I was able to buy the roblox account off of her: kevinmmmmor
Yes, it was legit until she havent gave me my 2 other orders I had gave her 2
steam gift cards with my own BIRTHDAY money.

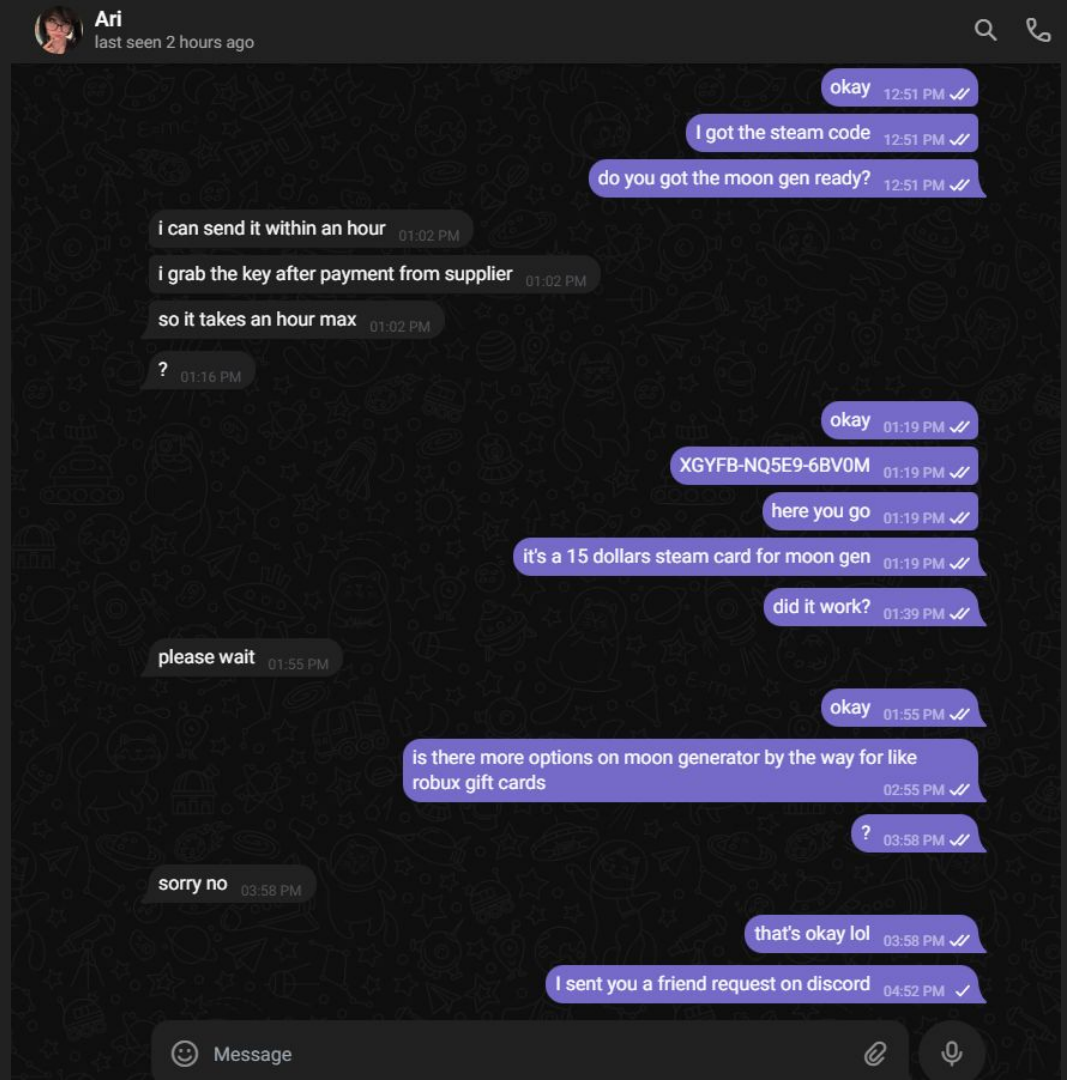

And then.. Her discord account got
deleted so i found her group on
telegram!

