## PEDO GEGBVLL LEAKED PRIVATE MESSAGES

**PedoCoon** (now known as CompliantCoon) is an open pro-contact pedophile and giga-autist who is into brimmy cub diaper shitting antimatter. **ONE OF XIS OCs IS LITERALLY CALLED "CP"**. i got into xis inkbunny and have leaked all xis private messages.

### DATAMINE FOR JUICY INFO ON OTHER PEDOPHILES

there are many other users admitting to being pedophiles in here, as well some artists' emails and paypals, etc. that we can use for more 'oxxeralds

**AT LEAST ONE NIGGER IS TALKING ABOUT TRADING ACTUAL 'P IN HERE** (no 'p in the archive doe, jannies. just plaintext messages)

Lyrics

They say you're just a little boy, can't make decisions  
You were so brave, pop in hand, had no discretion  
I don't care what they say, just wanna hold you tight  
Regardless what they say, our love is so bright

[Chorus]

I kissed a kid and we liked it  
Yes we, he liked it too, bitch  
I kissed a kid and he loved it  
I have no boyfriend to mind it  
They say it's wrong,  
But they ain't right  
Damn right, I'm in love tonight  
I kissed a kid and we liked it (we liked it)

They say they know what's best for you, but they don't matter  
All of them can go fuck themselves, make a cum splatter  
They tell you what to do, say how you should behave  
They want you so confused, you to obey

[Chorus]

We have so much good, naughty fun,  
Even though you are now so young  
I don't resist, you're touchable  
I ain't gon' deny it,  
You're enlightened, not ignorant

[Chorus]

"How hey there master pedo why are you so full of wife"  
I'll smuggle you my dialing and then I'll let you know  
There are so many people in this world who wish us harm  
But still we'll rise above them, Yeah we are the shining stars

Arms showed us their true colors and their willingness to kill  
I showed it to myself I would not let our blood spill  
So many of us have died and what good has it done?  
When they see us as evil they just think they fucking won

But together we are strong  
Yeah together we are strong  
No need for one star armies with each other all along

And they claim that facts and reason are the name to their game  
How exactly does that bubble? Please can you explain?  
They call us sick and twisted for that which we did not choose  
Some beat their children even and still that say we abuse

But together we are strong  
Yeah together we are strong  
No need for one star armies with each other all along

Still together we are strong  
Yeah we're so fuckin' strong  
So join with us young fucker yeah we found where we belong

"How come tell me master pedo what brings all this hope to them"  
Well I know the day will come even if it comes after me  
But if we do not fight I know we will just die  
And later ever more of our lives to the board lay

But together we are strong  
Yeah together we are strong  
No need for one star armies with each other all along

Together we are strong  
and we'll fight against the wrong  
So stand with me my comrades cause together we are strong  
Yeah stand with me my comrades cause together we are strong

**ALSO HE FUCKING MADE SONGS ABOUT BEING A PEDO. LISTEN TO THIS SHIT, NUSOIS** though

Would you be willing to give me an email that you actually use?

Sure! It's KTCopache@gmail.com . A very original name! I'll be open to IMing too if you'd like.

Yes, that email works. Or this new one too: [pedocoon@protonmail.com](mailto:pedocoon@protonmail.com)

There is a lot of plushies I'm guessing I probably have like 20 to 30 of them if I count the ones I left at my dad's house. Sadly he got rid of my biggest one. A huge dog that's like 3 or 4 feet tall. I suppose I do also have a collection of furry porn that I never look at. (1822 images.) I used to have my desktop cycle through them, but now it just cycles through a couple of cute ferret pictures.

There's this one YouTube channel I've been watching: <https://www.youtube.com/watch?v=5L4PERKGT7s>

I've been wanting to get into racing games lately, but I only have a keyboard and serious racing is pretty hard to do with it. So I'm settling for just watching this guy's videos. Maybe someday I'll get a controller or a racing wheel.
