W·I·L·L·O·W[™]

Activity Book

The story of WILLOW begins long ago in a world filled with wonder and magic. It's a tale of danger, laughter, hope, heroism... and most of all pure adventure...

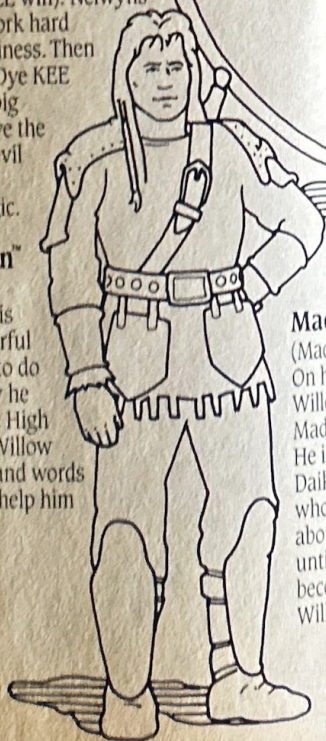

Bavmorda™ (Bav MORE da)
Bavmorda is an evil queen. In our story, Bavmorda uses her great powers as a sorceress to conquer new lands and crush all opposition to her rule.

Willow™ (Will-O)

Willow is a Nelwyn (NELL win). Nelwyns are little people. They work hard and mind their own business. Then Willow finds a Daikini (Dye KEE nee) baby. Daikinis are big people. Willow must save the baby from Bavmorda's evil through love, courage, determination, and magic.

High Aldwin™

(Hi ALL dwin)
Willow asks this wise and powerful sorcerer what to do about the baby he has found. The High Aldwin gives Willow magic acorns and words of advice that help him in his quest.

Madmartigan™ (Mad MART i gan)
On his journey, Willow meets Madmartigan. He is an outcast Daikini warrior who only cares about himself until he becomes Willow's friend.

WHO'S WHO IN WILLOW'S WORLD

Brownies™ (BROW neez)

In a magic forest, Willow meets Brownies named Franjean and Rool (Fran JEEN and Rule). They become Willow's tiny traveling companions. Sometimes Willow wishes they would have stayed home.

Razel™ (Rah ZEE el)

Razel is a good sorceress. Many years ago, Bavmorda cast a spell over her so she couldn't use her powers. Willow needs Razel's help to keep the baby safe, but first he must free her from Bavmorda's evil spell.

General Kael™

(GEN er ul KAY el)
He is Queen Bavmorda's powerful, trusted military leader—a fearsome warrior who commands the evil Nockmaar (NOCK mar) army.

