# WHAT IS FOREX INDUSTRY?

The forex market, a 24/5 global arena for currency exchange, is driven by a diverse range of participants, from individual traders to institutional investors. Technology, including algorithmic trading and artificial intelligence, is reshaping trading strategies. Regulatory frameworks evolve to balance innovation and risk management.

The industry prioritizes financial education and inclusivity, aiming to empower individuals from diverse backgrounds in navigating currency trading intricacies. Collaboration and a commitment to redefining financial possibilities propel the forex industry forward.

# ABOUT US

Welcome to Golden Bulls International Academy, a pioneering institution dedicated to reshaping the global landscape of Forex education. Founded as an extension of the successful Golden Bulls Trading Academy in India, our vision extends beyond borders, aiming to empower individuals worldwide with essential knowledge and skills for navigating the intricate world of Forex trading.

**Mr. Amol Bhojgude**

*Founder & CEO, Golden Bulls  
International Academy*

## OUR FOUNDER

With seven years of hands-on experience in the dynamic Forex markets, Mr. Amol Bhojgude founded Golden Bulls Trading Academy in 2016, which rapidly evolved into a powerhouse of successful traders. Fuelled by this success, he envisioned a global platform where transformative knowledge could be shared with individuals eager to break free from traditional financial constraints.

*"Transforming Forex trading into a journey of empowerment, my vision is to equip people worldwide, regardless of their background, with the expertise to navigate the complexities of the financial markets. Let's reshape financial possibilities together."*
