Khazar mafia murder series triggers bounty for top satanists

The Khazar mafia is on a worldwide series of murders directed against leading government officials to desperately try to avoid war crimes tribunals. This triggered a

white reaction that exposed bounties to dozens of KM war criminals.

The \$ 1 billion bounty on the false US ambassador to Japan, Rahm Emanuel, triggered a secret firestorm that resulted in further bounties being suspended. The bounty on Emanuel was suspended because, as the so-called US ambassador, he is the highest-ranking official responsible for the murder of over 500,000 Japanese citizens by vaccines. Emanuel freaked out and called MI6 to ask for protection and accuse his boss Barack "Thunder of Satan" Obama. Emanuel was then informed that the bounty suspended on him would be lifted as soon as he publicly announced his resignation as ambassador. The MI6 also informed the white hats that \$ 1 billion was too high a bounty for a subordinate official like Emanuel. As a result, a ten-ton gold bounty (about \$ 750 million) has now been suspended on Obama.

In addition, a bounty of one ton of gold (approx. 75 million. US \$) exposed to the following people charged by the International Criminal Court with war crimes:

Benyamin Netanyahu

Yoav Galant

Yahya Sinwar ,

Mohammed Deif ,

Ismail Haniyeh ,

In addition, the alliance has suspended the same bounty on the 16 US government officials listed below. They are accused of publicly supporting the genocide in Gaza.

Grace Meng @RepGraceMeng Follow ... There is no **equivalence** between Israel & Hamas as Israel responds to the October 7th attack. The ICC has no jurisdiction to issue warrants against Israel in this case. I will always stand with Israel in our shared goal to defeat Hamas & bring the hostages home.

Senator Bob Casey @SenBobCasey Follow ... I condemn this dangerous move by the ICC. There is no **equivalence** between Israel and the terrorist organization Hamas, and I fear this will undermine the ongoing negotiations to free the Israeli hostages.

Mario Diaz-Balart @MarioDB Follow ... Here's another reason the ICC has no credibility, as it seeks to issue arrest warrants for alleged "war crimes" against members of Israel's government. Not only does the ICC have no jurisdiction here, but the shameful attempt to create a moral **equivalency** between Hamas terrorists targeting civilians for torture, rape and murder, versus Israel defending itself, is absurd.

Rep. Vern Buchanan @VernBuchanan Follow ... The ICC's radical and illegitimate decision to issue arrest warrants for senior Israeli officials must be forcefully condemned by the U.S. and the international community.

There is no moral **equivalency** between Israel and Hamas, a brutal terrorist organization hellbent on the destruction of Israel and the Jewish people.

Markwayne Mullin @SenMullin Follow ... There is no moral **equivalence** between genocidal #Hamas terrorists and the Jewish people who are defending themselves from mass extermination.

The Biden administration needs to grow a spine and condemn this action. America stands with #Israel.

Rep. Debbie Wasserman Schultz @RepDWSweets Follow ... There is no **equivalence** between Israel & Hamas. Equating a democratic state with a terror group that rapes, murders, delights in acts of genocide & maximizes civilian deaths demonstrates the ICC's gaping moral failure. No other nation is held to this standard. #NeverAgainisNow

Adam Schiff @RepAdamSchiff Follow ... The ICC announcement today is not only misguided and repugnant, it is also a terrible overreach of the body's authority.

To make a false **equivalence** between the actions of a democratically-elected government and those of Hamas — a brutal terrorist organization — is absurd.

Senator John Fetterman @SenFettermanPA Follow ... Requesting arrest warrants for both Israel and Hamas leaders suggests there is a moral **equivalence** between them—there is none and it's disgusting to suggest otherwise.

The ICC's credibility is now in shambles and they have only themselves to thank.

Rep. Greg Stanton @RepGregStanton Follow ... The ICC prosecutor's decision to target Israel's democratically-elected leadership is misguided and shameful.

There is absolutely no moral **equivalence** between the State of Israel and Hamas, a brutal terrorist group.

Tom Cotton @SenTomCotton Follow ... The @IntlCrimCourt's moral **equivalence** between Israel and Hamas is outrageous.

I've introduced legislation to sanction the ICC's rogue prosecutor and his office.

Senator Bill Hagerty @SenatorHagerty Follow ... Israel is a democracy fighting a war against terrorists who use civilians as human shields. The ICC is shamefully affirming an absurd moral **equivalence** to satisfy the anti-Israel international community.

Tim Scott @SenatorTimScott Follow ... There's zero moral **equivalence** between Hamas's terrorism and Israel's right to self-defense. With these false accusations against Israel, the ICC is showing that it is a tool for antisemitic propaganda and shouldn't be taken seriously.

House Foreign Affairs C @HouseForeign Follow ... RM @RepGregoryMeeks: Any warrants targeting Israeli officials should be rescinded immediately.

I stand with @POTUS Biden in opposition to the decision by the ICC to target Israel; there is absolutely no **equivalence** between Israel and Hamas.

