

Discovery Tales

Chapter One: The New Kid

Part One:

Mr. Bennet: Good morning, everyone I want you to welcome a new student joining us, Bartholomew, he just moved from another country, and I'm sure he'll be delighted to be friends with all of you, remember to treat him well and make him feel welcomed

Mr. Bennet: (whispering) would you like to introduce yourself to your new classmates?
Bartholomew shake his head negatively
Mr. Bennet: you can take your seat now mister Wright

Oliver: hey Kyle he looks very shy
Kyle: oh no, if we don't help him, he may don't make any friends
Oliver: Don't be so dramatic he'll have the entire year
Bartholomew: I almost forgot to mention. Did you got familiar with the school grounds yet?
Bartholomew: no
Mr. Bennet: any volunteers to take him for a tour during recess?
Kyle enthusiastically raises his arm
Mr. Bennet: great

After the class ends Kyle approaches Bartholomew:
Kyle: Hello! I'm Kyle, do you wanna do the tour now or do you prefer after the classes?
Bartholomew: Good to meet you Kyle, I prefer do the tour now
Kyle: so, are you liking the school so far?
Bartholomew: yeah, looks calm and the students seems nice
Kyle: you're right most are cool I guess, except maybe Theodore he's really grumpy and it seems he doesn't like anyone – maybe you can try to approach him who knows if he likes you
Bartholomew: I'm not very good at approaching people
Kyle: that's okay, I'm not trying to pressure you – so, what subjects do you like the most?
Bartholomew: you may find me bit weird, but I really like math and physics
Kyle: you're definitely unique

The boys continue the small talk while Kyle shows Bartholomew the School grounds.
Kyle: oh no, the recess it's almost over we won't have time for lunch
Bartholomew: it's alright I'm not hungry

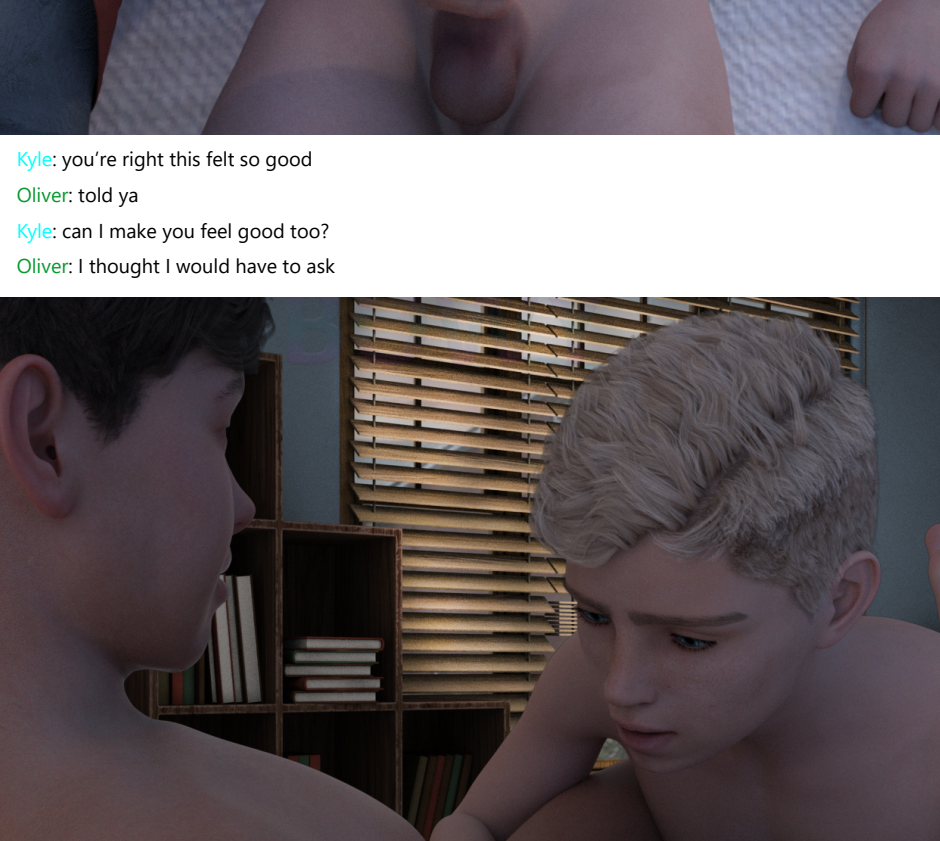

Later that day Oliver and Nathan were playing basketball on the court, when Oliver finds something interesting

Oliver: Nate! check this out – who reads magazines these days?
Nathan: wow!
Oliver: so, this is how you do it huh. I thought you were supposed to do it with girls – look all the faces there are making this seems to feel good.
Nathan: Well, if with our hands feels good, imagine like that
Oliver: uh I dunno. Feels so weird putting someone's dick in your mouth and in the butt? What if it hurts?
Nathan: this is adult stuff we shouldn't do it – do we hide it or leave it here?
Oliver: It's best if we leave it here, I can't take it home, if mom catches me with this, she'll kill me

After the school day ends Oliver, as usual, meet with his best friend.

