Prologue

Our story begins with Geoffrey and Hershey St. John watching fireworks at Green Hill Park, and Sonic the Hedgehog spots them. "Such beautiful fireworks, Geoff!" said Hershey. "Can't help but agree, m'luv" Geoffrey replied. Geoffrey then said "Though there was a time when I would have thought different", and Hershey replied with "Guess you were wrong!". Sonic the Hedgehog comes up and says "Say, I never really got the chance to congratulate you two on your marriage!", and Geoffrey replied with "Thanks, mate, and welcome home again". Geoffrey and Hershey walked away, and then Sonic said "Don't tell me you're both dashing already?", Geoffrey replied with "We're off on a classified mission for King Max", and then Hershey said "You know... our honeymoon!" They both left to get started on their honeymoon.

Chapter 1: Getting Started

Back at the Castle of Acorn, Geoffrey and Hershey were getting dressed in better clothing for the trip and were also packing up. Hershey also fixed her hairstyle from a spiky style back to her old bangs, but it would only be for the honeymoon. "So what are we doing exactly for our honeymoon, Geoff?" asked Hershey. "Well I figured we can go on a cruise and go to a resort near Flicky Island while we're at it" said Geoffrey. Hershey squealed with happiness and said "That's great! I'm so excited! But, I still can't swim just to let you know". Geoffrey walked over to Hershey, hugged her and pulled her closer to his face and then said "Don't worry luv, I'll protect you from drowning". He then rubbed his nose on Hershey's nose and hugged her harder in a passionate way, and Hershey wrapped her arms around Geoffrey. "Oh Geoffrey" said Hershey in a passionate way as she blushed. As they rubbed each other's noses, they then brought their lips together and kissed passionately. Then after that small moment of making love, but Hershey pulled back from Geoffrey and said "Well we better get ready so we can fly to the bay. The cruise ship isn't going to stay at the bay forever you know." Geoffrey replied with "You're right, let's get ready before it's too late. There we can continue making love and get it on". "Oh Geoff, you're so passionate" said Hershey. They continued to get ready to go on their honeymoon.

Eventually they got to the cruise ship and got on board. They were in for a good time that they both planned. On the cruise ship they went to a diner and ate there. Geoffrey ordered a steak while Hershey ordered fried fish along with some shrimp. During their meal, they engaged in a conversation. "So whatever happened to you and Drago?" asked Geoffrey. "Ugh, me and that dirt bag are through. After he duped me, I was so upset and worried that my life would be ruined. After I threw a fit of rage against him and nearly smashed his face with a rock Sonic came to me and told me that we were all duped with that situation of Sally Acorn nearly getting killed" said Hershey. "I see, well how did you not know you were in the Sonic suit?" asked Geoffrey. "I'm not

sure, maybe the suit had some special technology inside of it. Anyways, how are you and Sally doing?" said Hershey. "Me and her are just friends now, but it's fine because I have a beautiful lady like you now to love" said Geoffrey. Hershey blushed and replied with "Oh Geoff, ever since I first saw you I had a feeling you would be a loving person". "Heh heh, it's nice to see you care" replied Geoffrey. They continued to eat their dinner and continued to engage in conversation.

Later that same day, during sunset, they hung outside on the deck near the edge of the ship. They both had each others' arms on each others' shoulders. Their heads were close to each others in a romantic way. Geoffrey said "You know Hersh, looking at this sunset reminds me how beautiful you are". Hershey blushed and replied with "Oh gosh Geoff, that made me blush. I'm so glad I found you after me and Drago broke up". Geoffrey replied with "And I'm glad I found you too, and I love you very much." "Oh I love you too, Geoffrey" Hershey replied. They both walked down the deck with each others' arms on each others' shoulders.