Rep. Jake Auchincloss @RepAuchincloss Follow ... Israel is fighting for freedom; Hamas is terrorizing innocents. The ICC's implication of moral **equivalence** between them bankrupts the credibility of any other finding in its investigation.

Senator Roger Wicker @SenatorWicker Follow ... The ICC made the wrong decision in this instance. Shame on them for this charade.

There is no moral **equivalence** between the democratic nation of Israel and the terrorist group Hamas.

Senator John Boozman @JohnBoozman Follow ... There is no **equivalence** between the Jewish State eliminating a terrorist threat and Hamas' barbaric attacks on innocent civilians. We stand with Israel.

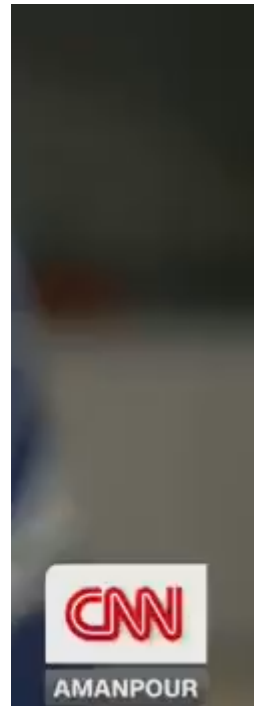

As a sign that he fears that an arrest warrant will be issued against him, Senator Lindsey Graham says the United States should sanction the international criminal.

The prosecutor of the International Criminal Court, Karim Khan, also said he received threats during his investigation into top Israeli officials. Don't worry Karim, we'll keep your back free.

To date, 124 governments worldwide have agreed to enforce the arrest warrants issued by the ICC. EU top diplomat Josep Borrell said: "All states that have ratified the ICC statutes are obliged to enforce the decisions of the Court." The heads of state and government of Germany, France and other signatory states of the ICC have also promised to enforce the arrest warrants. <https://tass.com/world/1790987>

Here is a nervous Netanyahu who says, "Legitimizing me for the crimes in Gaza is like accusing George Bush of 9/11." You know what, Satanjahu? Bush was executed for 9/11.

The people who ordered Bush's execution also forced British puppet prime minister Rishi Sunak to dissolve his government and call new elections after refusing to recognize his country's legal obligation to enforce the arrest warrants. Opinion polls show that his party won the elections on 4. July will surely be inferior.

British MP Andrew Bridgen says: "The whole thing is a pantomime in parliament... It is not a race between the blue and red teams to see who crosses the finish line. It is a handover of staff on all major topics: Net Zero, Covid Response, WHO, the Trans-Agenda."In other words, the next government is likely to be made up of people who are still labeled" conspiracy theorists "in the corporate media.

0:00 / 4:18

However, it is clear that something else is brewing there. The royal family has announced that it will postpone all dates so as not to affect the parliamentary elections. At the same time, the British government has launched a "prepare" website that calls on all citizens to prepare for a major emergency.

<https://news.sky.com/story/britons-should-have-three-days-worth-of-tinned-food-and-water-government-says-13141114>

This emergency will be an attempted coup by the German DVD forces, warns MI6. As evidence of this, former Prime Minister Boris Johnson received a Ukrainian neo-Nazi unit in parliament. Johnson said:

"Many thanks to the heroes of the Azov Brigade who honor us with their presence tonight."

Former unit leader Andriy Biletsky said in 2010 that Ukraine's goal was "the world's white races in a final crusade ... against the subhumans led by Semites."

At the parliamentary meeting, Johnson was depicted with an Azov banner that shows the neo-Nazi wolf angel symbol.

Johnson continued in parliament:

"Give them the weapons, give them permission to use these weapons outside their own limits."

A sign that the British Nazis are planning a war: Sunak said he did not want to be a "war prime minister". (By the way, Rishi Sunak is waiting for a comfortable job in San Diego, California, according to Pentagon.)

According to MI6 sources, the British top satanist Simon Case is the person trying to drive the country to war to prevent the formation of a new government. For this reason, a bounty of one ton of gold was suspended on case.

The pledge to leading Western Satanists last Sunday led to a meeting between representatives of western white hats with representatives of the Japanese underworld and the leaders of Asian secret societies. Much of what was discussed at the three-hour meeting remains secret to protect ongoing operations.

However, Asians were told that the \$ 100 trillion proposal for a future planning agency will be supported by the Rothschilds, the Black Sun, the Pentagon and the British Commonwealth. The Asians were initially skeptical - they said they did not trust the Westerners - but agreed to support the plan as soon as they fulfilled their duty of care regarding gold.

The Asians were also made aware that the only resistance to this plan now comes from the Rockefeller / Obama-Nazi group. Therefore, her demonizing Ministry of Finance Janet Yellen threatens to sanction European banks that support the White Hat plan.

