Who would be the older sibling in the family? Ashe or Sin? /gen
I don't wanna get ages mixed up sfljdkfdjfskflkj

I SEE YOU ! 09/16/2023 9:32 PM
sin is a little baby so ashe

Charón 09/16/2023 9:32 PM
Gotcha. 👍
I'm still debating on how old Ashe is currently, they are a "child in an adult's body" so I was thinking maybe between 16 to 18? Cuz their slightly older version is in their early 20's.
I will be reworking some of their lore and backstory later but yeah.

I SEE YOU ! 09/16/2023 9:34 PM
sin is around 3 to 5 months, still fresh outta the wo-

Charón 09/16/2023 9:37 PM

I feel like it's more of a literal cabbage patch situation (or in this case pumpkin patch)
But Vippy had to plant the seed that had Sin after the uhhhhhhh

y'know i always had a way of how pumpkin heads reproduced but considering mal and vippy are basically a interracial couple things are different here

Charón 09/16/2023 9:40 PM

I mean

Mal's a Demon.

Demons do find ways

I SEE YOU ! 09/16/2023 9:41 PM

originally if two pumpkin heads wanted to scaddle scadoo

Charón 09/16/2023 9:41 PM

at least Mal would

I SEE YOU ! 09/16/2023 9:41 PM

they just had to mwa, hold hands for 30 seconds, and boom lil seed of child in their hands slowly turns to mal

Charón 09/16/2023 9:41 PM

Mal shares his Demon magic with Vippy.

I SEE YOU ! 09/16/2023 9:42 PM

google, whats the name of a male succubu

Charón 09/16/2023 9:42 PM

INCUBUS

DUDE ONE OF MY FRIENDS SUGGESTED I MAKE MAL AN INCUBUS FOR MY AU

I SEE YOU ! 09/16/2023 9:42 PM

me rn hearing this

Charón 09/16/2023 9:46 PM

Mal is a Vampiric Demon in Odyssey of Demons, right?

I SEE YOU ! 09/16/2023 9:46 PM

yea

Charón 09/16/2023 9:48 PM

He was able to siphon some power from Kami cuz of it.

I think he's an Incubus who feeds off attention from being an entertainer as some kind of Demon Magician.

I have a thing where Incubi and Succubi can also feed off sensual energy, since some in my books are asexual.

I SEE YOU ! 09/16/2023 9:49 PM

thats

actually really good

Charón 09/16/2023 9:50 PM

YEAH.

So you can have those who like both, those who like sexual energy only and those who like sensual energy only.

Rosa's mum was the kind who liked both, but found sensuality to be more appealing, for example.

And sensuality is like, stuff you find pleasure in, like going on walks, etc etc just to clarify slkdfjdlkdsjf

I SEE YOU ! 09/16/2023 9:53 PM

im eating this up like i was chained dog to a pole just being freed and given food

Charón 09/16/2023 9:53 PM

SKJFDSKJFHDSFKJH

Yeah I wanna keep some classical aspects for some Demons but at the same time I also wanna keep it PG-13 as well.

So yeah, Mal being an Incubus... actually makes a lotta sense now.

I SEE YOU! 09/16/2023 9:55 PM

so basically

Charón 09/16/2023 9:56 PM
Mal being in Vippy's presence is enough to share his energy and cause a bud to sprout lol

I SEE YOU ! 09/16/2023 9:57 PM
vippy seeing mal then looking down at his hand to notice a bud sprouting
