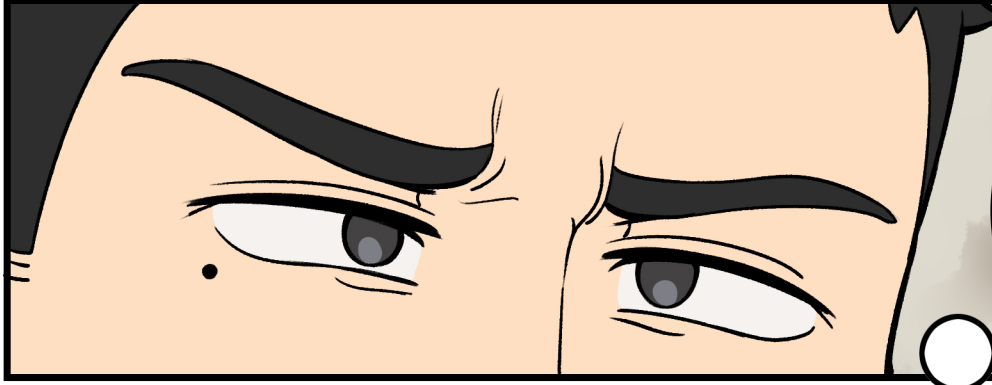

None of my clothes fit me?!

This girl...has a pretty interesting design...

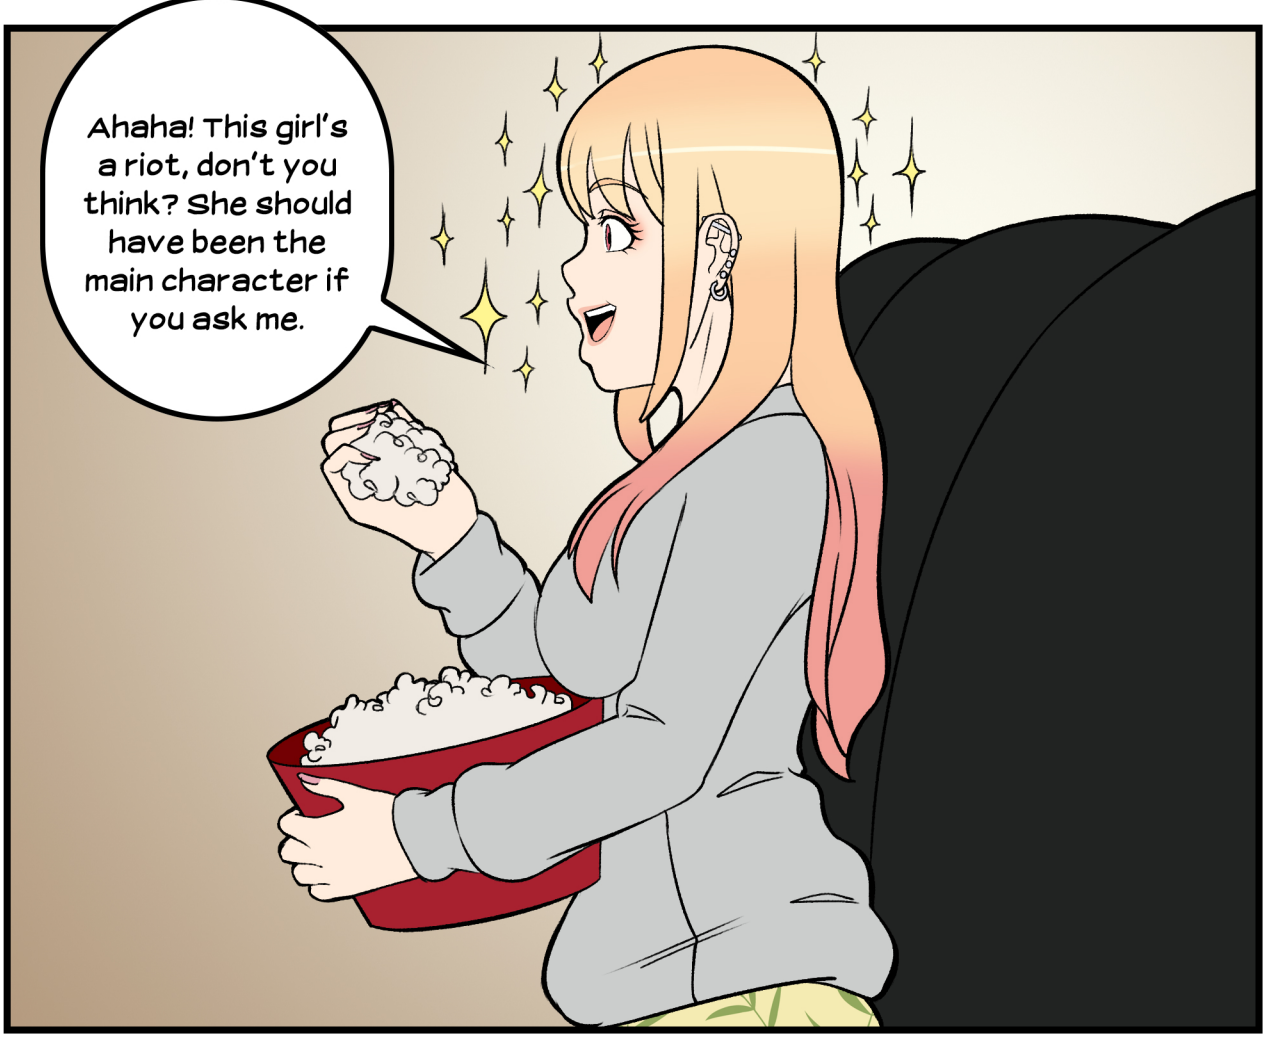

Oh no, I'm going to be late! Can I just go to school like this?

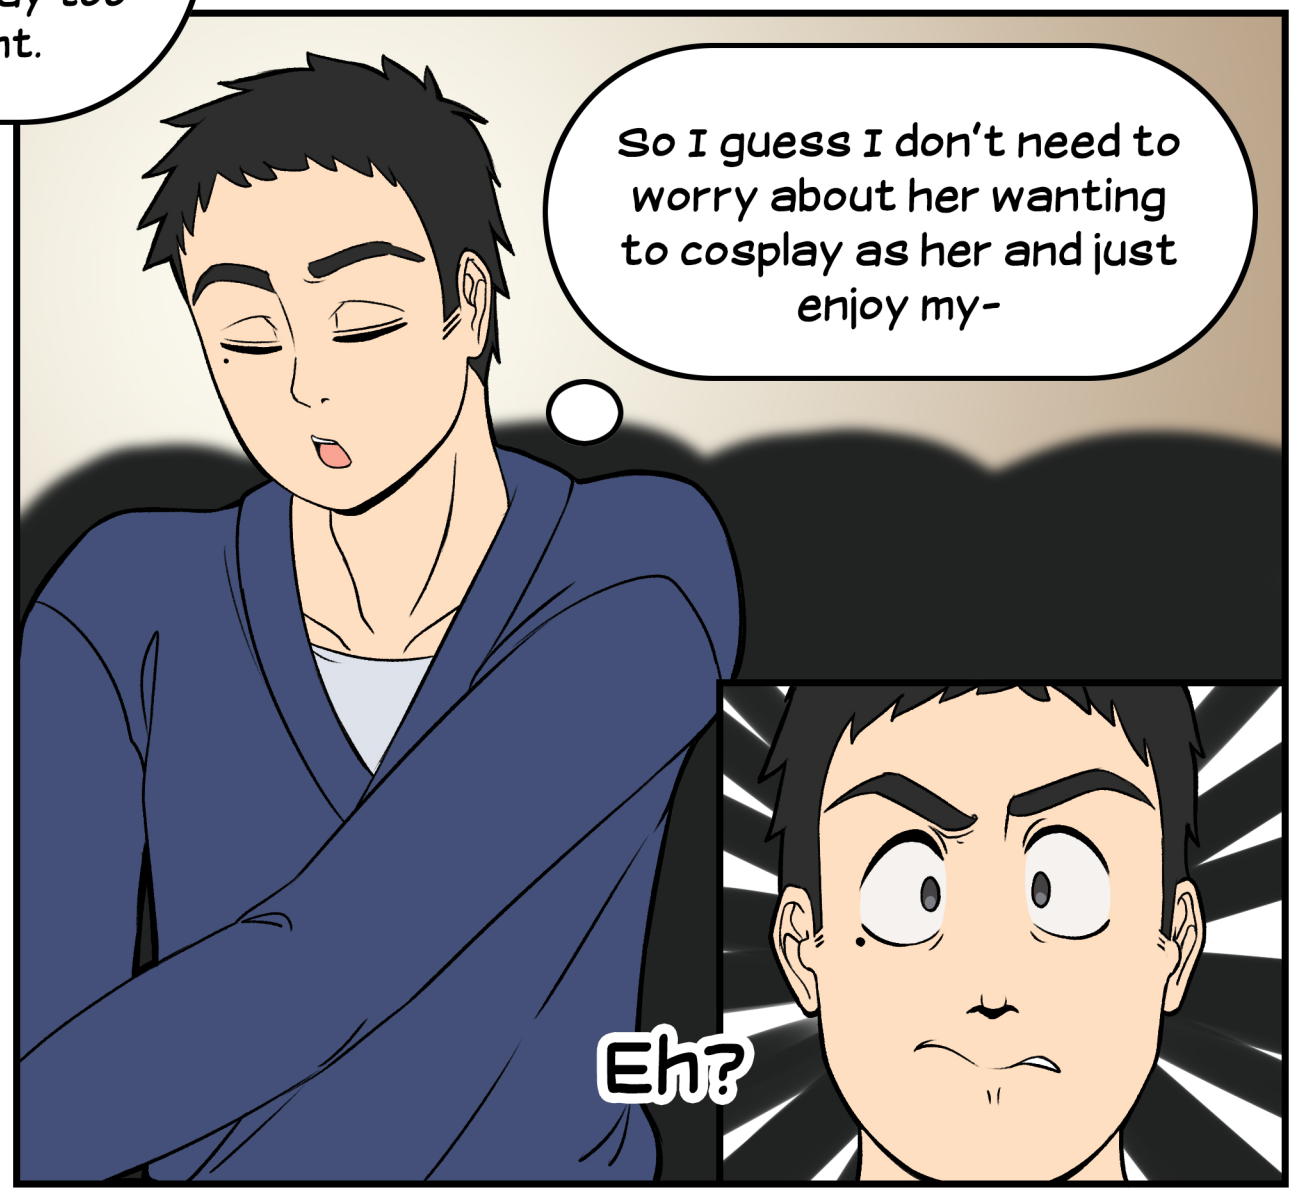

She's simple...yet complex somehow with all those gravity defying curves...

Compared to Kitagawa-san though...their body types are way too different.

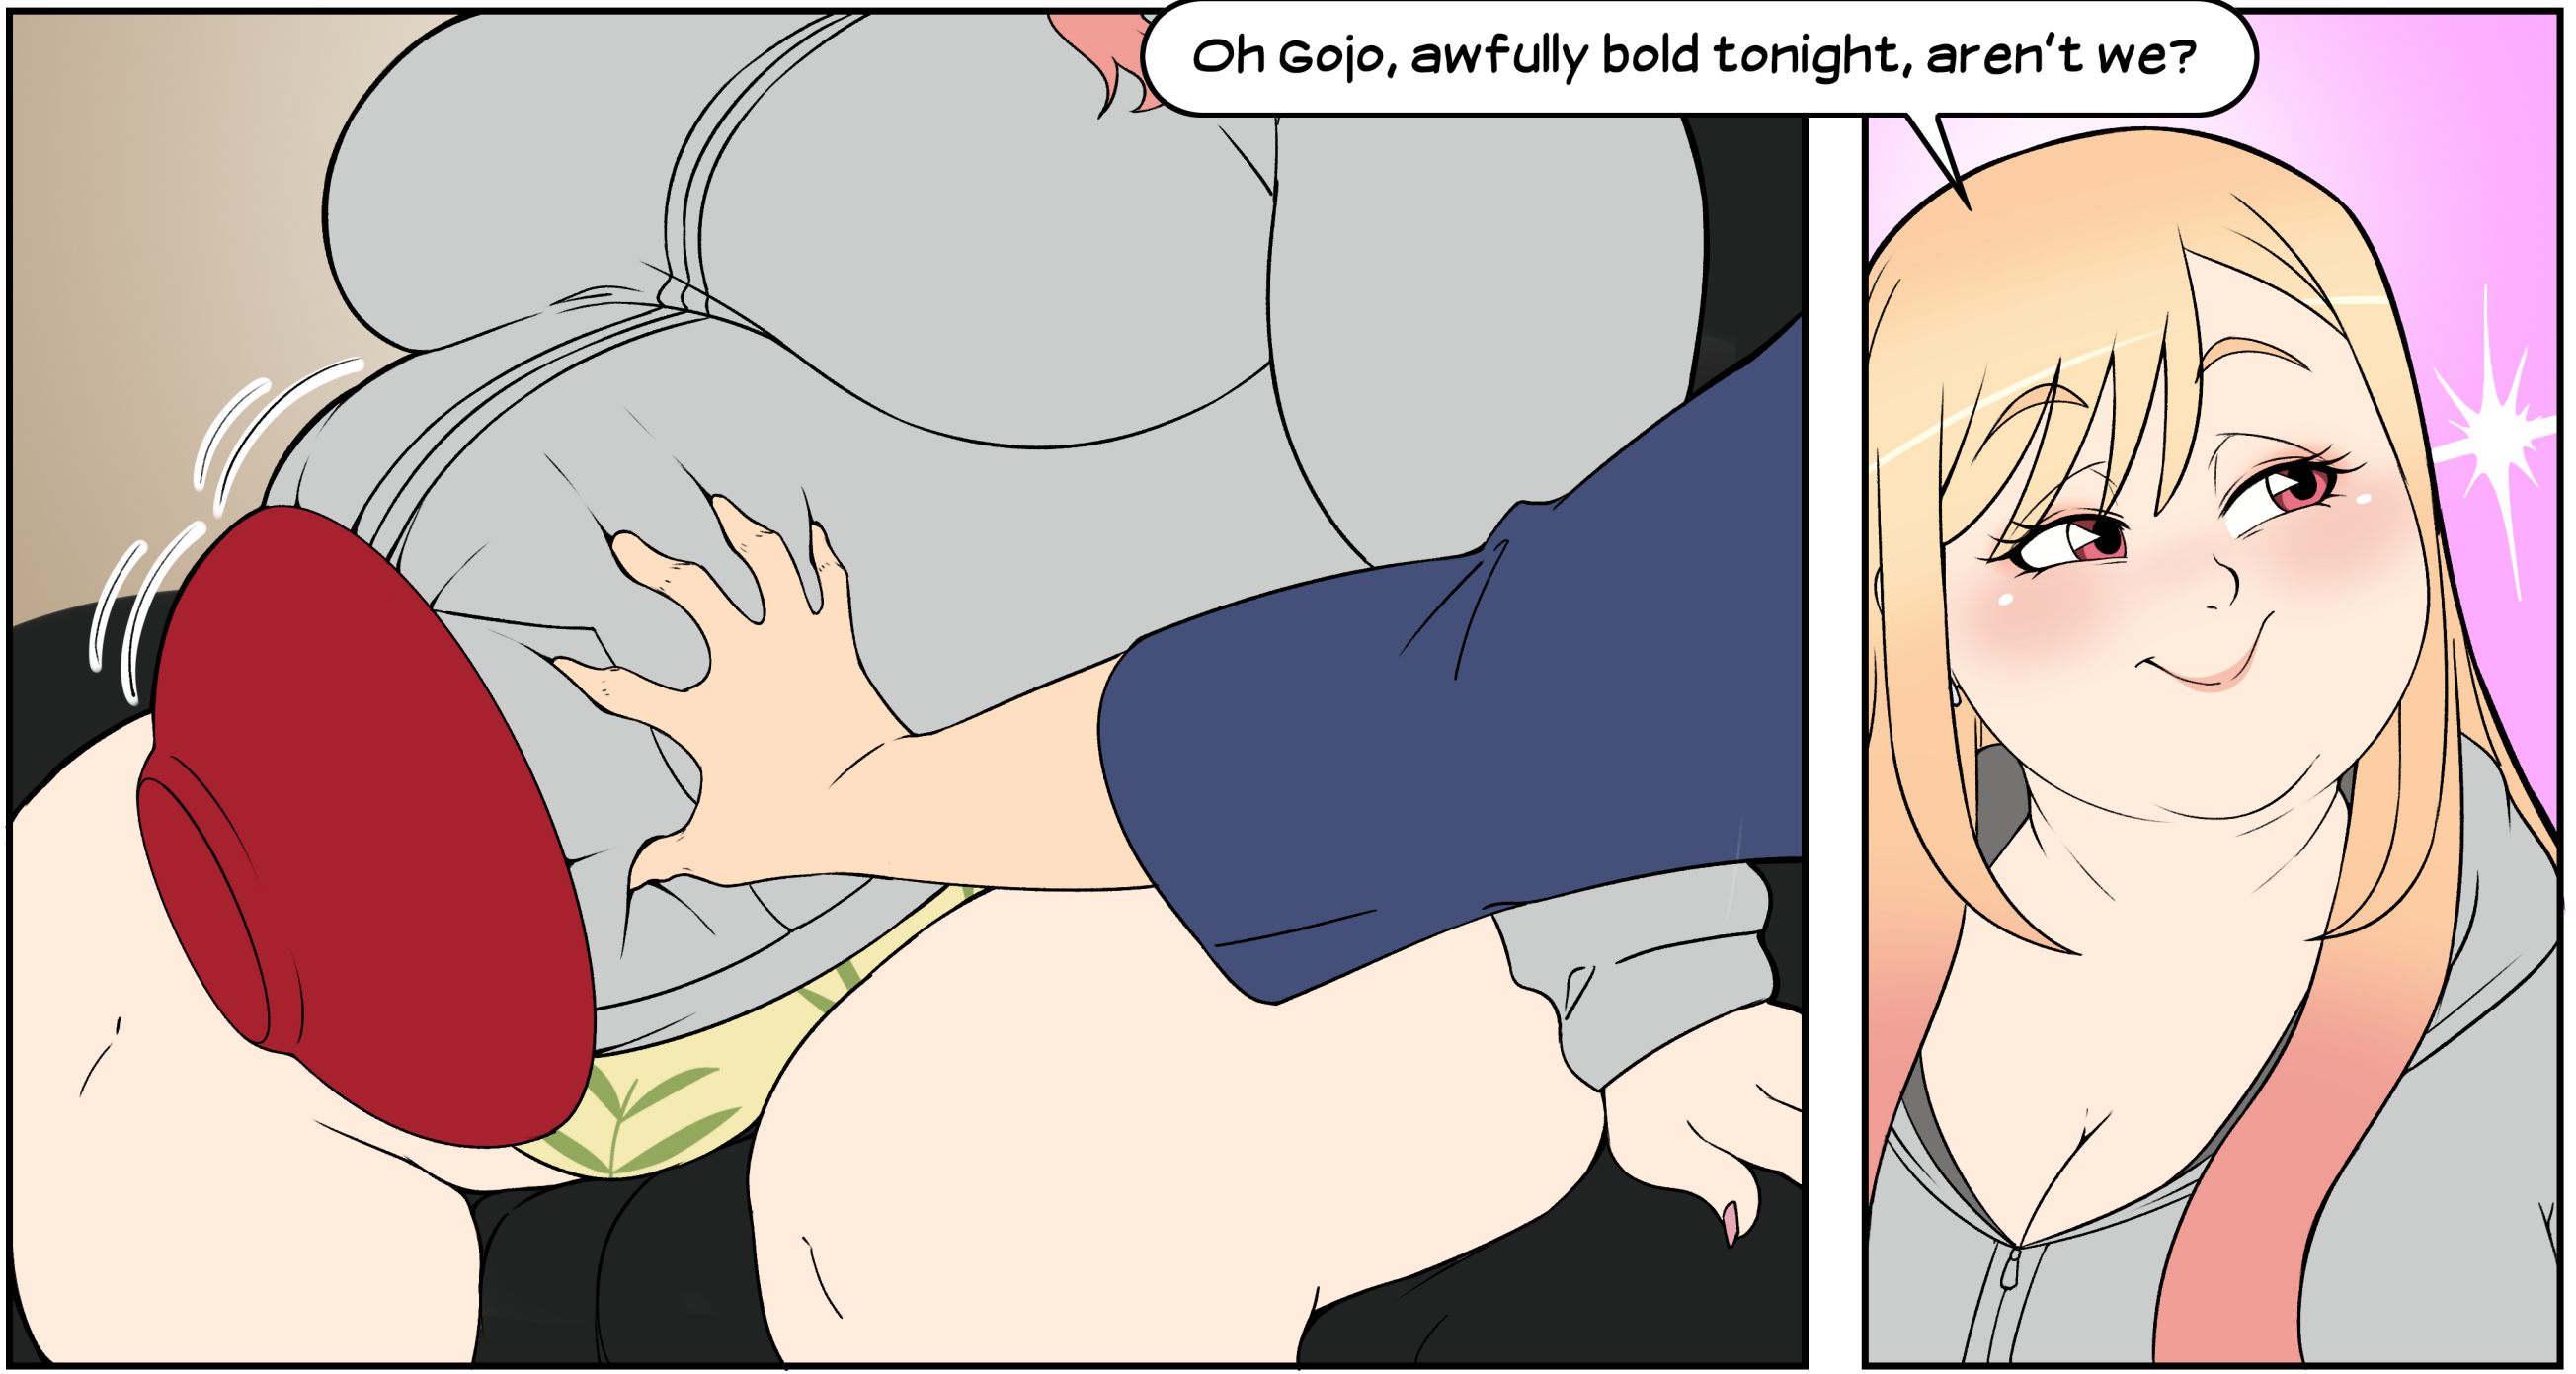

Ahaha! This girl's a riot, don't you think? She should have been the main character if you ask me.