Kyle: Ollie!
Oliver: ready to lose again?
Kyle: today I'll beat your ass
Oliver: how was it with the new kid?
Kyle: he's cool, a bit shy, but he seemed really enthusiastic with our conversation

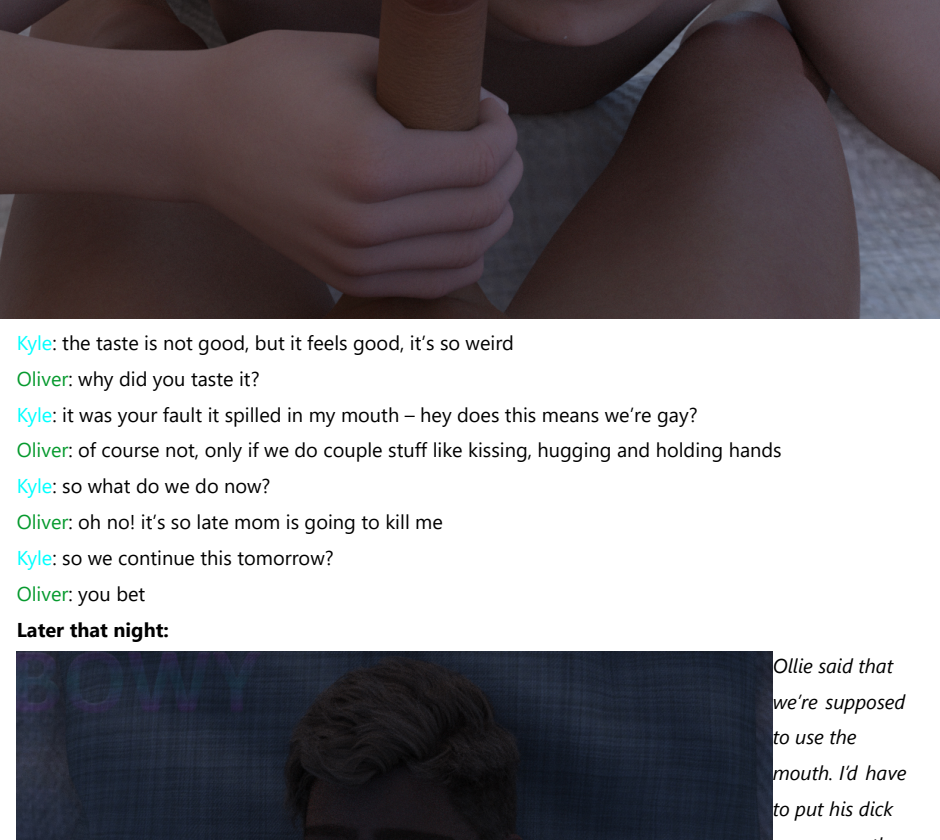

Oliver: hal I won again
Kyle: one day I will find a game that I can beat you
Oliver: on your dreams haha!
The boys kept playing for a while, when Ollie finds the courage to start the conversation he was thinking about since he saw the magazine.
Oliver: hey did you know that guys can do sex with each other?
Kyle: I've never thought about it – why are you changing the conversation to something naughty again?
Oliver: I saw a magazine there were was guys doing sex stuff with each other
Kyle: what kind of sex stuff?
Oliver: like putting each-others dick the mouth and the butt too
Kyle: ew why would they would do that?
Oliver: duh, because that's how you do it, and they seemed to be enjoying a lot
Kyle: really?
Oliver: do you wanna try it?
Kyle: is this another prank?
Oliver: no I swear, remember when I taught you masturbate, this will feel even better.
Kyle: so, what do we do?
Oliver: take off your pants and lay on the bed – wait! Let me take off your briefs

