WHY DO SEVERAL CHARACTERS HAVE BLUE EYES? WARDEN, DRAGON, AND RO HAVE BLUE EYES. PS LOVE YOUR WRITING

Aw thank you!

Blue eyes are representing a person ties to the heavens. So, Ro's blue eyes are a very particular blue, like azure. Super unique compared to regular blue eyes, it represents his favor with the heavens, basically he's super loved. While Isra's blue eyes represent the exact opposite, showing that she fell out of favor, with the heavens. Warden's eyes are tied to severed ties with the heavens, being more icy blue/turquoise. With humans if they have blue eyes, it also tied to being severed from the heavens, but not as negatively.

WHO HAS THE SADDEST BACKSTORY?

It would be a tie between Isra (Dragon) or Lyra (Angel). They're both my favorite back stories tho. If I had to pick between them, Lyra's backstory, simply because her "suffering" lasted the longest and she suffers the most from it. Would say Dante too, but Dante barely remembers his past.

IF YOU MET ANY OF YOUR CHARACTERS, WHO WOULD BE THE MOST FORGIVING?

Funny enough, Dante. He'd have questions but be the most understanding. He'd be the least angry with me.

On the opposite side of the spectrum, Lyra would HATE me. She's putting her hands on me, no questions, straight boxing, and I'm losing.

MOST INFLUENTIAL CHARACTER WITHIN THE TSTT UNIVERSE?

Venus, Ro, and Isra are pretty impact. With Warden being the less influential character. Which is lowkey sad.

WHY DOES THE WARDEN WEAR A MASK?

So that he can be remembered. The void or shadows are so engrained into everyday life that they are often forgotten about.