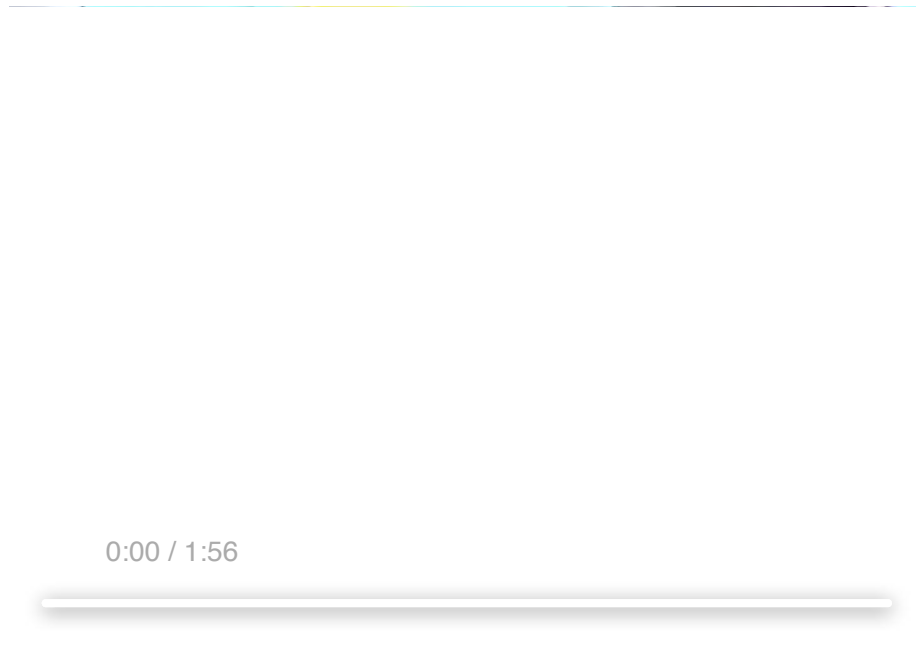

Asians admitted that in 2008 they were deceived by a black Communist president's promise to transfer \$ 23 billion to keep the KM in business. At that time they did not know that Obama was a grandson of Adolf Hitler.

The Asians also said that the head of the red-green secret society, with its millions of members and hundreds of thousands of assassins, recently died of natural causes. It is

believed that the new head (whose name we cannot name) is friendlier to the white hats. This means that it is only a matter of time before China, Taiwan, Japan and Korea, together with ASEAN, end military rivalry and instead focus on friendly relations. It was also agreed that the San Francisco Treaty, signed after the Japanese surrender at the end of World War II, is null and void.

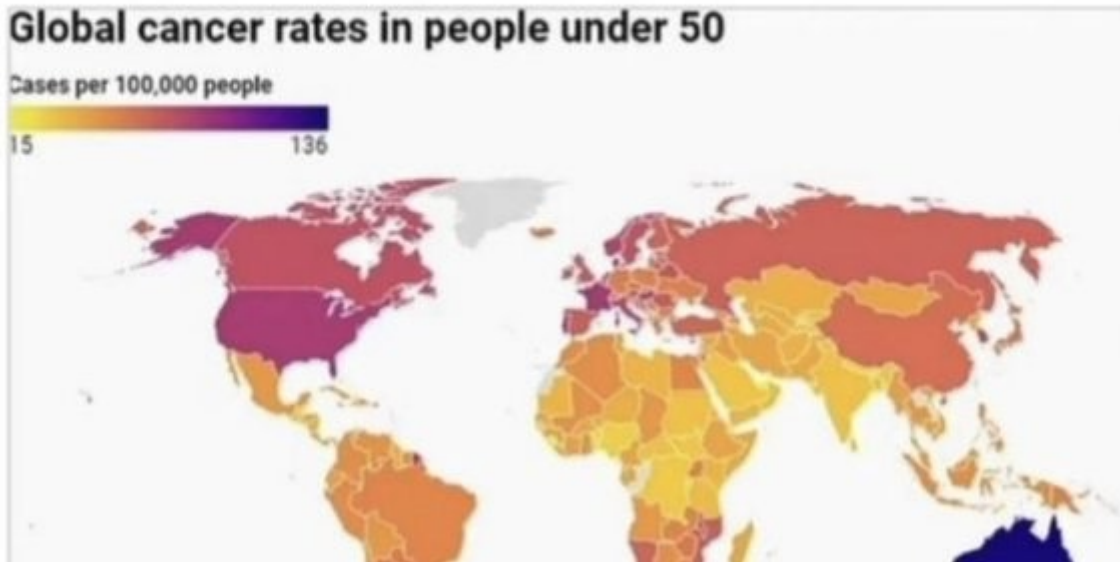

A list of the names of the people responsible for the vaccine killings has also been given to the secret societies. A sign that something is being done is that they are now talking openly about the damage caused by the COVID 19 injections on television.

Global cancer phenomenon: It's not just America... the UK, Japan, South Africa and Australia are among dozens of countries suffering mystery spikes of all different kinds of tumors in young people

Another outcome of the meeting was an east-west agreement to establish a polycentric world system to replace UN-centered KM hegemony.

Of course, the remaining KM leaders will fight to the very end to start World War III and kill 90% of humanity and enslave the rest.