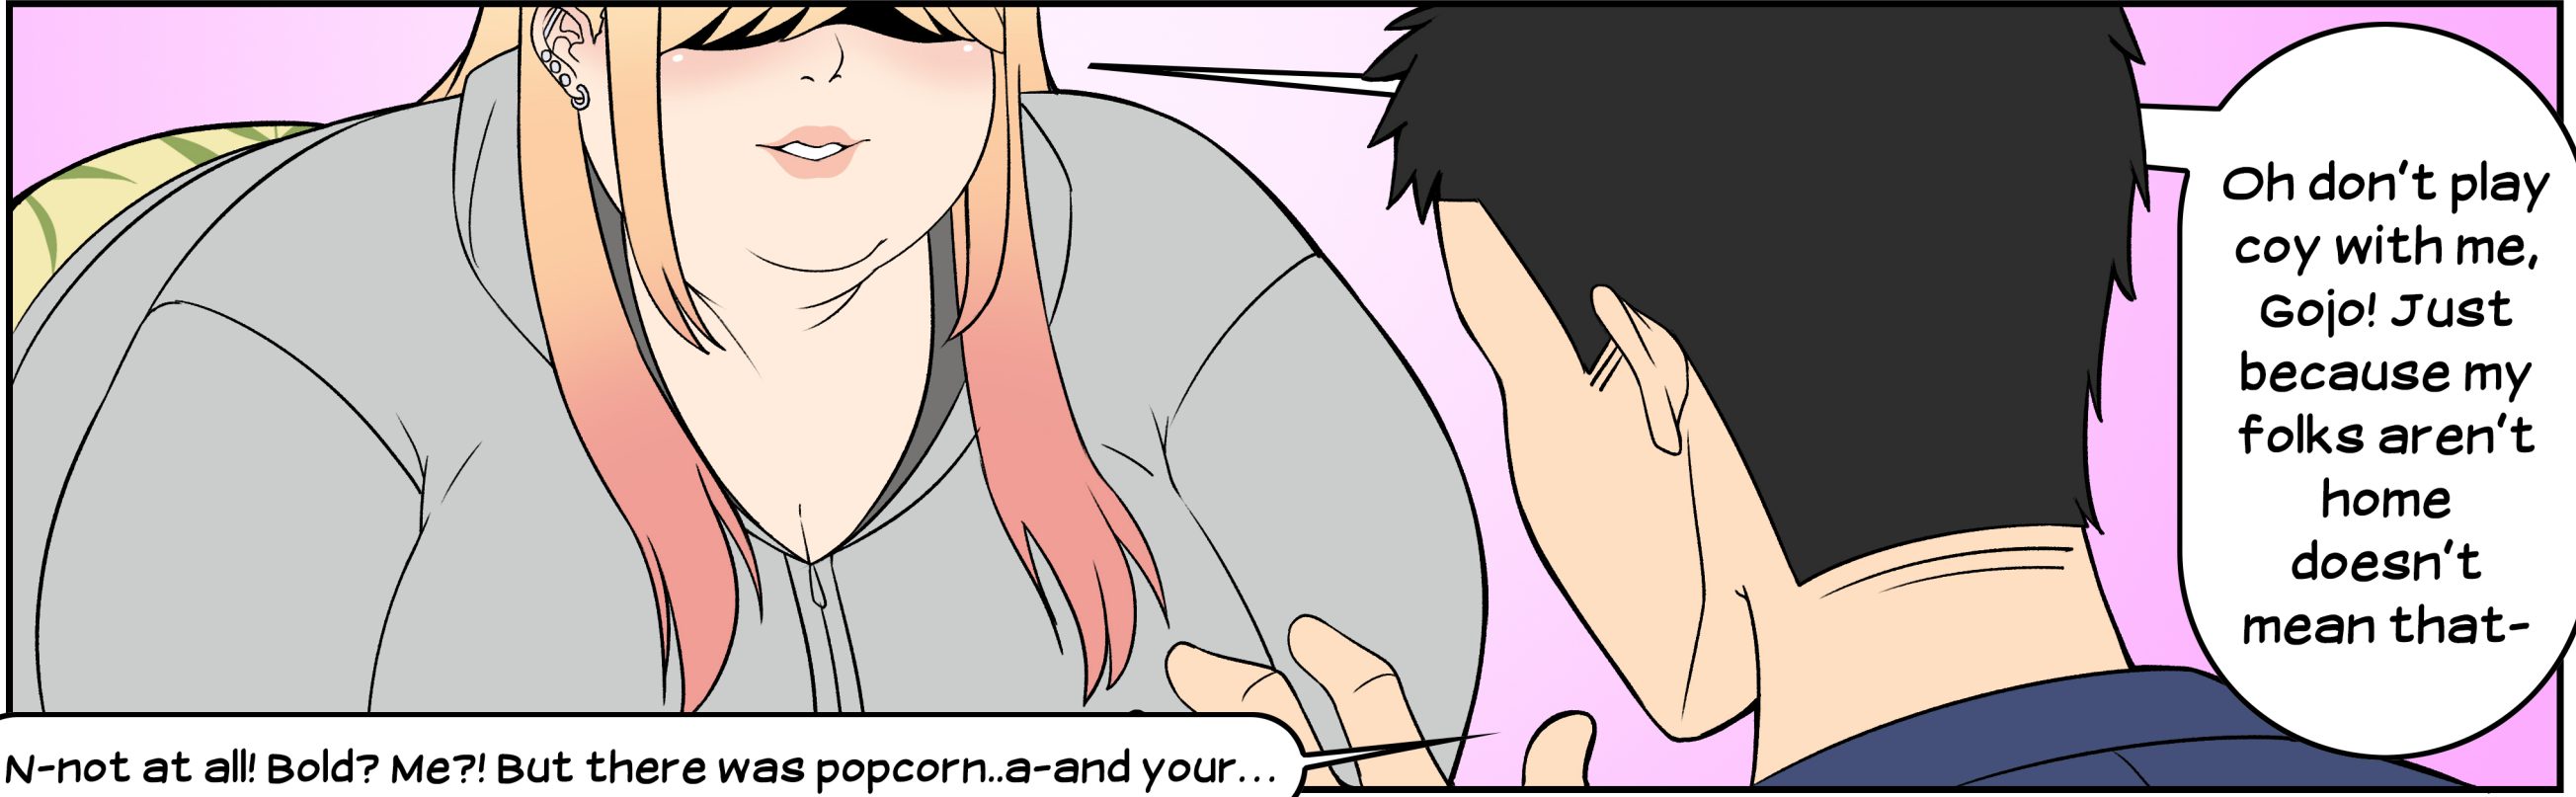

So I guess I don't need to worry about her wanting to cosplay as her and just enjoy my-

Eh?

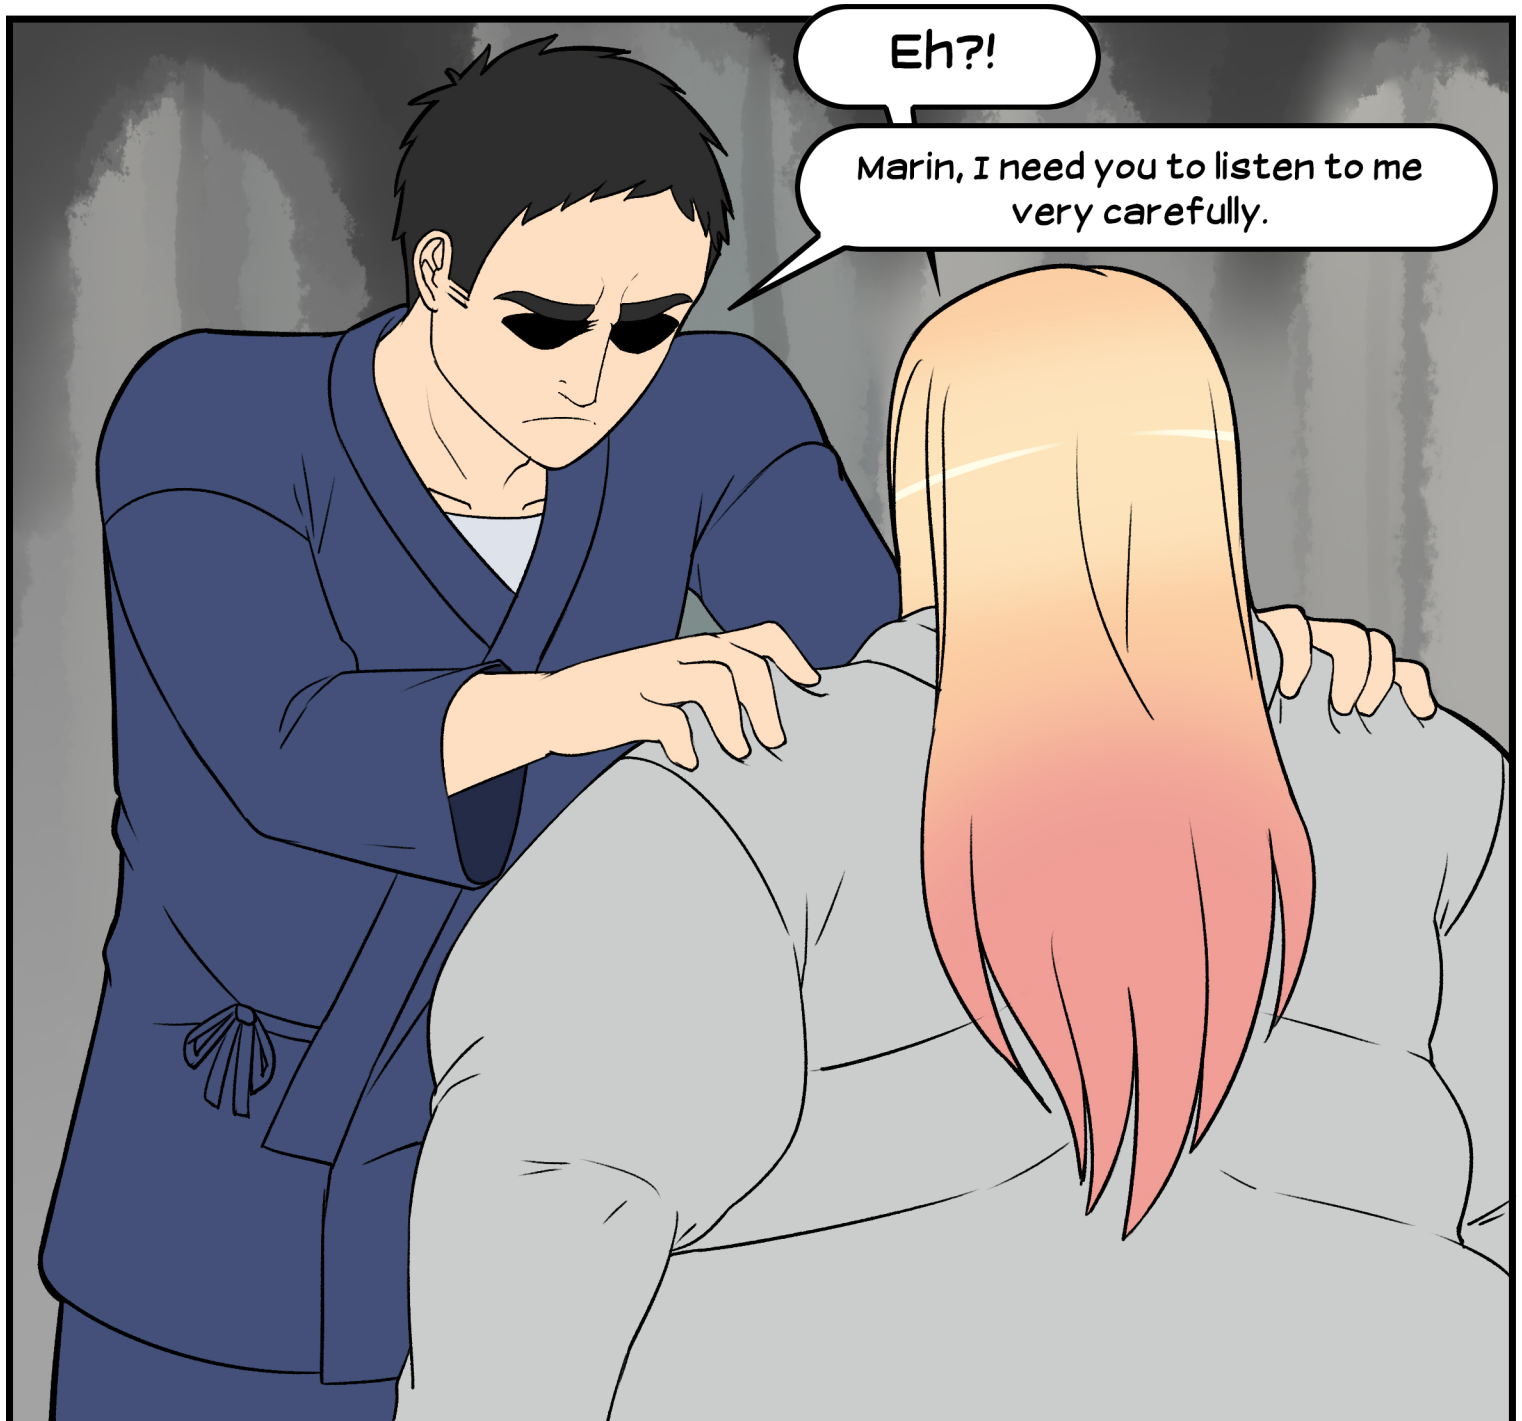

Oh Gojo, awfully bold tonight, aren't we?

Oh don't play coy with me, Gojo! Just because my folks aren't home doesn't mean that-

N-not at all! Bold? Me?! But there was popcorn..a-and your...

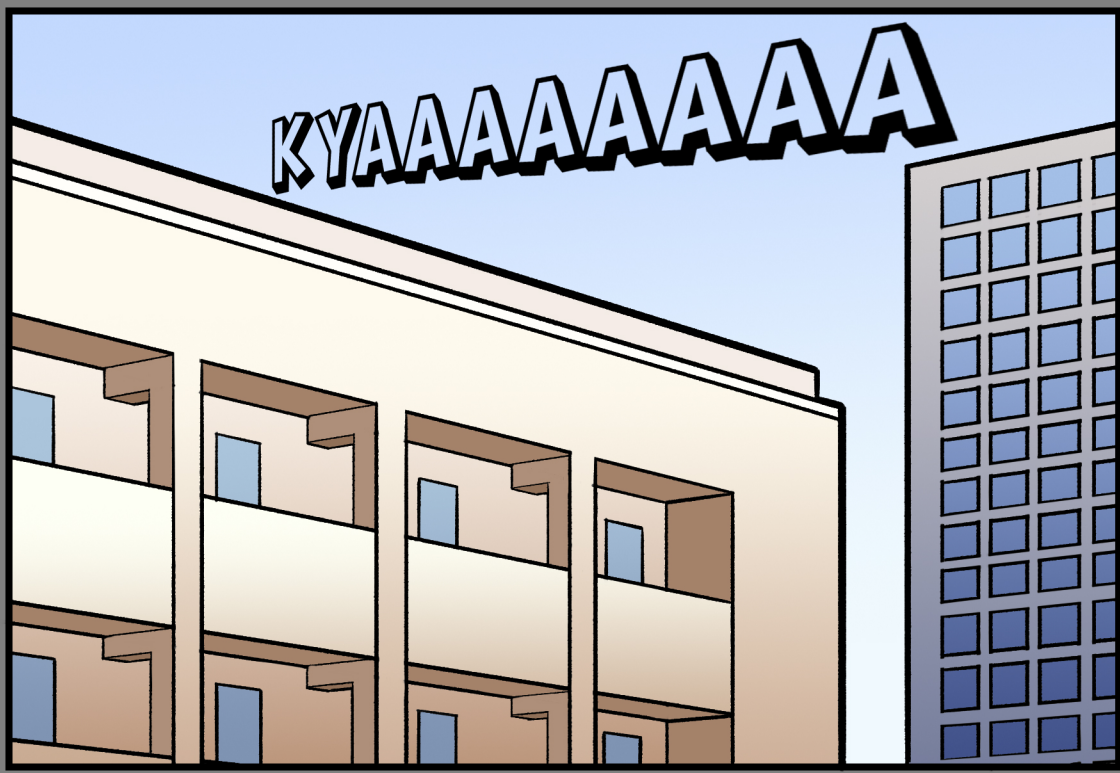

Eh?!

Marin, I need you to listen to me very carefully.

Whatever you do, don't look down.

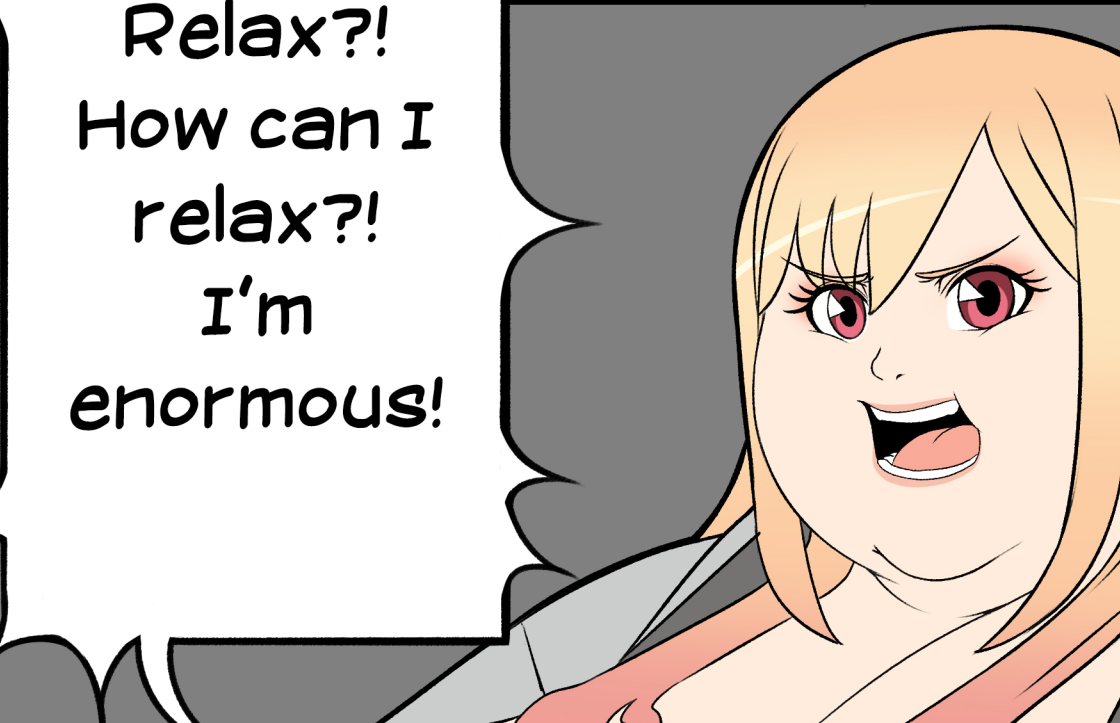

Don't look down? Whatever for-

This is a nightmare...a total nightmare...