Chapter 2: The First Time After Marriage

Later that night, Geoffrey and Hershey were in their room that they booked for their honeymoon. Both of them were in their pajamas. Geoffrey had something nice in store for Hershey. "You know luv, we had a nice time with each other doing missions alone without Wombat Stu, Valdez and the others, not because that I didn't like them but because they were in the way of our relationship" said Geoffrey. "Oh really? It seems you really didn't have a loving feeling for me back then" said Hershey. "Well... you're right. I just wasn't in to you as much as I am now because I really didn't focus on you much" Geoffrey replied. "Well it's all a thing of the past and now" said Hershey. "You're right. However, I have something more important to tell you" said Geoffrey. "What's that?" said Hershey. "Well..." said Geoffrey as he grabbed something in his pocket and took it out. It was revealed to be a condom. "I figured we can have a really great night" said Geoffrey as he took the condom out of the wrapper and put it on his penis. "Ooh I like the sound of that! I better take off my night gown!" said Hershey as she took off her night gown leaving her in her bra and panties.

"Well we better get started!" said Geoffrey as he takes off his shirt and pants leaving him in his boxers. He then goes on the bed with Hershey, and they start making out. They kiss and lick each other on the mouth and tongue as they groin erotically. Geoffrey then stops making out with her and pulls off her bra and panties and then takes off his boxers which meant they were both naked. "Oh Geoffrey, are you going to do what I think you're going to do? Hershey asked. "You bet my luv!" said Geoffrey as he placed his erect penis with the condom into Hershey's vagina and started to make love to her. He pushed his penis into her vagina in and out multiple times as he and Hershey panted erotically. They also bounced on the bed as they had sexual

intercourse with each other. Hershey was blushing and saying "Oh Geoff, Oh Geoff, Oh Geoff, Oh Geoff, Oh Geoff!!!!". She said it many times as Geoffrey fucked her hard in her pussy. Geoffrey then stopped and said "OK luv, it's time for you to turn around and let me place my junk into that butt of yours". Hershey replied with "Oh Geoffrey! Please do it so hard that I'll feel love through my anus!" and turned around and lifted her tail to allow him to fuck her in the ass. "OK, now it's time for some serious business!" said Geoffrey. He then started to fuck Hershey in the ass as hard as possible as they both made erotic pants. Hershey yelled "Hump me Geoffrey! Hump me hard!" as Geoffrey fucked her in the ass. Geoffrey yelled "Oh Hershey, you're such a naughty girl!". Eventually Geoffrey fucked Hershey enough for cum to spew out of this penis, but the condom prevented the sperm from getting everywhere, as this happened Geoffrey yelled "OHHHHHHHHHHHHHH!!!!".

After that, he and Hershey were panting from such a nice round of sexual intercourse. Geoffrey took off his condom and was going to put it in the trash but Hershey placed her index finger in it and put it in her mouth. "Oh you naughty little girl" said Geoffrey as he chuckled. "That was really fun Geoff. I hope we can do it again soon" said Hershey. "Oh we will luv, and it's going to be better than what we had tonight" replied Geoffrey. "I like the sound of that!" Hershey replied. "Well now it's time to get some shuteye" said Geoffrey as he yawned. Geoffrey got back into his boxers and pajamas as Hershey got back on her bra, panties and night gown. They then both got into the sheets and tucked themselves in. "Good night Hershey" said Geoffrey. "Good night Geoffrey" said Hershey. The both snuggled with each other as they went to sleep so that they can get more rest for the next night.

Chapter 3: It Gets Better

The next day, Geoffrey and Hershey hang out by the pool of the cruise ship. Geoffrey goes for a swim while Hershey relaxes on the deck on a sun chair under an umbrella. Geoffrey was swimming underwater until he came up and gasped for air. He lifted up his wet hair so that he could see and looked at Hershey. "Come on luv, the water's great!" said Geoffrey. "No way! I hate water!" said Hershey. "Come on Hershey, I'll hold you I promise!" Geoffrey replied. "Well you remember that time you knocked me into that shark tank on purpose back when I you were training me? Well that's why I won't go in with you because I can't trust you when it comes to water!" said Hershey. Geoffrey said "Well this time, I'll hold you OK?". "NO! How many times do I have to tell you?" Hershey argued. "Well suit yourself!" Geoffrey said. He then took a deep breath and went back under the water and swam some more.

