The dismantling of the Khazarian mafia continues to gain momentum despite the 45-day US budget ban

[Part 1 translated by [max](#) / Part 2 by [Antiilluminati TV](#)]

The undeclared civil war in the West is intensifying despite a 45-day budget freeze that is keeping the US company in business for the time being. Importantly, no money flows into Ukraine, which means that the Khazarian mafia does not receive political bribes from this source.

"Now that the fake Biden show won't send any more money to the Ukrainian laundry, this could all end pretty quickly. Without US help, Europe will cave in very quickly. They want out too,"

said the CIA sources .

In any case, MI6, the CIA-Weiss Hütte and the Asian secret societies are now fully on the warpath.

For example, here is MI6's response to reports that Meghan Markle - who, according to sources, has replaced Hillary Clinton as the "Queen" of Satanists in the US - is to be "appointed" Senator for California to replace the late Diane Feinstein:

"We have no interest in her because the interregnum means the British royal family is fired. A vile slob... who, along with the entire Queen's family, contributed to her death... They've all been sent to hell and we're rid of the bad garbage. A bunch of money-hungry meanies."

It turns out Markle, who denies being a Satanist, turned down the job. However, a public confirmation of a change of power in the United Kingdom is the fact that British Prime Minister Rishi Sunak revoked the order to send British troops to Ukraine.

We also hear from Asian secret societies that a purge has begun in Japan and other parts of East Asia. Here is a

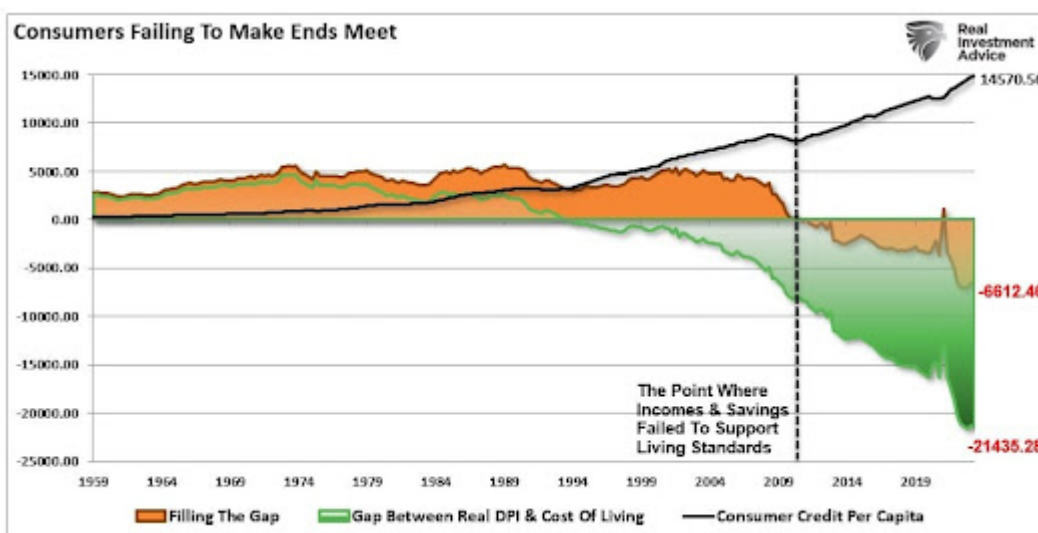

message from the Asians:

Asians' goal for 2024 is to end the unspeakable evil and chaos caused by the polluting cacophony of humans, whose insatiable appetites are matched only by their propensity to destroy everything around them.

Let's start with the situation of the US budget. The first thing people need to understand is that the current US system is broken and cannot be fixed, only replaced. The U.S. government has about \$250 trillion in debt and unfunded liabilities, according to the St. Louis Fed and others. That's \$735,000 for every man, woman and child in this country. That means if everyone spent their entire income without eating, paying rent, etc. to pay off the debt, it would still take 23 years.

The graph below illustrates how indebted Americans have been living since 2006, that is, out of touch with physical reality.