Okay, just r-relax ...remember to breathe ...

Relax?! How can I relax?! I'm enormous!

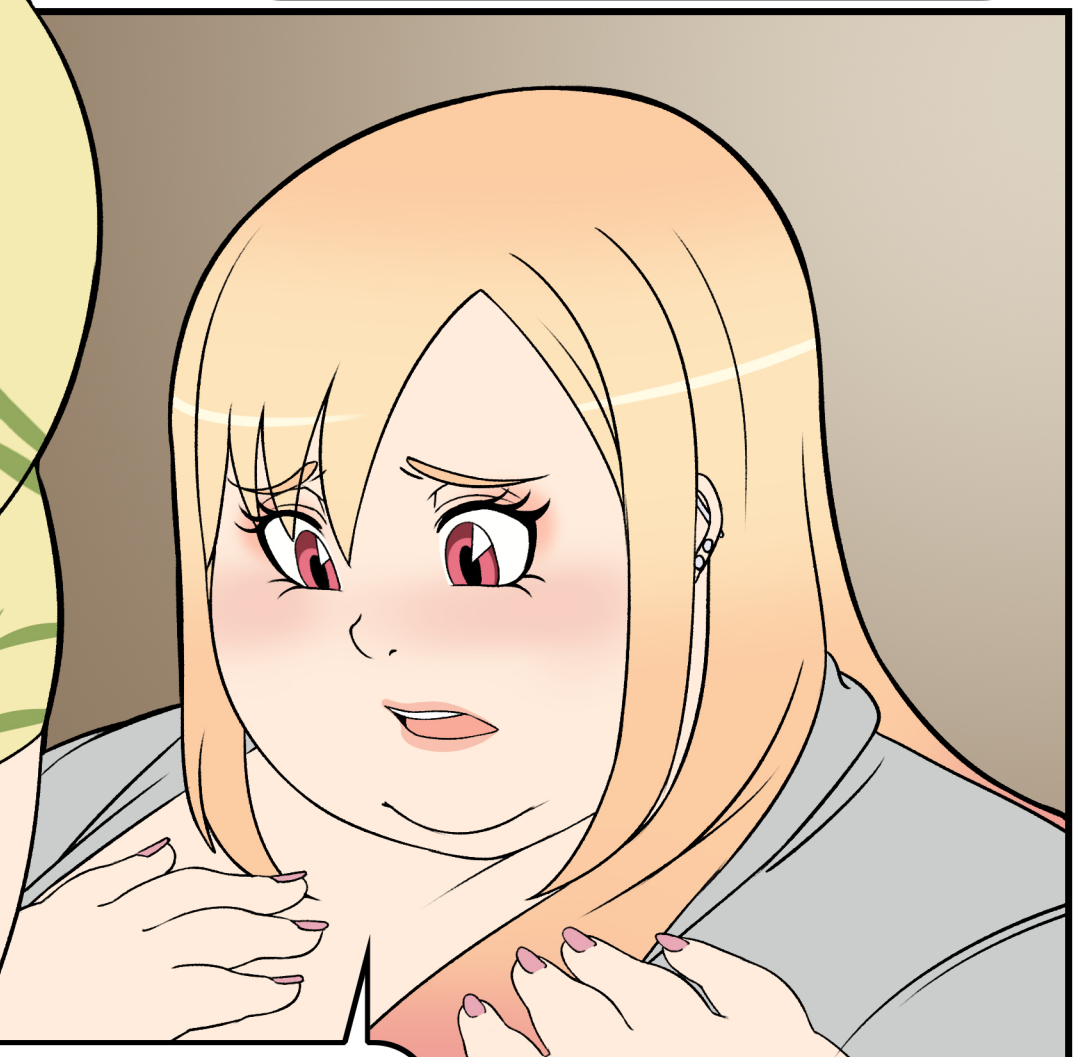

M-maybe it was something in the popcorn? Like an allergy?

I can't go to school...I can't go to my modeling job...my life is over...

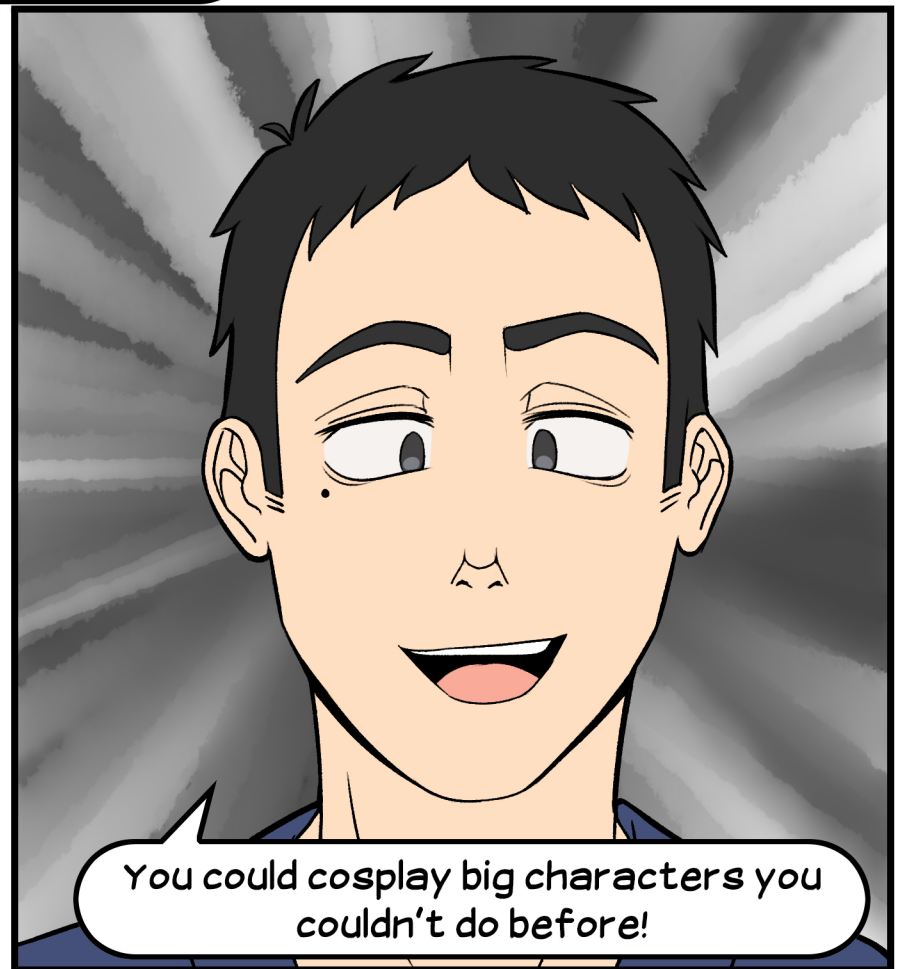

H-hey it's okay! T-there's plenty of good things about being...big...

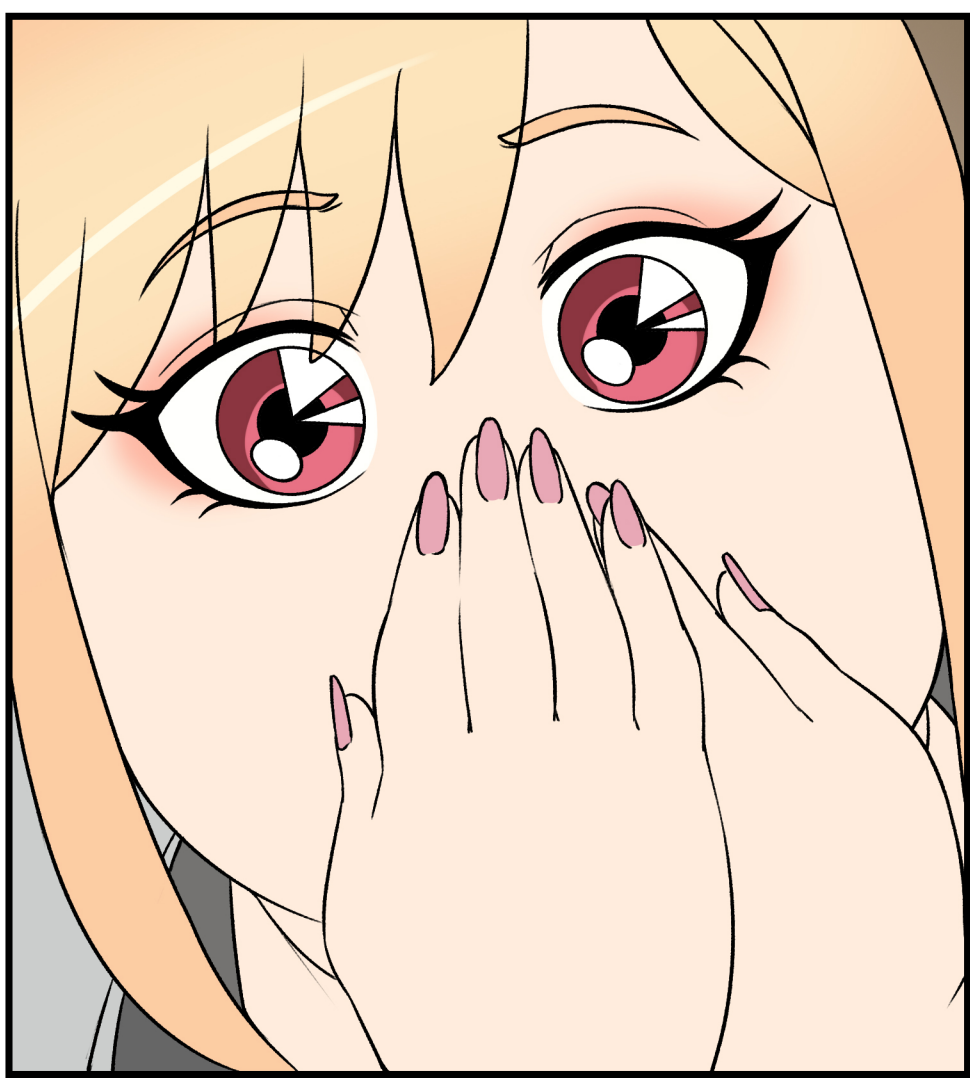

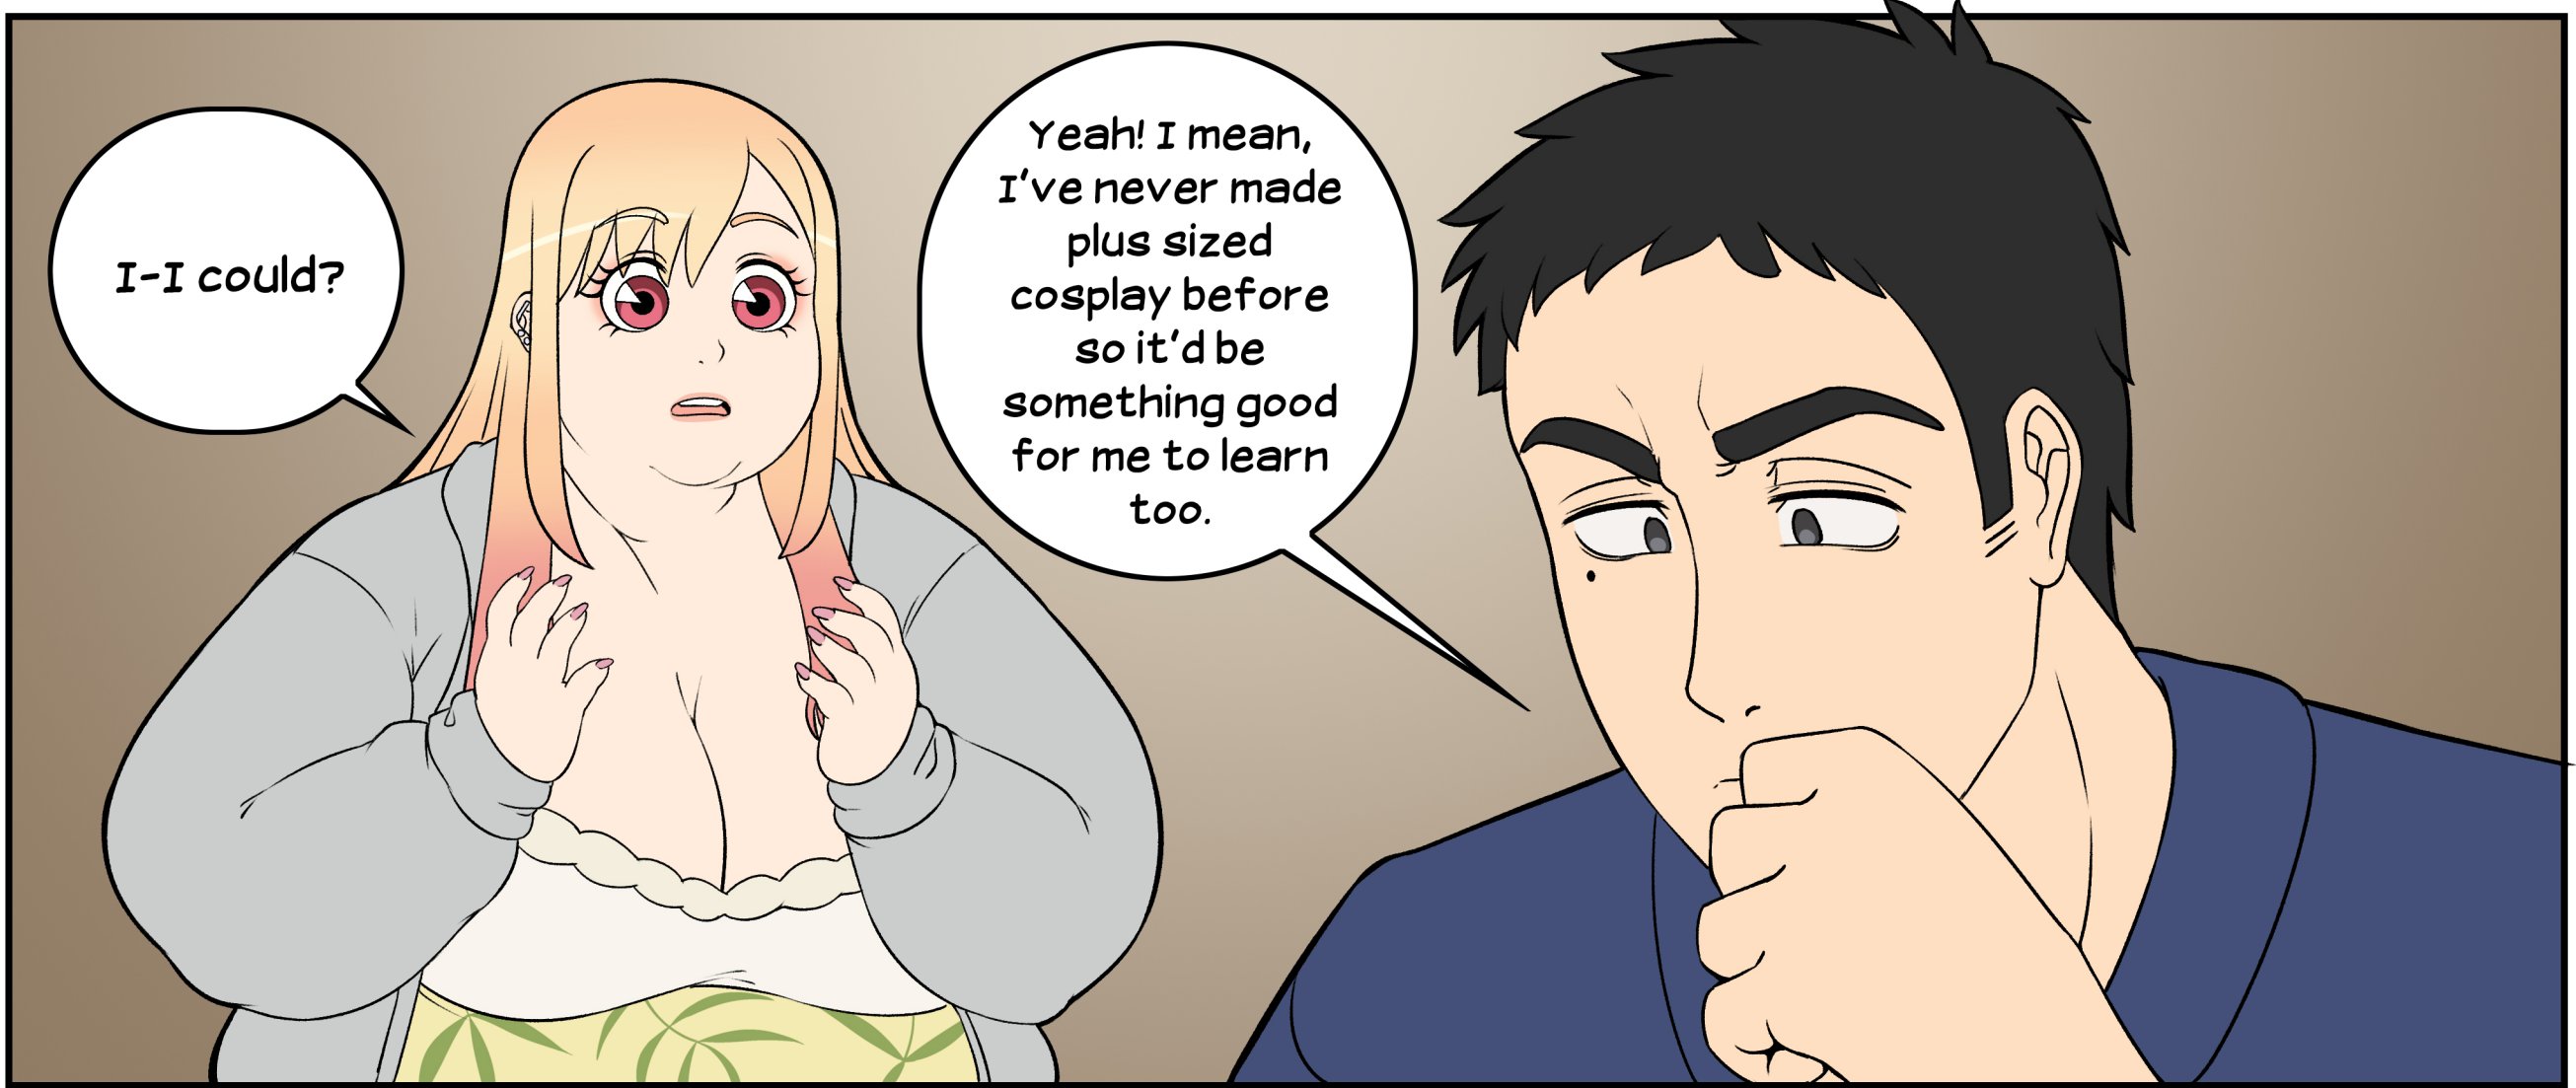

Oh? Like what?! What could I possibly do better being big?!

You could...uh...you could...