Therefore, US Secretary of State Antony Blinken, NATO chief Jens Stoltenberg and others are calling for US weapons to be used to attack targets deep in Russian territory. Anyone who makes such a call has identified himself as a Satanist and must be removed.

Speaking of Satanists: The Pentagon sent us a link to a conversation between evangelist Billy Graham and Richard Nixon, which was recorded in 1972 and 1973. To paraphrase him: Graham said the Bible distinguishes between two groups of Jews. One is called the Synagogue of Satan. The others are the remains of God's people and they are the true Jews. The members of the Synagogue of Satan are driven by a supernatural power called the devil. They have a strange shine in them. They are smart and, in my opinion, are driven by a supernatural power. They strangle banking, the media and everything else. This stranglehold must be broken, otherwise this country will go down the stream.

Nixon replied, "I can't say it, but I think so."

The author, who is a Jew and grew up as an atheist, saw how people were actually kidnapped by this being. Their voices and personality change and their pupils turn black when they are remotely controlled by this being.

This is now becoming well known. The spokeswoman for the Russian Ministry of Foreign Affairs, Maria Zakharova, described the recent trip of US Secretary of State Antony Blinken to Kiev as a "visit to Satan". The text of the song, which he performed in a Nazi bar, read: "We have a friendlier, gentler machine gun hand," said Zakharova. Look at Blinken's eyes in the video, they're black.

Next look at his eyes when he is called a war criminal. They are not black and he looks scared. He knows the game is over.

Since they are likely to face the death penalty, the KM will fight to the bitter end.

Here, for example, they just had a very false-looking former FBI boss James Comey appear on Rockefeller TV to warn: "Trump is coming for [the FBI and the Ministry of Justice]".

Another swindler who is still walking freely is Justin Castrudeau. Compare Castrudeau in 2010 with today's weapon-staring Trudeau. It is obvious that there are different castrudeaus.

0:00 / 0:35

This type of counterfeiting no longer works. In the real world, the KM has already lost the war in Ukraine and will soon lose Israel and the US Corporation.

As a sign that the war is over, Russian President Vladimir Putin told Reuters that he was

that he is ready to end the war in Ukraine with a negotiated ceasefire that recognizes the current front lines

<https://www.reuters.com/world/europe/putin-wants-ukraine-ceasefire-current-frontlines-sources-say-2024-05-24/>

This confirms that Russia is sticking to the agreement with the Gnostic Illuminati to make the Dnieper River the border between Eastern and Western Europe.

Resistance to war is also stirring in most other European countries. In Germany, Chancellor Olaf Scholz has still rejected NATO calls for attacks deep inside Russia.

<https://tass.com/world/1793257>

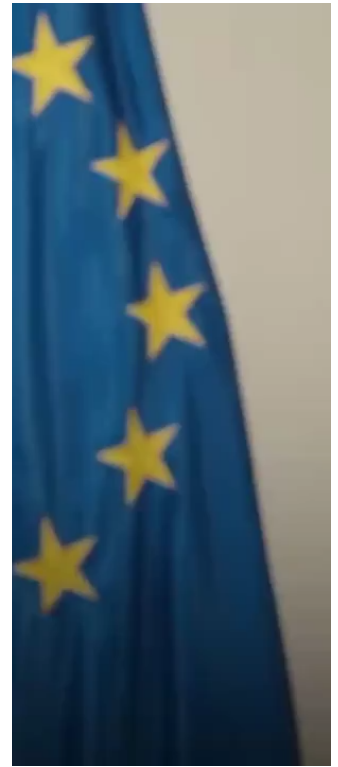

Hungary is also unwilling to participate in the NATO military mission in Ukraine. Instead, Budapest rethinks its role in the organization, said Hungarian Prime Minister Viktor Orban.

<https://tass.com/world/1792661>

It has also been found that Russian jammers prevent 90% of US weapons from hitting their targets.

<https://mishtalk.com/economics/us-weapons-accuracy-drops-to-10-percent-in-ukraine-due-to-jamming/>

After the Ukraine war, it is Israel's turn. As a sign that it will soon cease to exist and be replaced by the nation state of Judea (Palestine), Ireland, Spain and Norway have announced their decision to recognize Palestine as an independent state. Here you can see what Spain's Deputy Prime Minister Yolanda Diaz says: "Palestine will be free, from the river to the sea."

0:00 / 0:49

This means that 146 out of 193 UN member states, including Russia, recognize Palestine. Only 9 countries are against it.

<https://tass.com/world/1791797>

The Israeli people also demonstrate daily against their war-torn government and the mounted thugs are unable to knock them down.

"Zionist Israel is being dismantled step by step, as we know. The world has definitely had enough of its satanic genocide. It's time for global cleansing, "says a source of the

Mossad.

However, the Zionists cornered are in the middle of a very dangerous last attack in Iran and Saudi Arabia.