Later that same day Geoffrey and Hershey were playing shuffleboard with each other. "So you think you can beat me luv?" asked Geoffrey. "Oh heck yes I can bub" said Hershey. Geoffrey was winning so far, but Hershey wasn't too far behind. The

game was almost over and Hershey had to knock off one of Geoffrey's pucks and score 10 points. She aimed carefully and hit her puck, and the puck hit Geoffrey's off the 10 point section. Hershey St. John won! She cheered and jumped with joy. Geoffrey replied with "Well what do you know, you beat me!". "Isn't it sad that you lost to a girl, or should I say your newlywed wife?" asked Hershey. Geoffrey replied with "Well it's not too bad. But you know what?" "What?" said Hershey. "You win a nice session of love!" Geoffrey said as he hugged Hershey and kissed her on the cheeks multiple times. Hershey laughed as she was kissed and they eventually made out.

Later that night, Geoffrey and Hershey went to a party and dressed in formal clothing. They both danced and had a great time. Geoffrey made an announcement. He said "People I have an announcement to make. This is my wife, we were just married and I love her very much. She has something to say too". Hershey then said "Well as you can tell, my newlywed husband is a very sweet man and I adored him ever since I first met him. So here's to our marriage!". Geoffrey and Hershey then kissed each other as everyone cheered for them. Later at the party, Geoffrey and Hershey attended karaoke and sang songs together. Hershey sang very beautifully with a lovely voice, but Geoffrey on the other hand didn't sing so well. But they still had fun and had good laughs afterwards.

Later that night, they were back in their booked room. Geoffrey had plans for a better night than last night's sexual intercourse. "Hey Hershey, you know when I said that tonight's intercourse will be better than last night's intercourse?" asked Geoffrey. "Oh yes, I'm very curious to see what's in store for tonight, or should I say I'm curious to FEEL what's in store for tonight" said Hershey. "Oh heck yes luv, you're going to feel something tonight alright, something really good!" said Geoffrey. Hershey got naked and said "Well let's get started because I can't wait any longer to feel you inside of me!" said Hershey. Geoffrey chuckled and took off his clothing and put on a condom and Hershey started to chuckle too. Geoffrey said "I want to try something called "The Wheelbarrow", which is a sex position. You ever heard of that position?". Hershey said "Yes I have, and I know exactly how to do it!", and then she did a handstand and then said "Make love to me Geoffrey!". Geoffrey made a perverted smile and grabbed Hershey by the thighs and stuck his erect penis up her vagina. He started to push as he and Hershey made erotic groins. Hershey yelled "Oh yes! Oh yes! Oh yes!" many times as she was fucked by Geoffrey in her pussy. Geoffrey then stopped and then went to their bed and laid down on it. He then said "Come over here luv, I want to do "The Love Seat" with you!". "What's that?" asked Hershey. "It's a type of sex position where you sit up and down on my crotch area so that my donger goes up your butt!" said Geoffrey. "What the heck is a donger?" asked Hershey. "It's a slang for penis" Geoffrey replied. "Well that sounds like fun! Here I come!" said Hershey as she walked over and sat on Geoffrey's crotch area as she let Geoffrey's penis go up her butt. She pushed herself up and down and

moaned as Geoffrey's penis went up and down in her ass. Hershey then stopped, turned around and looked at Geoffrey in the eyes and said "I think it's my vagina's turn for the fun!", and then she forced Geoffrey's penis into her pussy as she stood and pushed up and down as she and Geoffrey moaned erotically. Geoffrey yelled "Oh heck yes! I feel so alive!" as he felt his penis go up and down into Hershey's vagina. Hershey then wrapped her legs around Geoffrey and held on to Geoffrey's shoulders, and then she said "Pick me up Geoffrey. I have a cool idea for a sex position!". Geoffrey chuckled and picked Hershey up and sat on the bed. Geoffrey pulled Hershey to pump his penis up and down into Hershey's vagina even more. They both moaned erotically as they had a great time fucking each other very hard, and eventually Geoffrey's condom filled with sperm and he took off his condom and called it a night. "Wow Geoff, that was better than last night!" said Hershey. "Well I'm glad that you had fun tonight, and the funs far from over" said Geoffrey. Hershey then realized something and said "Hey Geoff, aren't we supposed to get to that resort near Flicky Island tomorrow?". Geoffrey then said "Yeah, we are! Well we better get some shuteye if we want enough energy for tomorrow." Said Geoffrey as he tucked into bed. He then said "Good night luv" to Hershey. Hershey replied with "Good night Geoff" and kissed Geoffrey on the cheek, and Geoffrey kissed her back on the cheek.

