Thank you @GovRonDeSantis & the entire team for getting the lights turned on so fast, especially all of the linemen who have come from all over the country to help Floridians. <https://t.co/sbD4ad7eK2>

Hey @elonmusk & @twittersafety, this person is telling all 363k of her followers to report people who haven't violated any TOS just because she doesn't like them. Isn't that the very definition of harassment?

Who freaking does this to their own constituents? Rebekah Jones is clearly not serious about winning her Congressional race in FL-1. <https://t.co/hEP8NVnjeT>

Rebekah Jones is still passing around that document that she forged to make it look like she had a viable whistleblower case. She blamed @MarcACaputo for altering the document but she's still passing it around as if it was legit. She's such an idiot. <https://t.co/2Us7HNJXHi>

Rebekah Jones is desperately trying to convince everybody the charges against her have been dismissed, they haven't. She's on a 2 year DPA (Deferred Prosecution Agreement). She also admitted that she is guilty of the charges against her. <https://t.co/yMCdJngeJD>

I'm no @SenRubioPress fan but @RepValDemings thinking this was so clever that she tweeted it twice & embarrassed herself by saying during the debate last night lost points with me. Instead of answering questions, she wasted her time unprofessionally insulting Rubio.

Have no idea why Rebekah Jones still thinks Max is Andrew. They didn't even know each other until after she started this rumor. I think this is a violation of the TOS to dox Andrew like this @TwitterSafety <https://t.co/j8SmvE8OmJ>

Rebekah Jones is such a liar. She's never had the title of a 'ascientist'. She also doesn't have an 'advanced degree'. She forgets we have her personnel file. <https://t.co/hssw6cODe1>
