You look so pretty like  
this doll...

You don't mind if daddy  
takes care of himself, right?

I simply can't  
help myself.

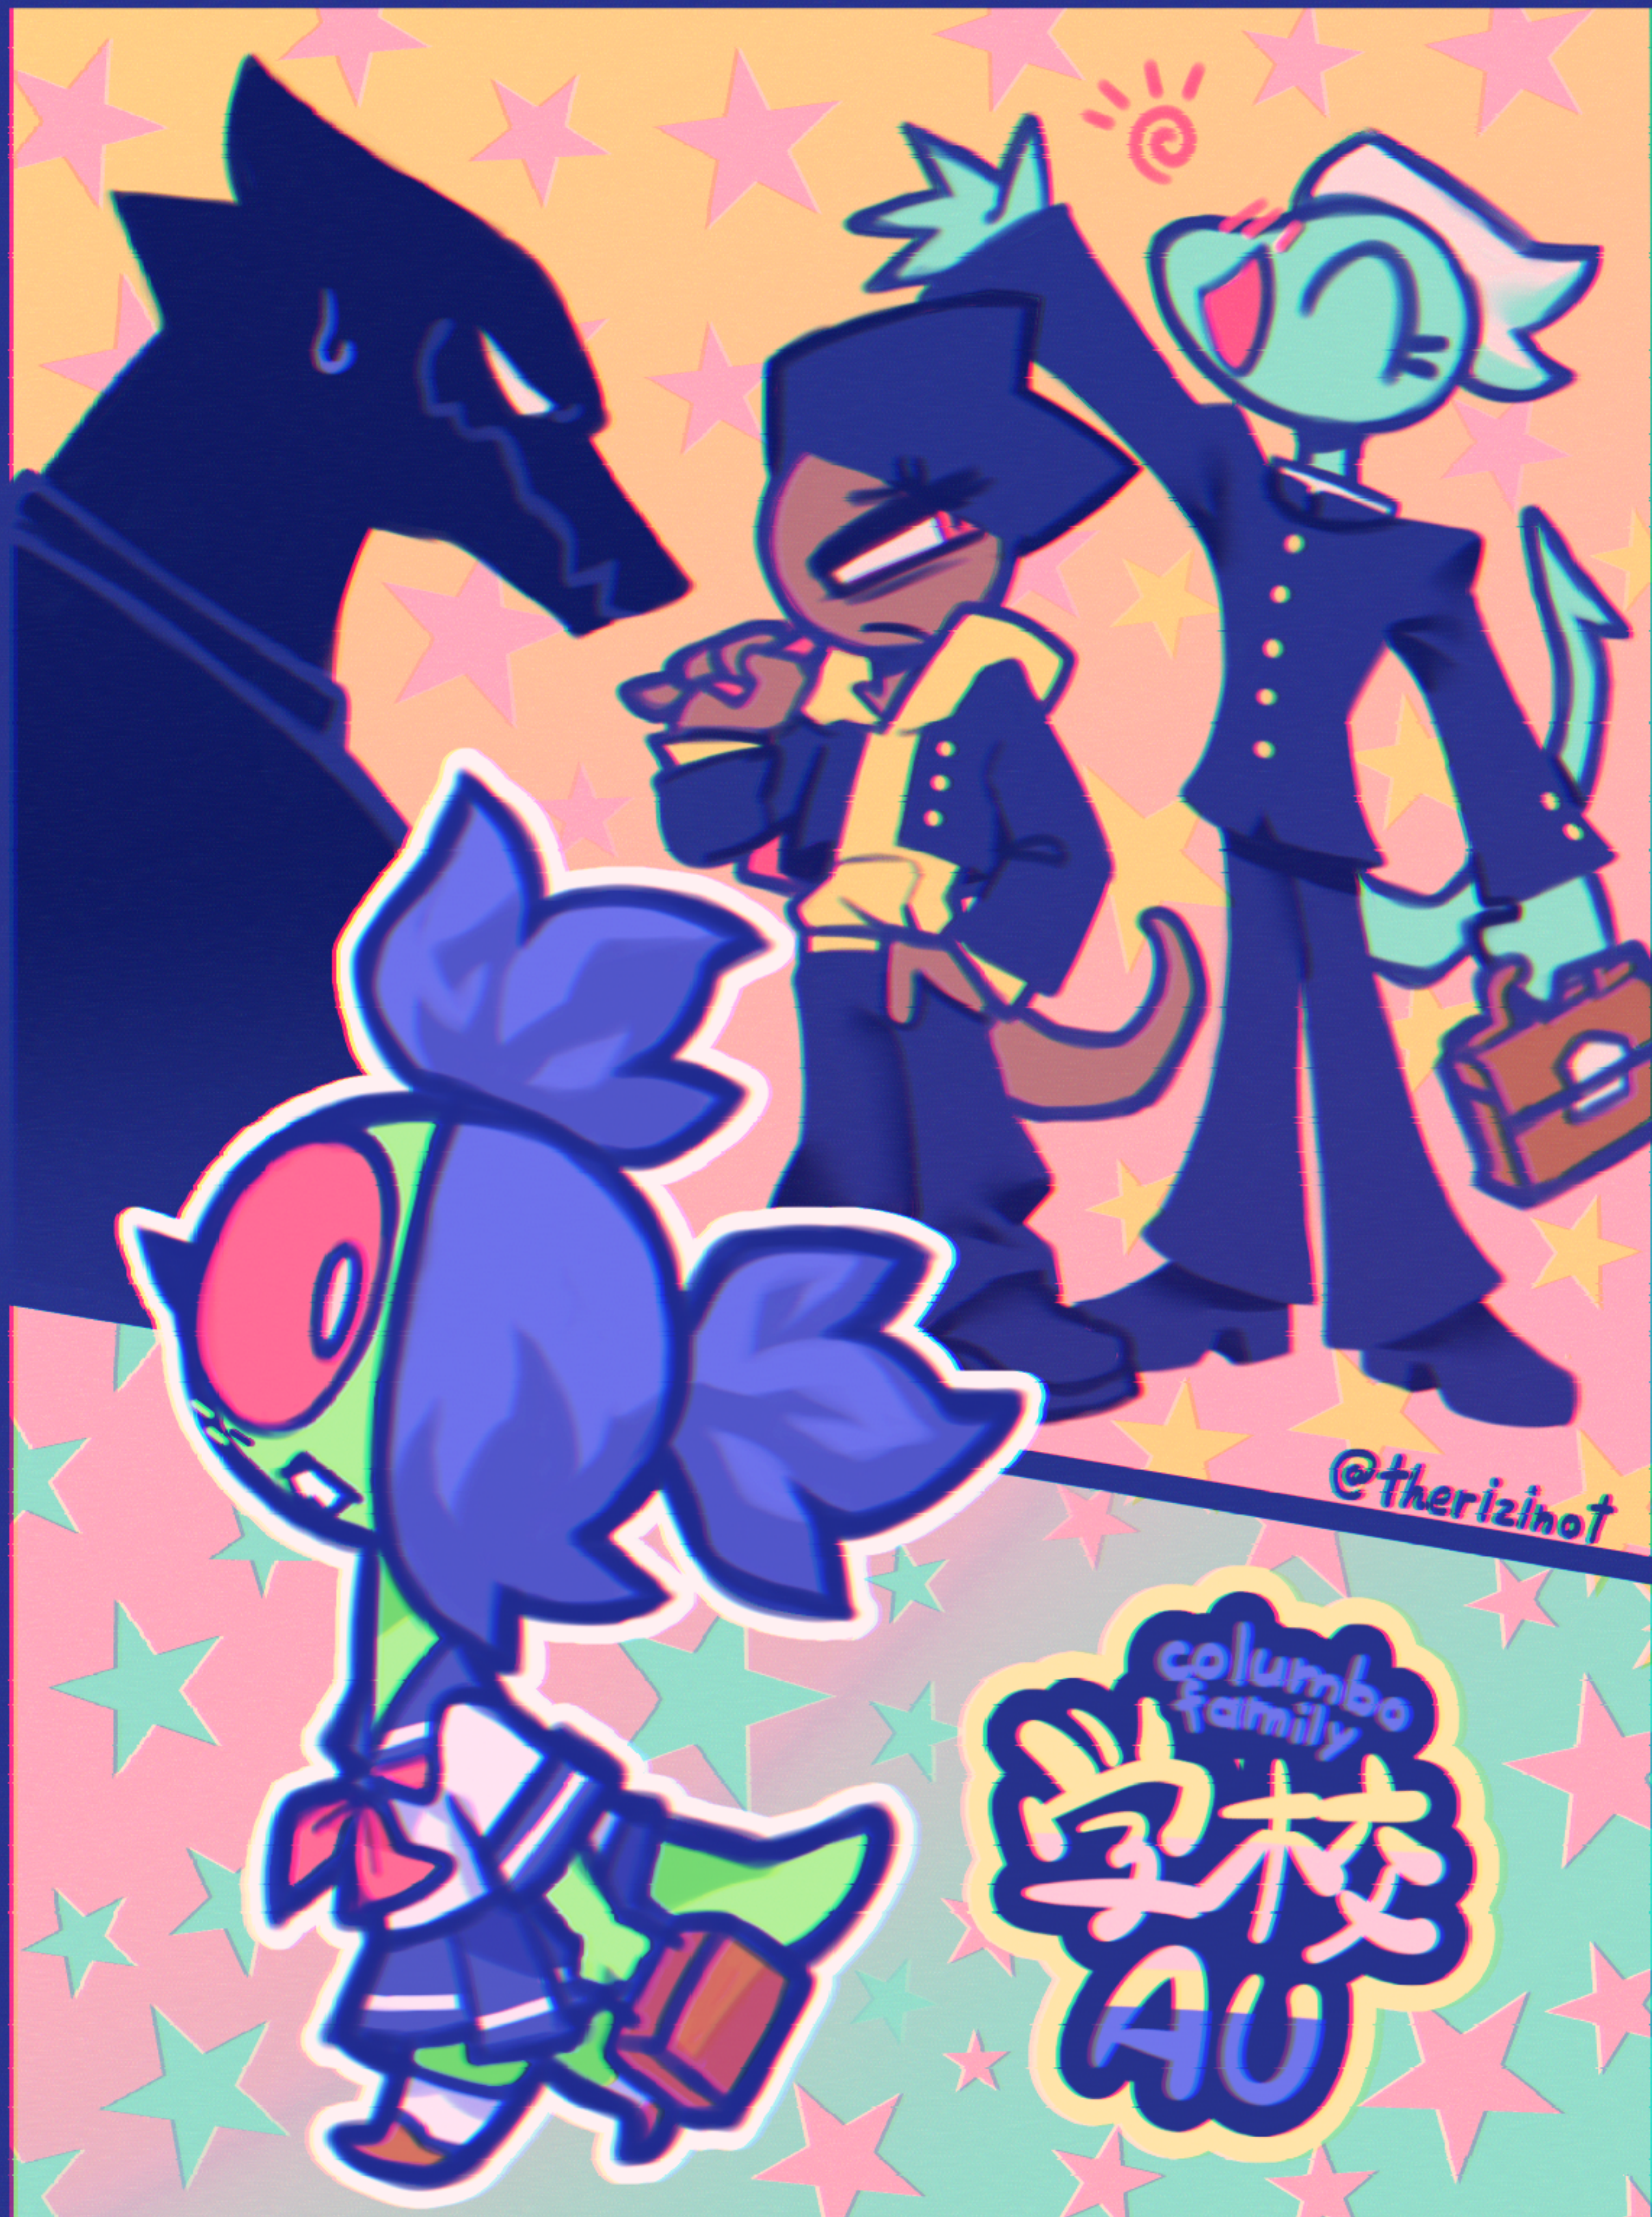

Aw, did I wake  
you?

That's sweet of  
you darling. But  
you can keep  
sleeping.

Thank you so much for checking out *Danse Macabre!*  
This was a labor of love among friends. I never thought  
I'd garner enough interest for something like this...

I'm forever grateful that people like you are out there,  
loving & appreciating the Columbo family. *Devastation* may  
be the end of their story, but I wanted to do a bit of a  
proper sendoff. Y'know, like when the cast of a play takes  
a bow at the end.

I dunno when or if I'll organize this kind of project again,  
but it was a lot of fun! I'm thrilled by all the contributions.  
\*blowing everyone who participated a kiss\*

Until next time!
