SCOTUS unanimously & correctly put Trump back on the CO ballot. Like him or hate him but if you can kick Trump off of the ballot based upon an allegation you can do that to anybody.

Hey guys! I found somebody that STILL believes pathological liar, Rebekah Jones. I guess they never got the memo that 3 investigations found Jones was full of shit. <https://t.co/HnocHpt6RG> <https://t.co/DEoC8izi81>

DeSantis supporters: Now that he's ended his run, what will
you do on Election Day? Please RT so we can get a good

An accurate thread of the absolutely vile, disgusting & un-
forgivable behavior of the Trump Team. How they can
possibly call themselves Christians when they behave this
way. @GeneChurch1776 you were right, we need to call
these vile people out every time they post this garbage.

Rebekah Jones spewing more conspiracy theories. DeSantis
was not in the meeting. Antonacci left the meeting then had
a heart attack in the hallway. Nobody saw him for 20
minutes. Jones is clearly trying to suggest DeSantis had
something to do with his death. SMH

Rebekah Jones repeating this lie that @mattgaetz people
sent her death threats. She even claimed the FBI was
investigating (they don't investigate this stuff). Local law
enforcement had no record of her filing a report claiming
there were threats made. She lies about everything.

Can pathological liar, grifter, admitted stalker and felon,
Rebekah Jones, get any more cringey? "Before I became
famous" LOL. She's famous for having 5 mugshots and
lengthy criminal records in 2 different states.

Here's her tweet begging for grocery money. Why can't
somebody with her degrees find a job? She hasn't worked in
almost 4 years. Why did she spend over a hundred bucks on
a bottle of wine instead of food for her kids? So many
questions. <https://t.co/UQWVvYJEX1>