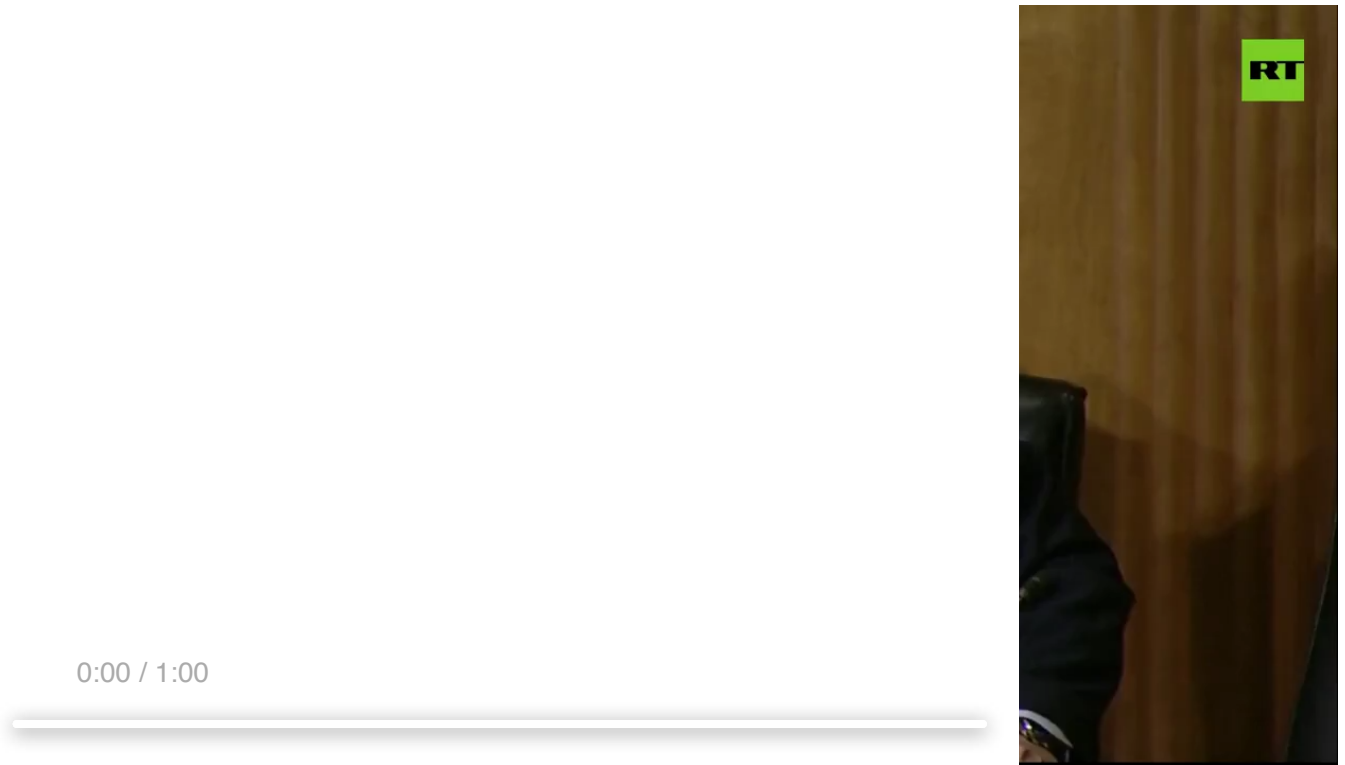

The murder of President Ebrahim Raisi is a typical example of this. Iran knows very well that the Mossad has carried out a targeted assassination attempt on President Raisi and his team, and only "his" helicopter crashed from the three helicopters due to... Fog. This sounds more and more like a planned operation and most likely an insider job, and all satellite weather data for the day the Iranian President crashed was deleted.

"These are attacks by the Mossad. They are going all out now because they know what to expect (a note: they are not Chanukka gifts), "says a Mossad source.

Shortly after Raisi's death, the head of the Iranian police, Ahmad-Reza Radan, and the head of the Iranian secret service in the province of Lorestan were murdered in Iran.

<https://haltturnerradioshow.com/index.php/news-selections/world-news/iran-intelligence-service-chief-assassinated>

Kremlin spokesman Dmitri Peskow also says he finds it difficult to believe that US Secretary of State Antony Blinken would publicly say that the Iranian people "better off" after Raisi's death.

Iranian sources told us that Supreme Leader Khomeini was not responsible for Raisi's death: "Mr. Khamenei said that the old days of the blood dynasties are over and his son will not become his successor. In my opinion, former Iranian President Mohammad Chatami will be the next leader of Iran ".

Even if Iran will not officially blame Israel for the murder because it does not want to provide the United States with an excuse for a Third World War, it does not mean that no action is taken.

IRGC High Command, Hossein Salami, and Quds Force chief Esmail Qa'ani met with leaders and representatives of Iran's proxy groups, including Hamas, Hezbollah, Palestinian Islamic Jihad, PFLP, Ansarullah, on the sidelines of Raisi's funeral (Houthis) and militant groups from Iraq. The funeral was attended by more than 7 million people.