Chapter 4: Arrival at the Resort

Geoffrey and Hershey finally arrived at the resort where they really were willing to go to for their honeymoon. Geoffrey and Hershey walked off the boat with their luggage as they looked around at what was in store for them for the rest of their honeymoon. They saw all sorts of fun things they could do such as have some drinks, go in tents that were surrounded by palm trees, swim near the beach and all sorts of fun activities to do on the island resort. "So luv, what do you think we should do first?" asked Geoffrey? "Well I figured we could hang out by the beautiful waterfalls they have around here, or we could rent a boat and sail around the resort" Hershey replied. Geoffrey then said "That does sound like fun, let's first rent ourselves a boat and sail around the island". And so they went over to get a boat to rent.

They got themselves a standard motor boat and they sailed around the island. "Hey Geoff! Look! I think I saw some dolphins over there!" said Hershey. Geoffrey then stopped the boat. There were dolphins alright, but they didn't know how to attract them at first. "If only we knew how to get them over here!" said Geoffrey. Hershey replied with "Yeah, I wish we..." Hershey then thought of a great idea and said "Hey! I thought up of something! I can do a dolphin call to attract them!". "Since when can you do a dolphin call?" said Geoffrey. Hershey replied with "I remember I could do a dolphin call when I was younger. Just listen and learn Geoff", and she winked her left eye when saying the last sentence. She then took a deep breath and let out her dolphin call. It was a call that may have not sounded exactly like an actual dolphin's call, but it sounded beautiful

enough to attract the dolphins they saw. The dolphins came and Geoffrey was amazed. Geoffrey then said "Wow! That was a beautiful dolphin call you can do there luv, just like how beautiful you are". Hershey blushed and replied with "Aww, Geoff. Thanks a bunch". The dolphins came up, and Geoffrey and Hershey petted them. They had a nice time playing with the dolphins.

Later that same day, Geoffrey and Hershey went to a tent in the forest with multiple tents where they laid in bed with each other. They had each other's arms on each other's shoulders. Geoffrey said "You know, back from that night where we sang karaoke, you sang with such a beautiful voice. I always loved to hear you sing like a bird" Hershey blushed and replied with "Oh Geoffrey, you're so nice when it comes to compliments". "Well I figured we can have some fun in here" said Geoffrey as he took out his box of condoms. "Oh boy, that sounds like fun!" said Hershey as she pulled down her pants. Geoffrey pulled down his pants and placed the condom on his penis. "You ready to rumble luv?" said Geoffrey. "Oh yes I am! I'm ready to feel some love!" said Hershey as she laid on bed on her back and reached her arms out to hug Geoffrey. Geoffrey then grabbed Hershey and hugged her as Hershey hugged him. Then Geoffrey inserted his penis through Hershey's vagina and started to push back and forth as they both moaned erotically. After a few pushes, Hershey then said "Can you do it up my butt now?" and then she flipped over. Geoffrey then said "OK, but you're going to feel something big!" He placed his penis into Hershey's ass and pushed up and down as they moaned erotically even more. After a few more pushes, sperm filled up Geoffrey's condom, and Hershey flipped back over on her back and then said in a passionate "How about we just make out?". And then she pulled Geoffrey and kissed him on the lips, and Geoffrey made out along with her. They eventually started to lick each others' tongues. They eventually stopped making out, and Geoffrey threw away his condom and pulled his pants back up. Geoffrey said "That was fun! I really had a good time!". Hershey replied with "Yeah, but do you think we should do more activities before the night ends?". Geoffrey replied with "Yeah. I remember that awesome waterfall I saw that we can hang out by as well as wear our swimwear near it. What do you say?". "Sound great! Let's go!" said Hershey.

