@MWM4444 Ahh yes, the campaign post where Rebekah Jones exploits her sonâ€™s disability to fundraise.

@ajifji @GeoJones @YetiStyle69 @MaxNordau @realMattMon @bridget123go000 @ResisterSis20 Can you read? I said there were legitimate issues with his Covid response.

@ajifji @GeoJones @YetiStyle69 @MaxNordau @realMattMon @bridget123go000 @ResisterSis20 https://t.co/hhAYTxP1eI she exposed nothing. Jones just distracted from the many legitimate issues with DeSantisâ€™ covid response and slandered under paid DOH staff.

Rebekah Jones is a disease. Sexual predator vs. sexual predator for CD-1. How freaking disappointingâ€¦ https://t.co/nlcWBHhAAta

I hate Tucker Carlson. So much. And I hate how Republican media has gotten to break this news. But nothing that was said on Tucker Carlson's show last in regard to Rebekah Jones was untrue. This situation is going to need everyone to look beyond their political blinders.

.@MiamiHerald is enabling Rebekah Jones's extremely disturbing behavior. They're exploiting this train wreck of a situation by ignoring the important facts/details that are unsavory. This only encourages Jones to continue to peddle baseless lies & slander private citizens.

Friendly reminder that you can oppose DeSantis AND be critical of his COVID response while also understanding that Rebekah Jones is a grifting con artist who takes credit that's not hers

It will be extremely hard for me to ever forgive or trust a publication that is so hell bent on propping up a truly malicious person. You have played yourself @MiamiHerald

The silence from the journalists who originally propped up Rebekah Jones's lies is deafening. It's so terribly frustrating. The articles criticizing Jones are well sourced and her falsehoods are blatant, yet people continue to peddle them and enable this mendacity.

Reminder that Grant Stern continues to prop up a malicious con artist, Rebekah Jones, who has an open stalking charge and felony in the state of Florida. People on opposite sides of the political spectrum can disagree, but don't bring lies and hypocritical hits into the mix. <https://t.co/nlhlctetT1>

@thejackhq @FreeBeYouMe Pushaw is receiving death threats now... It's really upsetting. Especially because all of this hate is based upon a huge lie.

@blue\_okie8645 @dmittler123 @DrEricDing @Scaramucci @RonDeSantisFL @GeoRebekah That's false. Jones was arrested for illegal accessing an alert system she is not authorized to use. She also downloaded 20,000+ peoples' personal information from a DOH database. Please check yourself before spreading misinformation.

Contrary to #georebekah's lies, I am not @MaxNordau and it's concerning she's saying she somehow knows our personal info. @TwitterSupport

#1 (5/7/20): Rebekah Jones sabotaged admin privileges & data uploads on the dashboard. #2 (5/30/20): @HealthyFla announces technical issues. Jones accuses them of being hiding data and being incapable of operating w/o her. #3: The now-broken link She's been deleting evidence. <https://t.co/BWoBZEoHNp>

@blue\_okie8645 @dmittler123 @DrEricDing @Scaramucci @RonDeSantisFL @GeoRebekah She needed 20,000 peoples personal info (addresses, phone numbers, emails, etc.) to report covid data?? Now that doesn't make much sense. And who's æœthem?
