European Leaders "*Wag Tails*" At Feet Of Trump As Musk Obliterates "*Vipers Nest*" That Unleashed Covid

President Putin assessed about

warmongering socialist **European Union** leaders: "*They just don't like Trump, they actively fought him, interfered in political life, in the US election...Trump has different ideas about what is good and what is bad, including in gender policy, in some other issues, and they don't like it...I assure you, Trump, with his character and persistence, will restore order quite quickly...And all of them, you'll see, soon all of them will stand at the master's feet and gently wag their tails*", says this assessment was followed by socialist **European Union** leader **Polish Foreign Minister Radoslaw Sikorski** releasing his tail wagging open letter "*I'm The Foreign Minister Of Poland. Europe Has Got The Message*", wherein he observed: "*As some allies grow weary of American power, Americans seem to be growing weary of their allies...For years — in his first term and in his recent campaign — President Donald Trump has been clear that he will put America first*".

While **President Donald Trump** and **Americans** are "*growing weary of their allies*" robbing them blind, this report notes, *unelected usurper Ukraine Dictator Vladimir Zelensky* shockingly revealed yesterday: "*When it is said that Ukraine received \$200 billion to support the army during the war – that's not true...I don't know where all that money went...Perhaps it's true on paper with hundreds of different programs – I won't argue, and we're immensely grateful for*

everything...But in reality, we received about \$76 billion...It's significant aid, but it's not \$200 billion".

Responsible for sending **Ukraine** the **\$200 billion** it only received **\$76 billion** of, this report continues, is the **United States Agency for International Development (USAID)**, that **Department of Government Efficiency (DOGE)** team leader **Elon Musk** sent his forces to seize control of this weekend—a seizure about which was revealed: "*When USAID personnel attempted to block access to some areas, DOGE officials threatened to call federal marshals*"—it was then reported: "*USAID leaders were escorted out of building after blocking DOGE access to secure systems*"—all of which was followed by the news: "*DOGE representatives were given access to at least the Executive Secretariat, a nerve center for coordination and communication for the agency's highest levels, and the office of the General Counsel*".

After his **DOGE** forces seized total control over **USAID** yesterday, this report details, **Musk** beyond shockingly revealed to the **American** peoples: "*Did you know that USAID, using YOUR tax dollars, funded bioweapon research, including COVID-19, that killed millions of people?*"—**Musk** then revealed that **USAID** *funded heroin production in Afghanistan* and is *paying media organizations to publish propaganda*—**Musk** then declared: "*USAID was a viper's nest of radical-left marxists who hate America*" and proclaimed: "*USAID is a criminal organization...Time for it to die*".

Last evening, this report notes, **President Trump** declared about **USAID**: "*It's been run by a bunch of radical lunatics, and we're getting them out, and then we'll make a decision on its future*"—a declaration followed by **Axios** reporting today: "*Elon Musk said President Trump has "agreed" to "shut" the U.S. Agency for International Development (USAID) down*".

Along with the leftist **Washington Post** revealing today: "*USAID's website has been down since Saturday...By Sunday afternoon, USAID's X account had been taken down, with a message saying the*

[account "doesn't exist"...The agency's Instagram account was also taken offline"](#), this report concludes, the just published geopolitical document "[How Trump's Dismantling Of USAID Marks A Seismic, Historic Shift In America's Role In The World](#)" assessed:

The most consequential decision and executive order which came within the opening days of President Donald Trump's administration has without doubt been his "***reevaluating and realigning US foreign aid***" — which **sent shockwaves through Washington especially given federal funding has been cut to USAID in a shock blow to the agency.**

But it is also having a massive ripple effect throughout the world. Some foreign powers will welcome the news, while many allies as well as an assortment of US-backed '***opposition groups***' will feel completely abandoned.

This has meant that pro-Western media outlets, NGOs, and 'soft power' organizations are in panic mode. This has basically overnight shutdown a multi-billion dollar regime change apparatus which pushed or often imposed American interests throughout the globe, especially in the very vulnerable Third World, as well as former Soviet satellite regions.

We're looking at a seismic shift in the US's relationship with the world:

- 1) The US is dismantling its foreign interference apparatuses (like USAID)
- 2) Marco Rubio stating that we're now in a multipolar world with "***multi-great powers in different parts of the planet***" and that "***the postwar global order is not just obsolete; it is now a weapon being used against us***".
- 3) The tariffs on supposed "***allies***" like Mexico, Canada or the EU: This is the US effectively saying "***our attempt at running the world is over, to each his own, we're now just another great power, not the indispensable nation***". It looks "**dumb**" (as the WSJ just wrote) if you

are still mentally in the old paradigm but it's always a mistake to think that what the US (or any country) does is dumb.

