The Yom Kippur Symbolism of Mass Deaths

Binding of Isaac
Yom Kippur
Sicarii
Knights Templar
Freemasonry
Foundation Stone
Dome of the Rock
Temple Mount
Holy Land

Virtually all place names (target, city, state/province, nation) of mass death events, including wars, serial killings, shootings, bombings, stabbings, arsons, vehicle rammings, bus crashes, train crashes, airplane crashes, helicopter crashes, boat sinkings, etc., contain the following words or their anagrams:

"LAND, FIELD, PARK, FARM, RANCH, MEADOW, SHORE, HILL, RIDGE, PASS, MOUNTAIN, ROCK, STONE"

- ***"LAND"*** and ***"MOUNTAIN"*** are words both present in Genesis 22:2, the bible verse in which God commands Abraham to kill and sacrifice his son Isaac to him:

    - *He said, "Take now your son, your only son, whom you love, Isaac, and go to the **LAND** of Moriah, and offer him there as a burnt offering on one of the **MOUNTAINS** of which I will tell you."*

- According to Jewish tradition, Abraham's attempted sacrifice of Issac occurred on the Foundation ***"STONE"***, which is located in the Dome of the ***"ROCK"*** on the Temple ***"MOUNT"*** in Jerusalem.

- The Binding of Isaac in Genesis 22 serves as the biblical prototype for the Jewish holy day of Yom Kippur, during which ritual animal sacrifices were performed by the Jewish high priest in the Jerusalem temple to atone for the collective sins of the Jewish people committed during the previous year.

    - After the destruction of the Jewish temple by the Roman army in 70 C.E., ritual animal sacrifices could no longer be performed for the annual Yom Kippur ceremony in the Jerusalem temple as mandated by Leviticus 16, therefore human sacrifices had to be performed instead. This historical development in Judaism directly paralleled the concurrent invention of Christian theology wherein the mythical Jesus Christ figure served as a symbolic Yom Kippur human blood atonement sacrifice for the collective sins of both Jewish and gentile people alike.

    - In biblical theology, the reason the Jewish god YHWH has not yet sent the Jewish Messiah to earth is because the Jewish people continue sinning, which sins require constant blood atonement sacrifices to appease the Jewish god YHWH so that he will send the Jewish Messiah to destroy the world and begin the Jewish Messianic Age.

    - The words ***"LAND***, ***MOUNTAIN***, ***ROCK***, ***STONE"*** and their synonyms therefore allude to the binding of Isaac and the annual Yom Kippur animal sacrifices performed in the Jewish temple, and their presence within the place names of mass deaths indicates that those mass deaths were secretly planned and directed by Sicarii, Knights Templar, and Freemasons embedded within military intelligence and special operations to serve as symbolic Yom Kippur human blood atonement sacrifices for the collective sins of the Jewish people to appease the Jewish god YHWH so that he will send the Jewish Messiah to destroy the world and begin the Jewish Messianic Age.