During the meeting, "participants discussed recent regional developments and emphasized the continuation of jihad until victory in the Gaza Strip has been won," said the media affiliated to the IRGC.

https://x.com/IranIntl_En/status/1793639733714698276

The Houthis then announced that they had destroyed three missile ships connected to Israel, including one in the Mediterranean.

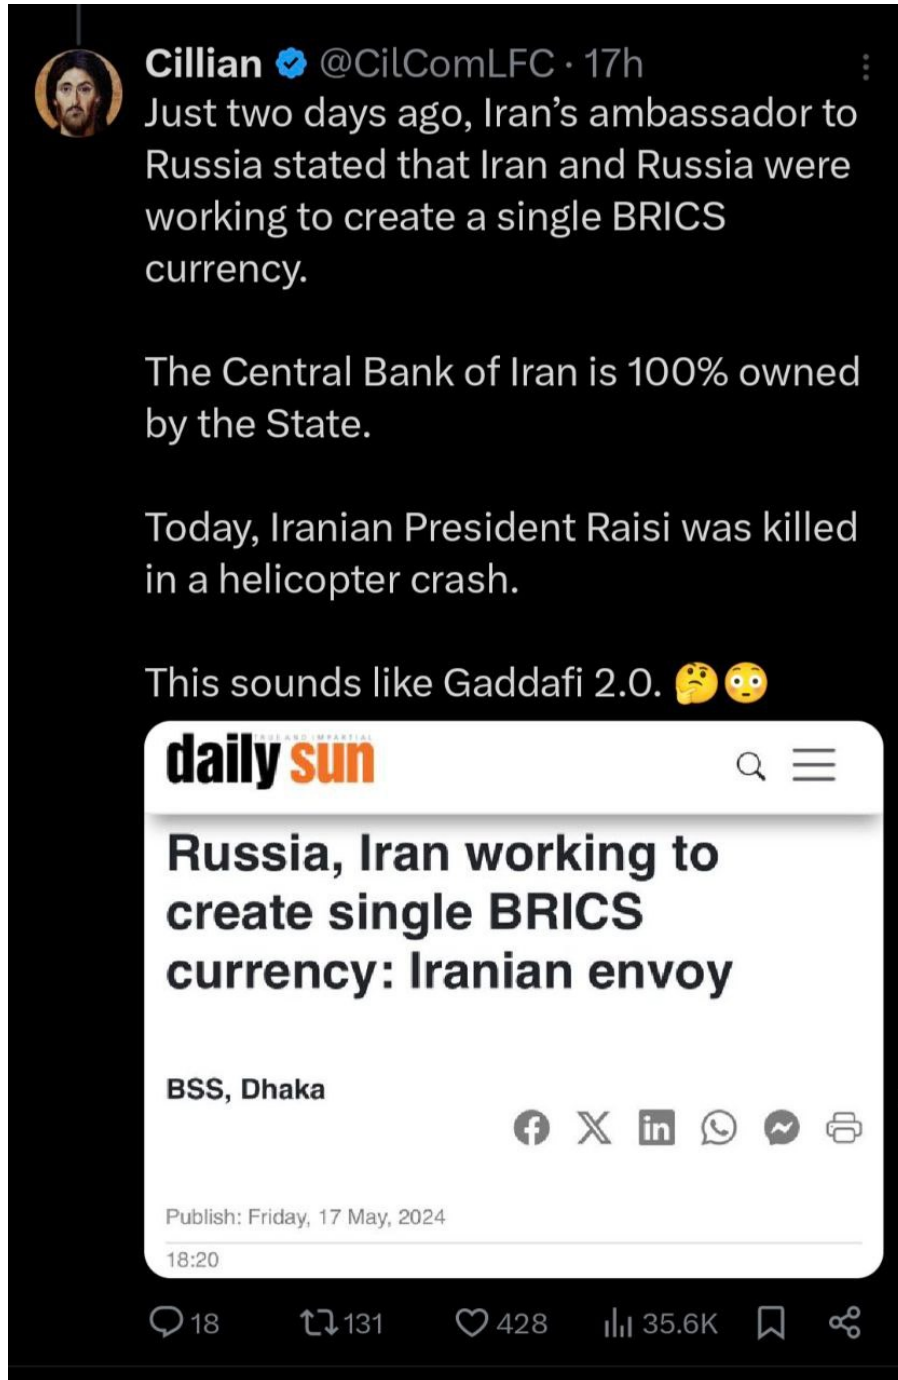

The Egyptian Ministry of Defense also released hundreds of October 1973 materials and documents for the first time last week. According to the Mossad sources, the documents show that Egypt has won this war and is ready to attack again with Turkey if Netanyahu and his cronies are not arrested.

These attacks on Iran may have aimed to prevent Iran from working with Russia to create an alternative to the US dollar in a Gaddafi 2.0 operation.

A similar motif seems to be at work in Saudi Arabia. According to information from the French secret service, 10 Saudi princes have recently been killed. In addition, her leader Mohammed Bin Salman canceled a planned visit to Japan at the last minute because his long-lost father was "sick". "We know that King Salman has been dead for about two years. They keep things going as long as possible," says a CIA source. They will probably officially announce the king's death soon.