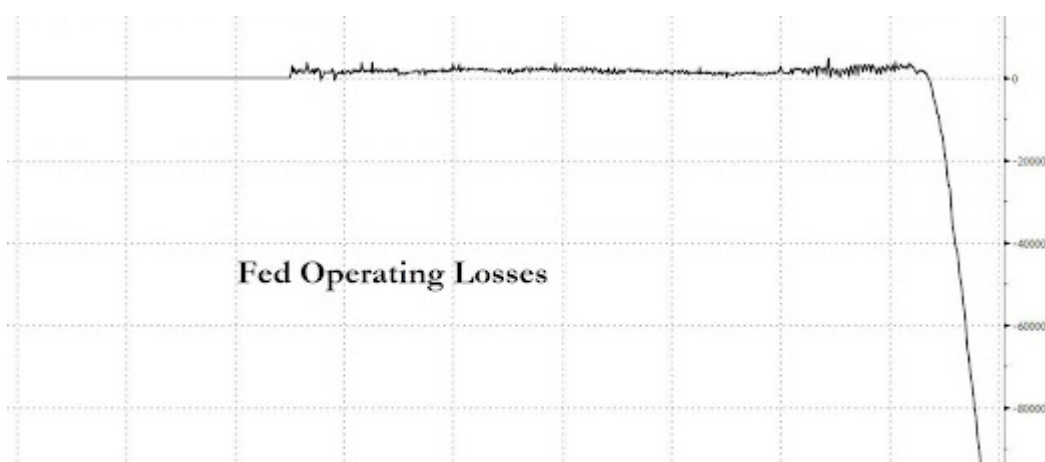

The next chart shows that only 22% of US economic activity is based on physical reality. The rest consists of YouTubers,

"financial advisors", lawyers, etc.

My own experience is a metaphor for what the American and other Western peoples will go through when the bankruptcy of corporate dictatorship occurs. At Forbes I received a high salary and only had to produce 18 stories a year. The combination of high pay and low workload was soul destroying, and I was a decadent hedonist as a result. Last year I wrote well over 100 articles and published four books as a freelancer and felt great and had a lot of time to play. This is what the entire West will go through if the tap is turned off to fiat money.

In case you don't think it's being cut off, look at what's happening to the Federal Reserve Board, the source of fiat money. They are forced to lay off hundreds of employees because they have never made such high losses.

This means that all the political kabuki theater in Washington DC will soon come to an end.

Also note that the fiat system has been bilking the average American since 1971, when the U.S. dollar was delinked from the gold standard. Back before the KM took over the auto workers union, the average auto mechanic made enough money to own a home and a car and support a family.

Today, the average earner, making \$71,214 a year, can no longer afford a home in 99% of the 575 counties surveyed.

<http://theeconomiccollapseblog.com/homes-are-unaffordable-in-99-percent-of-u-s-counties/>

For this reason, only a revolution followed by debt cancellation can bring prosperity and order to the average American and other Western debt slaves.

Make no mistake, a revolution has already begun, and in the worst possible way, with chaos and disorder as the mob riots. The latest indication of this is that Target was forced to close nine stores in four states due to theft and crime. Mass looting is now taking place in most US cities, the most recent example being Philadelphia.

<https://www.startribune.com/theft-crime-spur-target-close-nine-stores-four-states-minneapolis-san-francisco-portland-seattle-nyc/600307683/>

In San Francisco, only 3% of restaurants were not looted last month.

<https://www.dailywire.com/news/only-3-of-san-francisco-restaurants-have-not-been-vandalized-in-past-month-survey>

The only hope seems to be martial law. However, one must also understand that the US military is now actually working for the Chinese, whether they realize it or not. That's because the Chinese pay to support U.S. military operations around the world. In the real world, it is primarily Chinese, Japanese and Saudi Arabian money that finances the US government and its operations around the world. "We have decided that it is cheaper to feed a guard dog than to fight a hungry wolf," Asian intelligence sources explain.