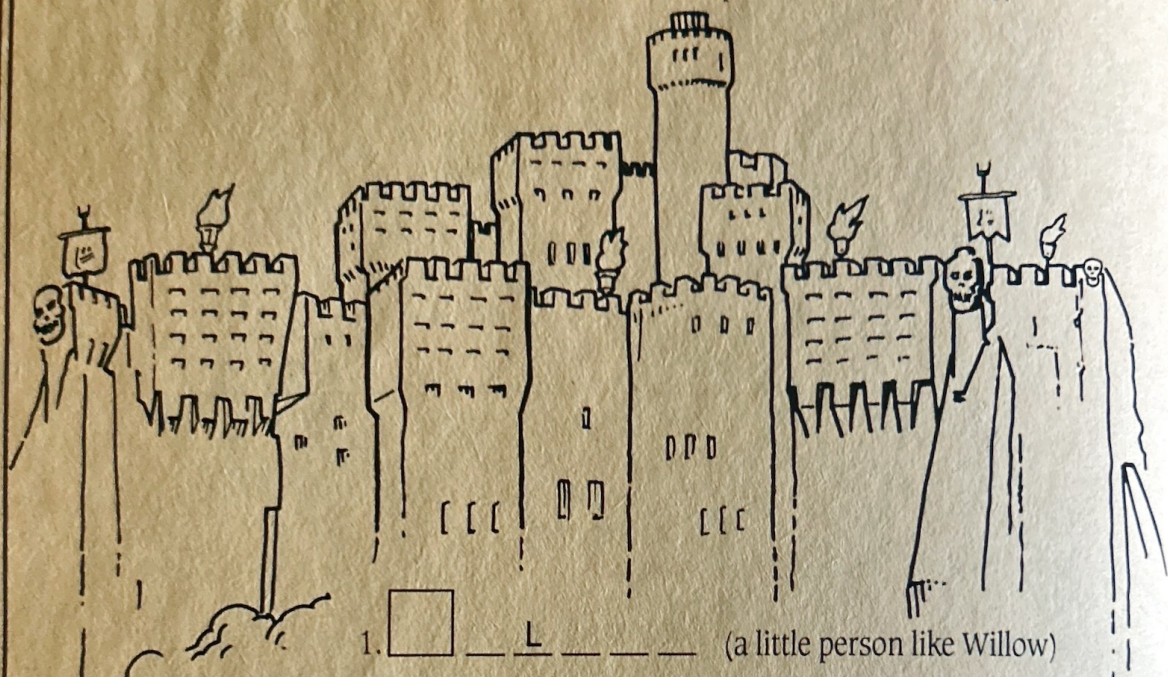

Sorsha™ (SORE sha)

Sorsha is the beautiful daughter of Queen Bavmorda. She is a trained warrior who commands her mother's evil army as they search for the baby that Willow is protecting.

ICY ESCAPE

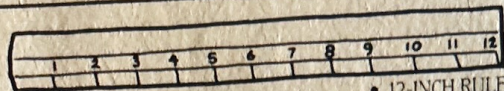

Willow, Madmartigan, and Elora Danan are captured by Bavmorda's troops. There is only one way out of the Nockmaar camp. Color this picture fast, scary—and COLD!

CUT A MAGIC WAND IN HALF, THEN PUT IT BACK TOGETHER AGAIN... LIKE MAGIC!

MATERIALS YOU WILL NEED:

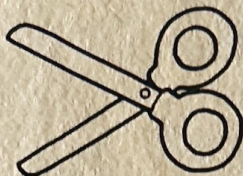

• CRAYONS

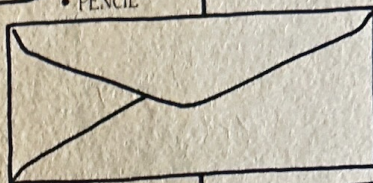

• 12-INCH RULER

• PENCIL

• SCISSORS

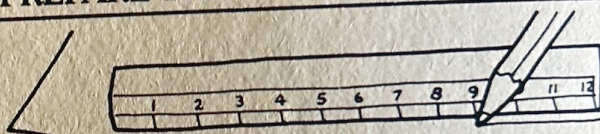

• LETTER-SIZE ENVELOPE

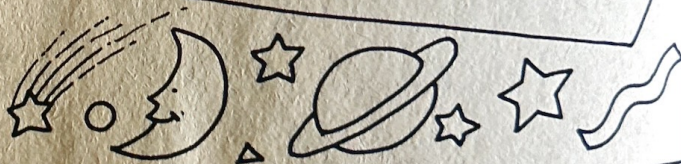

• CONSTRUCTION PAPER

HOW TO PREPARE THE TRICK:

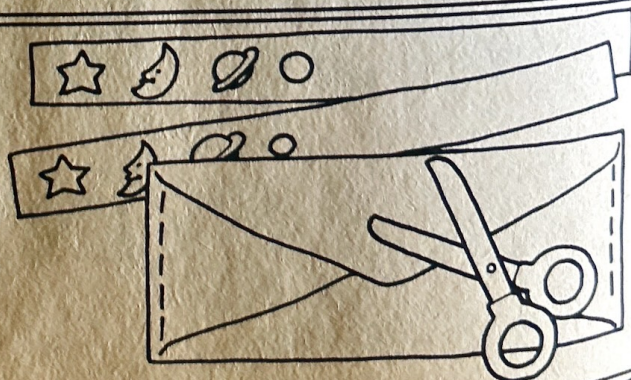

1. To make your magic wand, draw a line around a 12-inch ruler on a piece of construction paper.

2. Color one end of the wand with stars and magic signs (like moons and stars).

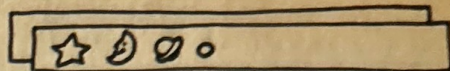

3. Now make another wand exactly like the first one.

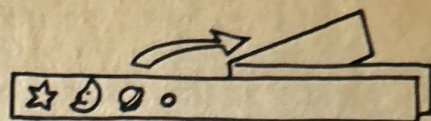

4. Make a slit at each end of the envelope as shown. Make the slits wide enough for your wand to pass through easily.

HOW TO PERFORM THE TRICK:

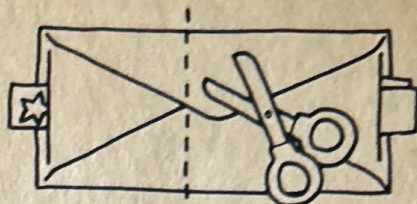

1. Put one wand in front of the other with both decorated ends on the same side. Fold the decorated end of the wand back (away from you) as shown. (Be sure that the folded wand is hidden behind the end of the wand that is NOT decorated.)

2. Announce that you are going to cut your magic wand in half, then put it back together again by magic. Hold the envelope in front of you. Say some magic words (Willow says "Whuppity bairn deru, deru!") Then insert the wands as shown.

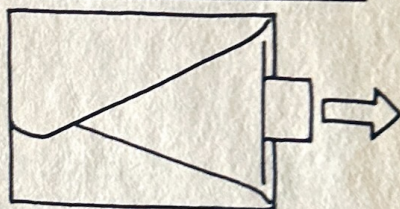

3. Using a pair of scissors, cut the envelope in half. (Be sure to cut toward the decorated end of the unfolded wand, so you don't cut the folded wand that is hidden!)

4. Hold the two halves of the cut envelope apart for your audience to see.

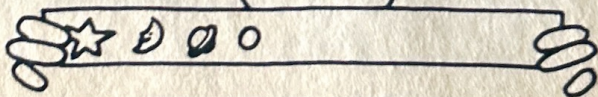

5. Pull the decorated end of the wand out of its half of the envelope. Drop the empty half of the envelope on the floor. Put the decorated end of the wand into the other half of the envelope that is holding the folded wand.

6. Say a magic word and pull the folded wand out through the slit in the envelope, making sure it unfolds. Be careful to keep the two pieces of the cut wand hidden in the envelope as you drop it on the floor.

7. Hand the whole wand to your audience so they can see that you put the cut wand back together again...by magic!

8. Willow practices his magic tricks. So should you. Practice this trick several times before you try it on your friends...Who knows? Maybe you'll grow up to be the High Aldwin of *your* village!

OOPS! WHAT DID WILLOW JUST TURN RAZIEL INTO?

Raziel is the good sorceress who is trying to help Willow.
But long ago, Bavmorda turned Raziel into a possum.
Before she can battle Bavmorda, Willow must turn Raziel
back into a human again.

Connect the dots to see
how Willow's magic goofed!

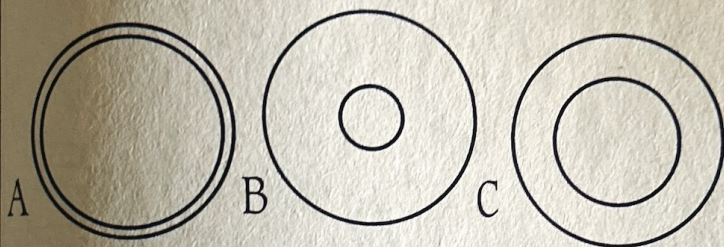

KAEL HAS CAPTURED ELORA DANAN.

WILLOW MUST SHARPEN
HIS WITS TO SAVE HER...

Soon Elora Danan will be in the clutches of Queen Bavmorda!
Willow must sharpen his wits so he will not be fooled by her evil trickery.
How sharp are *your* wits? Try these brain teasers...

