If you step back and ask yourself "how would a stalker handle this situation," it would look exactly like what Rebekah Jones is doing right now. She is mentally unwell and getting worse. <https://t.co/wZ5cqY8wVb>

Rebekah Jones announcing to the world that she's in possession of child pornography doesn't seem very smart for someone under a deferred prosecution agreement for a felony. Getting Twitter back will ultimately be the worst thing that could've happened to her.