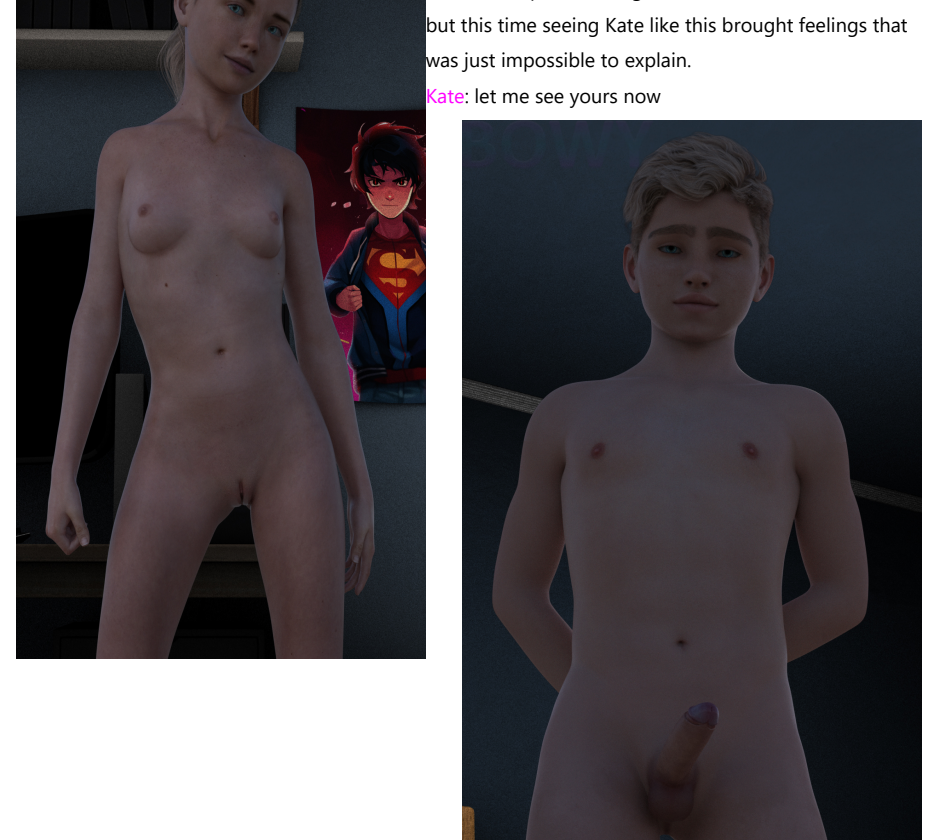

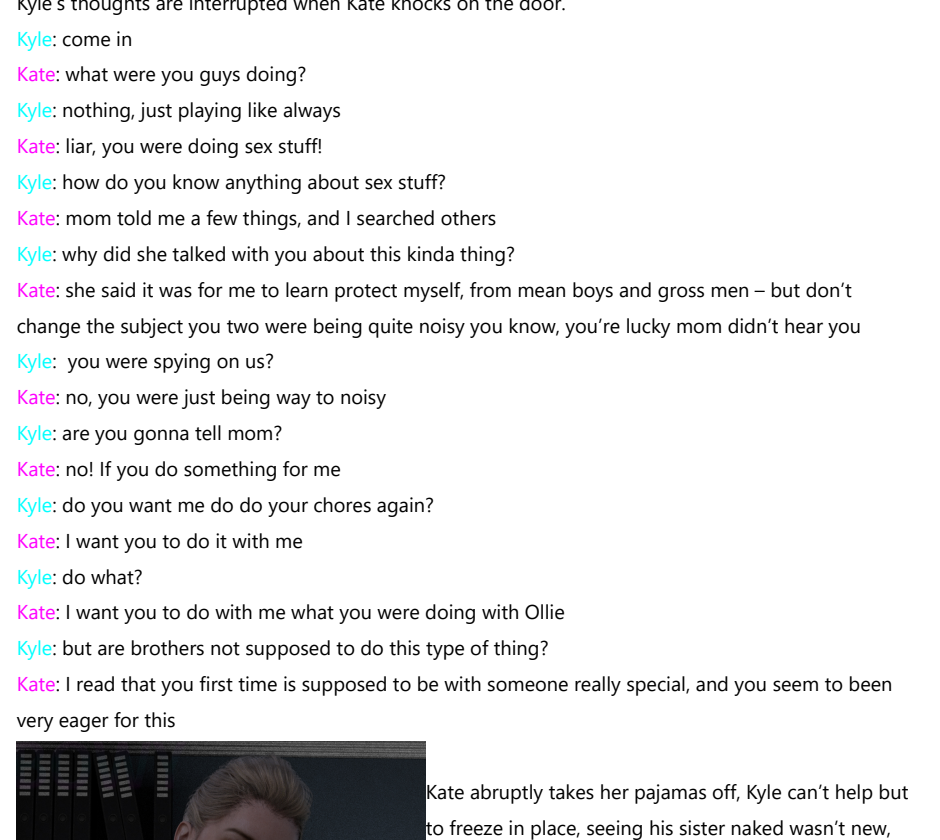

Oliver: you've got this hard just from our talk? and I'm the naughty one
Kyle: do we have to be this close? It's making me feel weird
Oliver: good weird or bad?
Kyle: good but...
Oliver: shush let's get started

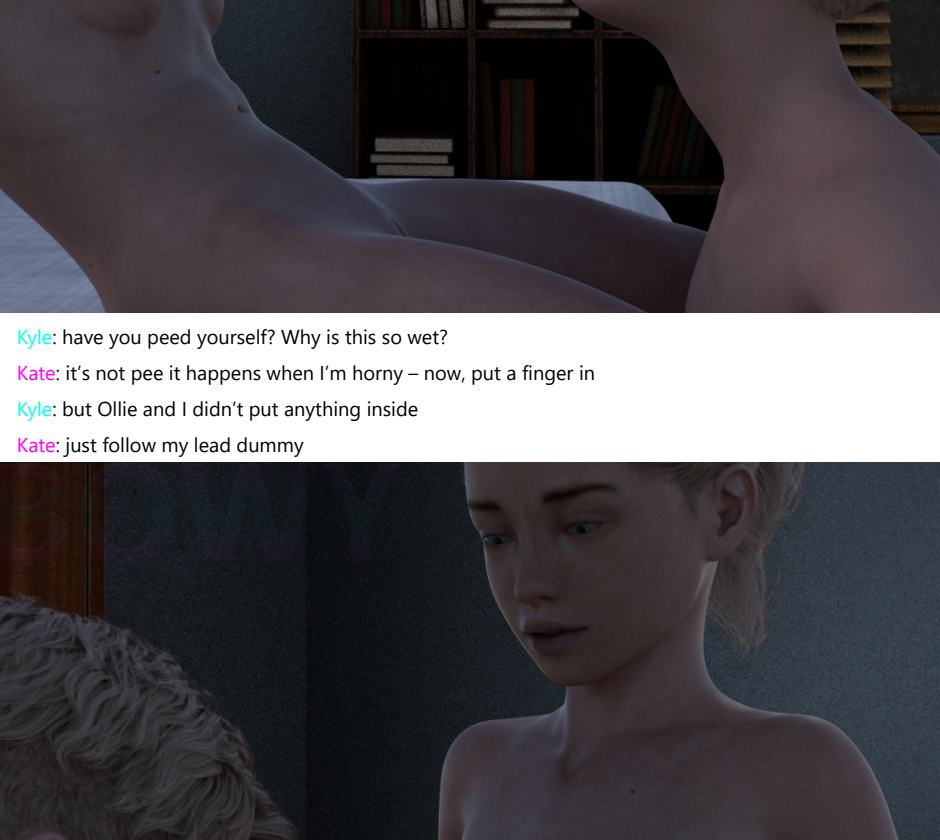

While stroking Kyle the sight of his face was somewhat enticing, all the moaning and the faces he was making, was almost hypnotizing to Oliver. Kyle was lost in pleasure and Oliver was lost on the sight of his friend and in the way he kept softly moaning his name. Maybe being this close was a bad idea after all