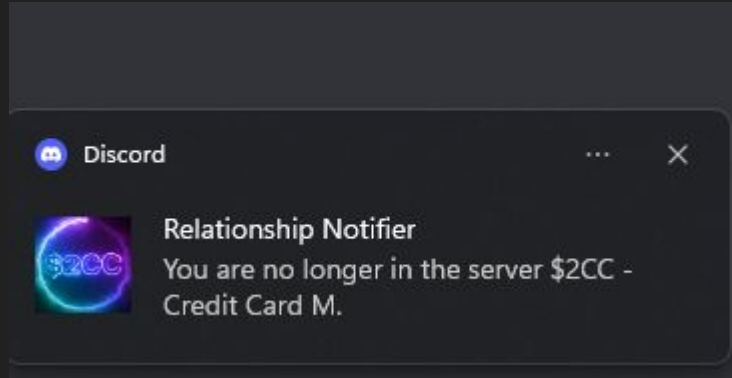

Stage 2

TELEGRAM :/

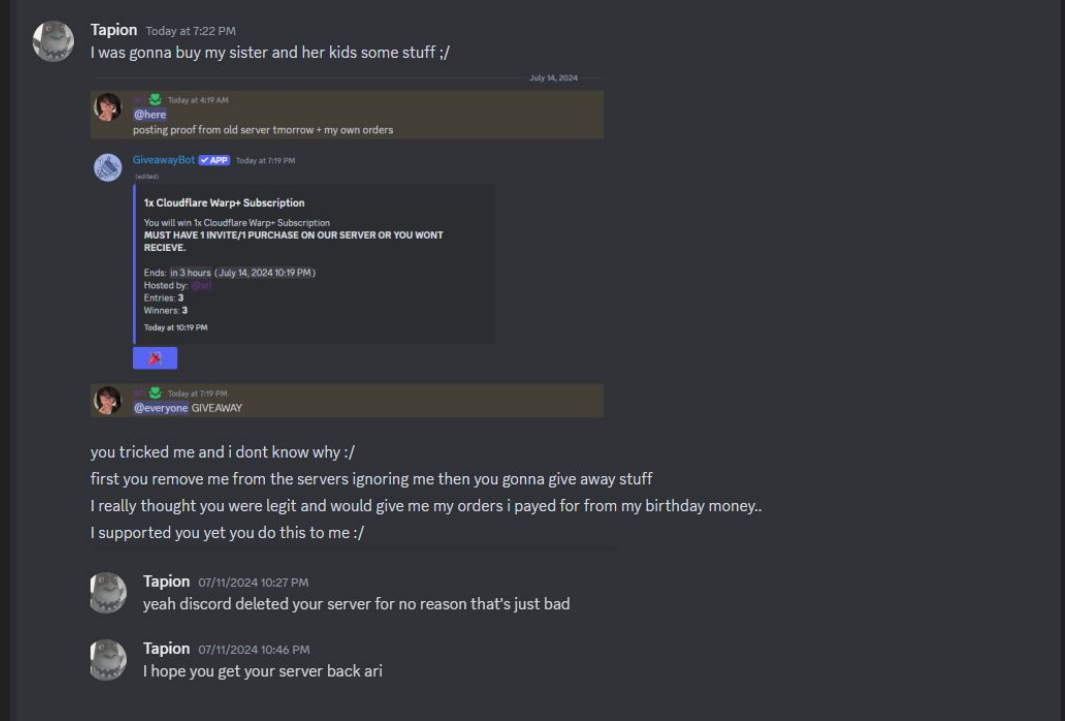

With the money, I had good intent! One, buy my sister and her kids toys and new devices since they're basically living in an apartment and I want to get them out of there, I only go on doxxbin for good intentions!

STAGE 3.. LEAVE LEAVE LEAVE QUICK - ARI

She has been ignoring me the entire time she's been online, I never got my 100 dollar amazon account which was 10,000 in it she just took it + 15 to 20 USD for a stupid steam card for moon generator!

The page lists features like 100% uptime, 24/7 support, and a 10-day money-back guarantee. Final Thoughts for this chapter!

Ari, you're a sick person.. You call me "R*tarded" for exposing you. Everytime I post you for being a scammer you hide your links and ban alot of people in your server from paranoia, you're a little COWARD.. LOL

I have bots that auto detect your links so if you ever post on doxbin again I'll know and I'll have some spys come into your server

OH BTW THE PEOPLE YOU BANNED WERE NOT MEEEEEE YOU BANNED INNOCENT PEOPLE.. That's a bad image for you =)

YOU WILL DIE NOT KNOWING WHAT THIS POWER IS!

Okay, so this ARI person scammed another person thankfully they've seen my post and SCREENSHOTTED EVERYTHING!

This guy has been buying things from ari for about 3 weeks by now, first amazon gift cards which always declines! Second week a credit card LOL which has OPT then this week he bought a linked card which ari promised to give him 500 USD within it for a 50 DOLLAR GIFT CARD LOL WHICH which he sent me screenshots since I did upload on doxbin about her

This is proof this is her! I thankfully THANKFULLY posted a few days ago about her on doxbin and CAUGHT this person, but thankfully I've grown a server, Ari.. I'd personally stop going to doxbin now for what is gonna happen. Ari, you ghosted me last year. Scammed me by kicking me out of your server and blocking me. You did the same thing to this guy and you're COOKED cause now there is evidence of you being a scammer LMAO!!!