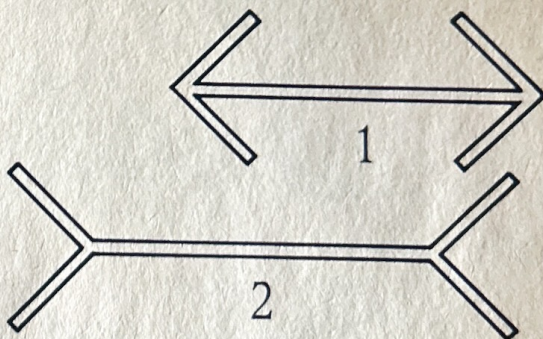

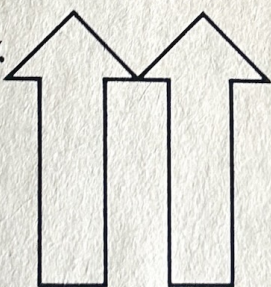

1. Which circle is largest?

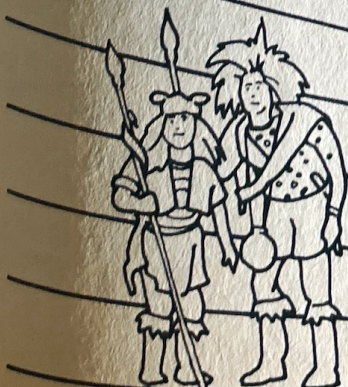

3. Which line is longer?

2. The missing arrow.

Adding only two straight
lines, can you make a
third arrow just like the
two in the picture?

