I combat the conspiracy theory promoted by Rebekah Jones. Disinformation is bad no matter what purpose it seems to serve. Not paid by DeSantis or anybody else.

Ha! I called it right - told someone yesterday that Rebekah Jones would tweet again tonight. Her self-discipline lasted 1 day, 8 hours & 21 minutes.

.@theDailyBeast, the fact that you removed internal links to @jakelahut's article and disabled it from search indicates that you know that something is very wrong with it. But you left it as your pinned tweet and it remains on your site. Retract it. Everything in it is false.

Rebekah Jones lies THIS egregiously: Someone DeSantis prosecuted for theft in 2009 later committed an election crime. She implies he was then somehow in bed with DeSantis, but in reality... he was working for NIKKI FRIED'S SENIOR CAMPAIGN ADVISOR. <https://t.co/A4VsnR4ggp>

It's been 33 days since Rebekah Jones posted an update to one of her GoFundMes that complained about having to pay \$20K to the state as part of her plea deal. Since then she has collected \$30,888. She has more than enough money. Stop sending it to her. She's a grifter. <https://t.co/ehJu9eRm7n>

Portrait of a grifter: Rebekah Jones is trying to scam \$45K from the public to pay off a \$20K fine. Note that the fine had nothing whatsoever to do with her being a "whistleblower". It stems from an unrelated felony that she has admitted to committing. <https://t.co/gUXVcZeinc>

Not just any mother could turn the arrest of their child for threatening to shoot up a school into a profit-taking opportunity. But Rebekah Jones is not your average grifter. She's now collected \$59.6K in less than 4 months after asking for help paying \$20K in restitution. <https://t.co/QaJqm0QDf1>

Rebekah Jones has 2 active GoFundMes and continues to beg for money to pay the restitution due to her deferred prosecution agreement, even though she's already collected almost twice what she needs. <https://t.co/fnTY6ur7E1>

Rebekah Jones @georebekah has managed a singular accomplishment: she has been recognized by Bad Electoral Takes, in addition to her previous nods from @BadCOVID19Takes and @BadLegalTakes. Kind of makes you wonder if she claims expertise in subjects she knows little about. <https://t.co/7jDIsQewHk>

Rebekah Jones has been arrested 4 times in Leon County, Florida. Here are her 4 mugshots from those arrests. She is denying that the 4th one is of her. Let's take a closer look at that, ok? /1 <https://t.co/xtGJGHt4bV>

Has anyone else ever been recognized by both @BadLegalTakes and @BadCOVID19Takes? Asking for Rebekah Jones @georebekah.
