7, 6, 5, 4, 3, 2, 1 ... 18th IVV Olympiad!!

Still time for the chronic procrastinators among you to join the Pacific Region contingent heading to San Antonio. We are now 64 strong representing Arizona (10), California (40), Hawaii (5), and Nevada (10). Register at <https://ivvolympiad2023.org> for the Olympiad Pass or Daily pass(es).

Volunteers Still Needed

If you haven't had a chance yet to sign up, please take a minute and look over the list of opportunities available. If you indicated you would be interested in volunteering on your Olympiad registration, that doesn't assign you a job. You get to pick the jobs you are interested in and the times that fit your schedule.

Also, you can sign up for more than one slot at a time. You don't have to hit the "Save & Continue" button until you have selected all the slots you are interested in. That way you only have to enter your information once.

Please contact Susan Pinneke, Volunteer Coordinator, if you have any questions. susanpinneke@gmail.com

Check Your Club Home Page

The Edit/New summary table on club home page gives you a quick summary of activity for your sanctions in the edit buffer. Current totals in Pacific Region shown below. Check your club home page to see if you are part of these numbers.

Edit/New Type	Need to Make Public	Need to Req Approval	Have Errors	No Changes	Awaiting RD Approval
NEW	-	1	0	-	0
EDIT	6	1	1	3	0
RENEWAL	-	0	0	-	0
RESURRECT	-	0	0	-	0

If you have event(s) in the **Need to Make Public** column recent changes are not publicly viewable. Upon completing the editing of an event, click on the **Save/Review** button. If the event is not missing critical data (no errors), a "Publish" or "Req Approval" button will appear at the top of the review page.

If Publish button appears, the club must click on it to make their changes publicly viewable.

Publish (make public)

If a **Req Approval** appears (due to changing the event city, state, or start/end date), the club must click on it to get RD (and applicable State Association) approval. Once the event is approved, the event changes will automatically be made publicly available (no further action required by club).

If you have events with **No Changes** in your edit buffer and you don't need to make change, click the Rescind Edit button next to the event. This removes it from the edit buffer and no changes are made to the public listing. You can also use the rescind edit button to discard any changes you made but do not want to make public or request approval.