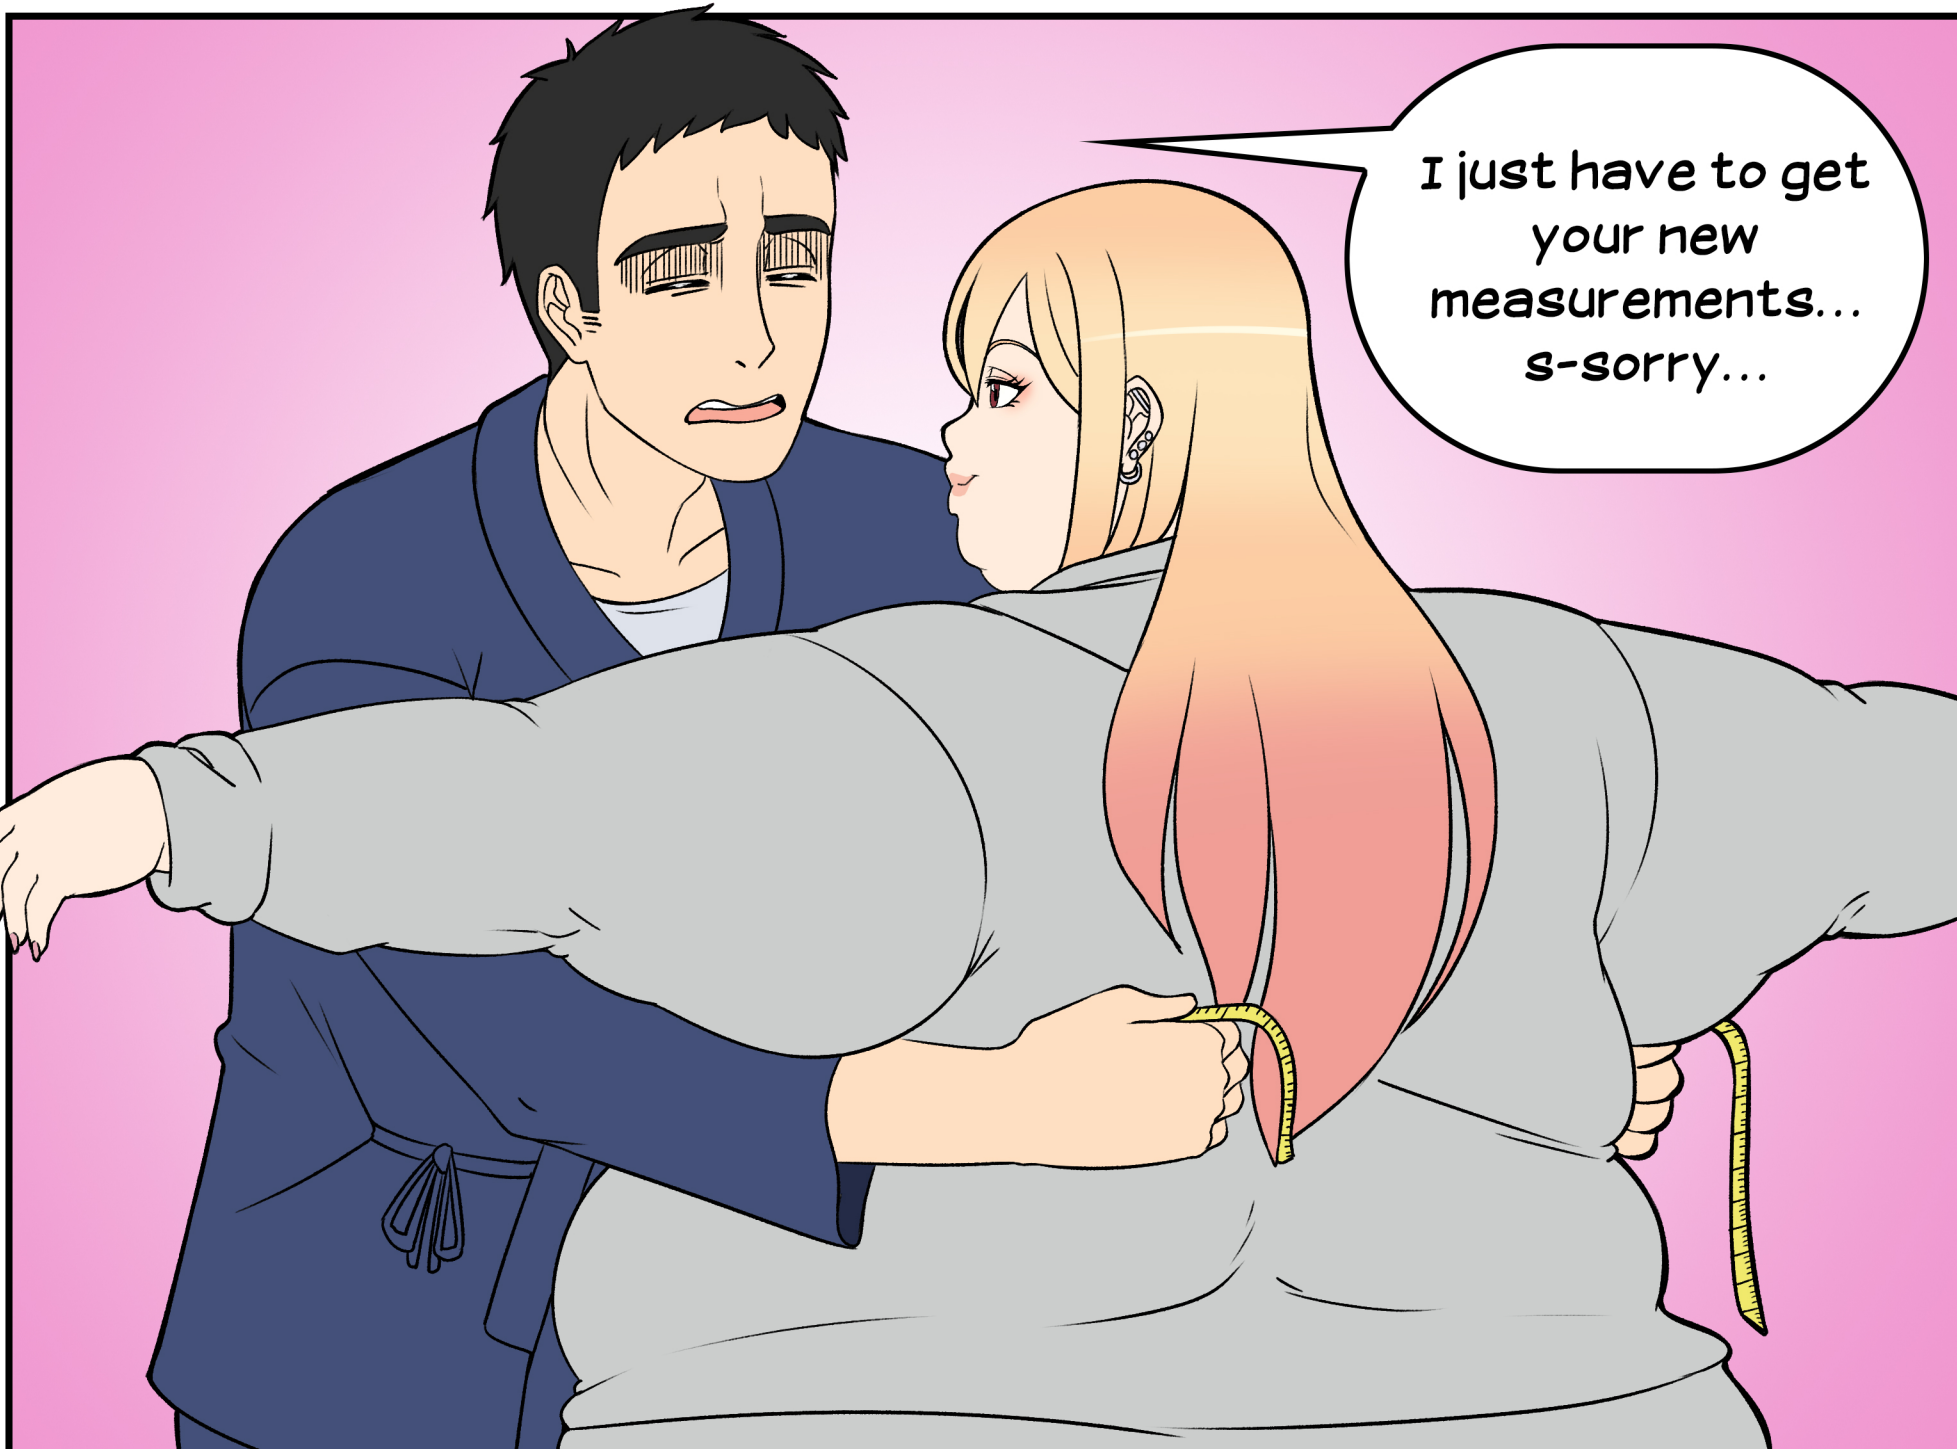

You could cosplay big characters you couldn't do before!

R-really?

S-sure! We have plenty of material laying around from last time.