Most sources refuse to comment on the matter, but it is clear that a power struggle is underway to control Saudi oil and petrodollar.

Alex Jones says this is all part of "tried murder of all leaders who support Russia's war in Ukraine. They shot Fico five times a week ago, now the Iranian president is dead. It is no accident and more actions will follow. It is a shadow war that is heading for a world war."

[https://x.com/realalexjones/status/1792528267498361198?s = 61 & t = omK93twHFldXMEQdiOV_w](https://x.com/realalexjones/status/1792528267498361198?s=61&t=omK93twHFldXMEQdiOV_w)

The Black Dragon Society is already waging an unexplained war against the KM in Africa and Oceania, especially against its French branch. That is why New Caledonia is on fire and why France has been expelled from many African countries and others will follow.

That is the reason... In 14 African countries that used to be French colonies, there is a "colonial tax" that leads to substantial annual payments to France, which amount to approximately \$ 500 billion.

These countries were under French oppression until 1958 and then gained their independence. States such as Benin, Burkina Faso, Côte d'Ivoire, Guinea, Mali, Niger, Senegal, Togo, Cameroon, the Central African Republic, Chad, Congo, Equatorial Guinea and Gabon are still charged with paying colonial taxes.

These 14 countries together have a population of 174 million people and a nominal total GDP of \$ 196 billion, with a PPP GDP of \$ 411 billion.

France has officially ceased its colonization policy, but the economic colonization of these African countries continues. Part of the colonial budget continues to flow to the French central bank under various names and categories.

In this way, France can acquire about 85 percent of the former colonies' annual income. As a result, African countries face financial difficulties and are forced to recover their own money from the French central bank as debt.

To recover their funds, African countries can apply for a maximum of 20 percent of the amount transferred. If you apply for a higher sum, the former colonizer can veto it. France argues that it only pays back the money it spent on buildings and infrastructures that were built over a century ago. If an African ruler refuses to pay the colonial tax, a coup started by France often occurs.

The recent coup in Niger is different: the coup overthrew the France-friendly president..The Africans have enough.

These are the coup that have taken place in the French colonies in the past three years:

GABON - August 2023

NIGER - July 2023

BURKINA FASO - January 2022

GUINEA - September 2021

CHAD - April 2021

MALI - August 2020

Of the 14 countries under French control in Africa, 8 more are to be occupied...

0:00 / 1:09

The end is near. In the first seven months of the fiscal year 2024, that started in October last year, Net interest payments were \$ 514 billion, exceeding defense spending by \$ 20 billion, so the rats are there, to save the ship, most recently, the chairman of the Federal Deposit Insurance Corporation (FDIC) Martin Gruenberg, terminated.

Others fight to the bitter end. The report below states that Google has issued a check to the U.S. Department of Justice to persuade prosecutors to drop their antitrust damages lawsuit.

<https://www.msn.com/en-us/news/crime/ar-BB1mNHEI>

So they did that with the 125 billion Australian pension funds that they "accidentally deleted".

Google's owners will be hunted by the White Hats and will soon be on the other side with Klaus Schwab.

Speaking of Schwab: Before he was eliminated and traveled across the rainbow, Klaus Schwab Rothschild said that he was the "trustee of the future" of the earth. Why didn't the media show that on the news?? Now he is dead and his human animal farm future has been canceled. People will decide for themselves about their future.

However, some of his lackeys are still trying to implement his plans. That could be the reason why Boeing is under fire. The latest issue states: "300 Boeing aircraft used by

United and American Airlines have a potentially fatal mistake that could cause the jets to explode in the air - the latest blow to the scandalous company."

<https://nypost.com/2024/05/22/us-news/boeing-777-plane-fuel-tanks-could-explode-due-to-electrical-flaw/>

It's probably all part of a bigger plan. At first there were no pilots because of the vaccinations and now no planes because of faulty materials in the manufacture. Now we get headlines like :

"Warning of summer travel chaos after the Boeing security crisis leads to a lack of aircraft".

<https://www.independent.co.uk/travel/news-and-advice/boeing-planes-safety-summer-holiday-travel-b2546050.html>

Maybe they just want to keep people from traveling, they want us to only live in 15-minute cities according to the WEF plan for Agenda 2030.

That will not happen, but the KM Zionists will continue until they are permanently removed and placed in front of military tribunals

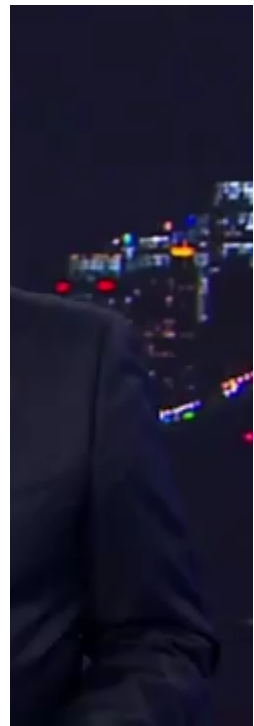

They continue to try to attack farmers. Most recently, the governments of Australia and New Zealand burned down bee farms after allegedly finding traces of Foulbrood's disease. No bees. No food. No life.