Chapter 5: More Fun at the Resort

Later that same night, Geoffrey and Hershey went near the waterfall that was near a pool of water. Geoffrey went swimming in it while Hershey relaxed on a beach towel she brought with her. Geoffrey said "I know you said you wouldn't before, but can you please so it for once?". "Do what? Swim? No way! I told you many times that I don't want to swim?" Hershey replied with. "Look, I know I've been rough on you in the past, but things have changes between us. I love you so much, and I care for you as well. So can you please take a little swim with me? I promise I'll hold you" said Geoffrey. Hershey replied with "OK fine, but you better not drop me!". Geoffrey stood up and held

his arms and Hershey then went between his hands, and Geoffrey grabbed her. They then went into the water and Geoffrey kept on to her. "Oh gosh!" Hershey said, but Geoffrey hugged her and said "It's OK luv, I got you. Just hold on to me and you'll be fine". They went around the pool of water in circles. After a few circles, Geoffrey then asked "OK luv, you ready to take a dive?". Hershey replied with "Well, I guess. I hope I can make it!". Geoffrey replied with "You can make it. Now take a deep breath and get ready!". They both took a deep breath and they both went under. Geoffrey kept holding on to Hershey as they both went under the water. They both saw all of the fish under the water and it was a beautiful sight. They eventually went back to the surface and gasped for air. "Oh gosh, that was so beautiful!" said Hershey as she got out of the water. "Well what did I tell you? That wasn't so bad! You should go in the water more often and learn how to swim! Besides, you got wet during that mission with Knuckles the Echidna we had way back before we were even married." said Geoffrey. Hershey replied with "Well maybe some other time because I had enough time in the water for tonight".

It got darker at the resort and Geoffrey and Hershey went rock climbing on a rock climbing wall and they were racing to the top. Geoffrey said "You may have won at shuffleboard, but I'm going to win this time!". Hershey replied with "Oh no you don't!". Geoffrey then climbed faster up the rock climbing wall and so did Hershey, but Geoffrey made it to the top and yelled "YES!". After they climbed back down, Geoffrey jumped around and cheered "Yes! Yes yes yes! I won this time!". Hershey replied with "Well you did win fair and square, so maybe I should give you something special when we have sex tonight for a reward". Geoffrey replied with "Ooh that sounds nice! What are you going to give me tonight?". "It's a surprise and you'll have to find out later tonight". Geoffrey replied with "Well OK then. Let's do something else, shall we?". Hershey said "Right, let's go".

After a few more activities, Geoffrey and Hershey rented a hut to sleep in at the resort. Hershey was getting ready to do the special surprise she had in mind ever since Geoffrey won that rock climbing game they played. Hershey said "Well since we're going to have sex tonight, I'm going to give you something that is guaranteed to give you pleasure". Geoffrey replied with "Oh boy, from the way you said it, it sounds really nice!". "Well we're about to get started, but first let me tell you something. I don't want you to put on that condom just yet" said Hershey. "Why not luv?" said Geoffrey. "Well just lay down on your back and relax and you'll find out shortly" said Hershey. Geoffrey laid down on his back and giggled, waiting to see what his wife would give him. Hershey then came to him and pulled down his pajama pants and boxers. Geoffrey said "Why are you pulling down my-", but before he could finish his sentence, Hershey placed her index finger on his mouth. "Hush babe, you're about to find out what I'm going to do!" Hershey said. She then bent down near his penis and started to lick it. Geoffrey giggled

as his penis was licked by Hershey, and then to make things better, she performed fellatio on him. As Hershey sucked Geoffrey's cock, Geoffrey said "Aww yeah" and he made a perverted laugh. She sucked his cock really good as Geoffrey was very pleased that she did so. Hershey then eventually stopped sucking his dick and said "Wasn't that great? It's what you get for winning that rock climbing game we had". Geoffrey replied with "That was awesome luv! And you know what? I have a surprise for you too". "And what is that?" said Hershey. "Well let me start by taking off your night gown and panties" replied Geoffrey as he took them off. "Ooh, what'cha gonna do?" said Hershey. "Well you're about to find out!" Geoffrey then went down to Hershey's belly and blew on it. Hershey laughed as Geoffrey blew on her belly as it tickled her. Hershey said "That tickles!" as she laughed. He finally stopped and then went to Hershey's vagina and started to lick it. "Oh gosh!" said Hershey as her vagina was licked. Then Geoffrey started to perform cunnilingus on Hershey. Hershey moaned erotically as her vagina was sucked. Geoffrey then stopped and said "Maybe we should try anilingus on each other, shall we?". Hershey replied with "Sounds good! I better take off my bra for the occasion" and took off her bra. Geoffrey then went to Hershey's anus and started to suck it, then Hershey did the same with Geoffrey. They made erotic sounds as they sucked each others' assholes. They slobbered on each others' butts as well. They eventually stopped and laid on bed and panted. "That was a lot of fun, huh luv?" said Geoffrey. Hershey replied with "Oh yes, that was really fun! I hope the next night is even better!". Geoffrey replied with "Oh it will be better next time, but we better go to bed now and get some sleep". Hershey replied with "OK, let's get ready. I also wonder what we have in store next time?". They got back into their pajamas and then went into bed. "Good night luv" said Geoffrey. "Good night Geoff" said Hershey. They kissed each other and then went to sleep.