4. Which pair of
Brownies
is taller?

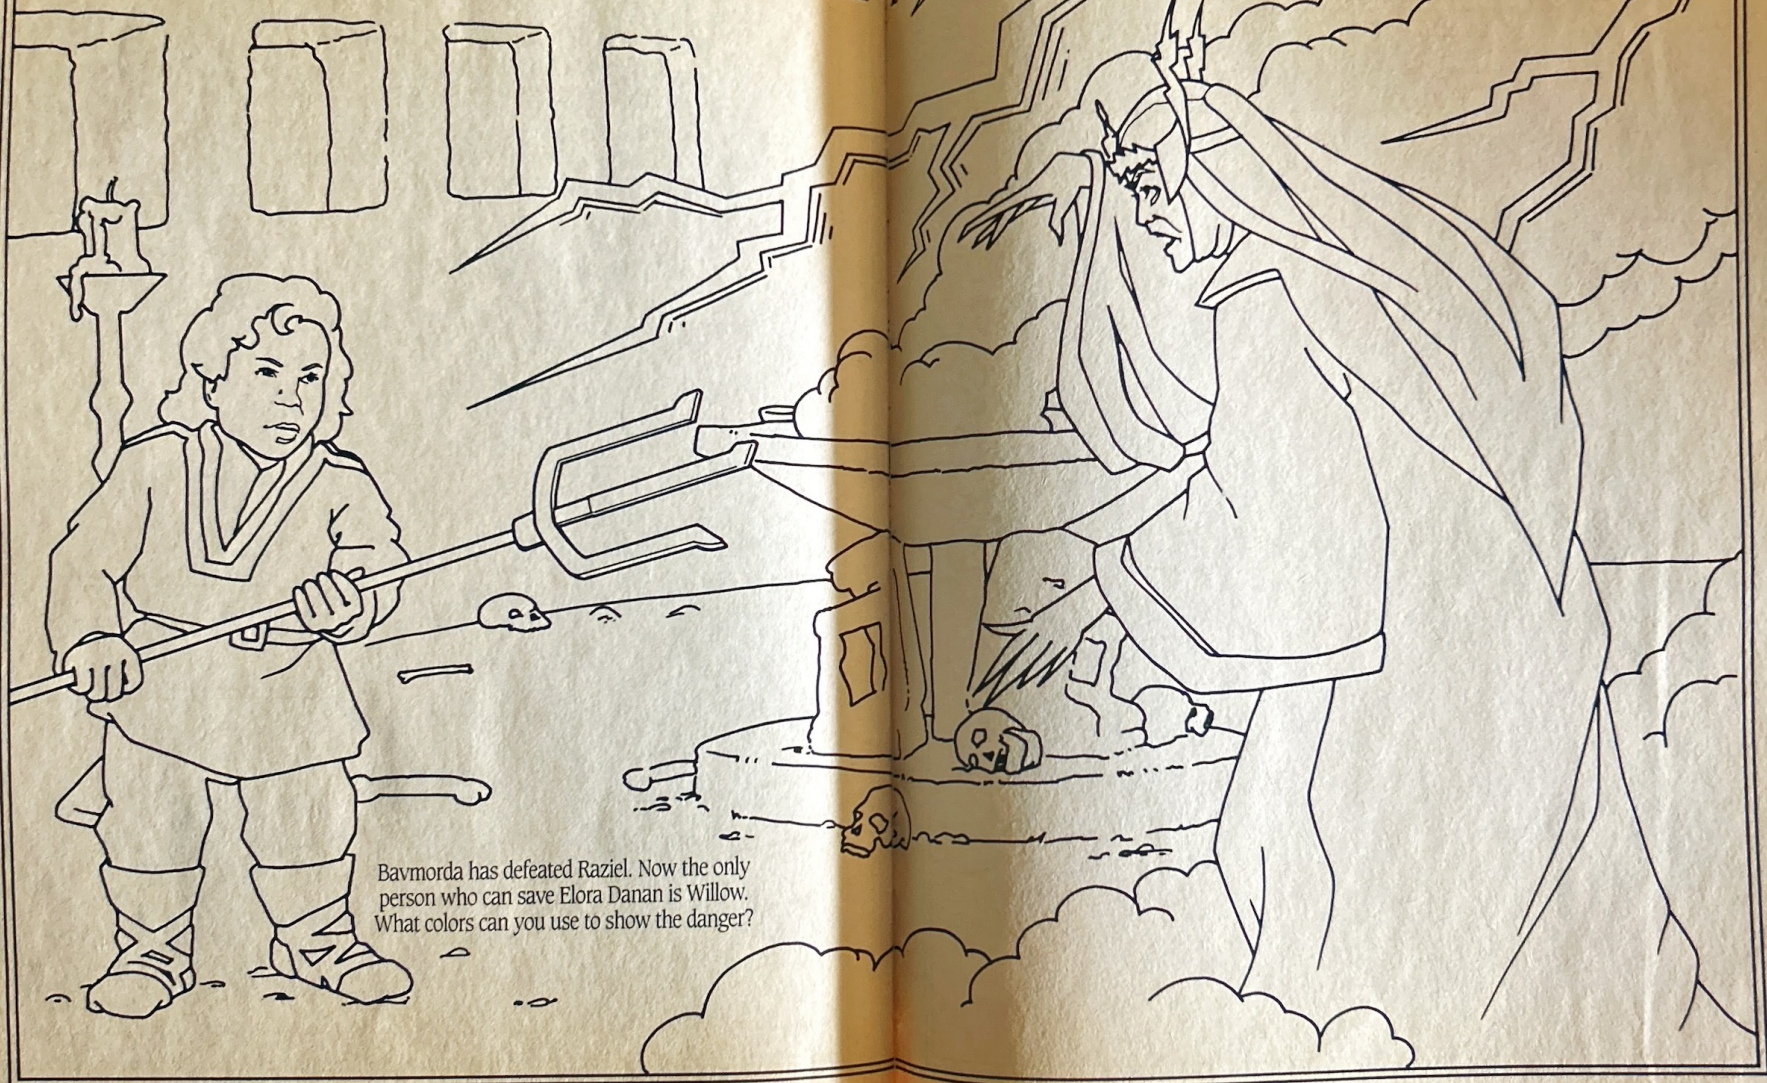

A

B

Answers: 1. All outer circles are the same size. 2. Lines 1 and 2 are equal. 3. Lines 1 and 2 are equal. 4. A and B are the same size.

