[Patent attorney]  
[Name]NAKAMURA, Miki  
[Fee-related information]  
[Deposit account number]439668  
[Payment amount]110000  
[Purpose of request for trial] This invention which cancels an original decision asks for the appeal/trial decision that it shall patent.  
[Reason for the request]Although an original decision is based on the Reason described in the notice of reasons for refusal as of Reiwa 1(2019) June 11, since the Reason should be reversed, it does not escape cancellation. The "Written Amendment (Formality)" submitted later on is described for details.