Chapter 6: It Gets Even Better

The next day, Geoffrey and Hershey were canoeing by the beach resort in a canoe for two. Geoffrey was in the front and Hershey was in the back. "You having fun luv?" asked Geoffrey. Hershey replied with "Yes I am! It's also a really nice view around here!". Geoffrey then said "After we go canoeing, you wanna go hang gliding together?". "Sure! I always wanted to go hang gliding!" said Hershey. They continued their canoeing trip around the resort.

Later that same day, they were about to hang glide across the trees, and they shared a glider. "Well luv, this is going to be a huge challenge for us because we're going to fly across the trees!" said Geoffrey. "It's going to be a lot of fun Geoff, and I can't wait to do it! So are you ready?" said Hershey. "Yes I am luv!" said Geoffrey. They then took a few steps back and prepared to jump. They ran forward and finally jumped, and as they jumped they glided across the resort. They were able to see the whole resort as well as some of the other parts of the island. "Look Geoff! Look at those flickys

flying below us!" said Hershey. They both saw the flickys that flew below them. Eventually they made it to the bottom and landed on the ground. Geoffrey then said "Well that was great! It would be nice to do it again!". Hershey replied with "Yeah, but you know what I really want to do now? I want to get a massage! I heard they give really good massages here". Geoffrey said "That's a good idea! I could use a massage too after all of the missions we had to do. But where do we get a massage around here?". Hershey said "I know where to get a massage. Follow me". They then went to go get a massage at the resort.

Later that same day they were getting their massage. They were both in the phase where their backs were getting massaged. "Ahhh! This feels so good! You were right luv, these people who work here do a great job at giving massages!" said Geoffrey. Hershey replied with "What did I tell you sweetie? It's all worth it after all we been through throughout our lives." They continued getting their massages as they relaxed after a nice day of fun.

After a few more activities, it was finally night time and it was time to bed. Before bedtime, it was time to have more sex. It was going to get better as it was said last night. "So Geoffrey, what do you have in store for us tonight?" said Hershey. Geoffrey replied with "Well we're going to have a lot of fun tonight and I have some ideas for the ways we'll be making love tonight" said Geoffrey as he put on his condom and took his clothes off. "Well I better take all my clothes off too" said Hershey as she took off her clothes. Geoffrey then laid on the bed and said "Come get close to me so we can cuddle". "OK babe, I'm coming to make some love to you!" said Hershey as she came to him. Geoffrey got Hershey to lay on him, and then he got himself and his wife to lie on their side. He had his head close behind his wife's head and hugged her as well. Geoffrey then placed his penis up Hershey's asshole and then wrapped his legs around Hershey's legs. "I'm gonna keep my wiener up there for a while if you don't mind" said Geoffrey. Hershey replied with "OK babe, it feels really good up there". After a few minutes of Geoffrey keeping his penis up Hershey's butt, he finally took it out. Geoffrey then said "You ever hear of tribadism luv?". Hershey replied with "No, what's that?". Geoffrey said "It's where you rub your vulva all over my body". Hershey then said "Ooooooh! That sounds fun! I'll do that now!", and then she started to rub her vulva all over Geoffrey's body and Geoffrey giggled as Hershey's genitals were rubbed all over him. After a few rubs, Hershey stopped and said "I now have a question for you babe, you ever hear of frotteurism?". Geoffrey replied with "Oh yes I have! I definitely would like to rub my penis all over you!", and then he started to rub his erect penis all over Hershey. Hershey laughed and said "Oh Geoffrey, that tickles!", and then Hershey then masturbated as this happened. "Oh Hershey, you're really getting naughty now!" said Geoffrey as he laughed. Eventually he stopped and said "I think it's time for the grand finale. Do you mind lying on your back and lifting your legs up so I can fuck you in a way