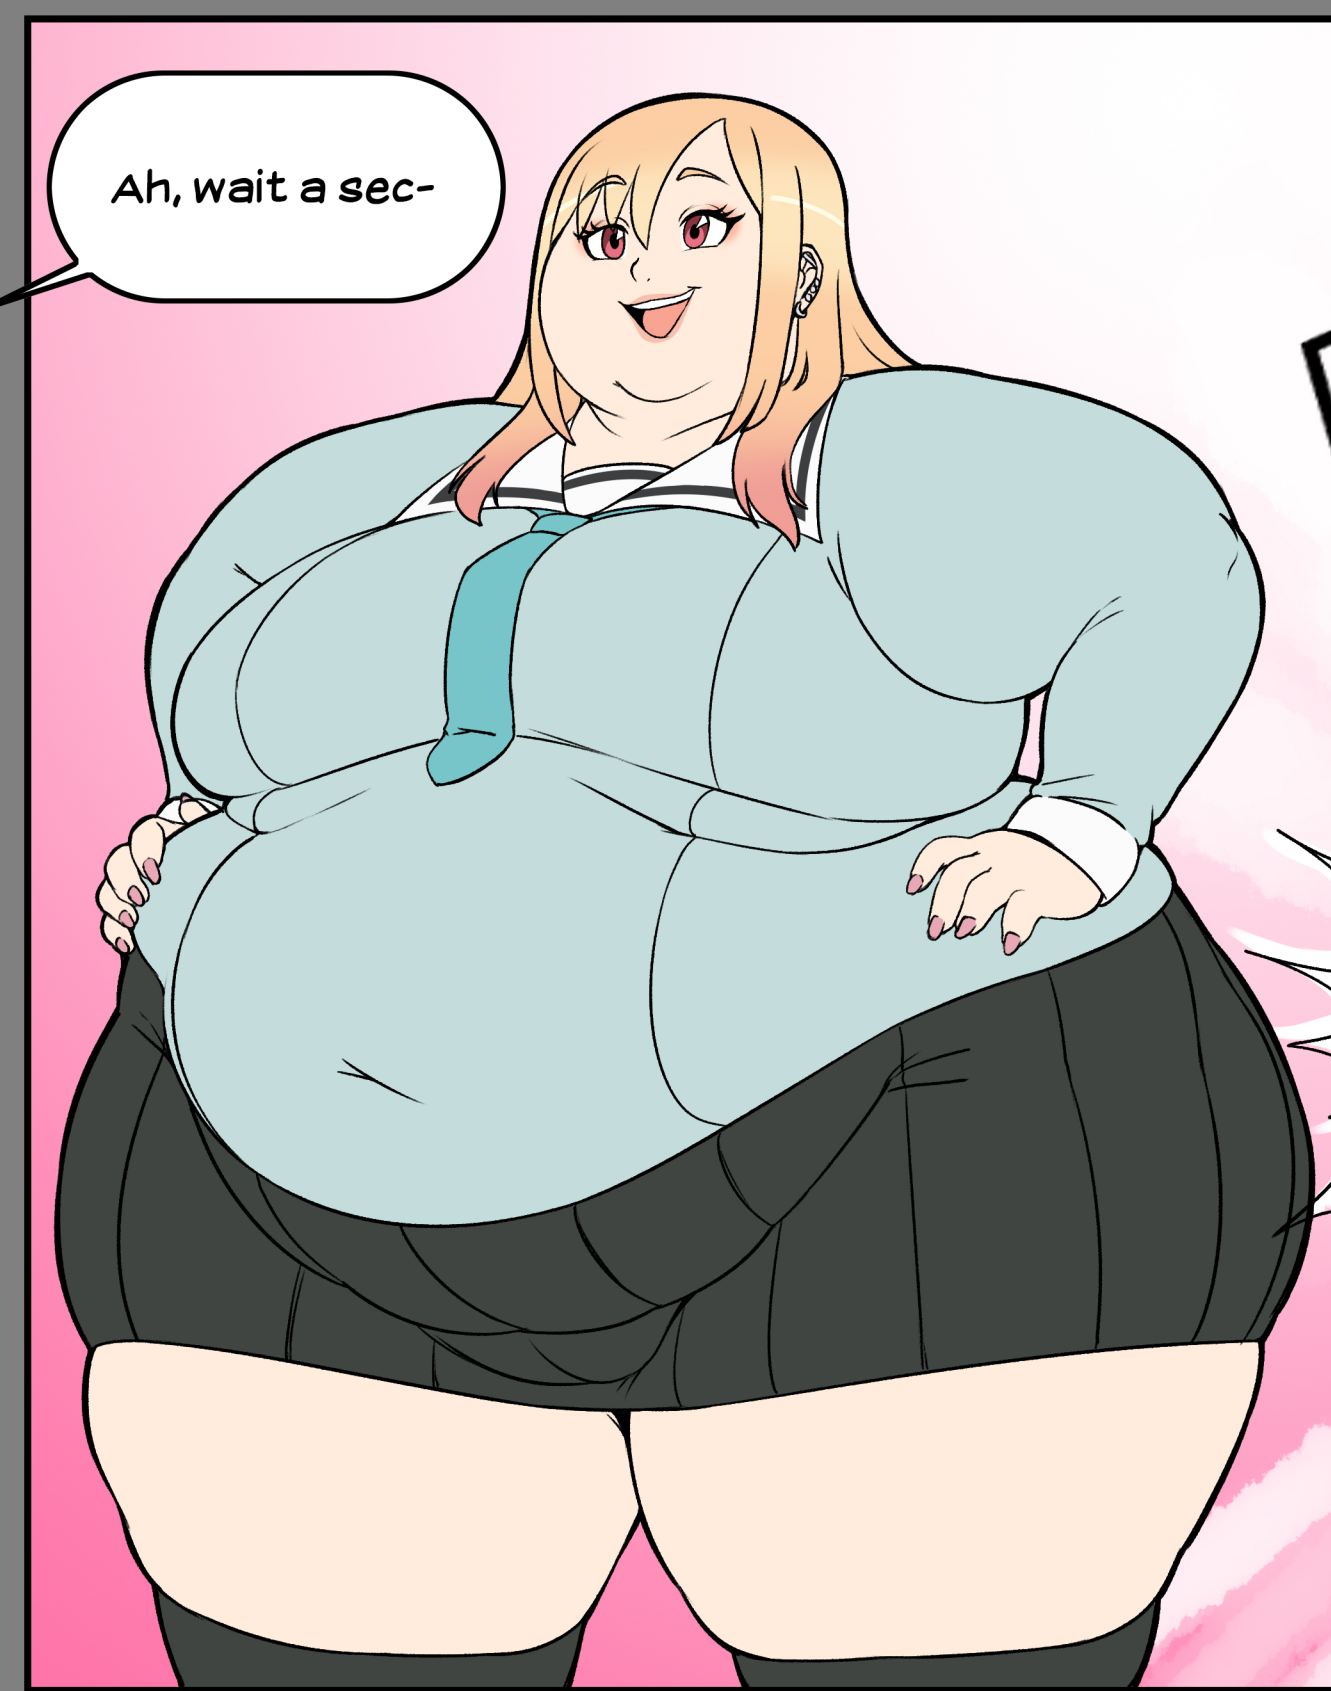

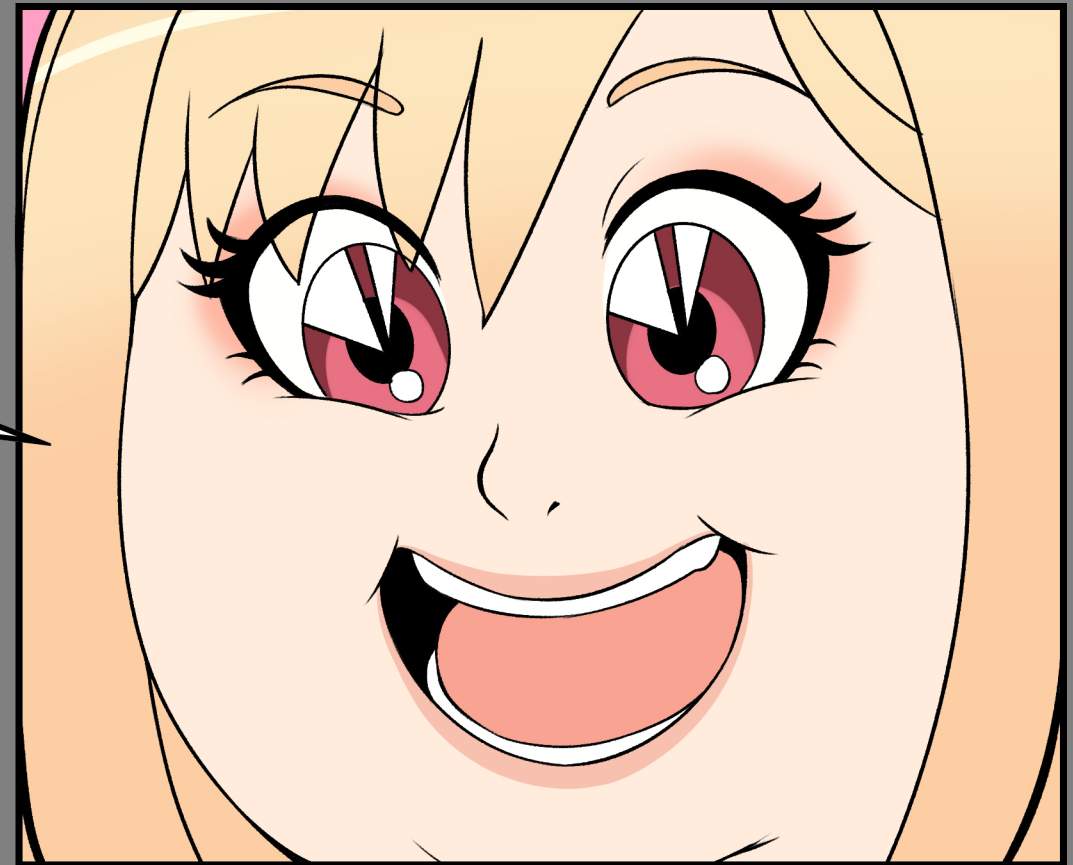

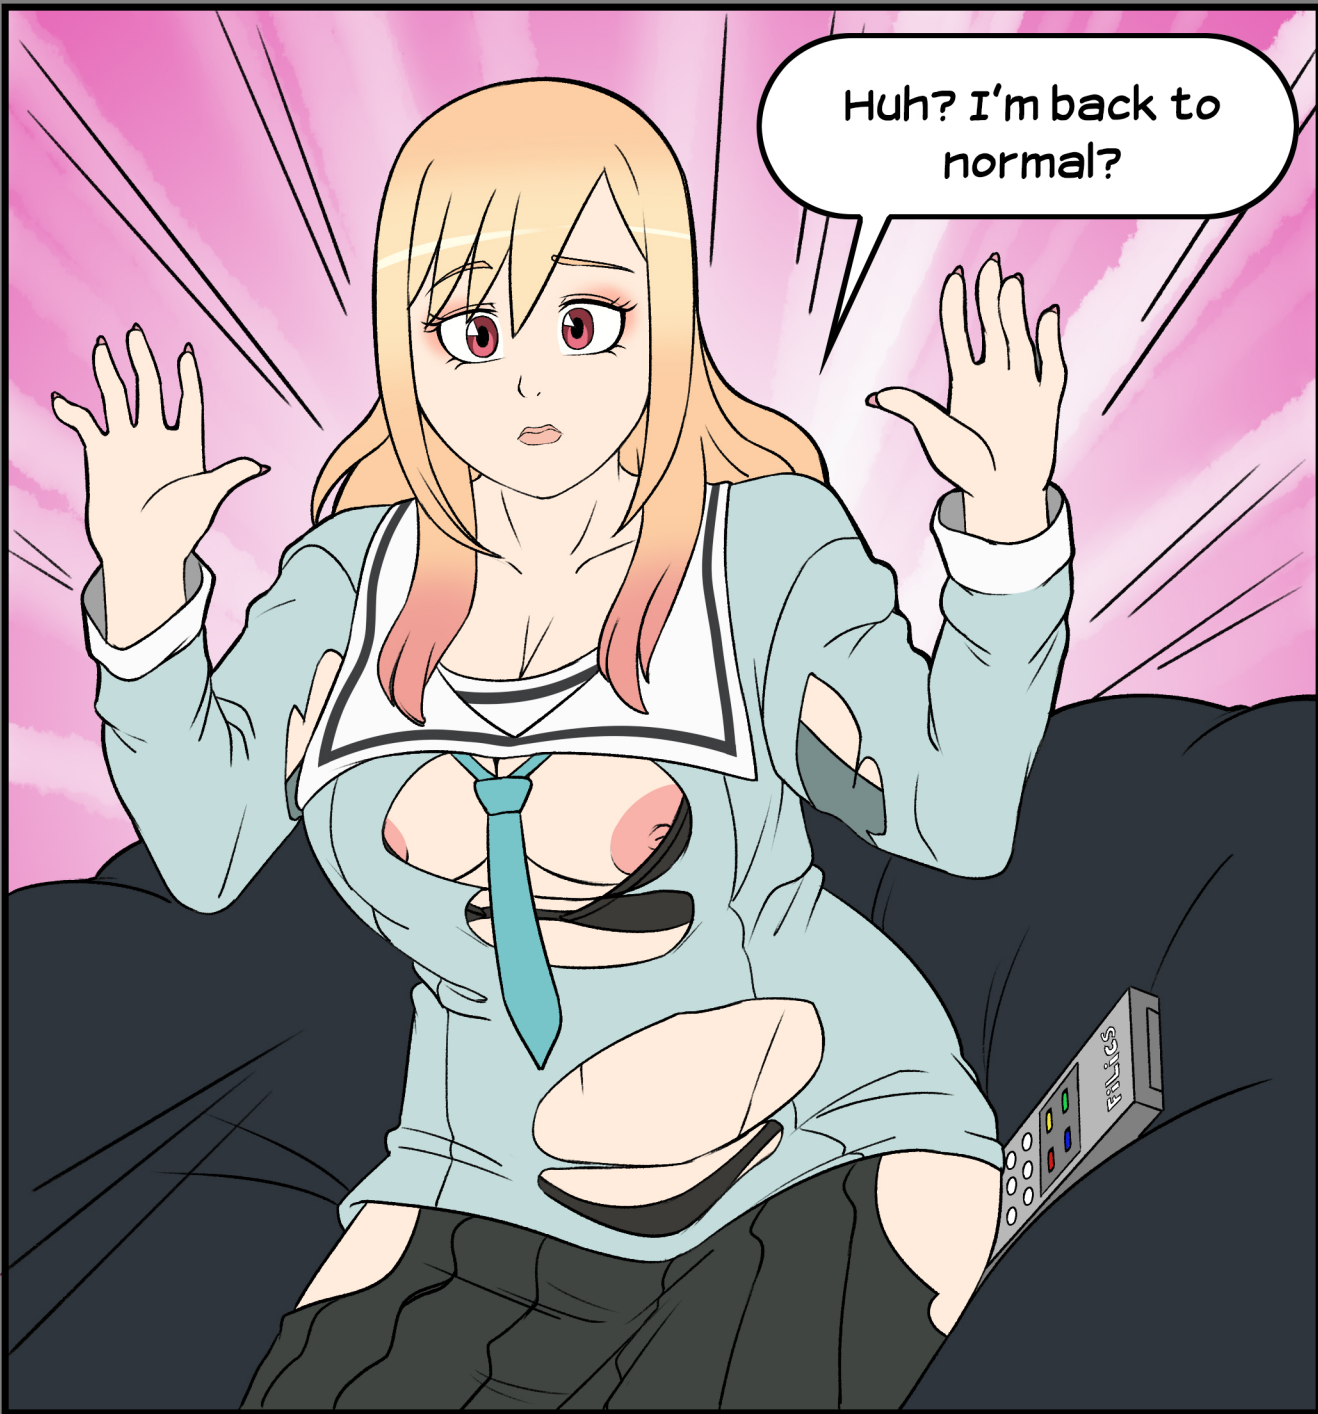

I just have to get your new measurements... s-sorry...

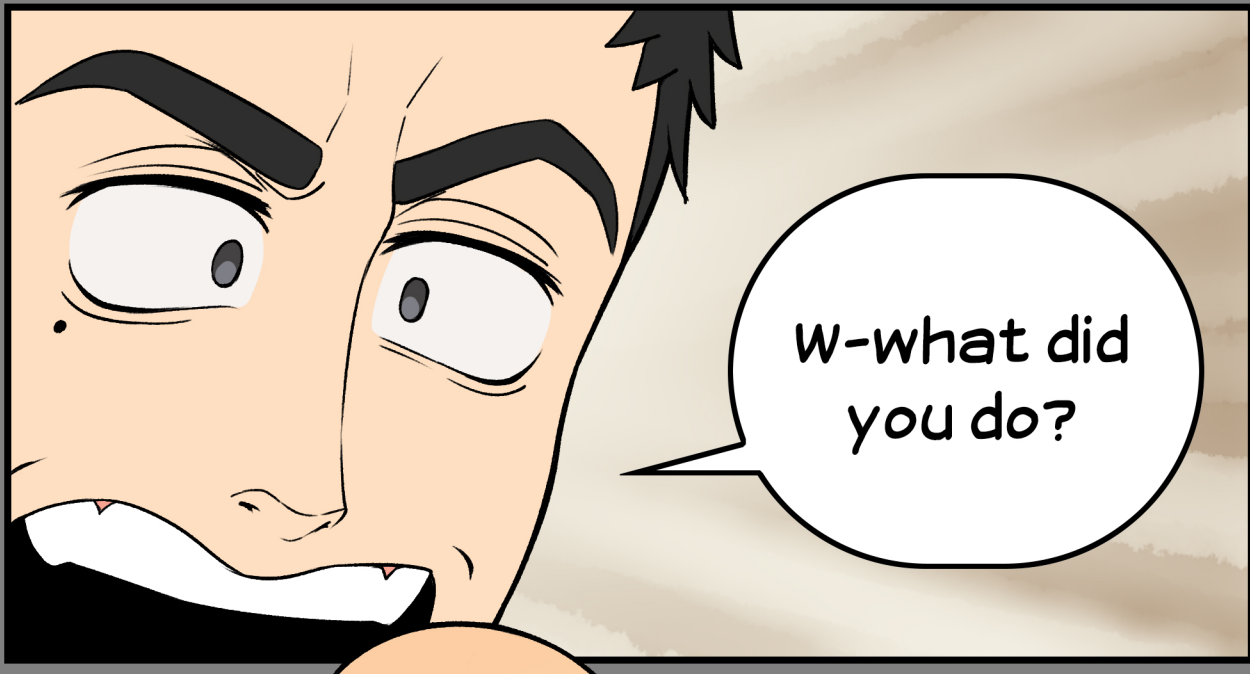

And with a little work...

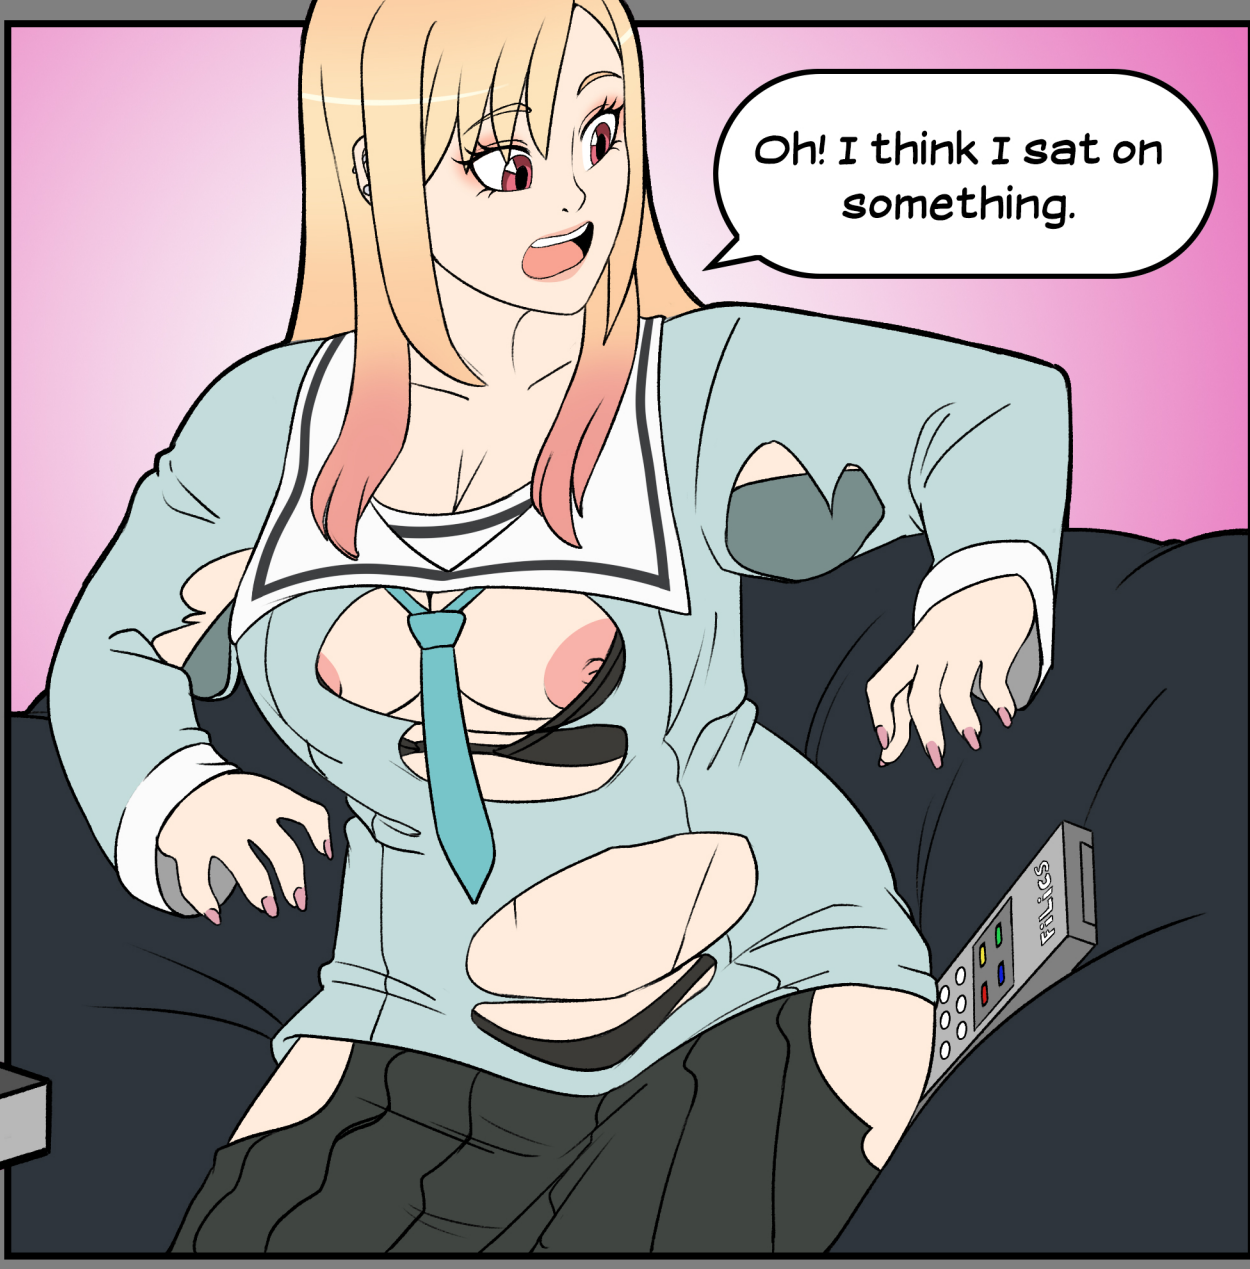

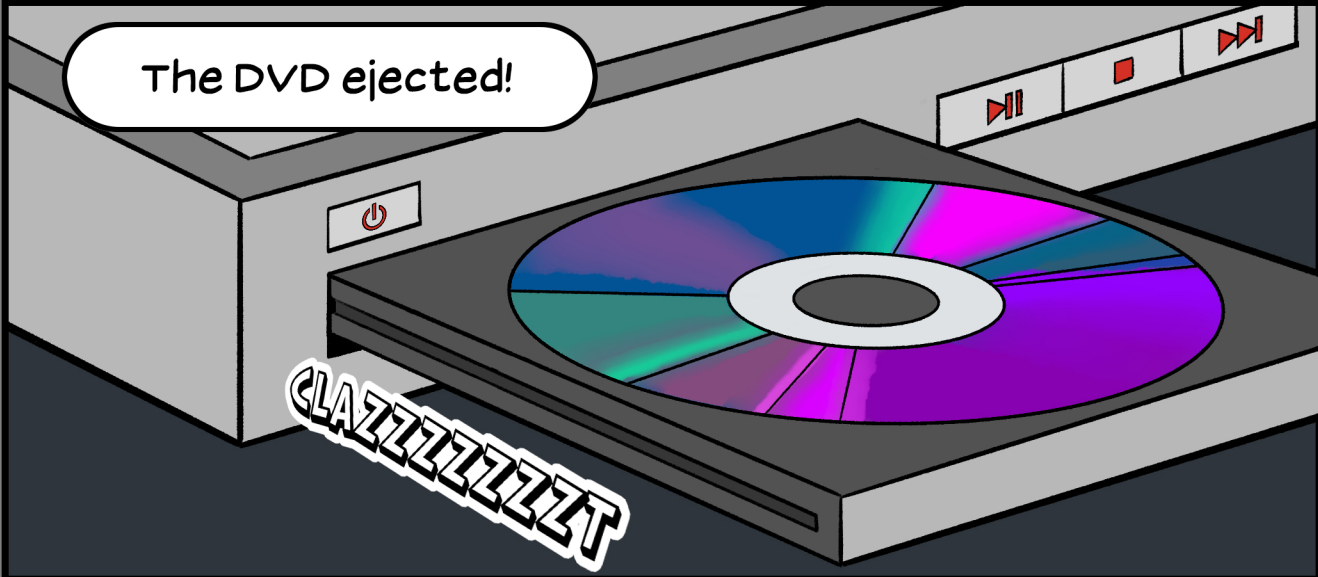

Huh? I'm back to normal?

W-what did you do?

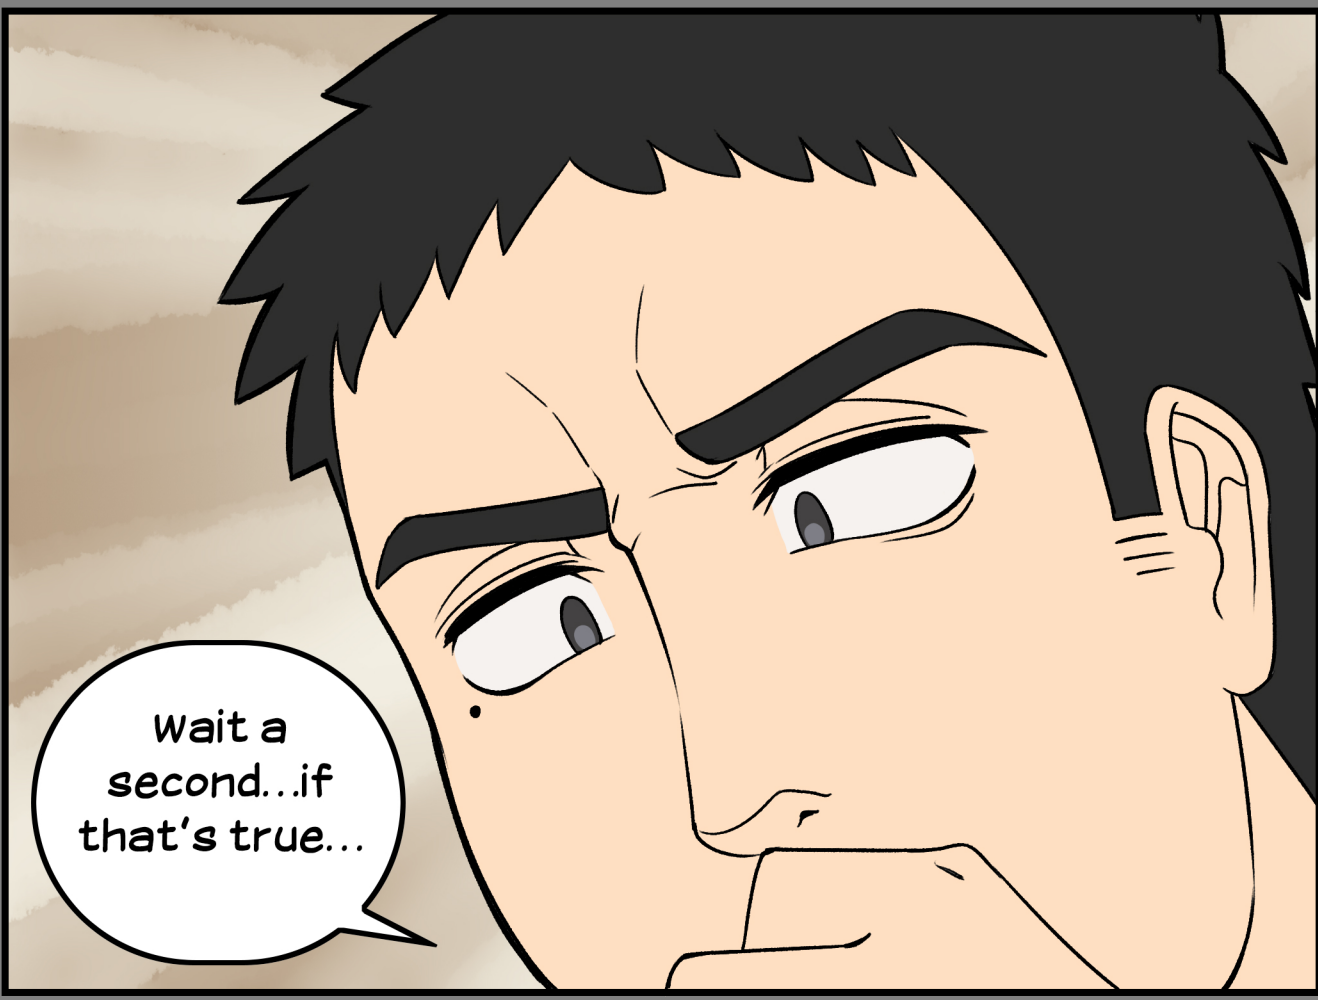

Oh! I think I sat on something.

