

# Demon Sword: Incubus 1.8+ content patch

**Warning :** This patch contains depictions of sexually explicit acts. Do not install this patch if you are under the age of 18, or feel uncomfortable with those themes.

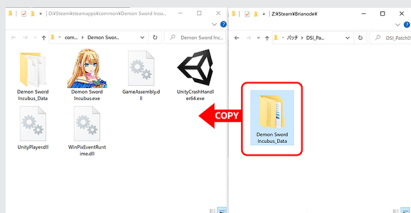

**By installing this patch you agree to bear sole responsibility for any and all issues that may result from its use.**

## How to install:

- 1 Access the game's installation file by opening the Steam client, right-clicking "Demon Sword: Incubus" in your Library and then selecting "Manage" and then "Browse local files".

- 2 Copy and overwrite the "Demon Sword Incubus\_Data" inside the compressed Patch folder into the game's installation folder.

- 3 Launch the game. If the patch version is the same as the game version on the lower left of the title screen, you have successfully installed the patch.

**※If the game is updated, the patch must be reinstalled.**

If the game is updated to a newer version, a message will appear on the title screen saying that the patch and the version of the game do not match.