that will make you wish I'd never stop?" Hershey then said "Oh yes! Please fuck me like that!", and laid on her back and lifted her legs up. Geoffrey then placed his penis up Hershey's vagina and started to fuck her. Hershey yelled "Fuck me! Fuck me! Fuck me!" many times as she was fucked up her pussy. Eventually Geoffrey's condom then filled up with sperm and it was time to stop for the night. They then got dressed into pajamas and then got into bed. "Doesn't this get better and better any night?" said Geoffrey. "Yes it does, and I don't usually say profanity" said Hershey. "Yeah I'm not too much of a potty mouth either. Let's go to bed, and our last night here will be the best. Good night Hershey" said Geoffrey. "Good night Geoffrey, see you in morning and I can't wait for tomorrow night!" said Hershey. They kissed each other good night and went to sleep.

Chapter 7: The Best Is Yet to Come

Today was the last day at the resort before they had to go back to the Kingdom of Acorns to go back on duty. At the beach, Geoffrey and Hershey decided to build a sand castle. The sand castle looked nice so far. They also built it far enough from the water so that it wouldn't get washed away. Geoffrey said "You're doing a good job helping me with this sand castle!". Hershey replied with "Well I though this is our sand castle because I wanted to help without you asking me to!". "Oh, right. I forgot about that because I'm very fascinated at how this sand castle is turning out. But anyways, what do you want to do after this?" said Geoffrey. Hershey replied with "I dunno, we'll have to figure that out while we finish this sand castle and take some picture of it". They continued their conversation as well as the construction of the sand castle.

After the sand castle was done as well as some pictures was took of it, Geoffrey and Hershey decided to take a walk in the resort. Geoffrey said "It was nice that we made that beautiful sand castle because it turned out real great. I also loved how we took some pictures of it". Hershey replied with "Yeah, and my favorite picture was the one where we kissed near the sand castle". Geoffrey then said "That was a good picture, but it's a shame that this is our last day before we have to go back on duty". Hershey replied with "Ugh, I know right? It sucks that we have to work so much, but it's our job". Just then, Hershey spotted something in a tree and said "Hey look at that cute little flicky up there!". Geoffrey replied with "Hey you're right! He's such a cute little fella, isn't he?". Hershey replied with "Yeah, I bet I can sing to it and have it sing along with me!". Geoffrey replied with "You bet you can?". "Yes I can! Just watch and listen!" said Hershey. She then took a deep breath and then started to sing. She sang beautifully to the flicky and it sang along with her. She sang in high notes that were sung very well. After the song was done, Geoffrey smiled and replied with "Wow that was just beautiful. There's no way I can sing as beautiful as you can." Hershey blushed and said "Oh Geoff, I just love it when you give me compliments". She then spotted a bulge in Geoffrey's pants and said "Is that a boner I see?". Geoffrey replied with "Well... yeah".

Hershey giggled and said "Oh Geoff, you naughty boy". They then continued their walk and talked some more.

As the sunset came at the resort, Geoffrey and Hershey were cuddling in a hammock together as they wrapped their arms around each other. Geoffrey said "Isn't this nice how we're relaxing and cuddling together with the sunset present?". Hershey replied with "It sure is, it's also nice to be with you". Geoffrey kissed her in response and she blushed. They continued to relax together in the hammock.

As nightfall came, Geoffrey and Hershey decided to attend a luau at the resort, and they watched the Hawaiian style performance on the small stage. Geoffrey then said "Isn't this a nice show luv?". Hershey replied with "It sure is! You think we should attend? They're allowing people to attend you know". Geoffrey replied with "Sure! It sounds fun!". They then attended by hula dancing as well as doing the limbo.