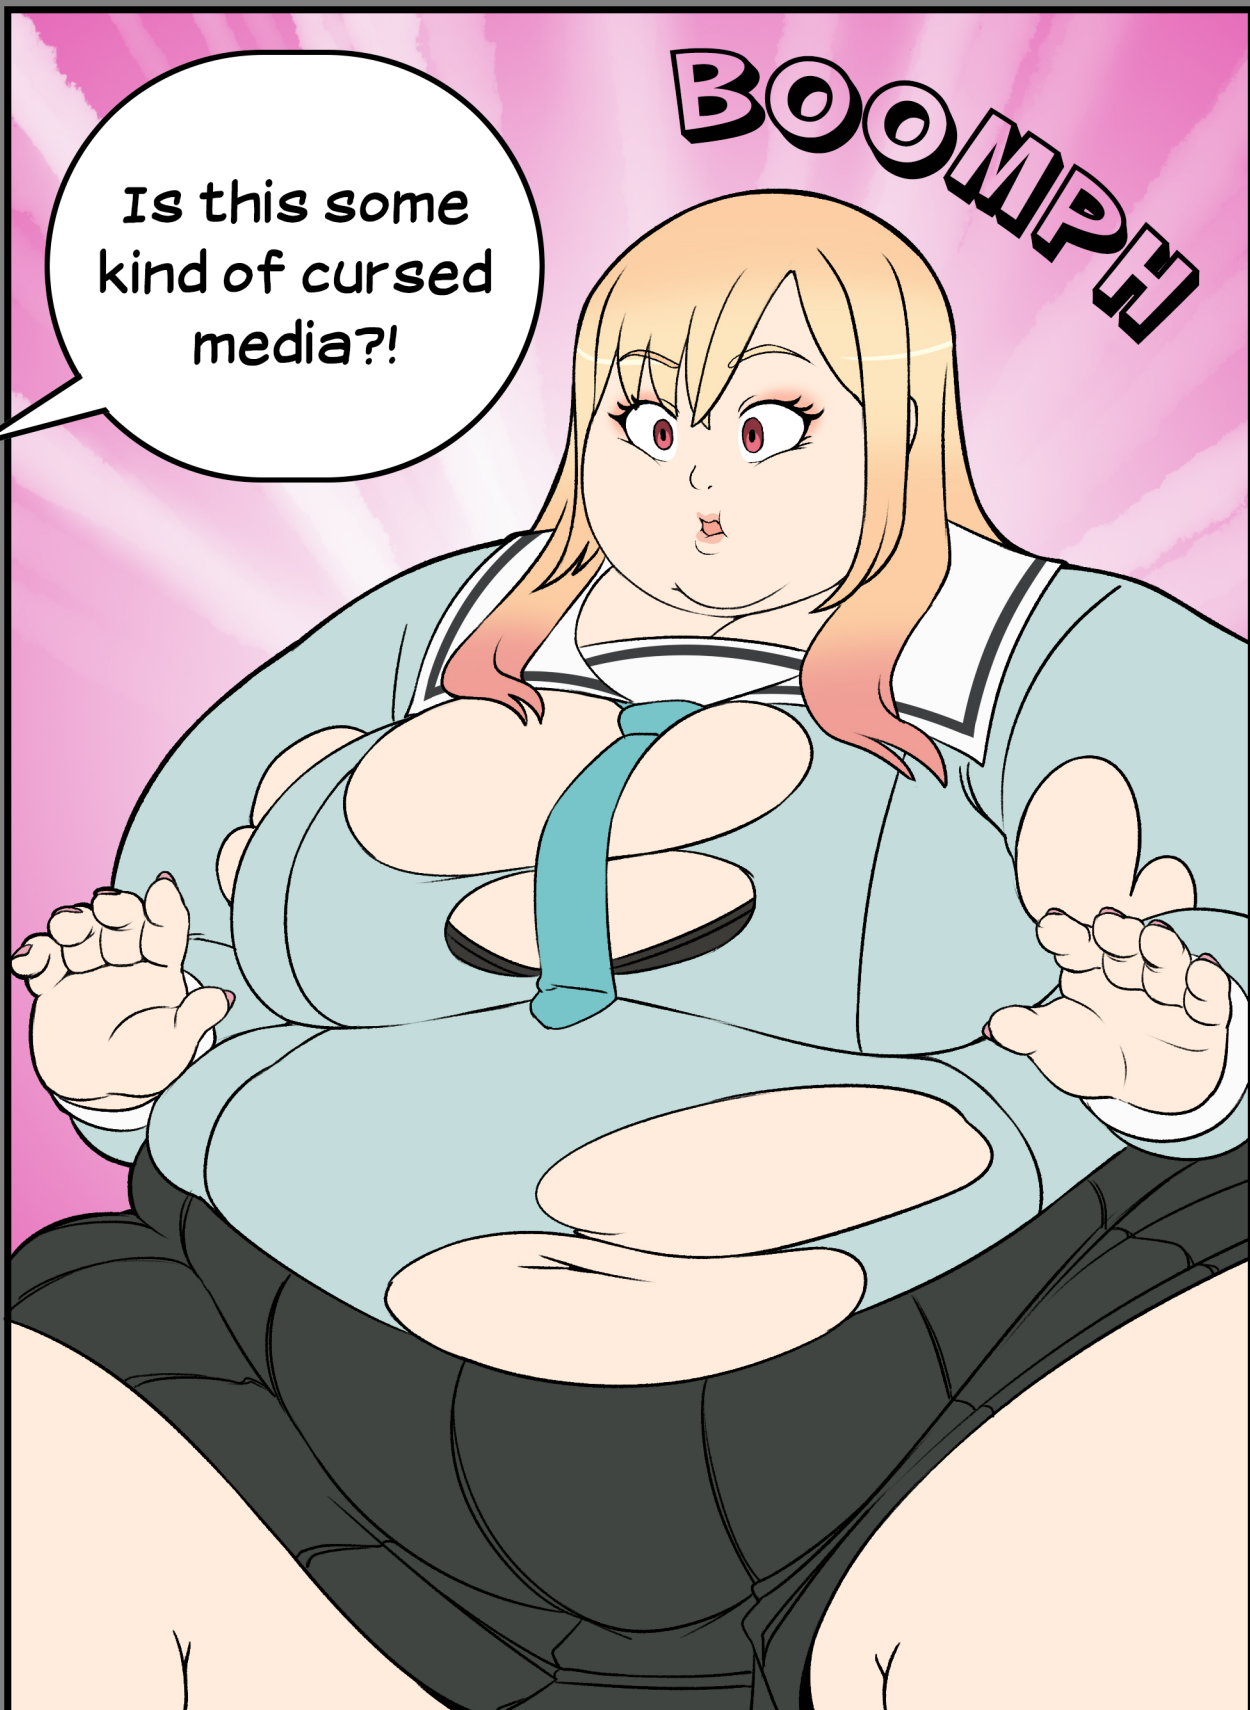

The DVD ejected!

CLAZZZZZZZT

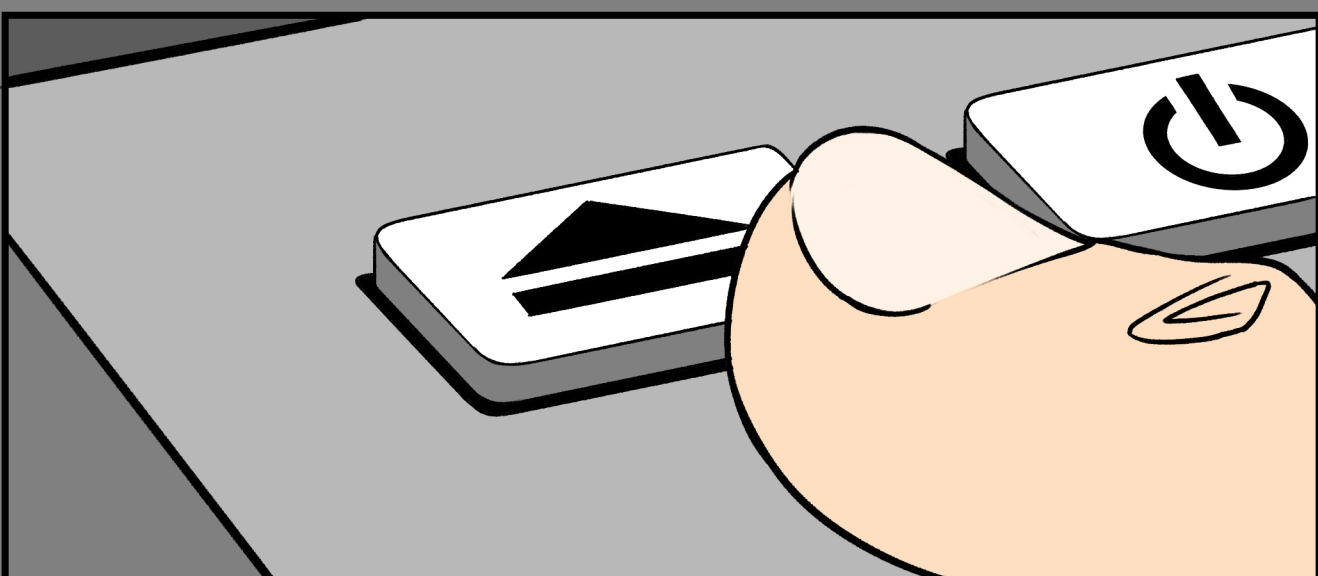

wait a second...if that's true...

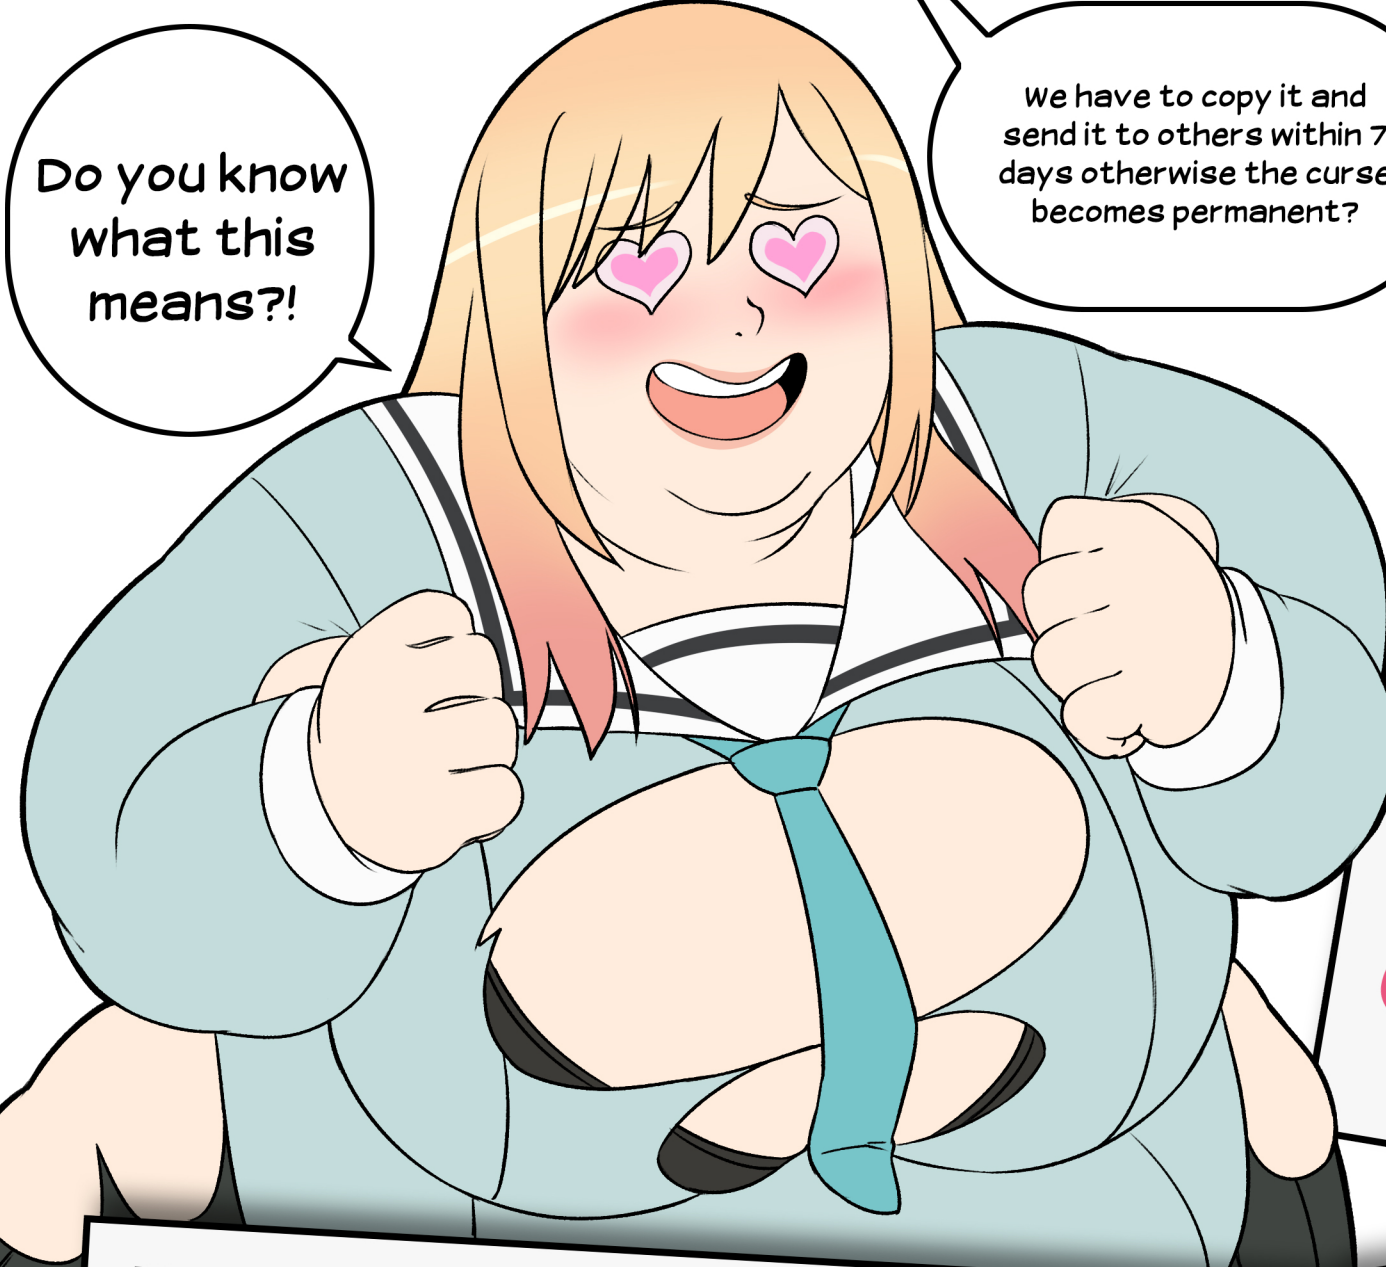

BOOMPH

Is this some kind of cursed media?!

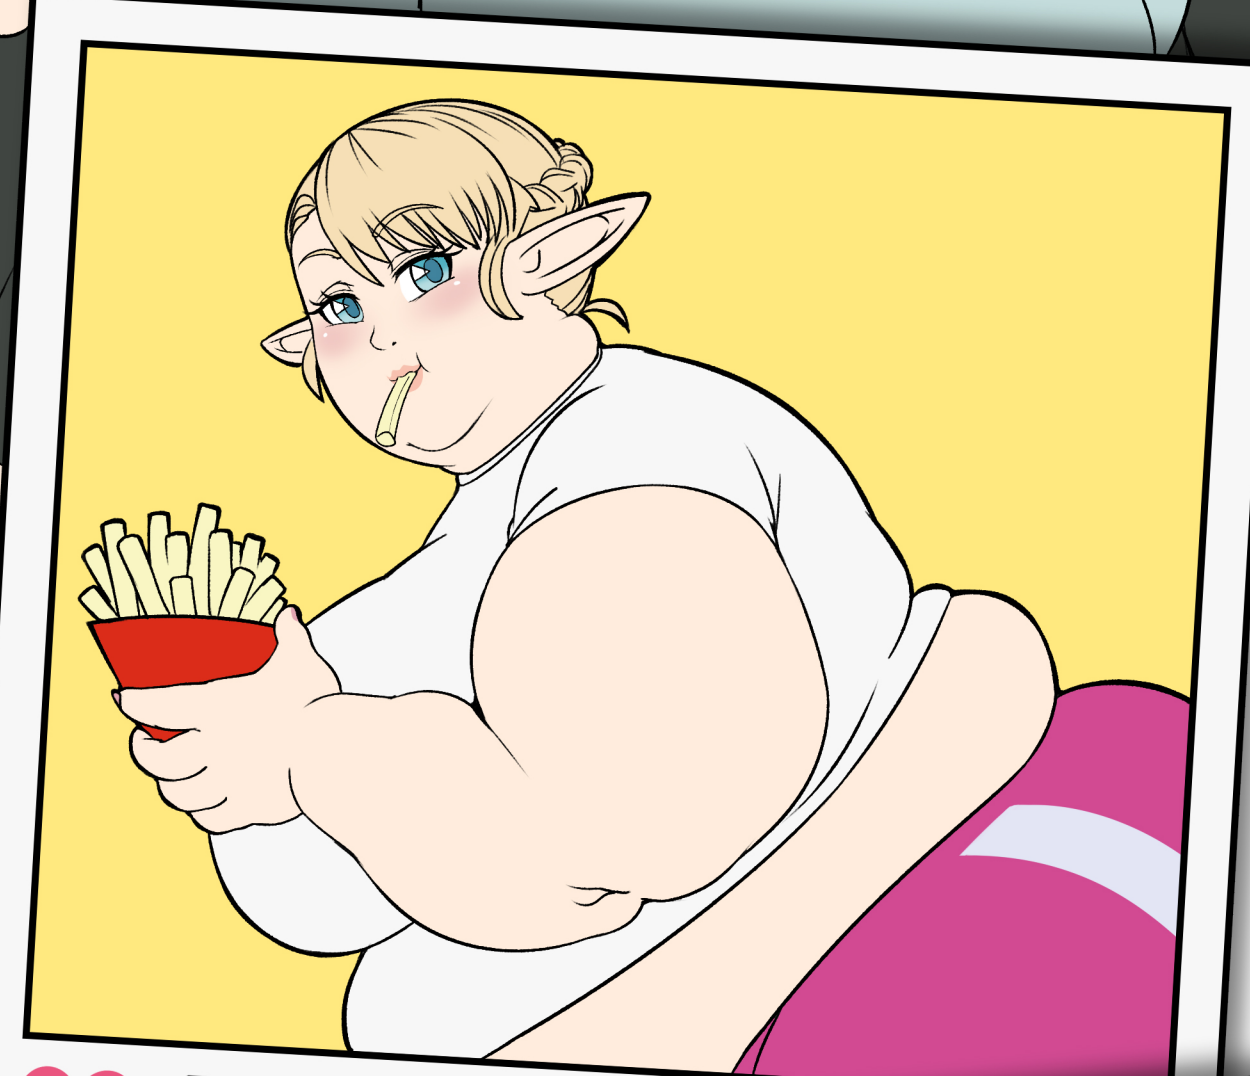

Do you know what this means?!

We have to copy it and send it to others within 7 days otherwise the curse becomes permanent?

No consequences! I can cosplay as many bigger girls as I want to and gosh there's so many I've been meaning to try!

Are you sure about this?

UH-OH BIG!

Yeah, I'm totes into this! Don't you think I wear it well?

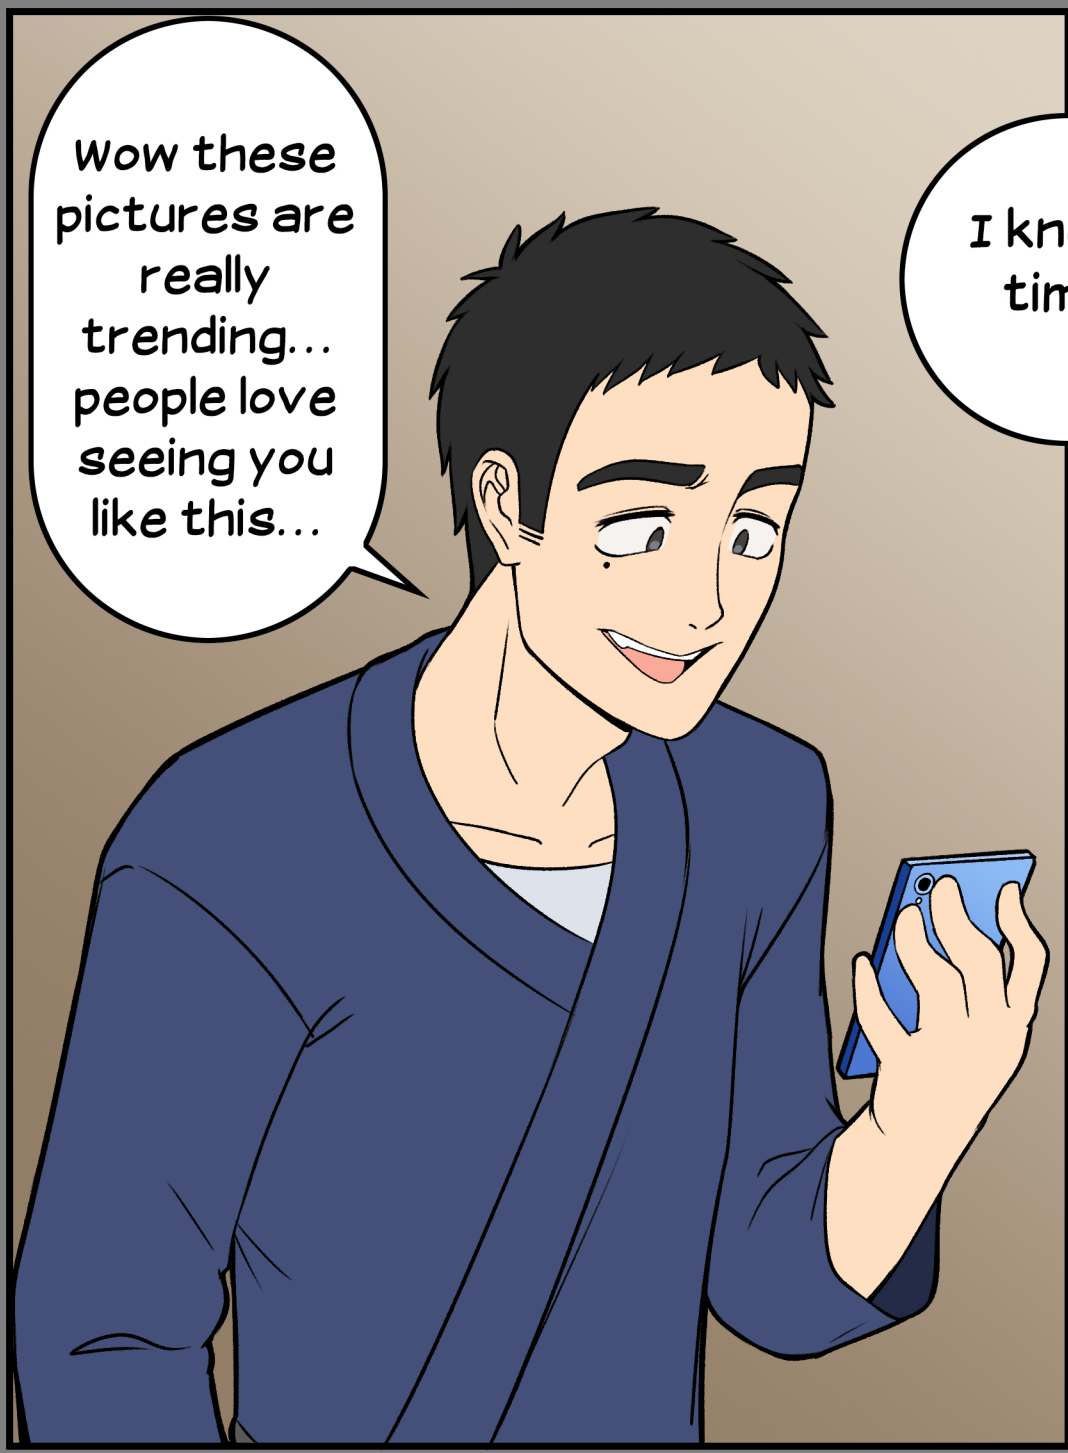

well...yeah you do...but don't you think you might be eating a bit much?