Kyle: you're right this felt so good
Oliver: told ya
Kyle: can I make you feel good too?
Oliver: I thought I would have to ask

Oliver: why did you positioned yourself like this?
Kyle: I was curious on how does it look up close
Oliver: you're worse than me

Kyle: the taste is not good, but it feels good, it's so weird
Oliver: why did you taste it?
Kyle: it was your fault it spilled in my mouth – hey does this means we're gay?
Oliver: of course not, only if we do couple stuff like kissing, hugging and holding hands
Kyle: so what do we do now?
Oliver: oh no! it's so late mom is going to kill me
Kyle: so we continue this tomorrow?
Oliver: you bet

Later that night:

Ollie said that we're supposed to use the mouth. I'd have to put his dick on my mouth. He said it's supposed to go on the butt too, but it looks to big to put in there, doesn't seem right.

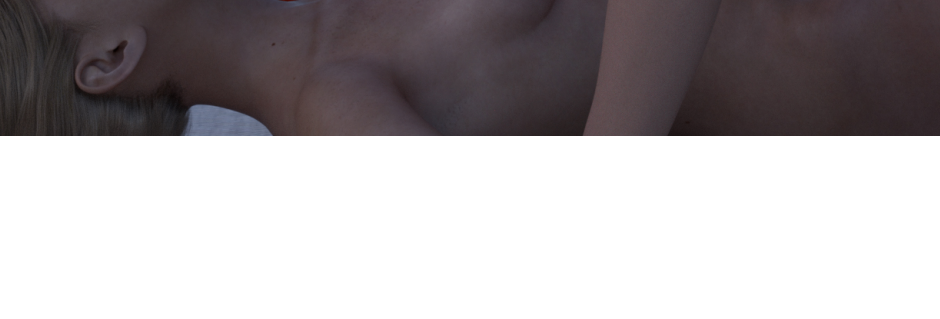

Kyle's thoughts are interrupted when Kate knocks on the door.
Kyle: come in
Kate: what were you guys doing?
Kyle: nothing, just playing like always
Kate: liar, you were doing sex stuff!
Kyle: how do you know anything about sex stuff?
Kate: why did she talked with you about this kinda thing?
Kate: she said it was for me to learn protect myself, from mean boys and lucky men – but don't change the subject you are two were being quite noisy you know, you're lucky mom didn't hear you
Kyle: you were spying on us?
Kate: no, you were just being way to noisy
Kyle: are you gonna tell mom?
Kate: no! If you do something for me
Kyle: do you want me do do your chores again?
Kate: I want you to do it with me
Kyle: do what?
Kate: I want you to do with me what you were doing with Ollie
Kyle: but are brothers not supposed to do this type of thing?
Kate: I read that you first time is supposed to be with someone really special, and you seem to be very eager for this

