Braggâ€™s anti-Trump witch hunt is so egregious that even other people who have led anti-Trump witch hunts are like, dude, what are you doing? <https://t.co/ZqCzuac5XE>

â€œWe canâ€™t win elections until we clean up our elections.â€ Wisconsin had clean elections. They just elected a Supreme Court that will allow ballot harvesting and ban voter ID So tell me what your solution is, or donâ€™t run for president.

The most articulate case against Alvin Braggâ€™s abuse of power. If you care about fighting back against Soros DAs, DeSantis is your guy. If all you care about is righteous anger and fundraising, there are other candidates.

The current state of politics is simple: President Joe Biden is extremely unpopular. Donald Trump, a private figure, is even less popular. So Democrats run against Trump, and win. Tell me your solution to this problem, or donâ€™t ask for my vote.

Trump followed the polls and did what Fauci told him to do, and lost. DeSantis ignored the polls, defied Fauci, moved the polls, and won. Losers follow polls. Winners change polls. DeSantis 2024. <https://t.co/4m1cmk6GZj>

Preferring Trump over DeSantis is 100% defensible. There are issues where they differ. On the other hand, if youâ€™re a Republican and anti-DeSantis, then youâ€™re not serious about winning.