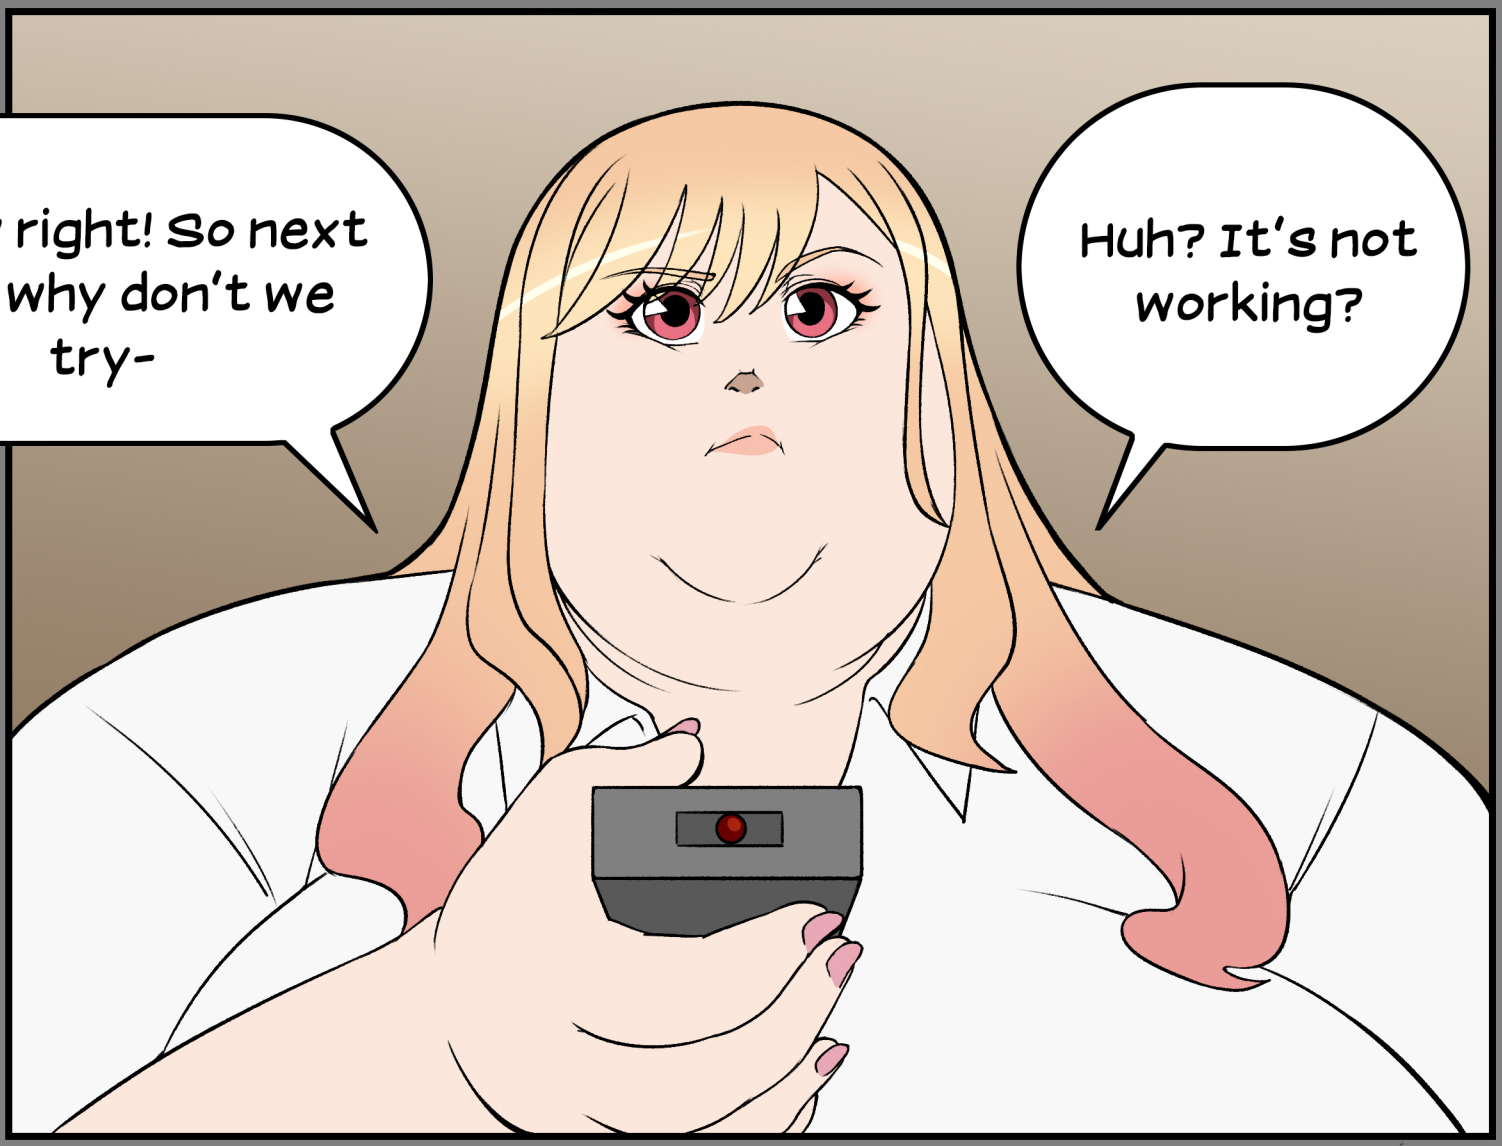

It's not like I can get any fatter, right? Just pop out the DVD and there's no consequences! So let's do another eating scene!

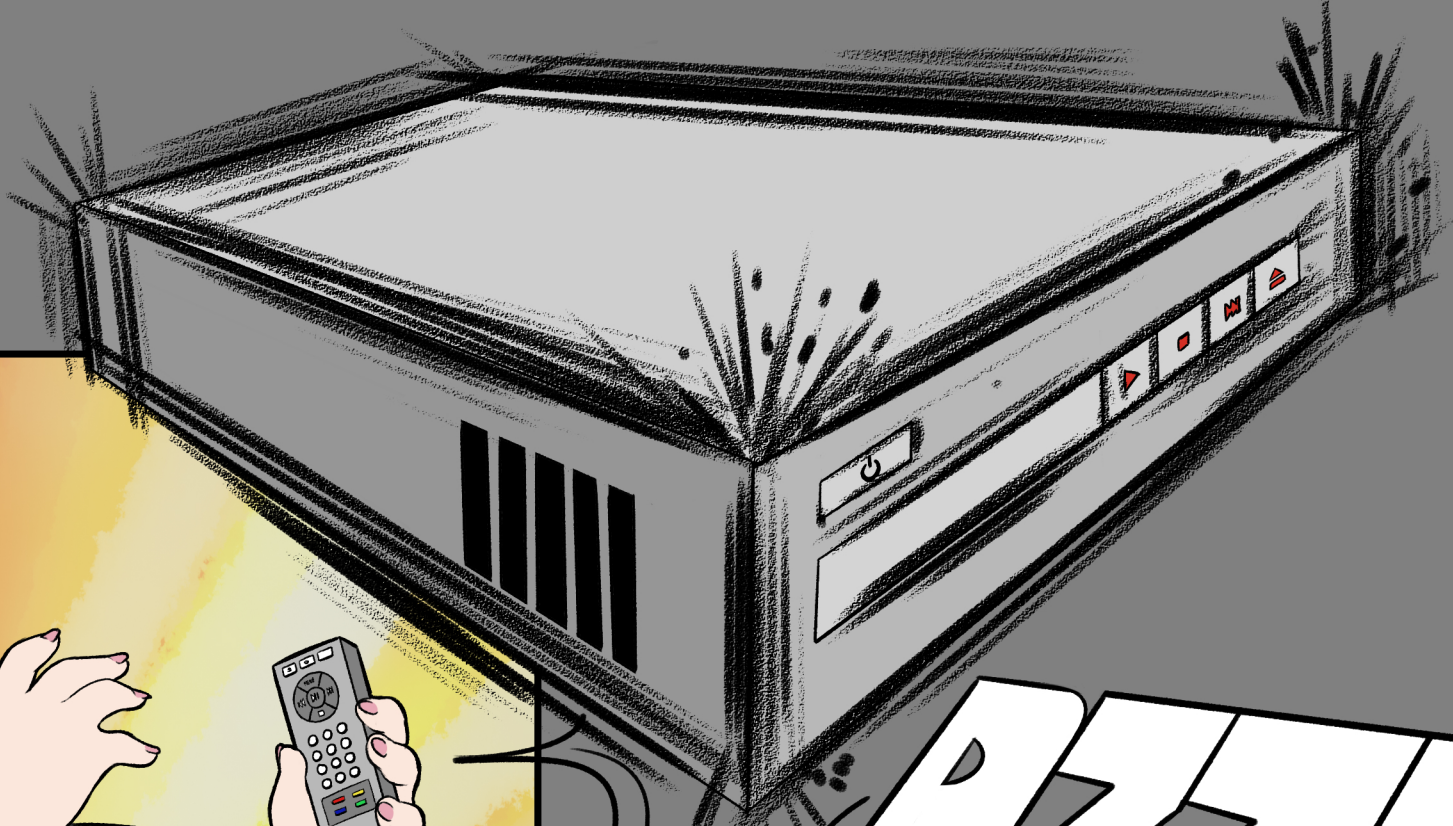

But we just did one!

I know right! So next time, why don't we try-

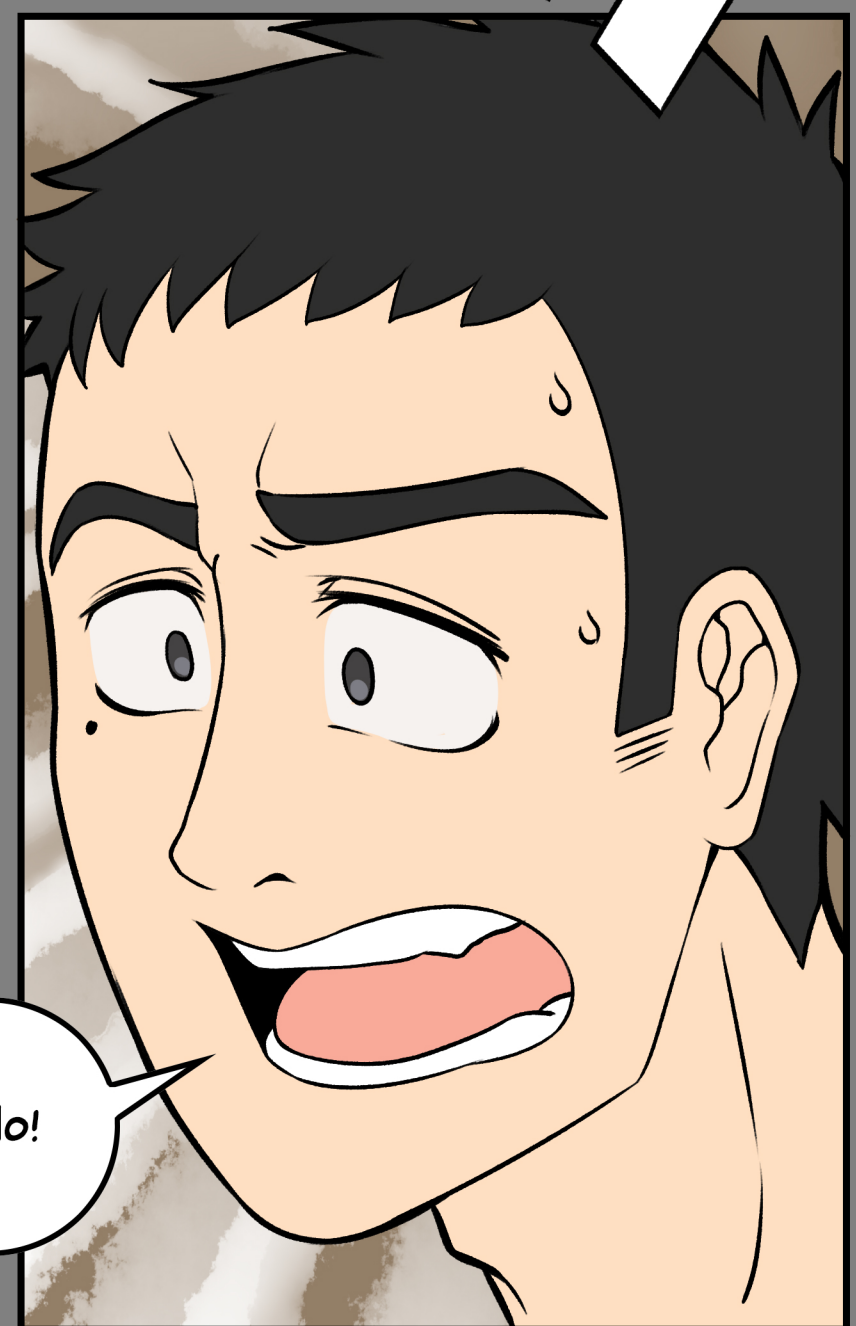

Huh? It's not working?