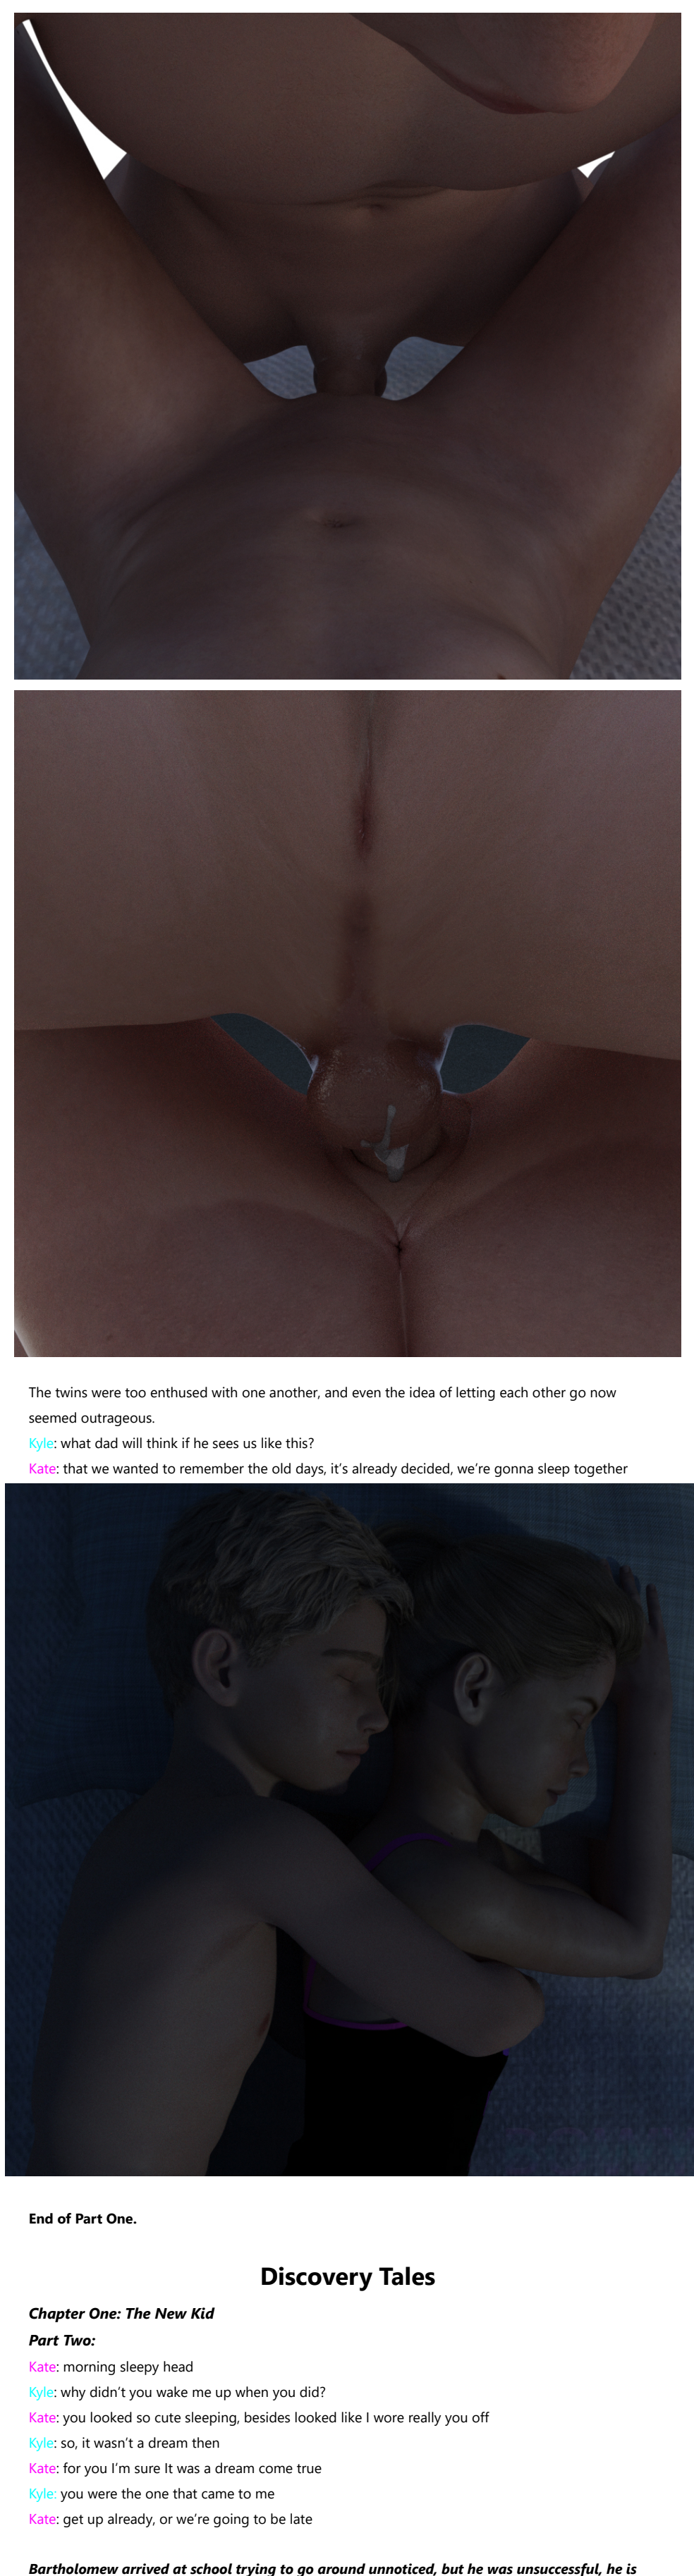

Kate abruptly takes her pajamas off, Kyle can't help but to freeze in place, seeing his sister naked wasn't new, but this time seeing Kate like this brought feelings that was just impossible to explain.
Kate: let me see yours now

Kate: you look very different from what I remember, and a lot bigger too
Kyle: can we start now?

The twins were too enthused with one another, and even the idea of letting each other go now seemed outrageous.
Kyle: what dad will think if he sees us like this?
Kate: that we wanted to remember the old days, it's already decided, we're gonna sleep together

End of Part One.

Discovery Tales

Chapter One: The New Kid

Part Two:

Kate: morning sleepy head
Kyle: why didn't you wake me up when you did?
Kate: you looked so cute sleeping, besides looked like I wore really you off
Kyle: so, it wasn't a dream then
Kate: for you I'm sure it was a dream come true
Kyle: you were the one that came to me
Kate: get up already, or we're going to be late

Bartholomew arrived at school trying to go around unnoticed, but he was unsuccessful, he is spotted by Oliver wich enthusiastically approaches him