Later that same night, they went to their hut for the last time. Geoffrey placed a plastic bed cover all over their bed. "What that for Geoffrey?" said Hershey. Geoffrey replied with "Well remember how this night would be our best night of sex? Well it's gonna get messy". Hershey replied with "Ooh! It sounds exciting!" as she took off her clothes. Geoffrey then took off his clothes too and leaned on his legs on the bed and said "Well come near my balls because I wanna do something fun!" Hershey then came over and placed her face near Geoffrey's penis and said "Are you gonna cum all over me?" "Oh yes I am luv, get ready because here it comes!" said Geoffrey as he started to masturbate. He made erotic moans as he masturbated. He eventually spewed semen all over Hershey and she even ate some of it. She rubbed Geoffrey's cum all over her on her hair and her naked body as she made erotic moans. Hershey then said "Oh Geoffrey, that was fantastic! Now it's your turn!". Hershey then started to masturbate and Geoffrey knew what she was up to. She then eventually got vagina fluids to come out. Geoffrey then took some of the fluids and ate it and even washed his hair and body with it and they made more erotic moans as this all happened. Then Geoffrey said "Oh yes this is excellent! I wanna suck on those nipples!" Hershey then said "Well what are you waiting for, they're not gonna suck themselves!" Geoffrey then started to suck Hershey's nipples and they made even more erotic noises. Then Hershey started to suck on Geoffrey's nipples as he continued to suck on his. They had a huge mess of semen and fluids all over them as they did this. They eventually stopped sucking on each others' nipples and then Geoffrey then put on a condom and said "I'm gonna blow you in a way that I have never done before!". Hershey replied with "Oh goodie! I'm ready!". Geoffrey then said "Lay down on your back and lift your legs" as he got out of bed. Hershey laid on her back, and then Geoffrey grabbed Hershey's legs and started to fuck her in the pussy very hard. They made very loud erotic noises as this happened. After a few pushes in the pussy, he then fucked her in the ass very hard as Hershey stayed in the same position. The erotic moans were intense and loud this time. After

Geoffrey fucked her a few times, he stopped and then said "Let's have classic sex to finish this night off!". Hershey replied with "Oh yes! Let's have some more fun!". Geoffrey then laid on top of Hershey and then they started to fuck each other classic style, penis to pussy. They made many erotic noises and Hershey said "Yes! Yes! Yes! Yes!" many times as this happened. Eventually Geoffrey's condom filled with lots of sperm and then he took his condom off and squeezed all of the jizz out of his condom into Hershey's face. She rubbed the semen all over her face. A few minutes later they were laying on their bed panting from such a sexy night. Geoffrey then said "What did I tell you luv? Wasn't that the best night so far?". Hershey replied with "Oh yes it was. Now if you excuse me, I shall take a shower" as she made her way to the bathroom.

Later after that round of sex, Hershey was taking a shower. Geoffrey came in the bathroom and said "Can I shower with you luv?". Hershey said "Why sure sweetie! Come right on in!". Geoffrey came in the shower with Hershey and they showered together. They then got close and started to kiss. Then they made out and made erotic moans as they made out with each other. They didn't have sex again, but they had a good time in the shower.

Chapter 8: Leaving the Resort and The End of a Honeymoon

The day had arrived. The honeymoon was ending. Geoffrey and Hershey relaxed more on the hammock as they waited for a ship to pick them up. Geoffrey said "It's a shame that the honeymoon is over, but it was fun while it lasted". Hershey replied with "Yeah, I agree with what you said there. I can't even decide what my favorite part was." Geoffrey then said "Yeah, me neither. Everything was so much fun on our honeymoon". Hershey saw the ship and said "Well there's our ride!". They then got out of the hammock and walked to the ship with each other's arms on each others' shoulders. They cuddled on the ship on their way back to the Kingdom of Acorns.

Epilogue

After the honeymoon, Geoffrey and Hershey got back in their uniforms and were preparing to go to the room where they would hear an announcement from Sally Acorn about Amy Rose. Geoffrey then said to Hershey "So what do you bet the others were up to while we were gone on our honeymoon?". Hershey replied with "I'm sure they were doing standard business". Geoffrey then said "You think the others would like to know what we did on our honeymoon?". Hershey replied with "Nah, it's gonna stay secret" and winked. They then went to the room to hear what Sally Acorn had to say about Amy Rose. Their honeymoon was definitely unforgettable.