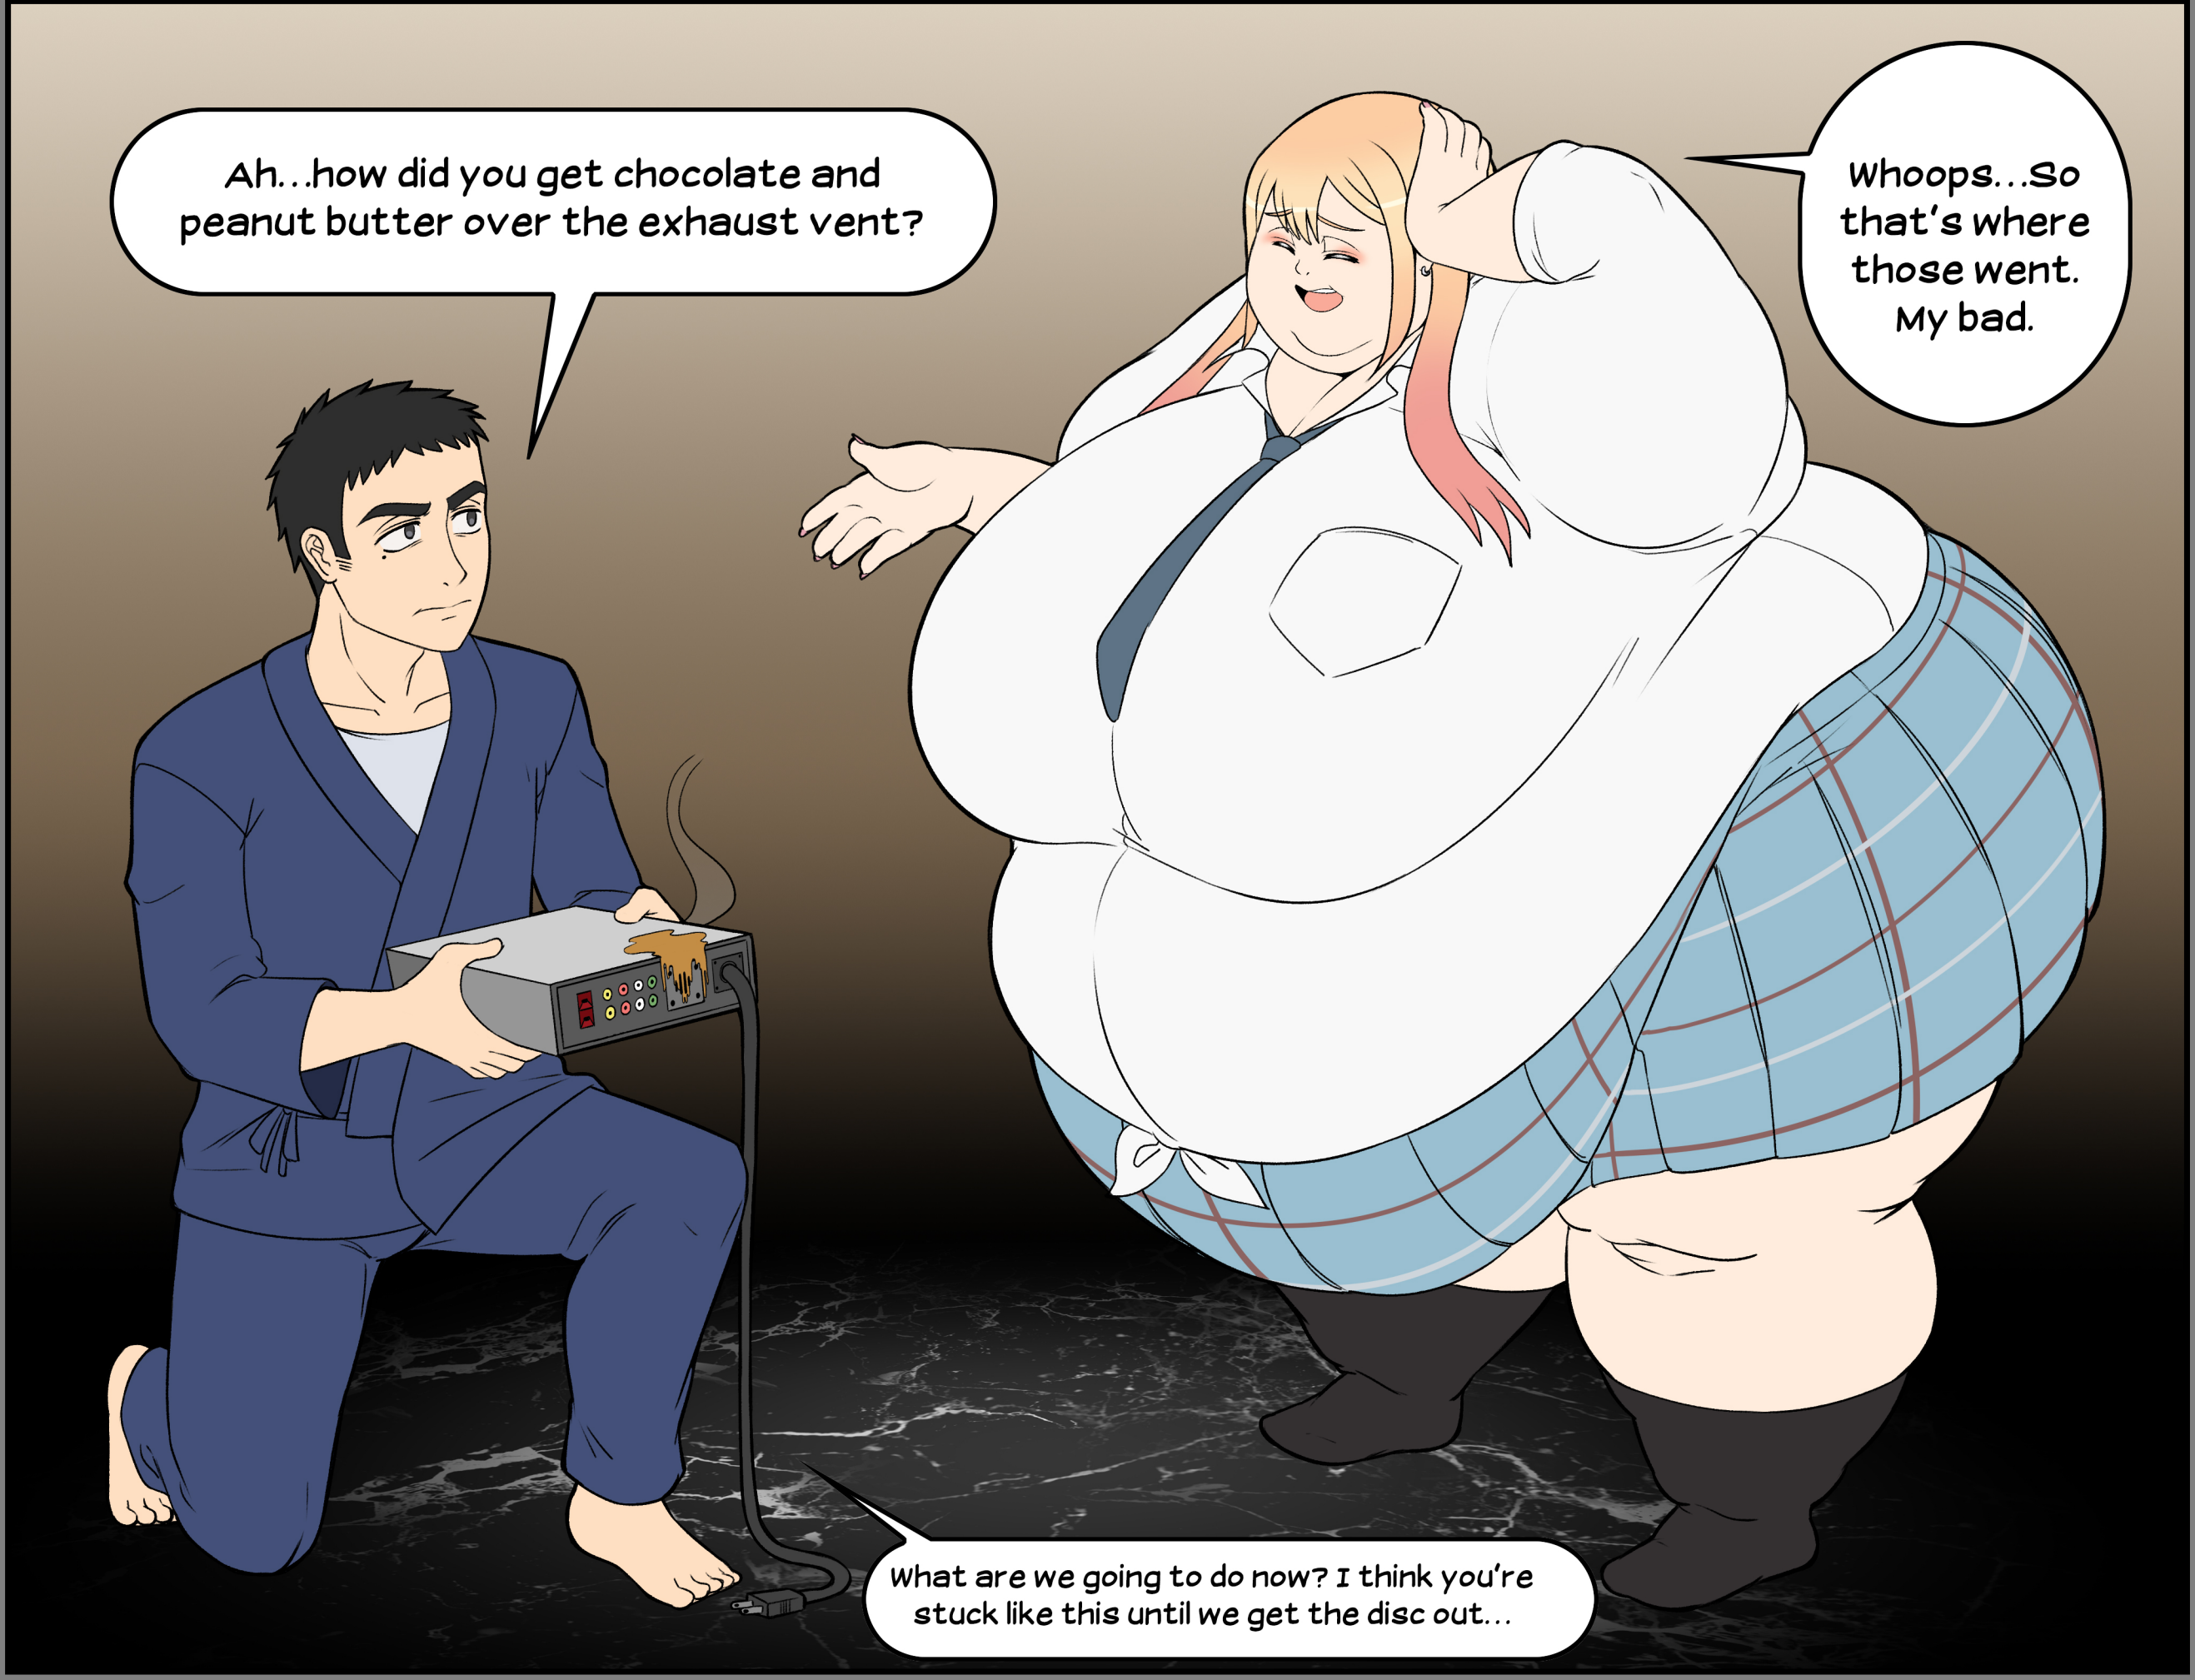

EEK!

BRZZ

w-what did you do!

Ah...how did you get chocolate and peanut butter over the exhaust vent?

Whoops...So that's where those went. My bad.

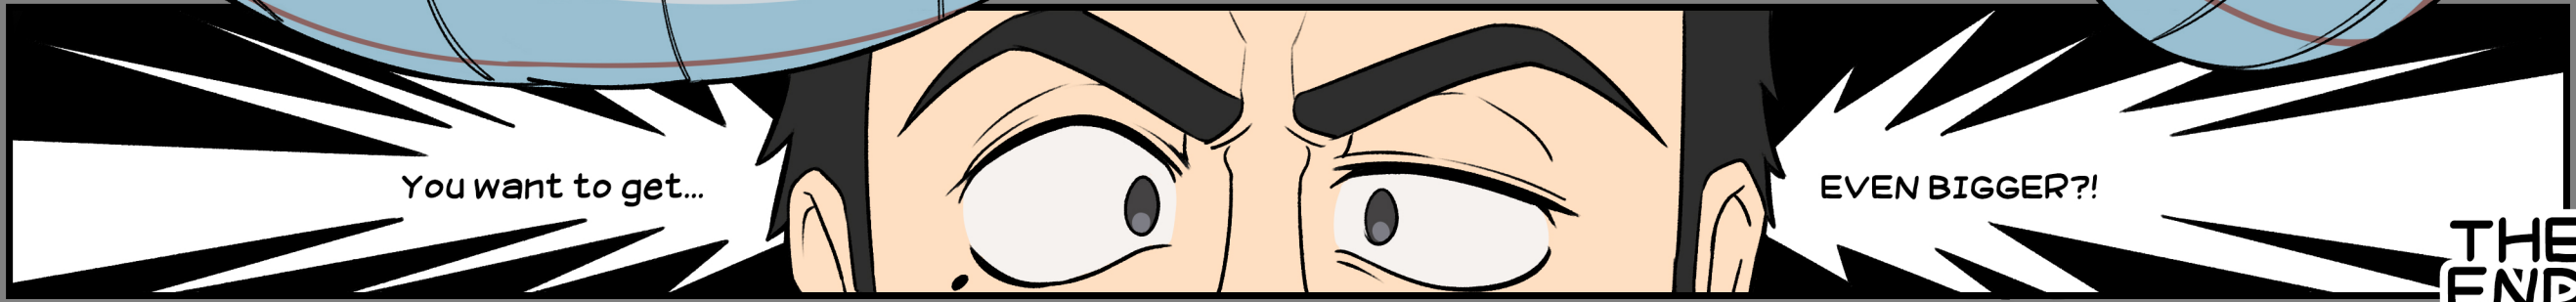

What are we going to do now? I think you're stuck like this until we get the disc out...

No biggie, I've kind of gotten used to it.

But...do you think that you could let out my school uniform a couple of inches?

Maybe leave some room to grow?

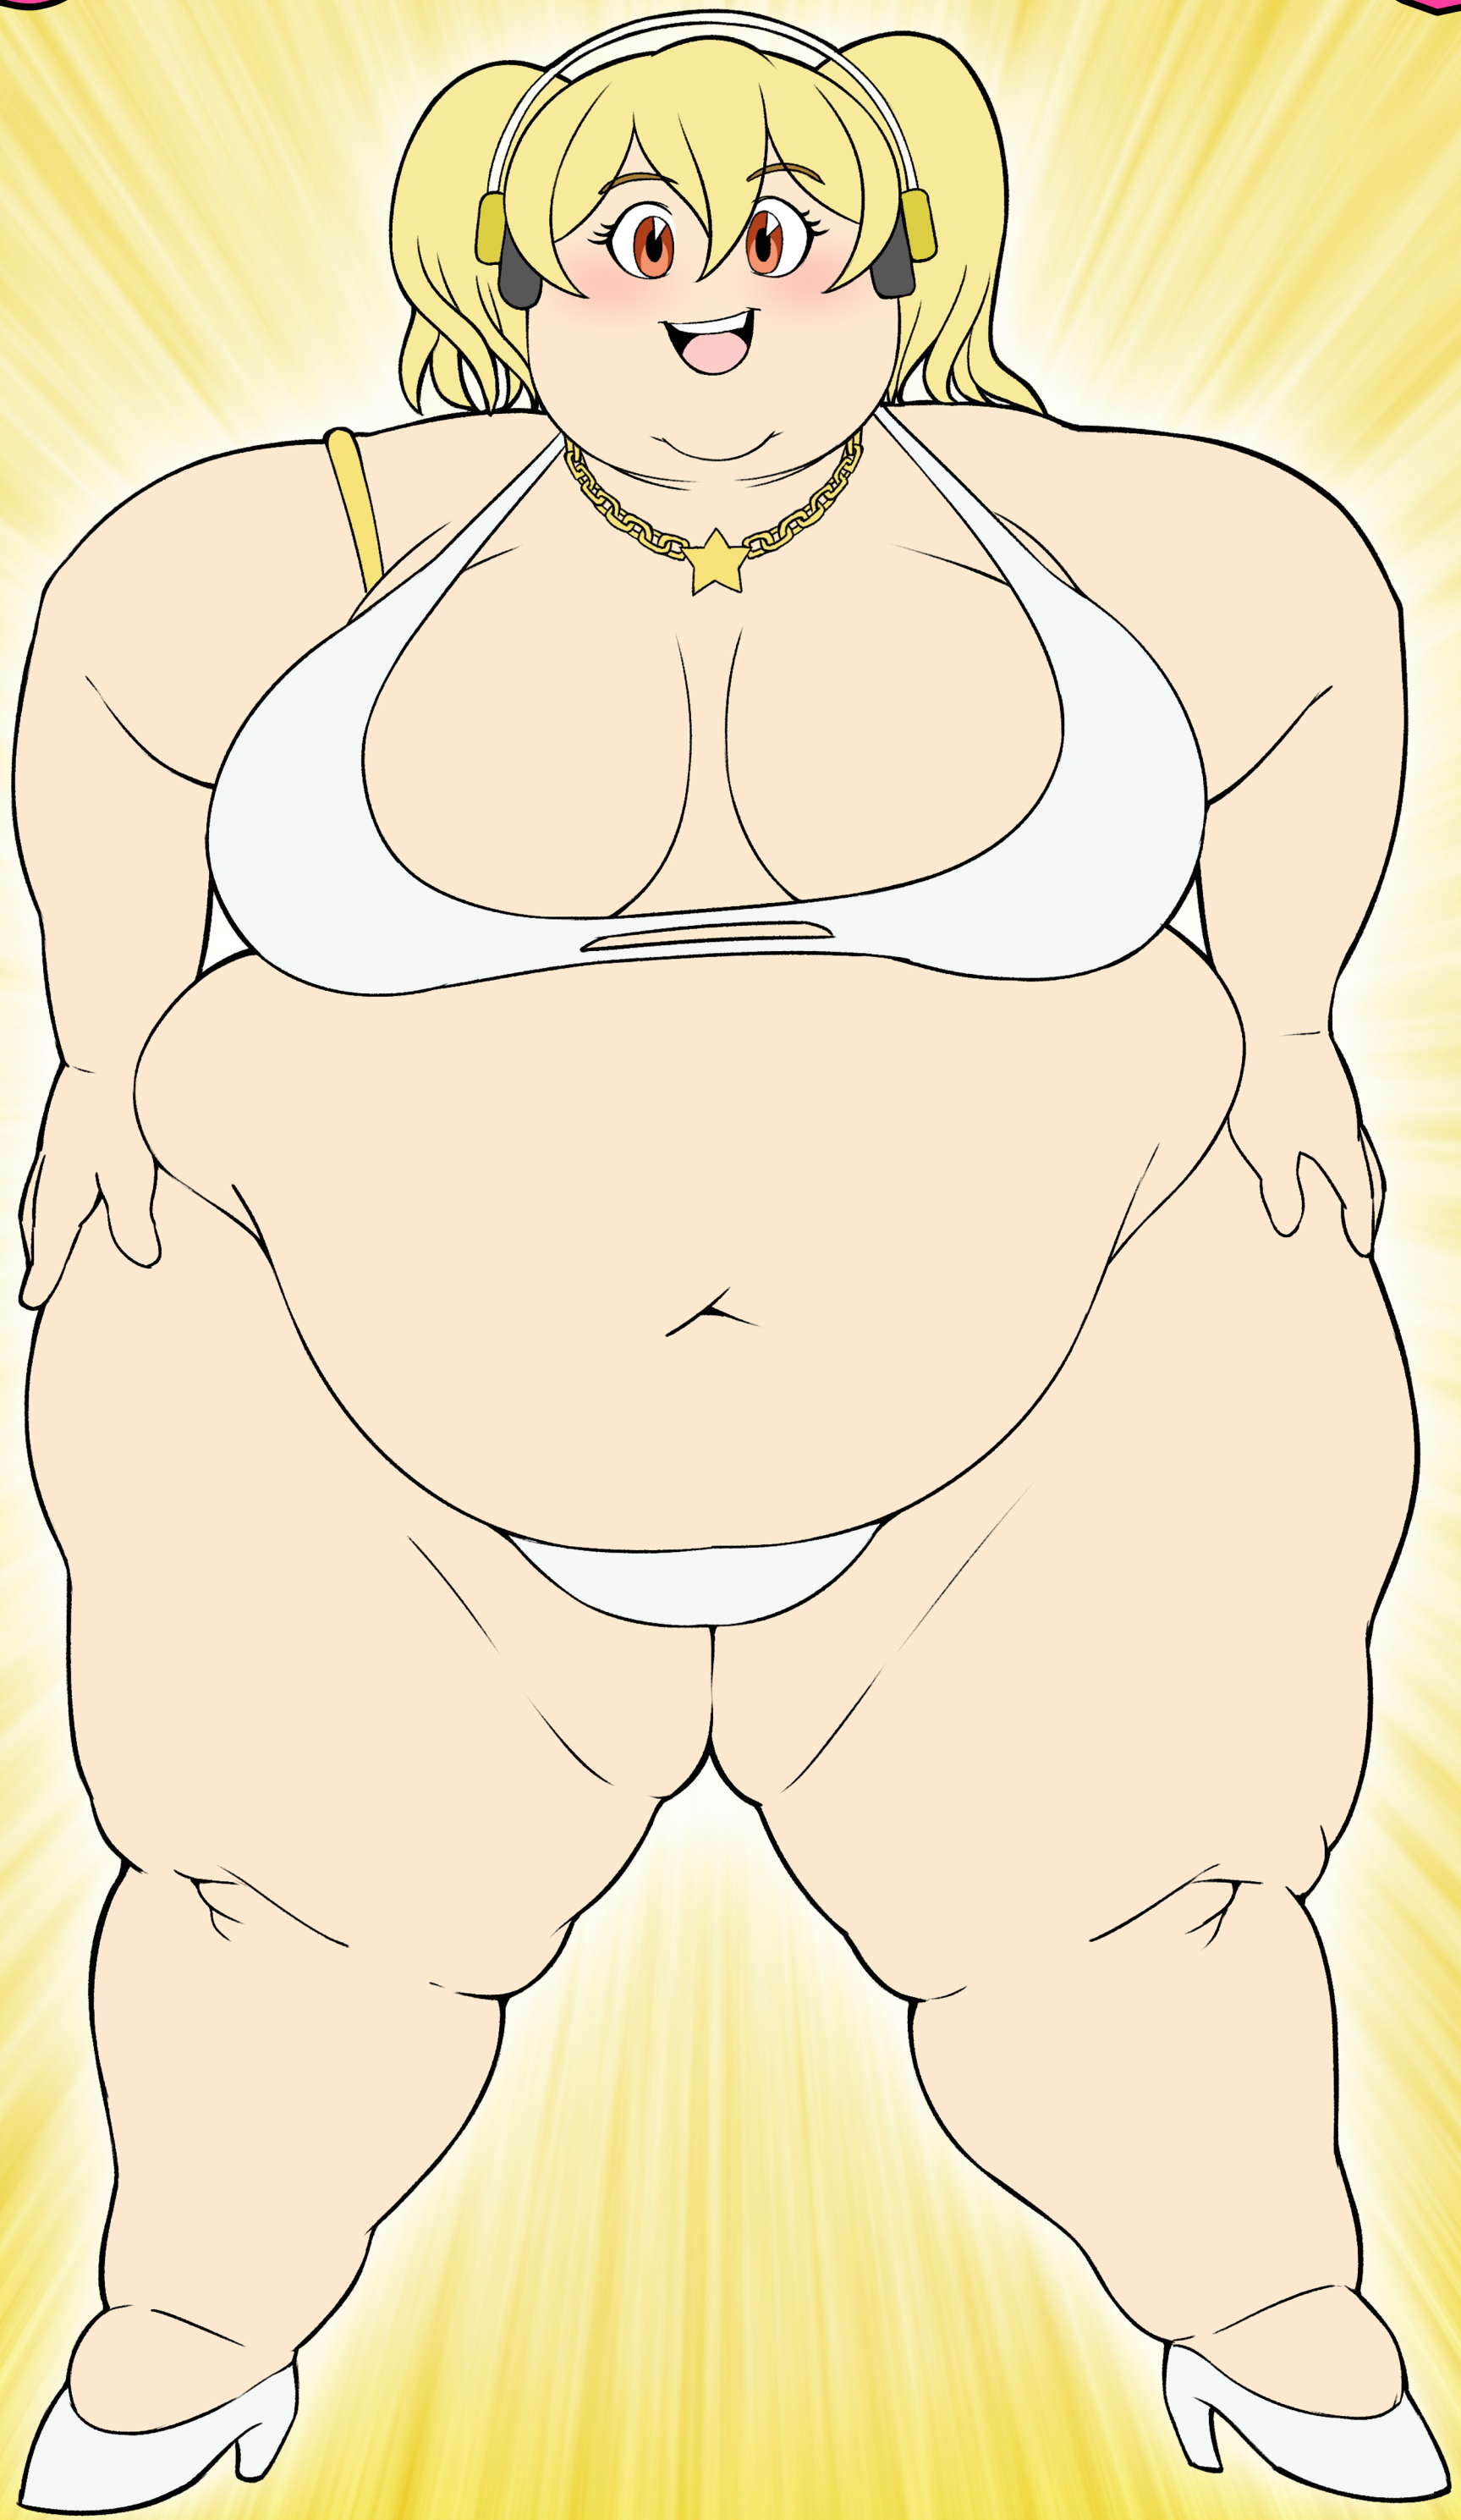

You want to get...

EVEN BIGGER?!

THE END
