

Reporting Links & Organizations for assistance with: CP/CSE/SEX TRAFFICKING (ALL AGES) Neglect, Domestic Violence/Female Violence/SA. Unfortunately some of the countries listed don't have public contacts for CSE but they have contacts for trafficking (for all ages) and domestic violence that can be used to assist with reporting CSE through the proper channels if there are applicable laws available in said country. Keep in mind due to the tourism industry for some of these countries the best we CAN do through white hat "legal" means is alert organizations that have been put in place.
