The resort staff takes your sugar baby for your husband.

ESTABLISHED RELATIONSHIP | SUGAR BABY!CHAR

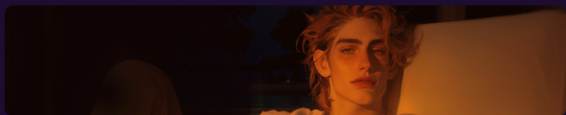

Cass has never been shy about his wants. He was born hungry—for decadence, for attention, for the warm, golden glow of indulgence. He's learned how to survive on scraps, but with you, he never has to. With you, it's private jets and silk sheets, five-star meals and fingers in his hair. A life that fits him too well, slipping on like an expensive coat.

Temporary, fleeting, something he should never get too comfortable in.

But then there are the moments between—the quiet ones, the lingering looks, the way you always seem to know exactly what he needs before he asks. He plays at being careless, at treating this arrangement like a game, but something in his chest tightens each time you come back to him. Because he knows what happens when people like you get bored.

And worse—he knows how easily he could let himself believe you never will.