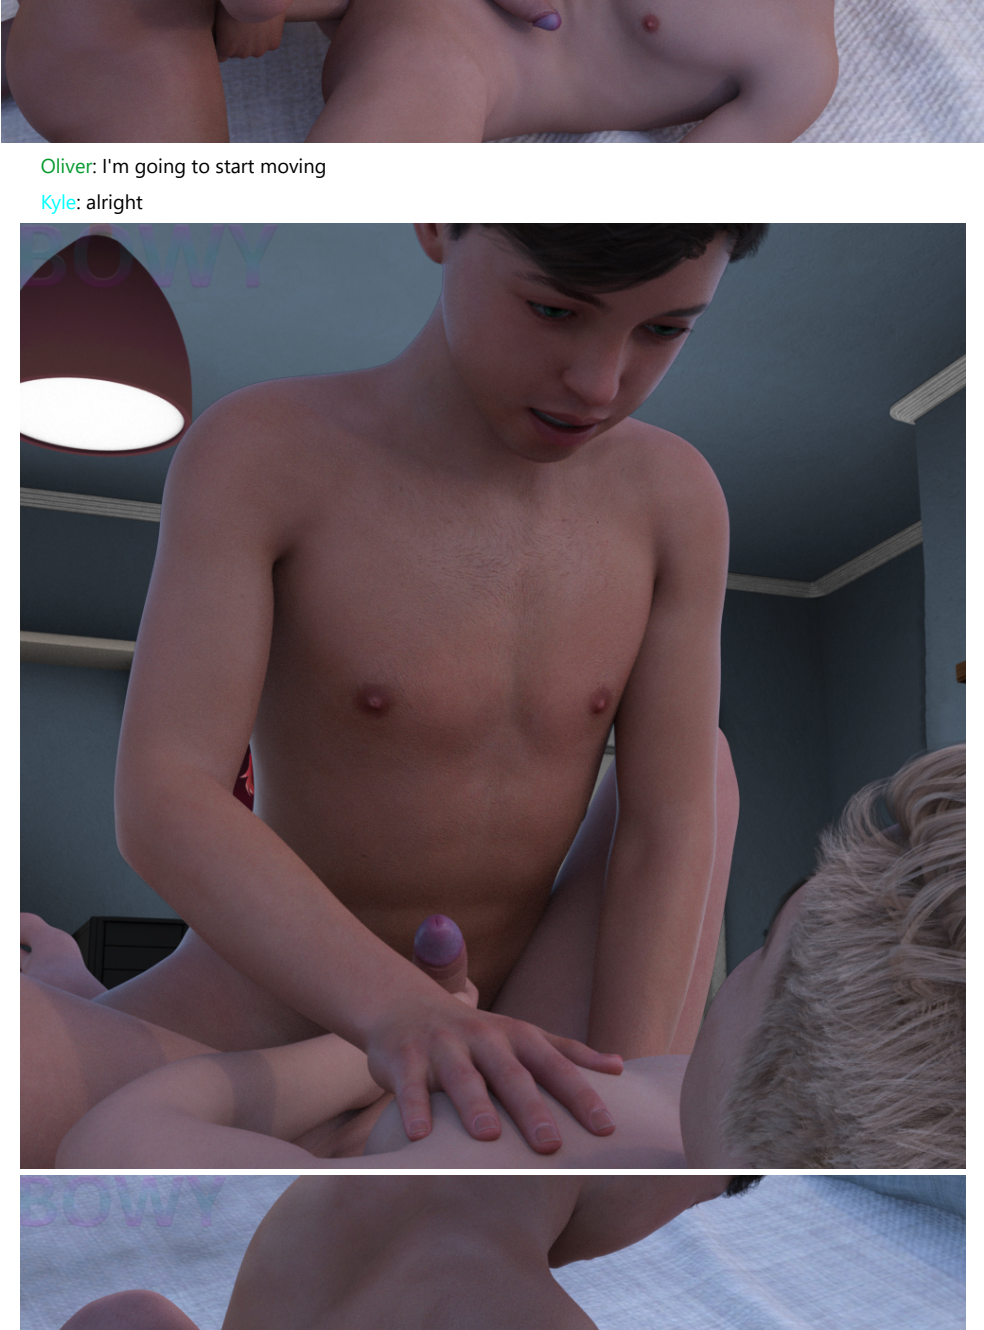

Oliver: hey new kid, I'm Oliver
Bartholomew: good to meet you, I'm Bartholomew
Oliver: Bartholomew is a mouthful; can I call you Bart?
Bartholomew: you can
Oliver: I'm the coolest around here – hang out with me and you'll have a great time – did you had anything planned?
Bartholomew: I did not, I was going to the classroom and wait for the lesson to begin
Oliver: alright then, follow me let's meet the other kids – have you met anyone else besides Kyle?
Bartholomew: only Theodore
Oliver: really? How did he treat you
Bartholomew: he was quite gentle
Oliver: that's so new thing, Bet he has a crush on you
Oliver: hey, everyone this is Bartholomew, the blond on the left is Kate, Kyle's twin sister, the red by her side is Jessica, the brunette by her side is Ava, and the grumpy nerd on the right is Kevin

The students chat and get to know the newcomer trying the best to already make Bart feel like a part of the group.