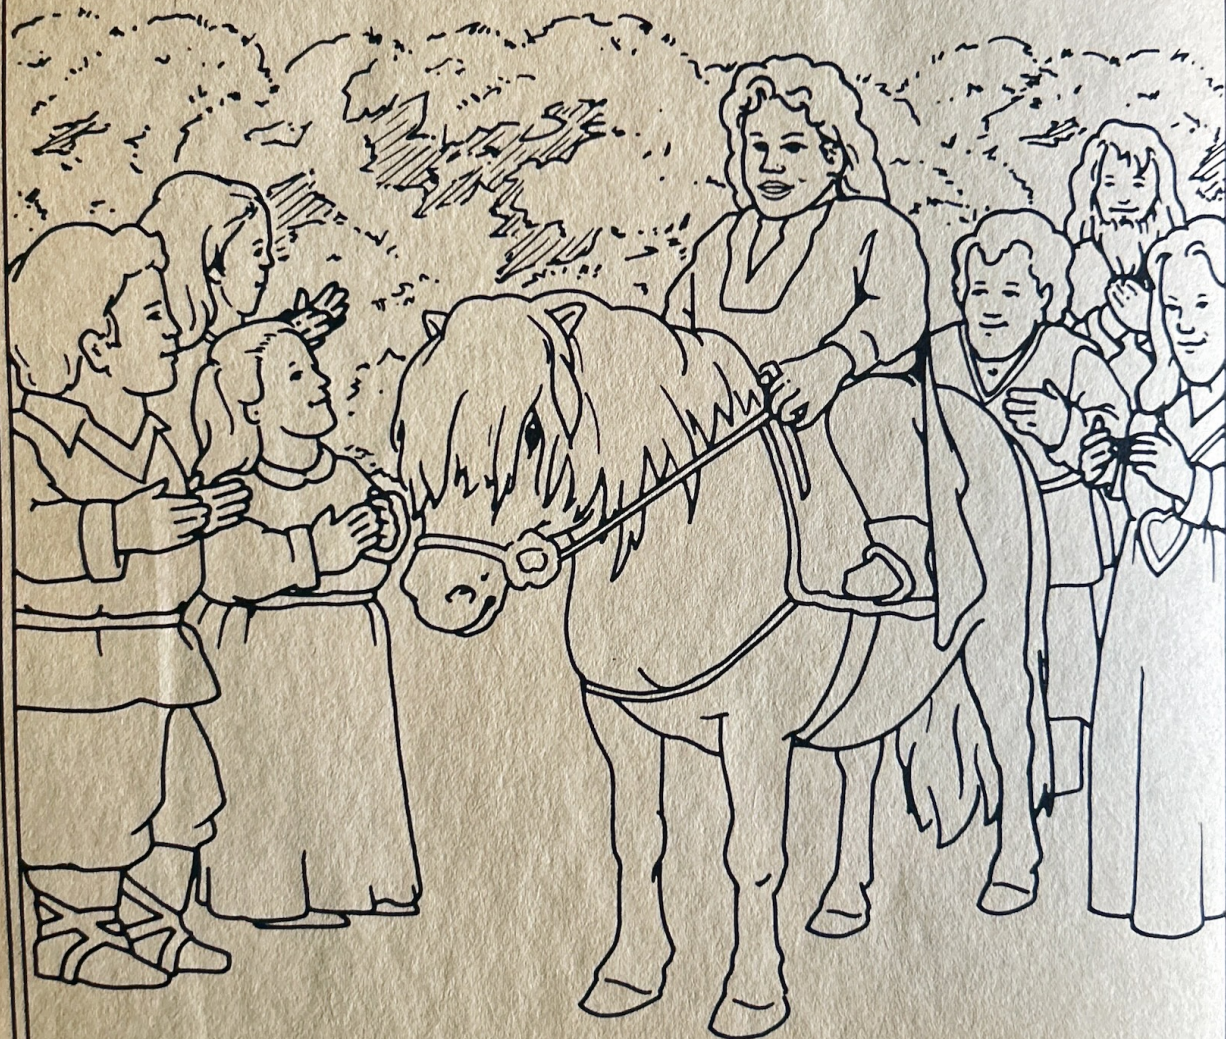

SHOWDOWN AT NOCKMAAR CASTLE

Bavmorda has defeated Raziel. Now the only person who can save Elora Danan is Willow. What colors can you use to show the danger?

SOMETIMES LITTLE PEOPLE ARE THE BIGGEST HEROES OF ALL!

What kind of magic did Willow use to overcome Bavmorda's evil power?
The most powerful magic of all...Love, courage, and determination. It can
work wonders for you, too!