In a sign of this global military transformation, China and Saudi Arabia will hold joint military exercises next month "aimed at deepening practical and friendly cooperation between the two militaries and improving the level of practical training of troops."

<https://www.thedefensepost.com/2023/09/28/china-saudi-arabia-naval-drills/>

By the way, in case anyone thinks the US would win a war against China, the US military just announced that China can build new naval ships 232 times faster than the United States. The same goes for tanks, missiles, etc.

<https://www.theepochtimes.com/china/chinas-shipbuilding-capacity-more-than-200-times-greater-than-us-navy-intelligence-slide-5497280?>

Of course there will be a reckoning first. The US military under the traitor Mark Milley has done its best to kill 90% of humanity so that its satanic overlords will remain in power.

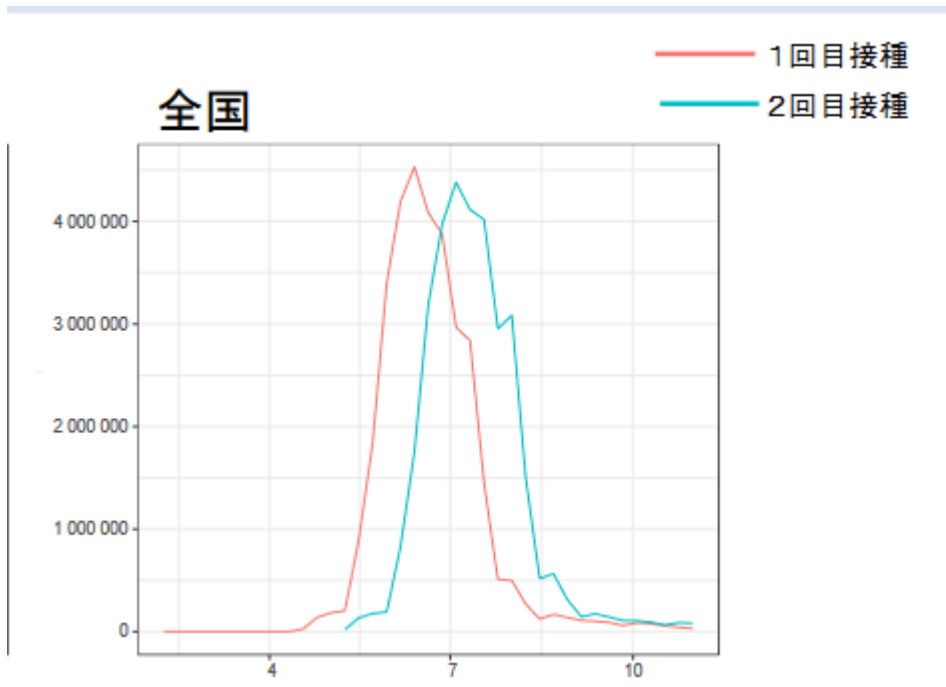

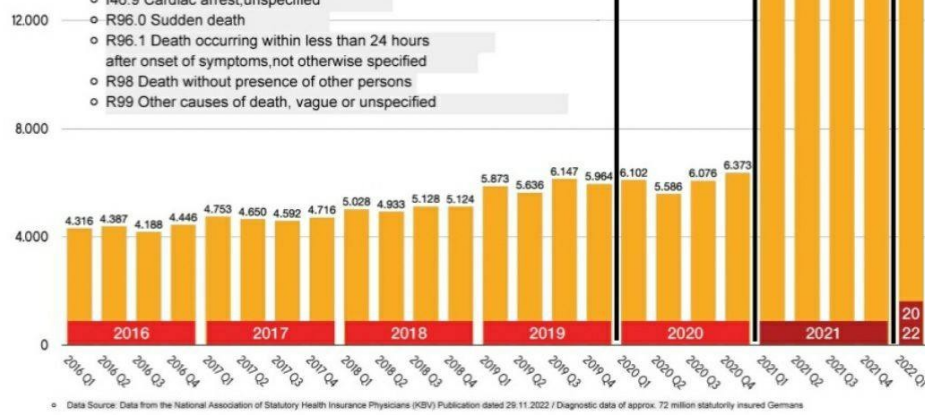

It has now been proven beyond a reasonable doubt that the US military carried out an attack using bioweapons and electromagnetic radiation, followed by the use of toxic vaccines, to commit genocide around the world.