Later, by the end of the school day, after the swim practice:

Oliver: you know, you've got that face all day
Kyle: what face?
Oliver: the face you make when you're dying to tell me something
Kyle: you're mistaken I have nothing to tell you
Oliver: is it about yesterday? I bet you kept thinking about doing sex stuff with me
Kyle: n-no I didn't you perv
Oliver: but you want to?
Kyle: want what?
Oliver: you know what, it's all over your face — so, there's something you want to admit to me?
Kyle: Kate and I done it
Oliver: wait! what?
Kyle: she said she heard us and then asked to do it with her, so I did
Oliver: did she know how to do it?
Kyle: way more than you, I think
Oliver: that's so cool, what did you guys did?
Kyle: we uh... She asked me to put my finger on her pussy, and then my dick
Oliver: oh, so you guys went all the way, did it feel good?
Kyle: it felt great
Oliver: do you think she would do it with me?
Kyle: I don't see why not
Oliver: since now you have practical experience, guess you will have to teach me a few things first
Kyle: if you behave, I will think about it
Oliver: so you'll extort me now?
Kyle: consider it foreplay
Oliver: I don't think you know the exact meaning of foreplay
Kyle: you sounded just like Kev
Oliver: I can affirm that your statement is incorrect

Both: laugh

Oliver: you're ready to continue were we left off yesterday?

Kyle: definitely

Oliver: great, can we go to your house together?

Kyle: you really can't wait

At Kyle's House:

Kyle: you know, after last night I kept wondering how it would feel with you – are you afraid I ask how it would feel to be inside you?

Oliver: n-no of course not

Kyle: sure...but that's not what I meant, I was curious about what Kate was feeling

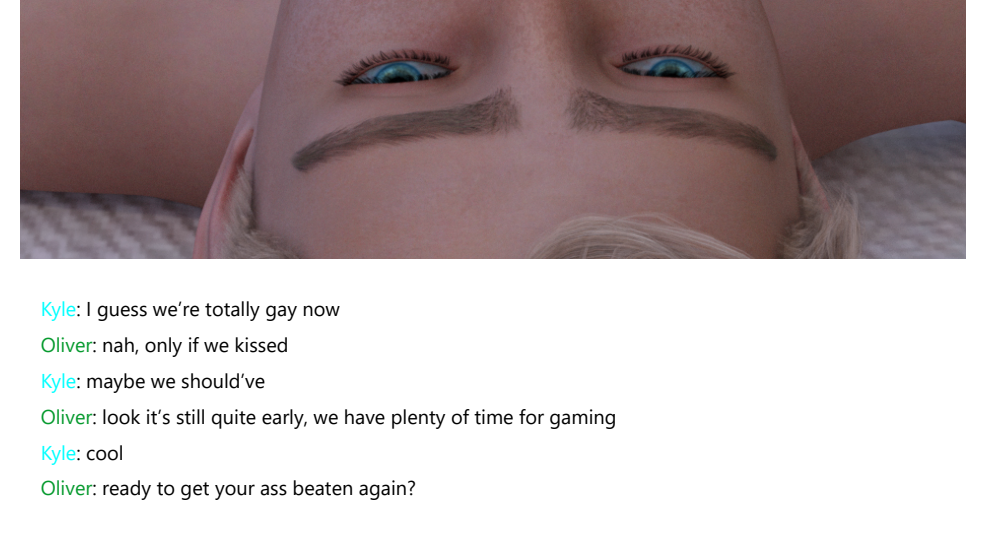

Oliver: so, you want me to make you feel like a girl?

Kyle: you know that's not what I've said, stop talking nonsense and take your clothes off

Oliver: it would be better if we took off each other's instead

Kyle: like couples do in the movies?

Oliver: yeah

Oliver: What now?

Kyle: maybe we can continue like this for a little while, this feels nice

Oliver: are you comfortable in this position

Kyle: yeah

Oliver: I'm going to put in, okay?

Kyle: go ahead

Oliver: I'm going to start moving

Kyle: alright

Kate, that night:

Kyle: I was already thinking that you wouldn't show up

Kyle: bet you were getting all desperate – we are gonna do it differently today

Kyle: how so?

Kyle: I'm going to be on top and control the pace

Kyle: okay

Kyle: but first you will do one thing for me, you're gonna lick me off

Kyle: I'm not sure if i now how to do that

Kate: do you remember how you used to eat those snack pack puddings?