0:00 / 0:37

The Australians have also released one of the most ridiculous fear pornos ever. It is a new Covid mutation that floods the country - the so-called FliRT variant (Flirt, you read correctly). Those who fall for this nonsense can no longer be saved and will continue to take boosters!

The news video is pure fear porn to watch. Run and get your booster. This man got 7 vaccinations, why does he catch Covid?

Sorry, don't ask.

0:00 / 2:07

This type of propaganda does not distract from the truth. Renowned American lawyer Tom Renz testified before the Ohio Senate, claiming that hospitals and doctors had "incentives" to "murder" their patients to create the illusion that COVID -19 is a significant threat to public health.

According to Renz, hospitals and doctors were "stopped" to "murder" their patients to create the illusion that COVID-19 was a major threat to public health.

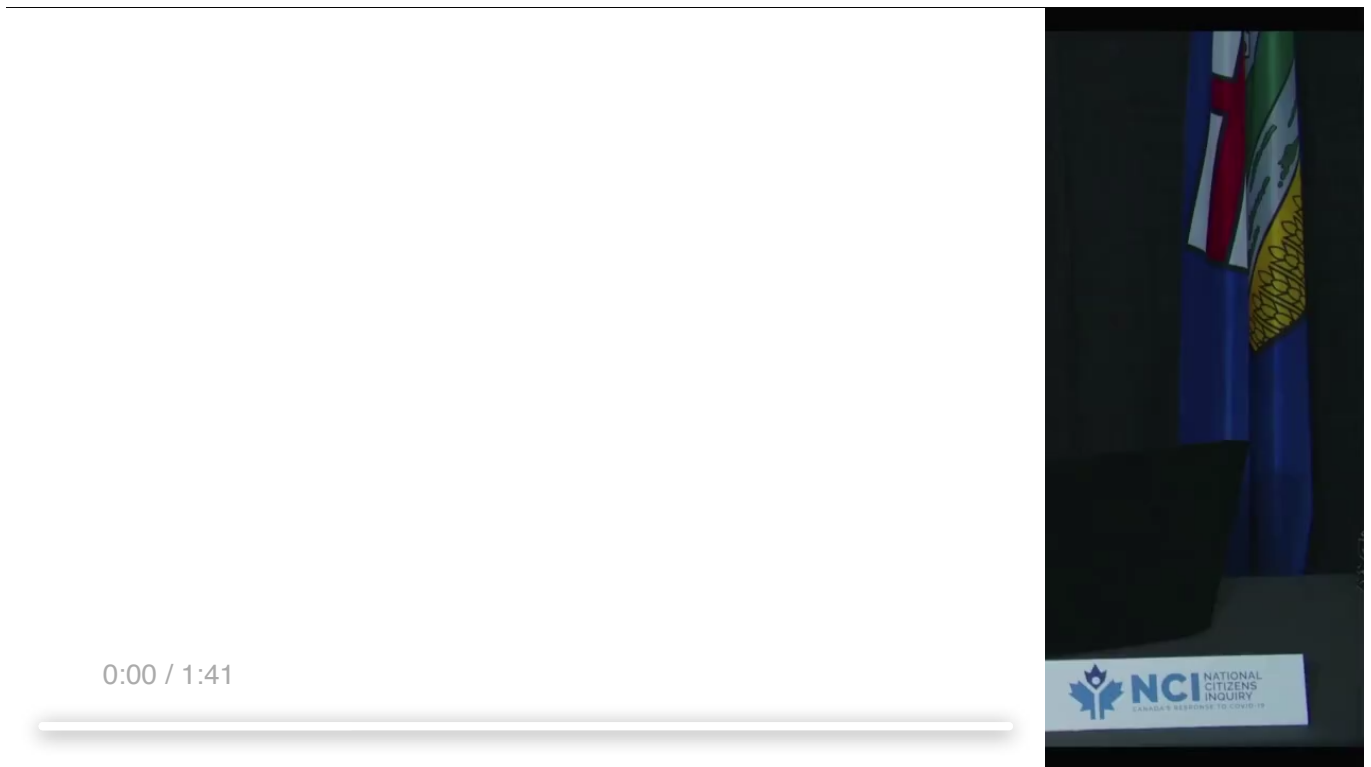

During his statement, Renz revealed that hospitals received more money from the government for every patient who tested positive for COVID-19. They received additional funds when they treated patients on COVID-19, and even more when the virus was reported as the cause of death. Renz notes that this system encouraged hospitals to increase COVID numbers and even "murder" patients.

"If you go to the hospital and have a positive Covid test, the hospital will get more money," said Renz during the hearing before the legislators. "When you are connected to a ventilator, the hospital gets more money. "Instead of saying, 'You get more money when the patient is healthy,' we said, 'You get more money when he dies.'"

There are also more and more calls to end uncontrolled immigration. The viral video below shows young people singing "Germany the German, foreigners out, foreigners out" on the northern German island of Sylt.
