@Max Wayne i did not greenlight shit, stop spreading lies
i have more of an issue of you lying than uploading anything
and not even just this case
don't use lies about me to save yourself when you're being called out @_@
let's put it this way better: you're free to upload whatever u want, that doesn't mean i
"greenlit" it, i just don't care what people upload because that's out of my control
however it's up to clippers what kind of reputation they wanna build for themselves
saying that i gave a personal greenlight is a straight up lie

Arr, o ye o' little faith. A captin goes down with 'is ship
matey, but me ship be a stubborn one and therefore I
shall not abandoned the cause. Fer 40,000 subs a
rather large sum o' gold an' fer this here the Swarm
must be compensated. If I go down I be goin' out as
the underdog who ne'er lost hope. Arr!

So anyways, fun fact: I asked Anny a couple of times
to let me know if anything I was doing regarding
shipping content was an issue for her, there was no
issue.

yes and i never gave a response

anny  11:49

you're making it sound like that in your post so people stop attacking you

anny  11:49

i never personally said that to you

anny  11:49

we did not talk

anny  12:08

i hope we can all agree it was the right choice to talk about it here, you can judge the person for yourself

anny  12:03

We are not talking in private.

anny  12:02

Treating this like "drama" rather than caring what i have to say is crazy

anny  11:58

Bro talks like an anime villain

anny  11:57

Don't say it's a misunderstanding when you're wording it like that

anny  11:57

You made it sound like I personally gave you a "total greenlight"

anny  11:56

I said. I have no issue with what people upload because that's out of my control. I cannot control other people. This is not the issue here.

 **Max Wayne** Anny described my edits as high quality and implied I'm very talented but was puzzled

Max Wayne 10:23 PM

Maru, request from Anny permission for me for direct contact. I previously assumed everything I was doing regarding shipping had the greenlight based on rejecting my offer. If there's no issues then there's no need for contact.

Message ...

anny  12:14

Stop bringing up maru

anny  12:13

anny  12:11

bro is trying to gaslight and deflect

His behavior doesn't make me believe it was a misunderstanding lol

saying shit like "no need to contact" when i wasn't going to contact either way doesn't confirm anything just cause u threw that in

anny

dealing with clippers is not on my to do list

anny

12:16

I just simply don't have energy to talk about this stuff even if i have an issue.

anny  12:22

You're creating these issues for me

anny  12:22

I don't have to Max

anny  12:22

I don't have to

anny  12:22

That's just childish

Yep

anny  14:48

Bro completely went on with disrespect and tries to act like everything is fine

anny  14:48

For the record everything i talked about with max was here only and you guys saw it

anny While we're at it, this shit is indeed one ...

anny  13:02

I don't have to explain myself but maybe I should mention that i didn't mean shipping but people's behavior 💀

We were never friends lol, i was never even subbed to him

He's just gonna keep uploading with his other account like nothing happened

I have other sub goals up to 85k

anny  15:03

Anyone who is trying to say it's cause i'm mad about shipping are stupid