Kyle: yes

Kate: just do that

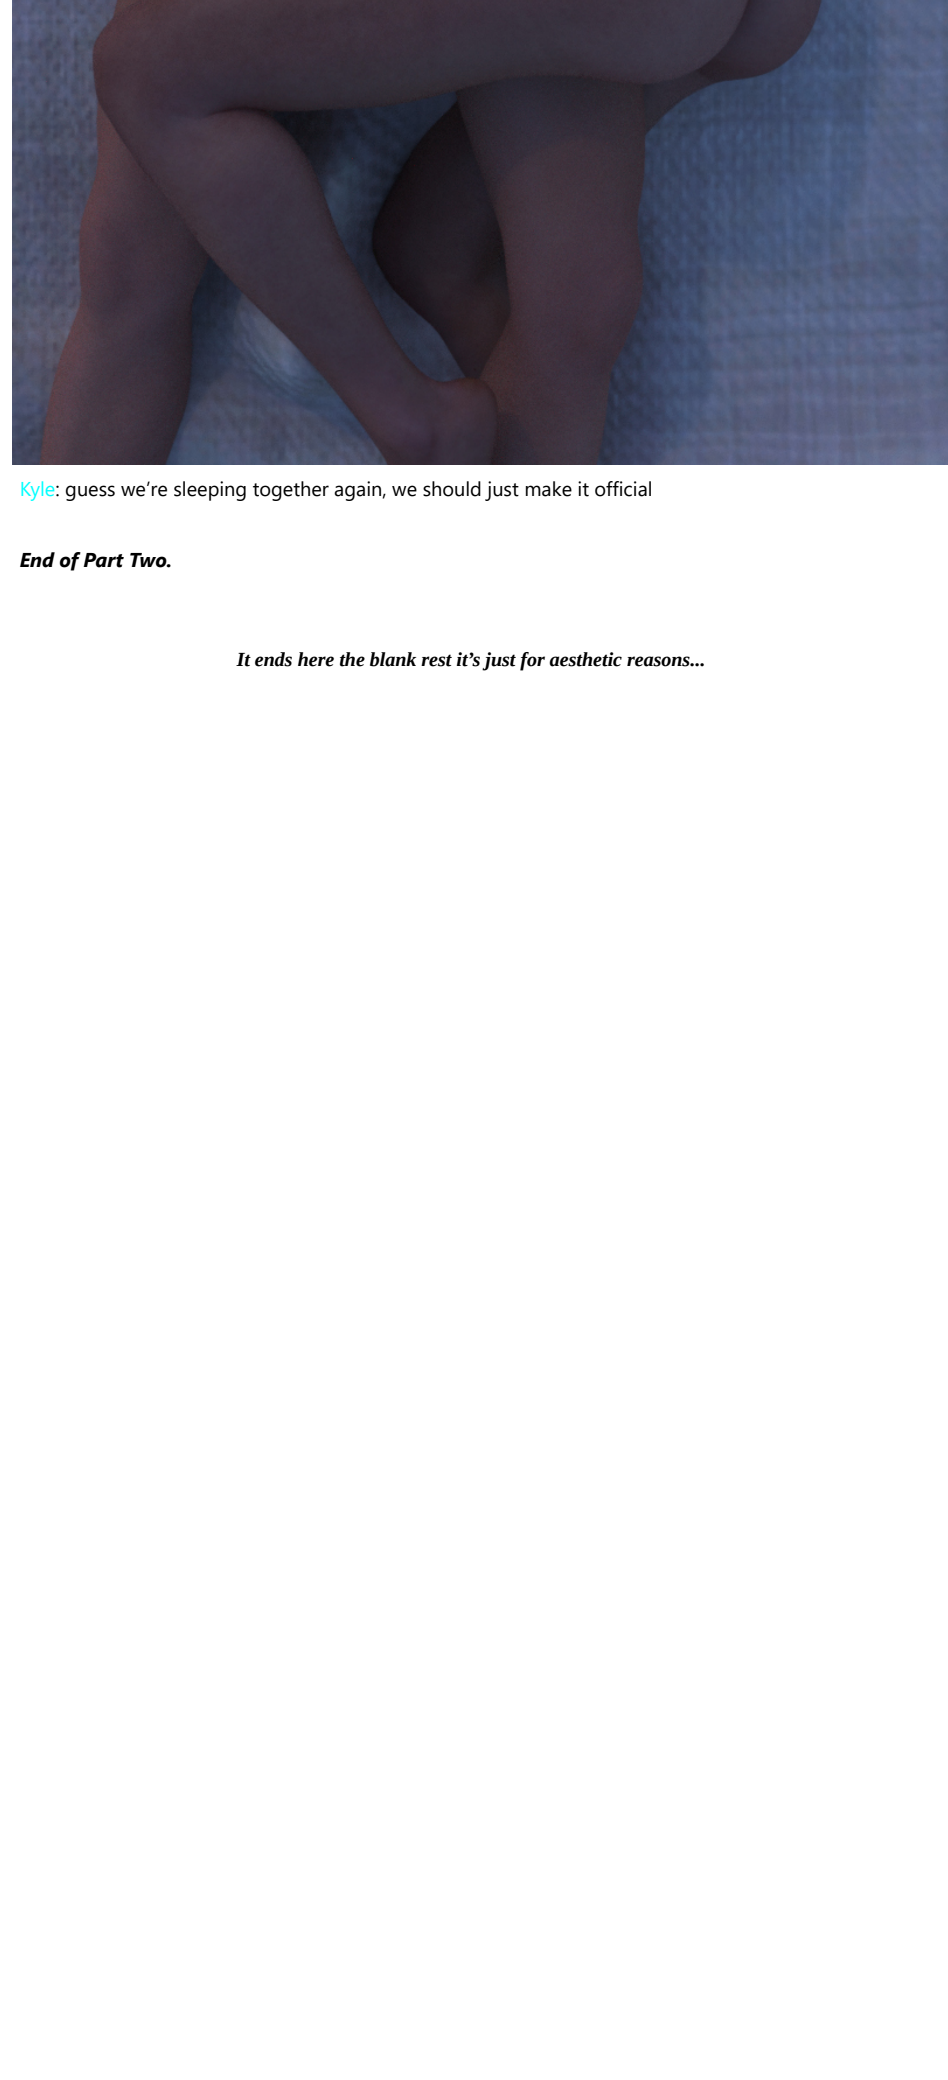

Kyle: ouch! are you trying to take my hair off?

Kate: sorry, it was just really good, it caught me by surprise

Kyle: and that's how you reward me?

Kate: having me it's not reward enough for ya? let's go to the main event

Kyle: Kate are you okay? You're trembling a lot

Kate: I'm okay you dummy, it's just when we have a really nice orgasm this happens

Kyle: girls are so dramatic

Kyle: guess we're sleeping together again, we should just make it official

End of Part Two.

It ends here the blank rest it's just for aesthetic reasons...