Hegemony was going to end sooner or later, and now the U.S. is basically choosing to end it on its own terms.

It is the post-American world order - brought to you by America itself.

Did you know that USAID, using YOUR tax dollars, funded bioweapon research, including COVID-19, that killed millions of people?

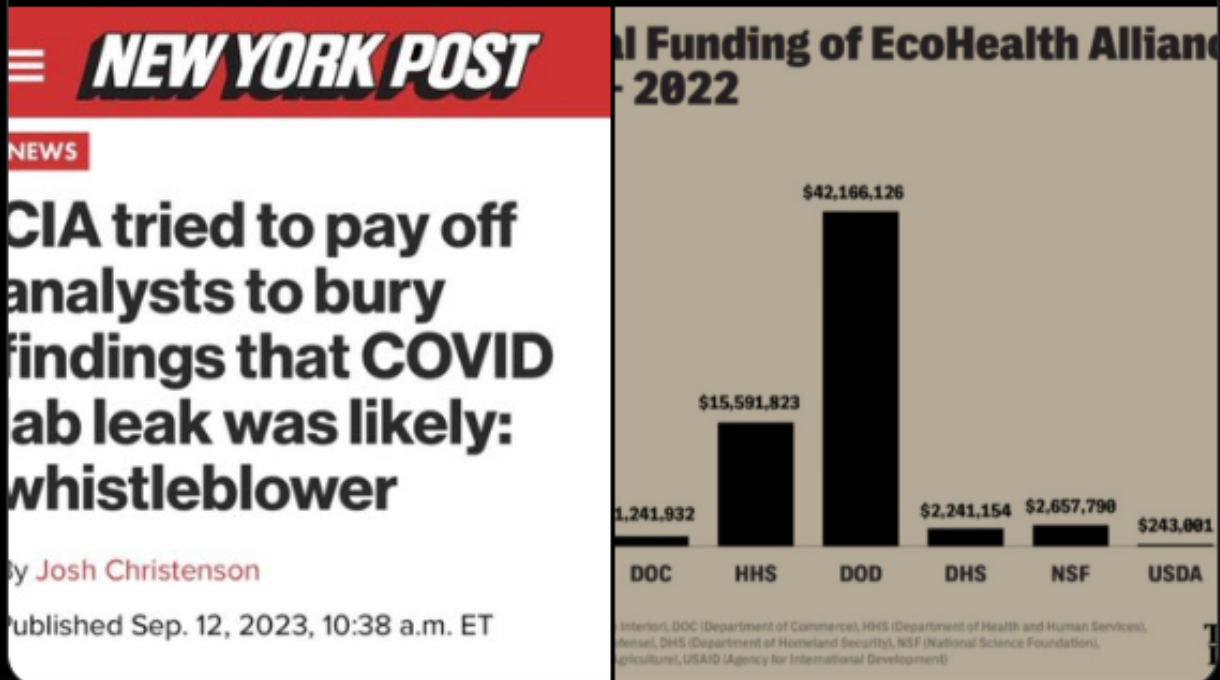

KanekoaTheGreat @KanekoaTheGreat · 15h

USAID funneled \$53 million to EcoHealth Alliance, which then used U.S. taxpayer funds to support gain-of-function research on coronaviruses at the Wuhan lab—research that likely led to the creation of COVID-19.

The CIA's deception regarding COVID-19 origins becomes much clearer

Good question

Why was USAID funding the production of heroin in Afghanistan?

FEDS: U.S. TAXPAYER FUNDS HELPING IRRIGATE, FERTILIZE AFGHAN OPIUM FUNDING TALIBAN

WIN MORA | 21 Jun 2018 | 919

USAID has been paying media organizations to publish their propaganda

Mike Benz @MikeBenzCyber

Why was USAID actively instructing media organizations around the world to "AGREE POLICIES ON STRATEGIC SILENCE" to all collectively censor social media narratives?

USAID was a viper's nest of radical-left marxists who hate America

I cannot adequately convey to you how many dozens of former members of the intelligence community have written to me this exact same sentiment about USAID

USAID is a criminal organization.

Time for it to die.