The following graphics show excess mortality in Germany and Japan after the compulsory vaccination campaign. Similar numbers can also be seen in other countries such as Canada and the United (intentional typo) States.

GERMANY

Deaths by Quarter

The link below takes you to over 2,000 peer-reviewed scientific papers that prove the toxicity of gene-modifying poison injections.

Another proven criminal is Bill Gates, who asked President Trump (2017) not to investigate his "vaccines"...(quote)... "That's a dead end...that would be bad...don't do that. .." he showed his guilt. Now that the truth is out - get the nooses out.

"The vaccination weakened the immune system and 50% of them died from bacterial pneumonia that formed in the mouth and lungs from the masks.

KNOW?

Bacterial pneumonia was the #1 cause of death during the Spanish Flu.

It was caused by...MASKS...and Dr. Fauci wrote a paper about it.

<https://www.nih.gov/news-events/news-releases/bacterial-pneumonia-caused-most-deaths-1918-influenza-pandemic>

The remaining deaths were caused by other side effects of the vaccination... Zero people died directly from the Spanish flu. Are you familiar with that?"

By the way, the Polish secret service informed us about a certain Dr. Demetre Daskalakis, the "monkeypox coordinator" in the White House, informed. He is Biden's highest paid staffer and is known for his desecration of Christ and his obsession with Satan and the occult. Daskalakis, who turns 50 this year, joined Biden's staff less than a year ago. In that short time, he earned \$260,718 - the highest salary in the White House, not counting the president himself. Why haven't we heard about him before?

Also, Elon Musk just posted this video on X about the ineffectiveness of vaccines. Another video shows all vaccine manufacturers moving their headquarters to Ukraine.

The evidence can no longer be denied. War crimes tribunals are now inevitable.

The individuals pictured below will all face the death penalty if found guilty by these courts.

These people know they are doomed after their plan to kill

90% of humanity and permanently enslave the rest fails.

This probably explains the following description from an Indian diplomat of Justin Trudeau's behavior when he was in India in September:

"My wife saw him at the airport in Delhi and said that Trudeau looked depressed and stressed. We don't know the reason for that. I don't know the reality, but social media and some 'credible rumors' suggest that his plane is full with cocaine. He also missed the President's dinner because some people say he was out of his mind because of drug use. Given that, you can't tell what's going on in his head."

Elon Musk recently equated Justin Trudeau with Hitler. Many prominent Jews, including those at the Simon

"The fact that a veteran who served in a Nazi military unit was invited to and given a standing ovation in Parliament is shocking. At a time of rising antisemitism and Holocaust distortion, it is incredibly disturbing to see Canada's Parliament rise to applaud an individual who was a member of a unit in the Waffen-SS, a Nazi military branch responsible for the murder of Jews and others and that was declared a criminal organization during the Nuremberg Trials," the Friends of Simon Wiesenthal Center continued in their statement.

Trudeau proved his guilt by inviting Jaroslaw Hunka, an SS Nazi from Galicia, to address the Canadian Parliament to great applause. Hunka's troops were responsible for at least 1.5 million deaths in Ukraine during World War II.

In case you don't know, Adolf Hitler wrote in Mein Kampf that he wanted to enslave and then kill 90% of humanity. In other words, the Nazis were Sabbath-Franconian Jews, or what is now known as the Khazar mafia.

The Center for Israel and Jewish Affairs, which represents Jewish associations across the country, said it was deeply disturbed by the incident.

However, in a sign that many of them are still brainwashed, they added: "The Jewish community of Canada stands firmly with Ukraine in its fight against Russian aggression."

The so-called leader of Ukraine, Vladimir Zelensky, has proven time and again through his actions that he is a Nazi. The

stamp he issued to commemorate Hunka is just a small part of a mountain of evidence.

