FORM8

Football fantasy for the Premier League with a weekly prize pool

Each week you pick a team, enter the round,
and compete for a pool funded by player entries.

x @Form8HQ

problem

The market already exists. A real weekly prize does not.

10M+

registrations in official Fantasy Premier League

Free leagues: familiar game, almost no real payout each week.

Or a rare prize once a season for a tiny top group.

Or products with a totally different game on top of football.

product

Familiar, simple football fantasy. Weekly prize pool.

Pick your team for the week. Enter. Finish high.
Share the pool built from entries.

Game	Formation, players, captain. One team per week.	simple
Entry	5 USDC to join. Pool grows with every player.	weekly
Payout	Top 10 of the round split the pool.	top 10

one week

Four steps.
Then you watch the matches.

1 · Pick Formation, squad, captain	your team
2 · Enter Register for the round	5 usdc
3 · Compete People vs people. No bookmaker edge.	ranking
4 · Claim Top 10 take their share of the pool	prize

business

Clear split on every entry.

player pays	prize pool	platform
5	4	1
USDC per round	USDC from each entry	USDC fee

Winners: top 10 of the round.
Revenue scales with weekly entries.

why solana

Onchain so the pool is honest.

fixed onchain
Every squad and entry timestamped on the contract
Prize pool size visible, not a black box
Claims paid in USDC on Solana
