Removal notice requiring you to remove class 1 material from your service

(Under section 109 of the *Online Safety Act 2021 (Cth)*)

I am a delegate of the eSafety Commissioner for the purposes of section 109 of the *Online Safety Act 2021 (Cth)* (**the Act**).

Please see enclosed a removal notice given to you under section 109 of the Act (**the Notice**). The Notice requires you to take all reasonable steps to ensure the removal of class 1 material, specified in **Attachment A**, from your service **within 24 hours** after being given the Notice.

Background

On 2 June 2025, the eSafety Commissioner became aware class 1 material which is provided on your service, specifically material that advocates terrorism and has been classified Refused Classification (**RC**) by the Classification Board under the *Classification (Publications, Films and Computer Games) Act 1995 (Cth)* (**the Material**). The Material is further described in **Attachment A** to the Notice.

Basis for giving the Notice

I have formed the view that:

- the Material is, or has been, provided by you, a designated internet service within the meaning of section 14 of the Act;
- the Material is, or was, class 1 material within the meaning of section 106 of the Act;
- the Material can be accessed by end-users in Australia; and
- the Material is not provided on an exempt service under section 109(1)(d) of the Act.

On this basis, I have decided to give you the Notice.

Required action

Please email requests@esafety.gov.au once you have removed the Material in compliance with the Notice.

If you have any questions about the Notice, or if you require a longer period of time to comply, contact our office by email to requests@esafety.gov.au as soon as you receive this Notice.

Failure to comply

Under section 111 of the Act, you must comply with a requirement under a removal notice given under section 109 of the Act to the extent that you are capable of doing so.

Failure to comply with the Notice may result in enforcement action, including the commencement of civil penalty proceedings for a civil penalty order of up to a maximum penalty of \$825,000 (AUD) for a single contravention by a body corporate.

Under section 93 of the *Regulatory Powers (Standard Provisions) Act 2014* (Cth), failure to comply with the Notice means that you will commit a separate contravention of section 111 of the Act in respect of each day following the period specified for compliance with the Notice. This may attract additional penalties of up to \$825,000 (AUD) each day for a single contravention by a body corporate following the end of the period specified for compliance with the Notice.

Giving false or misleading information or documents to eSafety is also an offence (see sections 137.1 and 137.2 of the Schedule to the *Criminal Code Act 1995* (Cth)).

Review rights

You have a right to seek an internal or external review of the decision to give you a removal notice.

An internal review is a review conducted by the eSafety Commissioner under eSafety's Internal Review Scheme. There is no fee associated with a request for an internal review.

An external review is a review conducted by the Administrative Review Tribunal (**ART**). The enclosed information sheet sets out your rights regarding the different review options available to you, as well as other options if you do not agree that the Notice should have been given to you.

Please note that you are required to comply with the Notice even if you have made an application for internal or external review, unless you receive notice that the eSafety Commissioner or the ART has decided otherwise.

Confidentiality of this Notice

This Notice contains URL hyperlinks to class 1 material. The Notice, its contents, and any investigation to which it relates should be kept confidential.

eSafety requests that the Notice not be shared with any third parties, including, but not limited to, the end-user/s responsible for posting the Material on Kiwi Farms. We request your cooperation to prevent the further dissemination of class 1 material.