Jewish organizations must now officially denounce the genocide of Ukrainian men committed by Zelensky in collaboration with Yevgeny Prigozhin of the Wagner Group and others.

Zelensky's men forcibly removed hundreds of thousands of Ukrainian men from the streets and had them killed with artillery. Russian FSB sources confirm that Zelensky and his generals gave Prigozhin precise artillery coordinates to ensure that the Ukrainian men were killed within four hours of their arrival at the front.

The defenseless Ukrainian women and children left behind were then sold as sex slaves or for organ removal. Over 60,000 children were tortured to death to obtain adrenochrome.

The Russian Foreign Ministry is actively collecting information about Kiev's crimes against minors, said the ministry's ambassador in charge of monitoring the Kiev regime's crimes,

Rodion Miroshnik.

The Ukrainian Security Service (SBU) and the State Bureau of Investigation are investigating General Valerii Zaluzhnyi, the commander-in-chief of the Ukrainian Armed Forces, for treason. Senior officers have already been questioned, including the commander of the Joint Forces, Lt. Gen. Sergei Nayev, and Andrei Kovalchuk, the former commander of the southern zone.

Zelensky cannot return to Ukraine because he faces arrest and execution.

"ONE DAY MANY WILL HANG THEIR HEADS IN SHAME. WHEN THEY RECOGNIZE THE EVIL THEY DEFENDED AND THE HEROES THEY HAVE Mocked."

A reckoning is now also imminent in the former Yugoslavia, where Bill Clinton and Rockefeller committed similar crimes decades ago.

Fake US National Security Council spokesman John Kirby confirms that a "large Serbian military deployment along the border with Kosovo" took place last week. These include modern artillery, tanks and mechanized infantry units, he said.

<https://www.aa.com.tr/en/americas/us-calls-on-serbia-to-withdraw-its-unprecedented-military-deployment-on-kosovo-border/3004305>

Since most countries in the world do not recognize the criminal state of Kosovo, nothing will stop the Serbs from destroying the nest of satanists there, Serbian intelligence sources say.

People smugglers are also being rounded up in the West.

In Polk County, Florida, 219 people were arrested in an anti-human trafficking operation, including a school teacher and three Disney employees.

Dan Andrews, premier of the Australian state of Victoria, who presided over some of the world's longest and most draconian COVID lockdowns, has officially resigned. In reality, he is under arrest and, according to Australian intelligence, will disappear from the scene.

In Poland, an estimated 1.5 to 2 million people staged massive protests for changes in Poland's administration, organized by the Civil Coalition, with slogans such as "We want normality and we will hold fraudsters and thieves accountable."

In Israel, tens of thousands of people demonstrated across the country on Saturday evening against the government's judicial reform, which has been in effect for the 39th time.

In Sweden, the prime minister has summoned the head of the military to discuss how the armed forces can help police deal with the unprecedented crime wave caused by hundreds of thousands of male "asylum seekers" from the Middle East and Africa.

The Swedes are starting to take the law into their own hands. A 26-year-old Middle Eastern taxi driver was charged with raping a 14-year-old girl in Sweden - then found hanged in a nature reserve. Now the girl, her boyfriend and three of his brothers are suspected of committing the very painful murder.

DOMESTIC. A 26-year-old taxi driver from the Middle East was reported for raping a 14-year-old girl - then he was found hanged in a nature reserve. Now the girl, her boyfriend and three of his brothers are suspected of the very painful murder, which according to the prosecutor had the character of "an execution".

This is not about economic refugees looking for a better life. As evidence of this, the World Economic Forum (WEF) has seized control of several American military bases in Panama and is orchestrating the flood of migrants heading by the millions toward the southern border of the United States.

<https://newsaddicts.com/wef-running-us-border-crisis-military-base-panama/>

It also looks like England has been taken over by migrants. This is all part of the KM-WEF agenda.

By the way, this has nothing to do with race, but with immigrants adhering to local rules and laws, as you can see from British Home Secretary Suella Braverman's statement: "Multiculturalism has failed."
